Section 1. Findings.

(a) On May 27, 2015, the Planning Department's Environmental Review Officer finalized the Mitigated Negative Declaration ("MND") for the Jewish Home of San Francisco for this General Plan Amendment, Planning Code and Zoning Map Amendments and determined that the MND was adequate, accurate and complete and reflected the independent judgment of the Planning Department. An appeal was filed on June 17, 2015, and on August 13, 2015 the Planning Commission conducted a duly noticed public hearing and reviewed and considered the MND and the appeal thereon. The Planning Commission found that, based on the whole record, there was no substantial evidence to support a fair

1 argument that the proposed project could have a significant effect on the environment and
2 that the MND was adequate, accurate and complete and reflected the Planning Department's
3 independent judgment and analysis in Motion No. 19435. A copy of the MND and this Motion
4 is on file with the Clerk of the Board of Supervisors in File No. 150845 and is incorporated
5 herein by reference. At the same hearing, the Planning Commission adopted the MND and a
6 Mitigation Monitoring and Reporting Program in its Resolution No. 19436 and Motion No.
7 19435. In accordance with the actions contemplated herein, this Board has reviewed the
8 MND and the record as a whole, and adopts and incorporates by reference, as though fully
9 set forth herein, the findings, including the Mitigation Monitoring and Reporting Program,
10 pursuant to the California Environmental Quality Act (California Public Resources Code
11 Section 21000 et seq.), adopted by the Planning Commission on August 13, 2015, in
12 Resolution No. 19436 and Motion No. 19435. Copies of Resolution No. 19436 and Motion
13 No. 19435 are on file with the Clerk of the Board of Supervisors in File No. 150845. The
14 Planning Department, Jonas Ionin, is the custodian of records, located in Planning
15 Department File No.2011.1323E, at 1650 Mission Street, 4th Floor, San Francisco, California.

16 (b) On August 13, 2015, the Planning Commission, in Resolution No. 19437, adopted
17 findings that the actions contemplated in this ordinance are consistent, on balance, with the
18 City's General Plan and eight priority policies of Planning Code Section 101.1. The Board
19 adopts and incorporates by reference, as though fully set forth herein, the findings adopted by
20 Planning Commission Resolution No. 19437. Copies of Resolution No. 19437 and Motion No.
21 19435 are on file with the Clerk of the Board of Supervisors in File No. 150846.

22 (c) Pursuant to Planning Code Section 302, this Board finds that these Planning Code
23 amendments will serve the public necessity, convenience, and welfare for the reasons set
24 forth in Planning Commission Resolution No. 19437 and the Board incorporates such reasons
25

1 herein by reference, as though fully set forth herein. A copy of Planning Commission
2 Resolution No. 19437 is on file with the Clerk of the Board of Supervisors in File No. 150846.

3
4 Section 2. The Planning Code is hereby amended by adding Section 249.73 thereto,
5 to read as follows:

6 **SEC. 249.73. Jewish Home of San Francisco Special Use District.** A Special Use District
7 entitled the Jewish Home of San Francisco Special Use District ("District"), the boundaries of which
8 are shown on Special Use District Map SU011 of the Zoning Map of the City and County of San
9 Francisco, is hereby established for the purposes set out below.

10 (a) Purpose. The purpose of the District is to facilitate the provision of a Residential Care
11 Facility for the elderly, accomplished by augmenting existing residential care facilities with additional
12 residential care facility and supportive uses, beyond those typically permitted within a Residential Care
13 Facility, as defined in Planning Code Section 102, that will provide a comprehensive array of
14 programs, services, and levels of housing and care to reach a broader spectrum of the senior
15 population, including both resident and non-resident seniors. The District will facilitate an institutional
16 development pattern appropriate for a Residential Care Facility for the elderly, while also respecting
17 the surrounding neighborhood context. To achieve this purpose, this District will:

18 (1) Provide skilled nursing facilities and licensed residential care facilities for the
19 elderly, and

20 (2) Provide a range of uses and services to residents, visitors, employees, and the
21 general public. Such uses may be accessory to the Residential Care Facility, or may be principal uses,
22 when permitted. These uses may include Health Service Uses (including but not limited to medical
23 office, laboratories and outpatient clinics); acute care psychiatric hospital uses; other Institutional
24 Uses (including but not limited to religious facilities, adult day care, assembly and social services);
25 Personal Services; administrative office space; and Retail Uses.

