City and County of San Francisco Office of Contract Administration Purchasing Division

Second Amendment

THIS AMENDMENT (this "Amendment") is made as of July 1, 2015, in San Francisco, California, by and between "**HealthRIGHT360** (Contractor"), and the City and County of San Francisco, a municipal corporation ("City"), acting by and through its Director of the Office of Contract Administration.

RECITALS

WHEREAS, City and Contractor have entered into the Agreement (as defined below); and

WHEREAS, City and Contractor desire to modify the Agreement on the terms and conditions set forth herein to extend the contract term, increase the contract amount and update standard contractual clauses;

WHEREAS, approval for this Amendment was obtained when the Civil Service Commission approved Contract number 4151-09/10 dated June 21, 2010;

NOW, THEREFORE, Contractor and the City agree as follows:

- 1. **Definitions.** The following definitions shall apply to this Amendment:
- **1a. Agreement.** The term "Agreement" shall mean the Agreement dated July 1, 2010 between Contractor and City, as amended by the:

First amendment

dated July 1, 2013 and

Second amendment

this amendment

- **1b.** Contract Monitoring Division. Contract Monitoring Division. Effective July 28, 2012, with the exception of Sections 14B.9(D) and 14B.17(F), all of the duties and functions of the Human Rights Commission under Chapter 14B of the Administrative Code (LBE Ordinance) were transferred to the City Administrator, Contract Monitoring Division ("CMD"). Wherever "Human Rights Commission" or "HRC" appears in the Agreement in reference to Chapter 14B of the Administrative Code or its implementing Rules and Regulations, it shall be construed to mean "Contract Monitoring Division" or "CMD" respectively.
- 1c. Other Terms. Terms used and not defined in this Amendment shall have the meanings assigned to such terms in the Agreement.
- 2. Modifications to the Agreement. The Agreement is hereby modified as follows:

- **2a.** Section 2. of the Agreement currently reads as follows:
- 2. Terms of the Agreement. Subject to Section 1, the term of this Agreement shall be from July 1, 2010 through December 31, 2015.

Such section is hereby amended in its entirety to read as follows:

- 2. Terms of the Agreement. Subject to Section 1, the term of this Agreement shall be from July 1, 2010 through December 31, 2017.
 - **2b.** Section 5. of the Agreement currently reads as follows:
- 5. Compensation. Compensation shall be made in monthly payments on or before the 15th day of each month for work, as set forth in Section 4 of this Agreement, that the Director of the Department of Public Health, in his or her sole discretion, concludes has been performed as of the 30th day of the immediately preceding month. In no event shall the amount of this Agreement exceed Sixty Four Million Five Hundred Sixty Two Thousand Four Hundred Three Dollars (\$64,562,403). The breakdown of costs associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. No charges shall be incurred under this Agreement nor shall any payments become due to Contractor until reports, services, or both, required under this Agreement are received from Contractor and approved by Department of Public Health as being in accordance with this Agreement. City may withhold payment to Contractor in any instance in which Contractor has failed or refused to satisfy any material obligation provided for under this Agreement. In no event shall City be liable for interest or late charges for any late payments.

Such section is hereby amended in its entirety to read as follows:

- 5. Compensation. Compensation shall be made in monthly payments on or before the 15th day of each month for work, as set forth in Section 4 of this Agreement, that the Director of the Department of Public Health, in his or her sole discretion, concludes has been performed as of the 30th day of the immediately preceding month. In no event shall the amount of this Agreement exceed Ninety One Million Five Hundred Twenty Five Thousand Five Hundred Six Dollars (\$91,525,506). The breakdown of costs associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. No charges shall be incurred under this Agreement nor shall any payments become due to Contractor until reports, services, or both, required under this Agreement are received from Contractor and approved by Department of Public Health as being in accordance with this Agreement. City may withhold payment to Contractor in any instance in which Contractor has failed or refused to satisfy any material obligation provided for under this Agreement. In no event shall City be liable for interest or late charges for any late payments.
 - **2c.** Insurance. Section 15. is hereby replaced in its entirety to read as follows:
- 15. Insurance

