

LEGISLATIVE DIGEST

[Transportation Code - Subway Master Plan]

Ordinance amending the Transportation Code to declare as City policy that the City develop a Subway Master Plan within 12 months, and to update that Master Plan every four years; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

There is currently no requirement that the City create or maintain a subway master plan.

Amendments to Current Law

This ordinance would declare it to be City policy that the City create a Subway Master Plan within twelve months of the effective date of this ordinance, and that the City update that Master Plan every four years.