1 **(b) Controls.** Applicable provisions of the Planning Code shall apply except as otherwise
2 provided in this Section 249.73. In the event of a conflict between other provisions of the Planning
3 Code and this District, this Section 249.73 shall control.

4 **(1) Accessory Uses.** In this District, exceptions from otherwise applicable requirements
5 of the Planning Code may be appropriate to further the goals set forth in Section 249.73. Accessory
6 uses within this District shall be governed by Planning Code Section 703.2(b)(1)(C). Outpatient
7 services, acute care psychiatric hospital uses, and all other uses listed in Section 249.73(a)(2) shall be
8 permitted as accessory uses and may be made available to non-resident seniors.

9 **(2) Non-Residential Uses.** In this District, exceptions from otherwise applicable
10 requirements of the Planning Code may be appropriate to further the goals set forth in this Section
11 249.73 to provide care for the elderly. In addition to the uses that are otherwise permitted as principal
12 or conditional uses in the RH-2 Zoning District, Non-Residential uses permitted within the Excelsior
13 Outer Mission Street Neighborhood Commercial District shall also be permitted as a Planned Unit
14 Development modification pursuant to Planning Code Section 304(d)(5), provided, however, that such
15 uses shall not be limited to serving only residents of the immediate vicinity.

16 **(3) Floor Area Ratio.** The permitted floor area ratio for any individual lot within the
17 District shall not exceed 2.1:1; provided, however, the cumulative floor area ratio for the entire
18 District shall not exceed 1.8:1.

19 **(4) Rear Yards.** The rear yard requirements of Planning Code Section 134 shall not
20 apply to any Non-Residential use within this District.

21 **(5) Off-Street Automobile Parking.** No more than a total of 224 off-street accessory
22 parking spaces may be permitted within this Special Use District, provided that any parking proposed
23 above the 224 parking space maximum shall not be considered accessory parking but as a principal
24 use that shall require conditional use authorization. In considering an application for a conditional
25

1 use for any such parking, the Planning Commission shall consider the criteria set forth in Section 157
2 of this Code.

3 (6) Signs. Signage shall be regulated as provided in Section 607.1 of this Code for an
4 NC-3 District, except that up to four identifying signs within the District shall be permitted, and the
5 height of wall signs shall not exceed 30 feet on the wall to which the sign is attached.

6
7 Section 3. The Planning Code is hereby amended by revising Sectional Map SU011 of
8 the Zoning Map of the City and County of San Francisco, as follows:

<u>Description of Property</u>	<u>Zoning Designation to be</u> <u>Superseded</u>	<u>Zoning Designation Hereby</u> <u>Approved</u>
Block 5952, Lot 002	RH-2	Jewish Home of San Francisco Special Use District

14
15 Section 4. The Planning Code is hereby amended by revising Sectional Map HT011 of
16 the Zoning Map of the City and County of San Francisco, as follows:

<u>Description of Property</u>	<u>Zoning Designation to be</u> <u>Superseded</u>	<u>Zoning Designation Hereby</u> <u>Approved</u>
Block 5952, Lot 002	50-X	50/65/80-X

21
22 Section 5. Effective Date and Operative Date.

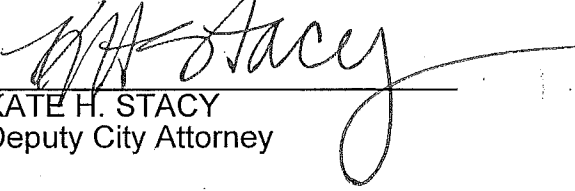

23 (a) This ordinance shall become effective 30 days after enactment. Enactment occurs
24 when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not
25

1 sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the
2 Mayor's veto of the ordinance.