- a. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:
- 1) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and
- 2) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; and
- 3) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.
 - 4) Blanket Fidelity Bond (Commercial Blanket Bond): Limits in the amount of the Initial Payment provided for in the Agreement
- 5) Professional liability insurance, applicable to Contractor's profession, with limits not less than \$1,000,000 each claim with respect to negligent acts, errors or omissions in connection with the Services.
- b. Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:
- 1) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.
- 2) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.
- c. All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in the Section entitled "Notices to the Parties."
- d. Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.
- e. Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.
- f. Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are

satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

- g. The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.
- h. If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.
- i. Notwithstanding the foregoing, the following insurance requirements are waived or modified in accordance with the terms and conditions stated in Appendix C. Insurance.
- 2d. Replacing "Earned Income Credit (EIC) Forms" Section with "Consideration of Criminal History in Hiring and Employment Decisions" Section. Section 32. "Earned Income Credit (EIC) Forms" is hereby replaced in its entirety to read as follows:

32. Consideration of Criminal History in Hiring and Employment Decisions.

- a. Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Contractor's obligations under Chapter 12T is set forth in this Section. Contractor is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.
- b. The requirements of Chapter 12T shall only apply to a Contractor's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, shall apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.
- c. Contractor shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

- d. Contractor or Subcontractor shall not inquire about, require disclosure of, or if such information is received, base an Adverse Action on an applicant's or potential applicant for employment's, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.
- e. Contractor or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 32.(d), above. Contractor or Subcontractor shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.
- f. Contractor or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Contractor or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.
- g. Contractor and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Contractor or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.
- h. Contractor understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.
- **2e. Protected Health Information.** Section 64. is hereby replaced in its entirety to read as follows:
- 64. Protected Health Information. Contractor, all subcontractors, all agents and employees of Contractor and any subcontractor shall comply with all federal and state laws regarding the transmission, storage and protection of all private health information disclosed to Contractor by City in the performance of this Agreement. Contractor agrees that any failure of Contactor to comply with the requirements of federal and/or state and/or local privacy laws shall be a material breach of the Contract. In the event that City pays a regulatory fine, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible use or disclosure of protected health information given to Contractor or its subcontractors or agents by City, Contractor shall indemnify City for the amount of such fine or penalties or damages,

including costs of notification. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract.

- 2f. Delete Appendices A-1 through A-24 and replace in its entirety with Appendices A-1 through A25, to Agreement as amended.
- 2g. Delete Appendices B (Calculation of Charges) and Appendices B-1 through B-24 and replace in its entirety with Appendix B (Calculation of Charges) Appendices B-1 through B-25, to Agreement as amended.
 - 2h Delete Appendix E and replace in its entirety with Appendix E dated 5/7/14.
 - 2i. Delete Appendix F and replace in its entirety with Appendix F dated 7/1/15.
 - 2j. Appendix J is hereby added.
- 3. Effective Date. Each of the modifications set forth in Section 2 shall be effective on and after the date of this Amendment.
- **4. Legal Effect.** Except as expressly modified by this Amendment, all of the terms and conditions of the Agreement shall remain unchanged and in full force and effect.

Appendix A COMMUNITY BEHAVIORAL HEALTH SERVICES

The following requirements are incorporated into Appendix A, as provided in this Agreement under Section 4. SERVICES.

A. <u>Contract Administrator</u>:

In performing the SERVICES hereunder, CONTRACTOR shall report to Elizabeth Davis, Contract Administrator for the CITY, or her designee.

B. Reports:

- (1) CONTRACTOR shall submit written reports as requested by the CITY. The format for the content of such reports shall be determined by the CITY. The timely submission of all reports is a necessary and material term and condition of this Agreement. All reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages to the maximum extent possible.
- (2) CONTRACTOR agrees to submit to the Director of Public Health or his designated agent (hereinafter referred to as "DIRECTOR") the following reports: Annual County Plan Data; Utilization Review Data and Quarterly Reports of De-certifications; Peer Review Plan, Quarterly Reports, and relevant Peer Review data; Medication Monitoring Plan and relevant Medication Monitoring data; Charting Requirements, Client Satisfaction Data, Program Outcome Data, and Data necessary for producing bills and/or claims in conformance with the State of California Uniform Method for Determining Ability to Pay (UMDAP; the state's sliding fee scale) procedures.

