Joe,

Our client, William Bradley, would request another continuance to tomorrow's hearing of the Board of Supervisors regarding his above-referenced appeal. This is because the Court continued the Case Management Conference again, this time to November 18, 2015. We would thus respectfully ask tomorrow's hearing be continued to a date in December 2015.

Please let me know if you have any questions.

Good morning Alex

Thanks so much for your response.

Sorry that this case is still unresolved.

The Board meeting just after your Case Conference would be September 22. Is this the date to which you'd like this item continued or would you like for us to continue to a Tuesday that is farther out from that date?

Please advise.

Best regards,

Joseph

Hi Joe,

My apologies for the delay. I have been going early morning to late at night on a client matter since Monday of this week and am catching up now.

The answer is that the matter has not been resolved. Instead, the Court again continued the Case Management Conference, this time to September 16, 2015. We would thus respectfully request the Appeal be continued until later in September or early October.

Regards,

Alex

Hi Alex

I am writing to check in about the Tentative Map Appeal on 639 Peralta that was continued from April 28 to July 28, 2015.

Has this item been resolved or will the Board of Supervisors be hearing this Tentative Map Appeal two weeks from today?

Please provide me with an update at your earliest convenience.

Thanks so much!