3 (b) This ordinance shall become operative upon its effective date or upon the effective
4 date of the related General Plan Amendment contained in Board of Supervisors File No.
5 150845, whichever occurs later. If the effective date of the related General Plan Amendment
6 does not occur within 90 days of the effective date of this ordinance, this ordinance shall
7 expire by operation of law.

Re: Transmittal of Planning Department Case Number 2011.1323EMTZCUA:
Jewish Home of San Francisco Special Use District

BOS File No: 150846 (pending)
Planning Commission Recommendation: Approval

Dear Ms. Calvillo,

On May 21, 2015 the San Francisco Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting to consider the initiation of the proposed General Plan Amendment and Planning Code Text and Zoning Map Amendment Ordinances;

On August 13, 2015 the Commission conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinances;

The proposed Ordinances initiated by the Planning Commission would 1.) create Section 249.73 to establish the Jewish Home of San Francisco Special Use District, and 2.) amend Map 5 of the Urban Design Element within the General Plan, changing the bulk designation shown on the map by eliminating Assessor's Block 5953, Lot 002, the subject property, from shadings that limit the parcel's height to 40-feet, and the maximum plan and diagonal dimensions of a structure to 110-feet and 125-feet, respectively. The purpose of the Jewish Home of San Francisco Special Use District is to facilitate the provision of Residential Care Facility for the elderly, accomplished by augmenting existing residential care facilities with additional residential care facility and supportive uses. To accomplish the goals, the SUD would:

- permit a Planned Unit Development modification to allow a limited number of non-residential uses included but not limited to Health Service uses (i.e. medical office, laboratories and outpatient clinics); acute care psychiatric hospital uses; other Institutional Uses (i.e. religious facilities, adult day care, assembly and social services); Personal Service uses (i.e. fitness centers, salons); administrative office space; and Retail Uses. Such uses would not be required to serve only residents in the immediate vicinity;
- allow a floor area ratio of up to 2.1:1 for any individual lot within the SUD, though the floor area ratio of the entire district could not exceed 1.8:1;

- allow up to 224 off-street parking spaces to be considered accessory parking and anything above to require conditional use authorization pursuant to Planning Code Section 157;
- require that the SUD comply with Article 6 provisions as they apply to NC-3 Zoning Districts, except that up to four identifying signs may be provided and that the height of wall signs shall not exceed 30 feet on the wall to which the sign is attached; and
- amend Special Use District Map No. 11 (SU11) and Height and Bulk District Map No. 11 (HT11) to allow an increase in height within portions of the SUD to no more than 80-feet. The Special Use District Map would be amended to show the boundaries of the Jewish Home of San Francisco Special Use District.

The Planning Commission found that the proposed Project could not have a significant effect on the environment as shown in the analysis of the Mitigated Negative Declaration and affirmed the decision to issue a Mitigated Negative Declaration, as prepared by the San Francisco Planning Department.

At the August 13, 2015 hearing, the Commission voted to recommend approval of the proposed General Plan and Planning Code and Zoning Map Amendment Ordinances. ADOPTING FINDINGS RELATED TO THE APPEAL OF THE PRELIMINARY MITIGATED NEGATIVE DECLARATION, FILE NUMBER 2011.1323E FOR THE PROPOSED DEVELOPMENT ("PROJECT") AT THE JEWISH HOME OF SAN FRANCISCO, 302 SILVER AVENUE.