C. Evaluation:

CONTRACTOR shall participate as requested with the CITY, State and/or Federal government in evaluative studies designed to show the effectiveness of CONTRACTOR'S SERVICES. CONTRACTOR agrees to meet the requirements of and participate in the evaluation program and management information systems of the CITY. The CITY agrees that any final written reports generated through the evaluation program shall be made available to CONTRACTOR within thirty (30) working days. CONTRACTOR may submit a written response within thirty working days of receipt of any evaluation report and such response will become part of the official report.

D. <u>Possession of Licenses/Permits</u>:

CONTRACTOR warrants the possession of all licenses and/or permits required by the laws and regulations of the United States, the State of California, and the CITY to provide the SERVICES. Failure to maintain these licenses and permits shall constitute a material breach of this Agreement.

Space owned, leased or operated by providers, including satellites, and used for SERVICES or staff shall meet local fire codes. Documentation of fire safety inspections and corrections of any deficiencies shall be made available to reviewers upon request.

E. Adequate Resources:

CONTRACTOR agrees that it has secured or shall secure at its own expense all persons, employees and equipment required to perform the SERVICES required under this Agreement, and that all such SERVICES shall be performed by CONTRACTOR, or under CONTRACTOR'S supervision, by persons authorized by law to perform such SERVICES.

F. Admission Policy:

Admission policies for the SERVICES shall be in writing and available to the public. Such policies must include a provision that clients are accepted for care without discrimination on the basis of race, color, creed, religion, sex, age, national origin, ancestry, sexual orientation, gender identification, disability, or AIDS/HIV status, except to the extent that the SERVICES are to be rendered to a specific

population as described in Appendix A. CONTRACTOR shall adhere to Title XIX of the Social Security Act and shall conform to all applicable Federal and State statues and regulations. CONTRACTOR shall ensure that all clients will receive the same level of care regardless of client status or source of reimbursement when SERVICES are to be rendered.

G. San Francisco Residents Only:

Only San Francisco residents shall be treated under the terms of this Agreement. Exceptions must have the written approval of the Contract Administrator.

H. Grievance Procedure:

CONTRACTOR agrees to establish and maintain a written Client Grievance Procedure which shall include the following elements as well as others that may be appropriate to the SERVICES: (1) the name or title of the person or persons authorized to make a determination regarding the grievance; (2) the opportunity for the aggrieved party to discuss the grievance with those who will be making the determination; and (3) the right of a client dissatisfied with the decision to ask for a review and recommendation from the community advisory board or planning council that has purview over the aggrieved service. CONTRACTOR shall provide a copy of this procedure, and any amendments thereto, to each client and to the Director of Public Health or his/her designated agent (hereinafter referred to as "DIRECTOR"). Those clients who do not receive direct SERVICES will be provided a copy of this procedure upon request.

I. Infection Control, Health and Safety:

- (1) CONTRACTOR must have a Bloodborne Pathogen (BBP) Exposure Control plan as defined in the California Code of Regulations, Title 8, §5193, Bloodborne Pathogens (http://www.dir.ca.gov/title8/5193.html), and demonstrate compliance with all requirements including, but not limited to, exposure determination, training, immunization, use of personal protective equipment and safe needle devices, maintenance of a sharps injury log, post-exposure medical evaluations, and record keeping.
- (2) CONTRACTOR must demonstrate personnel policies/procedures for protection of staff and clients from other communicable diseases prevalent in the population served. Such policies and procedures shall include, but not be limited to, work practices, personal protective equipment, staff/client Tuberculosis (TB) surveillance, training, etc.
- (3) CONTRACTOR must demonstrate personnel policies/procedures for Tuberculosis (TB) exposure control consistent with the Centers for Disease Control and Prevention (CDC) recommendations for health care facilities and based on the Francis J. Curry National Tuberculosis Center: Template for Clinic Settings, as appropriate.
- (4) CONTRACTOR is responsible for site conditions, equipment, health and safety of their employees, and all other persons who work or visit the job site.
- (5) CONTRACTOR shall assume liability for any and all work-related injuries/illnesses including infectious exposures such as BBP and TB and demonstrate appropriate policies and procedures for reporting such events and providing appropriate post-exposure medical management as required by State workers' compensation laws and regulations.
- (6) CONTRACTOR shall comply with all applicable Cal-OSHA standards including maintenance of the OSHA 300 Log of Work-Related Injuries and Illnesses.
- (7) CONTRACTOR assumes responsibility for procuring all medical equipment and supplies for use by their staff, including safe needle devices, and provides and documents all appropriate training.
- (8) CONTRACTOR shall demonstrate compliance with all state and local regulations with regard to handling and disposing of medical waste.

