10 Be it ordained by the People of the City and County of San Francisco:

11 Section 1. The Administrative Code is hereby amended by revising Sections 23A.1,  
12 23A.2, 23A.3, 23A.4, 23A.5, 23A.6, 23A.7, 23A.8, 23A.10, and 23A.11, and adding  
13 Section 23A.12, to read as follows:

14 **SEC. 23A.1. TITLE.**

15 This ordinance may be cited as the "Surplus Public Lands ~~City Property~~ Ordinance."

16 **SEC. 23A.2. FINDINGS.**

17 The Board of Supervisors of the City and County of San Francisco hereby finds:

18 (a) Homelessness in San Francisco is a crisis. The Mayor's Offices of Community  
19 Development and Housing estimate that there are 3,125 homeless families and 9,375  
20 homeless individuals in San Francisco.

21 (b) The main causes of homelessness are high cost of living, lack of affordable  
22 housing units, welfare reform, de-institutionalization of the mentally ill, substance abuse  
23 and San Francisco's unique place as a destination point. These causes are identified by  
24 the Mayor's Offices of Community Development and Housing in the 2000 Consolidated  
25 Plan.

1 (c) For homeless individuals and families, there is an unmet need of 3,187 housing  
2 slots for individuals and 2,025 slots for families.

3 (d) Surplus City property could be utilized to provide housing to homeless men,  
4 women and children.

5 (e) Surplus City property that is unsuitable for housing could be sold to generate  
6 income for permanent housing for people who are homeless.

7 (f) San Francisco's housing stock is unaffordable for many residents. The average  
8 rent for a two-bedroom apartment increased by 110% from 1980 to 1990, while the overall  
9 cost of living increased by 64%. At \$1,940, the average two-bedroom unit is out of reach to  
10 households earning less than \$77,600 per year, based on the Department of Housing and  
11 Urban Development's standards.

12 (g) San Francisco is experiencing a severe shortage of housing resulting in a  
13 negligible vacancy rate for habitable housing for persons earning less than half of the area  
14 median income.

15 (h) Many renters are unable to locate rental housing of any kind. These persons  
16 are increasingly seeking shelter in already overcrowded emergency shelters and, when  
17 such shelters are full, finding themselves on the City's streets.

18 (i) Existing rental housing constitutes much of the remaining affordable housing in  
19 the City. The number of such units is diminishing as a result of increased pressures for  
20 more development both downtown and in many neighborhoods.

21 (j) Frequently, real estate speculation results in the premature closure of existing  
22 habitable buildings and the withdrawal of existing rental units from the market long before  
23 such closure would be needed for any physical redevelopment of such sites.

24 (k) The Board of Supervisors and the Mayor have concurred with the findings of the  
25 City's Health Commission that there exists a health and housing emergency, as

1 enumerated in Board Resolution 537-01, adopted by the Board of Supervisors on June 25,  
2 2001 and approved by the Mayor on July 6, 2001.

3 (l) Under the City's Charter, a number of City Commissions and Departments,  
4 including the Port, the Airport, the Public Utilities Commission, the Municipal  
5 Transportation Agency, the Recreation and Parks Commission and the Fine Arts  
6 Museums Board of Trustees have jurisdiction and control of their respective Property, and,  
7 thus, the provisions of this Chapter regarding declaring Property surplus or conveying  
8 Property shall operate only as recommendations of policy to such departments and  
9 Commissions.

10 (m) State law includes a number of statutes that potentially govern the disposition  
11 of surplus City Property, including Government Code Section 54220 et seq. (the "State  
12 Surplus Property Statute"). Under the State Surplus Property Statute, State agencies and  
13 subdivisions of the State, including cities or counties, disposing of surplus real property  
14 must first send a written offer to sell surplus property to and negotiate in good faith the  
15 conveyance of such surplus property with certain local agencies designated by the State  
16 for affordable housing, recreation, open space and school purposes. Any conveyances of  
17 Surplus Property under this Chapter would be subject to and would first need to comply  
18 with applicable State law, including the State Surplus Property Statute, and the application  
19 of the State Surplus Property Statute may preclude or impair disposing of Surplus Property  
20 for the purposes and in the manner set forth in this Chapter.

21 (n) San Francisco is suffering from an urgent crisis of housing affordability and displacement  
22 that requires immediate action.

23 (o) The passage by the voters of Proposition K in November 2014 demonstrated a clear policy  
24 imperative to increase production of housing, especially housing affordable to households of low,  
25 moderate and middle incomes.

1           (p) Publicly owned land that is suitable for housing development represents a unique  
2           opportunity for San Francisco to meet the affordable housing policy goals set forth in Proposition K.

3           (q) Affordable housing is of vital importance to the health, safety, and welfare of the residents  
4           of San Francisco and provision of a decent home and a suitable living environment for every  
5           San Franciscan is a priority of the highest order.

6           (r) There is a shortage of sites available for housing for persons and families of low, moderate  
7           and middle incomes, and surplus publicly owned land, prior to disposition, should be strategically  
8           deployed to address that shortage.

9           (s) This Chapter 23A will have no impact on park lands, which are protected from development  
10          under the City Charter.