MOVED, that the San Francisco Planning Commission (hereinafter "Commission") hereby AFFIRMS the decision to issue a Mitigated Negative Declaration, based on the following findings:

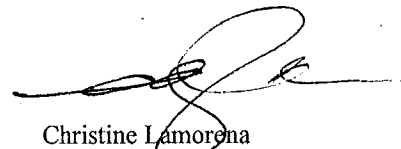

1. On June 18, 2014, pursuant to the provisions of the California Environmental Quality Act ("CEQA"), the State CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code, the Planning Department ("Department") received an Environmental Evaluation Application form for the Project, in order that it might conduct an initial evaluation to determine whether the Project might have a significant impact on the environment.
2. On May 27, 2015, the Department determined that the Project, as proposed, could not have a significant effect on the environment.
3. On May 27, 2015, a notice of determination that a Mitigated Negative Declaration would be issued for the Project was duly published in a newspaper of general circulation in the City, and the Mitigated Negative Declaration posted in the Department offices, and distributed all in accordance with law.
4. On June 12, 2015, an appeal of the decision to issue a Mitigated Negative Declaration was timely filed by five individuals (Trevor Hamden, Hon Tran, Richard Cowie, Shannon Noonan and Grace D'Anca), collectively "appellants."
5. A staff memorandum, dated August 6, 2015, addresses and responds to all points raised by the appellant in the appeal letter and by the commenter in the submitted comments. That

memorandum is attached as Exhibit A and staff's findings as to those points are incorporated by reference herein as the Commission's own findings. Copies of that memorandum have been delivered to the City Planning Commission, and a copy of that memorandum is on file and available for public review at the San Francisco Planning Department, 1650 Mission Street, Suite 400.

6. On August 13, 2015, the Commission held a duly noticed and advertised public hearing on the appeal of the Preliminary Mitigated Negative Declaration, at which testimony on the merits of the appeal, both in favor of and in opposition to, was received.
7. All points raised in the appeal of the Preliminary Mitigated Negative Declaration at the August 13, 2015 City Planning Commission hearing have been responded to either in the Memorandum or orally at the public hearing.
8. After consideration of the points raised by appellant, both in writing and at the August 13, 2015 hearing, the San Francisco Planning Department reaffirms its conclusion that the proposed project could not have a significant effect upon the environment.
9. In reviewing the Preliminary Mitigated Negative Declaration issued for the Project, the Planning Commission has had available for its review and consideration all information pertaining to the Project in the Planning Department's case file.
10. The Planning Commission finds that Planning Department's determination on the Mitigated Negative Declaration reflects the Department's independent judgment and analysis.

The City Planning Commission HEREBY DOES FIND that the proposed Project, could not have a significant effect on the environment, as shown in the analysis of the Mitigated Negative Declaration, and HEREBY DOES AFFIRM the decision to issue a Mitigated Negative Declaration, as prepared by the San Francisco Planning Department.

I hereby certify that the foregoing Motion was ADOPTED by the City Planning Commission on August 13, 2015.

Recommendation: **Recommend Approval and Adopt CEQA Findings**

RECOMMENDING THAT THE BOARD OF SUPERVISORS ADOPT FINDINGS RELATING TO THE PLANNING CODE, INCLUDING 1) AMENDMENT OF PLANNING CODE TEXT TO ADD SECTION 249.73 TO ESTABLISH THE JEWISH HOME OF SAN FRANCISCO SPECIAL USE DISTRICT, TO ALLOW ADDITIONAL USES, PERMITTED BY PLANNED UNIT DEVELOPMENT, AND TO INCLUDE PROVISIONS REGARDING FLOOR AREA RATIO, OFF-STREET AUTOMOBILE PARKING AND SIGNAGE; AND 2) AMENDMENTS TO SPECIAL USE DISTRICT MAP SU11 AND HEIGHT AND BULK DISTRICT MAP HT11 TO REFLECT THE CREATION OF THE SPECIAL USE DISTRICT AND ALLOW AN INCREASE IN HEIGHT WITHIN PORTIONS OF THE SPECIAL USE DISTRICT FROM 50'-0" TO UP TO 80'-0"; AND (3) MAKE AND ADOPT FINDINGS, INCLUDING FINDINGS UNDER PLANNING CODE SECTION 302, ENVIRONMENTAL FINDINGS AND FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN AND THE EIGHT PRIORITY POLICIES OF PLANNING CODE SECTION 101.1.