J. Acknowledgment of Funding:

CONTRACTOR agrees to acknowledge the San Francisco Department of Public Health in any printed material or public announcement describing the San Francisco Department of Public Health-funded SERVICES. Such documents or announcements shall contain a credit substantially as follows: "This program/service/ activity/research project was funded through the Department of Public Health, CITY and County of San Francisco."

K. <u>Client Fees and Third Party Revenue:</u>

- (1) Fees required by federal, state or CITY laws or regulations to be billed to the client, client's family, or insurance company, shall be determined in accordance with the client's ability to pay and in conformance with all applicable laws. Such fees shall approximate actual cost. No additional fees may be charged to the client or the client's family for the SERVICES. Inability to pay shall not be the basis for denial of any SERVICES provided under this Agreement.
- (2) CONTRACTOR agrees that revenues or fees received by CONTRACTOR related to SERVICES performed and materials developed or distributed with funding under this Agreement shall be used to increase the gross program funding such that a greater number of persons may receive SERVICES. Accordingly, these revenues and fees shall not be deducted by CONTRACTOR from its billing to the CITY.
- (3) CONTRACTOR agrees that funds received by CONTRACTOR from a source other than the CITY to defray any portion of the reimbursable costs allowable under this Agreement shall be reported to the CITY and deducted by CONTRACTOR from its billings to the CITY to ensure that no portion of the CITY'S reimbursement to CONTRACTOR is duplicated.

L. <u>Billing and Information System</u>

CONTRACTOR agrees to participate in the CITY'S Community Mental Health Services (CMHS) and Community Substance Abuse Services (CSAS) Billing and Information System (BIS) and to follow data reporting procedures set forth by the CMHS/CSAS BIS and Quality Improvement Units.

M. Patients Rights:

All applicable Patients Rights laws and procedures shall be implemented.

N. Under-Utilization Reports:

For any quarter that CONTRACTOR maintains less than ninety percent (90%) of the total agreed upon units of service for any mode of service hereunder, CONTRACTOR shall immediately notify the Contract Administrator in writing and shall specify the number of underutilized units of service.

O. Quality Improvement:

CONTRACTOR agrees to develop and implement a Quality Improvement Plan based on internal standards established by CONTRACTOR applicable to the SERVICES as follows:

- (1) Staff evaluations completed on an annual basis.
- (2) Personnel policies and procedures in place, reviewed and updated annually.
- (3) Board Review of Quality Improvement Plan.

P.Compliance with Community Mental Health Services and Community Substance Abuse Services Policies and Procedures

In the provision of SERVICES under Community Mental Health Services or Community Substance Abuse Services contracts, CONTRACTOR shall follow all applicable policies and procedures established for contractors by Community Mental Health Services or Community Substance Abuse Services, as applicable, and shall keep itself duly informed of such policies. Lack of knowledge of such policies and procedures shall not be an allowable reason for noncompliance.

Q. Working Trial Balance with Year-End Cost Report

If CONTRACTOR is a Non-Hospital Provider as defined in the State of California Department of Mental Health Cost Reporting Data Collection Manual, it agrees to submit a working trial balance with the year-end cost report.

R. Harm Reduction

The program has a written internal Harm Reduction Policy that includes the guiding principles per Resolution # 10-00 810611 of the San Francisco Department of Public Health Commission.