11          (t) The State of California adopted Assembly Bill 2135 in November 2014, requiring local  
12          agencies and school districts to give priority in disposing of the surplus land to affordable housing.

13          (u) California Government Code Sections 54220-54232, the "State Surplus Property Statute,"  
14          applies to any local agency, including any city and county, and district, including school districts of  
15          any kind or class, and sets out rules for "surplus land" that is determined to be no longer necessary for  
16          the agency's use.

17          (v) The Board of Supervisors approved this Chapter 23A in November 2002 to identify and use  
18          surplus City-owned property for the purpose of providing housing, shelter, and other services for  
19          people who are homeless, which resulted in the development of two 100% affordable housing  
20          developments.

21          (w) The sale or lease of surplus land at less than fair market value to facilitate the creation of  
22          affordable housing is consistent with goals and objectives of San Francisco's Housing Element and  
23          Proposition K.

24  
25       **SEC. 23A.3. PURPOSE.**

1 The ~~purposes~~ ~~purpose~~ of this ordinance ~~are~~ ~~is~~ to:

2 (a) Prioritize surplus and underutilized public land in San Francisco that is suitable for the  
3 construction of housing in order to maximize the creation of deed-restricted affordable housing

5 (b) Establish policy that the portfolio of housing built on public lands in San Francisco should

7 middle income affordability levels, taking into account available subsidy sources for such affordable  
8 housing;

4 hold a public hearing on the Surplus Property Report and determine if any Property should be  
5 transferred to MOHCD under Section 23A.7, provided the Board President may elect not to hold a  
6 hearing during any year in which the Administrator has determined that there is no Surplus Property  
7 or Underutilized Property suitable for the development of Affordable Housing. With respect to the  
8 Enterprise Departments and the Education Districts, the Board of Supervisors may make a  
9 recommendation of surplus and transfer, but the Enterprise Departments and the Education Districts  
10 shall each have the right to determine whether real property under its jurisdiction is surplus or  
11 underutilized and whether to dispose of property in any particular manner subject to the requirements  
12 of the City's Charter and California law.

13 (d) For a period of 120 days following the public hearing held under subsection (c) above, the  
14 City shall not initiate a request for bids or proposals or enter into contracts designed to facilitate the  
15 sale of Property (including brokerage and appraisal contracts) that the Board intends to transfer to  
16 MOHCD for any purpose other than the development of Affordable Housing, without the prior  
17 approval of the Board of Supervisors.

18

21 **SEC. 23A.10. CITY POLICY REGARDING THE USE OF PUBLIC LANDS FOR**  
22 **AFFORDABLE HOUSING BOARD OF SUPERVISORS REVIEW AND CRITERIA.**

23 The City Board of Supervisors shall be guided by the following policy regarding the  
24 disposition of Surplus and Underutilized Property, which policy shall be the official policy of  
25

1 the City. This policy applies to Surplus and Underutilized Property regardless of whether such  
2 Property has been included in ~~on~~ an annual Surplus Property Report.

3 (a) In furtherance of the State Surplus Property Statute, the City shall ask all local agencies  
4 that own real property within the City and County of San Francisco (including the Education Districts,  
5 the Bay Area Rapid Transit District, and other local agencies) and that intend to dispose of real  
6 property located in the City consisting of one-quarter acre or larger, to give the Executive Director  
7 advance notice of the proposed disposition together with an opportunity to negotiate for the acquisition  
8 of such real property for a period of not less than 120 days.

9 (b) Upon receipt of any such notice under subsection (a) above, if the Executive Director  
10 determines that the real property is feasible for Affordable Housing, the Executive Director shall  
11 negotiate in good faith to acquire the property and, if successful, shall seek an appropriation and any  
12 required approvals for such acquisition. If the Executive Director determines that the real property is  
13 suitable for Affordable Housing but that the City cannot acquire the property for financial or other  
14 reasons, the Executive Director shall notify Affordable Housing developers of the proposed disposition  
15 so that they may seek to acquire the property. The Executive Director shall maintain a list of  
16 Affordable Housing developers that are active in the City for purposes of this notification.

17 (c) Pursuant to the State Surplus Property Statute, and 2014 Proposition K affordable housing  
18 goals, if the Executive Director and the non-City local agency negotiate in good faith but cannot reach  
19 agreement on the terms for the City's acquisition of the real property, and the local agency then  
20 disposes of the property to another person or entity for the development of 10 or more residential units,  
21 then: (1) the local agency shall require that not less than 15% of the residential units developed on the  
22 property be affordable housing; and (2) rental units shall remain affordable to, and occupied by, lower  
23 income households for the useful life of the project, each as determined in accordance with the State  
24 Surplus Property Statute, as it may be amended. These requirements shall be contained in a covenant  
25

1 or restriction recorded against the real property at the time of disposition and be enforceable by the  
2 local agency against any subsequent owner.