PREAMBLE

On March 19, 2012, Daniel Ruth, on behalf of the Jewish Home of San Francisco (hereinafter referred to variously as "Jewish Home" and "Project Sponsor"), submitted an Environmental Evaluation Application (EEA) with the Planning Department (hereinafter "Department"), Case No. 2011.1323E for the proposed redevelopment of the Jewish Home site ("Project").

Hearing Date: August 13, 2015

On December 20, 2012, the Project Sponsor submitted a request to amend (1) Map 5, "Urban Design Guidelines for Bulk of Buildings" of the General Plan Urban Design Element, to change the bulk designation shown on the Map for Assessor's Block 5952, Lot 002 and adding a note to Map 5 (Case No. 2011.1323M), (2) Planning Code Text to create the Jewish Home Special Use District, and (3) Height Map HT11 of the Planning Code to change the height and bulk district of the subject property from 50-X to 50/65/80-X; and (4) Special Use Map SU11 of the Planning Code to delineate the boundaries of the Jewish Home Special Use District.

On January 23, 2015, the Department determined that the Project, as proposed, could not have a significant effect on the environment, and duly published, posted and distributed, all in accordance with law, a notice of determination that a Mitigated Negative Declaration would be issued for the Project.

On February 19, 2015, the Project Sponsor filed an application with the Department for Conditional Use authorization, and to amend the existing Planned Unit Development (hereinafter "PUD") for the Jewish Home to authorize the proposed new residential care for the elderly ("RCFE") facility and supportive uses, including the parking associated therewith, and to allow buildings over 40'-0" in an RH-2 District.

On May 21, 2015, the Commission conducted a duly noticed public hearing at a regularly scheduled meeting and adopted Motion No. 19379, initiating the requested General Plan Amendment.

On May 21, 2015, the Commission conducted a regularly scheduled meeting and adopted Motion 19380, initiating the requested Planning Code Text and Zoning Map Amendments.

On May 27, 2015, The Planning Department's Environmental Review Officer finalized the Mitigated Negative Declaration ("MND") for the Jewish Home of San Francisco for this project and the Planning Code and Zoning Map Amendments and General Plan Amendments and determined that the MND was adequate, accurate and complete and reflected the independent judgment of the Planning Department. The PMND was available for public comment until June 17, 2015. Two comment letters were received as of June 12, 2015. An appeal was filed on June 17, 2015. On June 25, 2015, the Commission continued its consideration of the matter to August 13, 2015. The Planning Department, Jonas Ionin, is the custodian of records, located in File No. 2011.1323E, at 1650 Mission Street, Fourth Floor, San Francisco, California.

Planning Department staff prepared a Mitigation Monitoring and Reporting Program (MMRP), which material was made available to the public and this Commission for this Commission's review, consideration and action. The Commission adopts the MMRP as a condition of approval of the Conditional Use Authorization for the Project.

On August 13, 2015, the Commission conducted a duly noticed public hearing at a regularly scheduled meeting regarding the PMND appeal. Based on testimony and evidence, the record before the Commission, the Commission adopted Motion No. 19435, affirming the PMND and finding that the project could not have a significant effect on the environment.

Having continued from June 25, 2015, on August 13, 2015, the Commission conducted a duly noticed public hearing at a regularly scheduled meeting regarding the requested General Plan amendment,

Hearing Date: August 13, 2015

adopted the Mitigated Negative Declaration ("MND") and MMRP, and recommended that the Board of Supervisors approve such General Plan amendment.

Also on August 13, 2015, the Commission conducted a duly noticed public hearing at a regularly scheduled meeting regarding the requested Planning Code Text and Zoning Map Amendments. The Commission heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of Department staff and other interested parties; and the record as a whole.

The Commission has reviewed the proposed Planning Code Text and Zoning Map Amendments Ordinance; and

MOVED, that the Planning Commission hereby adopts the MMRP attached as Exhibit C of Motion No. 19438, based on the findings as stated below.

