Subject: File 150723 - 645 Texas Street

Dear Supervisors:

I am in support of the 645 Texas project and against unjust hijacking of the appeals process by NIMBYs.

This appeal should never have been accepted, it was filed after deadline. The fact that it's being considered due to certain heavies throwing their weight around behind the counters of certain City agencies represents a serious procedural abuse.

Moreover, as I'm sure you've heard from others, we need housing. Every new unit we allow, regardless of price point, removes conversion pressure from occupied rent-controlled units and other vulnerable occupancies. It's math.

Sincerely,

Mike Ege