3 (d) The Board of Supervisors encourages all non-City local agencies that intend to dispose of  
4 real property in the City to determine the fair market value of that real property assuming that not less  
5 than 33% of the total number of units developed on that property will be affordable housing, to the  
6 extent permitted by applicable law. Any local agency selling or leasing real property to the City for  
7 affordable housing may provide for an extended payment period equal to the period during which the  
8 property will be restricted as affordable housing.

9 (e) Nothing in this Section 23A.10 shall be interpreted to limit the power of any local agency to  
10 sell or lease real property at fair market value or at less than fair market value, consistent with  
11 applicable law.

12 ~~Subject to any disposition priority required by State law and other limitations expressly set forth~~  
13 ~~herein, Surplus and Underutilized Property shall be used in the following order of priority:~~

15 ~~persons earning less than 20% of the Area Median Income for the San Francisco PMSA as established~~  
16 ~~by the United States Department of Housing and Urban Development and reported by the Mayor's~~  
17 ~~Office of Housing. Provided that:~~

18 ~~1. The housing shall remain affordable for the useful life of the Property;~~  
19 ~~2. Housing costs in such housing shall not exceed 30% of the resident's income;~~  
20 ~~3. Projects in which people who are homeless rehabilitate and renovate~~  
21 ~~property in exchange for their tenancy or "sweat equity" in the property shall be encouraged.~~

22 ~~(ii) Second, for other on-site services for people who are Homeless or for non-profit~~  
23 ~~agencies serving people who are Homeless, including not limited to job training, senior services,~~  
24 ~~healthcare and childcare for people who are homeless.~~

1                   ~~(iii) Third, for the development of affordable housing for persons earning no more than~~  
2 ~~60% of the Area Median Income for the San Francisco PMSA as established by the United States~~  
3 ~~Department of Housing and Urban Development and reported by the Mayor's Office of Housing,~~  
4 ~~provided that the housing shall remain affordable for the useful life of the Property.~~

5                   ~~When the Executive Director determines Surplus Property is unsuitable for the uses described~~  
6 ~~in subsections (i), (ii), and (iii) above because it is unsafe, inconveniently located or located in an area~~  
7 ~~inappropriate for housing, or otherwise cannot meet the purposes of this Chapter, or when the~~  
8 ~~Executive Director receives no acceptable applications pursuant to Section 23A.8, it shall be City~~  
9 ~~policy to encourage the sale of such Surplus Property in accordance with the requirements of~~  
10 ~~Administrative Code Section 23.3 and other applicable laws and to designate use of the net proceeds of~~

RE: File 150661 - Surplus Public Lands & File 150659 - Surplus City Property Ordinance

Dear Ms. Calvillo,

This letter references both files, which contain the same amendment language. Should the proposed ordinance be approved by the voters, it would have little impact on the cost of government. The amendment expands the affordability criteria for housing developed through the process established by the original ordinance and creates a waiting period of 120 days before property can be used for any purpose other than affordable housing. Additionally, the amendment clarifies City policy priorities for how the City should develop these surplus properties and the intended recipients of the resulting affordable housing. Barring these administrative changes, the essential components of the ordinance, and their associated costs, remain the same.

Sincerely,

Ben Rosenfield  
Controller

Note: This analysis reflects our understanding of the proposal as of the date shown. At times further information is provided to us which may result in revisions being made to this analysis before the final Controller's statement appears in the Voter Information Pamphlet.

Dear Supervisors Avalos, Tang, and Cohen,

On behalf of The Non-Profit Housing Association of Northern California (NPH), I write to communicate our strong support for the proposed initiative to revise the Surplus City Property Ordinance and urge you to vote to place this initiative on the November 3, 2015 ballot.

NPH is the collective voice of those who support, build and finance affordable housing. We promote the proven methods of the non-profit sector and focus government policy on housing solutions for lower-income people who suffer disproportionately from the housing affordability crisis.

Given the current real estate pressures in San Francisco, finding and securing sites for affordable housing is extremely difficult. With land for development scarce, nonprofit affordable housing developers are forced to compete with market-rate developers of luxury apartments and condominiums. Therefore, the dedication of publicly-held land for 100% affordable housing developments is a best practice and a key to increasing the supply of long-term affordable homes in the City. For sites sold or leased to private development, a 50% affordable housing minimum is required. Public land should be used for public benefit and not for real estate speculation and private, market-rate development.

Amending the Administrative Code to update and expand the applicability of provisions in the Surplus City Property Ordinance and the public process around its implementation will help address the urgent crisis of housing affordability and displacement in San Francisco that requires immediate action. Surplus and underutilized public land is a unique opportunity for San Francisco to meet its affordable housing needs by maximizing the amount of housing affordable to households of extremely low, very low, low, and moderate incomes. Proposed changes to the existing ordinance will also clarify that the sale or lease of surplus land at less than fair market value for affordable housing development is consistent with the goals and objectives of San Francisco's Housing Element and in line with California Government Code Section 54226.

Passage of the initiative will update the existing code to match the State of California's recently adopted Assembly Bill 2135, requiring local agencies and school districts to give first priority to affordable housing when disposing of surplus land through sale or lease. It will also create a policy that other state and special district agencies with land in San Francisco should prioritize permanently affordable housing when considering disposition and development of sites.