FURTHER MOVED, that the Commission hereby recommends that the Board of Supervisors approve the proposed Planning Code and Zoning Map Amendment Ordinances, and adopt the attached Resolution to that effect.

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments and the record as a whole, including all information pertaining to the Project in the Planning Department's case files, this Commission finds, concludes, and determines as follows:

1. The MND is adequate, accurate and complete, and reflects the independent judgment and analysis of the Planning Department. The Project, as shown in the analysis of the MND, could not have a significant effect on the environment. The Planning Commission adopted the MND in Resolution No. 19435.
2. The Commission finds the Jewish Home to be a beneficial development to the City that could not be accommodated without the actions requested.
3. The Jewish Home is a residential care facility, established in 1871, that specializes in programs, services and care for older adults. The Jewish Home is operated by a 501(c)(3) non-profit corporation, and its mission is to enhance the quality of life for seniors. The Jewish Home is dedicated to providing access to many different populations with multiple and unique care and service needs and at various income levels. The Jewish Home has historically relied on substantial philanthropy to support its operations and will continue to do so with the Project.
4. According to the Project Sponsor, among the most pressing issues in long-term care is the inconsistent and unreliable approach to Medi-Cal reimbursement based on the financial condition of the State of California. This state of affairs has resulted in fluctuating and major operating deficits for the Jewish Home, which undermines the long term sustainability of the

organization. The Home, along with other residential care facilities and senior care service providers, faces changes as more "Baby Boomers" reach retirement age, bringing new demands, expectations, and concerns about the rest of their lives. This trend presents the following challenges:

- Thanks to modern medicine, people are living longer—but often with multiple chronic illnesses, including dementia and Alzheimer's, which can take a toll on individual lives, families, and communities.
- Many adults are ill-prepared financially for retirement and wonder how they will afford the longer lives medicine makes possible.
- Older adults today prefer independence to the traditional institutional living approaches of the past, but remaining at home can lead to isolation, premature illness, depression, and poor access to life-enhancing resources. Often, couples must separate when one's need for care outpaces the other's need. Seniors fortunate enough to have a support system risk draining the financial, emotional, and physical resources of their caregivers.
- Public resources for residential care facilities are dwindling, and recent state funding cuts to Medi-Cal reimbursement created substantial liabilities for facilities like the Jewish Home. Many residential care facilities, including the Jewish Home, are aging and outdated, and it will be a major undertaking at a substantial cost to renovate and rebuild the facilities to contemporary residential care, life safety and seismic standards.

5. To address the above challenges, the Project would:

- Develop a modern residential care facility that serves a broader spectrum of the senior population in a diversity of settings. The Project would construct facilities to allow people to age in place as long as possible, with the ability to vary the types and level of care that residents receive over time. The Project allows the Jewish Home to create a contemporary continuum of high quality, innovative and compassionate care that will be accessible and attractive to a broad cross-section of older adults.
- Shift the existing Jewish Home from predominantly skilled nursing facility ("SNF") to a combination SNF and RCFE model, serving a range from more able seniors, to frail elderly, to those with memory care needs. RCFE facilities and services are licensed and monitored by the State of California. In RCFE facilities, there is a substantial "care" component--and the "residential" and "care" components are inseparable. The licensing triggers a panoply of special requirements related to the physical space and service requirements. Among other things, RCFE facilities must be built to a special construction typology, designed to standards for occupants with reduced mobility, and inspected by the Department of Social Services (DSS) for compliance with safety and sanitary regulations. The licensing also mandates a baseline level of services, including personal assistance and care; regular observation of physical, mental, emotional and social functioning; supervision; planned activities; food service; and arrangements for obtaining incidental medical and dental care.

- Enhance the Home's existing services for residents, and make many of them available to other, non-resident seniors as part of the RCFE through the Square, an innovative venue with senior-oriented services to support seniors who reside in their own homes, as well as their caregivers. Senior visitors who are members of the facility will be able to use residential care facility support services such as clinics, a beauty salon, wellness services, education and entertainment, site-serving pharmacy, among others. The Home may also provide adult day programs, which may consist of memory care programs, and are specialized services for seniors who are not independent and who need a day program where they receive specialized attention and care. Studies show that the second largest cause of death in the elderly population is depression due to isolation. The Square is designed to offer preventative care and help older adults thrive.
 - This diverse mix of uses would contribute to an improved overall fiscal health of the Jewish Home, and the Jewish Home would not be forced to rely extensively on unstable and diminishing public funding to honor its mission and its ongoing community commitments to the frail and vulnerable elderly.
 - The facility would also allow the Jewish Home to continue its track record of community involvement and associated community benefits such as delivering exceptional care to frail, vulnerable seniors, including charitable support, providing employment opportunities ranging from skilled labor to executive-level positions, promoting and protecting the community's health by advancing and sharing knowledge, collaborating in educational opportunities for adults, engaging in ongoing research to develop new therapies for disorders of aging, diseases of the elderly, and prevention of age-associated diseases, partnering with local high schools, colleges and universities on service learning programs and internships, serving as a worksite for vulnerable populations, sponsoring the Excelsior Street Festival, and partnering with the Mission Bay Community Church to host a weekly food pantry.
6. The Project would generate many new full and part time permanent positions as well as construction jobs.
7. The Project would include improvement of the street and sidewalk scape along the Mission Street frontage, the corner of Mission Street and Silver Avenue, and the corner of Mission Street and Avalon Avenue. The improvements will include the addition of new street trees and the widening of the sidewalk to include small plaza areas. The sidewalk improvements along Mission Street would include significant greening and new hardscape, incorporating three public spaces that would be extended from the existing curb onto the Home's property at the Silver/Mission plaza area, across from the Tingley Street intersection, and a small plaza space at the corner of Avalon Avenue and Mission Street.
8. As further set forth in the findings for the Conditional Use Approval (Motion No. 19438), which are incorporated by reference as though fully set forth herein, the Project supports various goals of the General Plan, particularly related to providing housing options for a wide range of the population (here seniors, including frail and memory-impaired elderly) at a variety of income

levels. By Resolution No.14-17, the San Francisco Health Commission found that the Project is both consistent with the Health Care Services Master Plan ("HCSMP") and eligible for incentives based on its strong alignment with the HCSMP.

9. As further set forth above and in the findings for the Conditional Use Approval (Motion No. 19438), which are incorporated by reference as though fully set forth herein, , the Project is necessary and desirable, is compatible with the surrounding neighborhoods, and would not be detrimental to persons or adjacent properties in the vicinity;
10. The Planning Code and Zoning Map Amendments are necessary in order to approve the Project;
11. **General Plan Compliance.** The Project is, on balance, consistent with the Objectives and Policies of the General Plan, for the reasons set forth in the findings for the Conditional Use Approval (Motion No. 19438, which are incorporated by reference as though fully set forth herein.
12. **Planning Code Section 101.1(b)** establishes eight priority-planning policies and requires review of permits for consistency with said policies. On balance, the Project complies with said policies, for the reasons set forth in the Conditional Use Approval (Motion No. 19438), which are incorporated by reference as though fully set forth herein.
13. The Project is consistent with and would promote the general and specific purposes of the Code provided under Section 101.1(b) for the reasons set forth in the Conditional Use Approval (Motion No. 19438), which are incorporated by reference as though fully set forth herein, and also in that, as designed, the Project would contribute to the community by offering its extensive senior services to a broader range of San Francisco seniors through the addition of new RCFE units and through the Square, which will offer services to non-resident seniors; extending services through the Square, providing substantial economic benefits to the City during both the construction and operational phases, and by including a design and use that is compatible with the character and stability of the neighborhood, thereby constituting a beneficial development.
14. Based on the foregoing, the public necessity, convenience and general welfare require the proposed Planning Code and Zoning Map amendments.

I hereby certify that the foregoing Resolution was ADOPTED by the San Francisco Planning Commission on August 13, 2015.