3. Goal Statement

To reduce the impact of substance abuse and addiction on the target population by successfully implementing the described interventions

4. Target Population

The target population served by HR360 Adult Residential is adult poly-substance abusers who live in San Francisco. Their primary drugs of abuse are heroin, crack, alcohol, cocaine, amphetamines and barbiturates. HR360 serves clients from all racial and cultural backgrounds and from all economic classes, although the majority of clients are indigent.

- Polysubstance abusers
- Intravenous route of administration
- Homeless

5. Modality(ies)/Interventions

SA-Residential Recovery Long Term (over 30 days)

6. Methodology

HR360's Gender Responsive Men's/ Women's/ Dual Recovery Residential Substance Abuse Treatment Programs are gender responsive residential substance abuse treatment. This program provides integrated substance abuse and mental health treatment in a safe, recovery-oriented environment. Each participant's

treatment experience is unique, as services are assessment-driven, strength-based, and participantcentered.

- A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community based organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.
- B. Admissions and Intake: Admission is open to all adult San Francisco residents with a substance abuse problem. The person served may access HR360 services through a referral phone call, appointment, or walk-in at the Intake Department at 1735 Mission Street or through TAP (County Central Intake Program) at 1380 Howard Street.

Participants then proceed through a series of additional assessments as indicated by their presentation and the information gathered. These may include a legal assessment to clarify issues related to the criminal justice system, and screenings and assessments with medical and mental health staff. A psychologist screens participants presenting with mental health and co-occurring disorders to assess risk factors, provide diagnosis, and ensure that the participant is placed in the appropriate treatment setting. The initial screening with a psychologist can also result in a recommendation for an initial medication evaluation with a HR360 psychiatrist. Once the client is identified as appropriate, a level of care is determine based upon the client's desire for treatment and presenting life problems and the client is then transported from the Intake Department to the assigned HR360 continuum of care location based upon need, funding source and availability.

If a client is identified as inappropriate for the program, he/she will be provided referrals to other service providers, including TAP.

C. Program Service Delivery Model: The Adult residential program is a variable-length program that provides up to 6 months of residential services. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

Once onsite at their assigned location, the client immediately enters orientation which includes:

- introduction to staff and peers;
- orientation of their living quarters including common problems of communal living are also explained (i.e. dining times; hygiene times; infection control, etc.);
- "ABC" handbook which outlines program expectations, guidelines, norms, regulations, and rules;
- Recovery Plan self assessment of needs, life problems, and areas for improvement.

Program Phases:

The Adult Residential Program at HR360 is divided into phases: Phase I, Orientation; Phase II, Therapeutic Community (TC); and Phase III, Pre-Reentry/Reentry, and Phase IV, Continuing Care. These phases are designed to provide a continuum of care for each client.

Program Service Locations: These Adult Residential Programs are located at three HR360 facilities, one at 815 Buena Vista West, San Francisco, CA, 214 Haight Street, and the other at 890 Hayes Street, San

Francisco, CA. These facilities are licensed by the State to provide adult substance abuse residential treatment. That includes but not limited to Individual and Group Counseling, MH services, and other substance abuse treatment related activities. These facilities are staffed 24 hours a day, 7 days a week. All Intakes are administered at Central Intake Department located at 1735 Mission Street.

- D. Exit Criteria and Process: Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process & progress and plans for reentry into community.
- **E.** Program Staffing: See salaries & benefits detail page in Appendix B.

7. Objectives and Measurements

A. Required Objectives

"All objectives, and descriptions of how objectives will be measured, are contained in the BHS document entitled <u>BHS AOA Performance Objectives FY 14-15"</u>.

8. Continuous Quality Assurance and Improvement

HealthRIGHT 360 is committed to maintaining careful quality control procedures and, under the direction of the Vice President of Corporate Compliance, maintains a robust Quality Control Plan in order to ensure that participants achieve positive outcomes. To measure and monitor our own performance, HealthRIGHT 360 has implemented a number of procedures and systems that work together to collect, store, report, analyze, and monitor data so that participant outcomes can be evaluated relative to internal and external performance goals. This infrastructure supports the overall processes that guide timely completion of the ANSA & CANS for our MH Adult & Youth programs along with CalOMS for our SA Programs. These systems also identify areas in need of improvement and enable fast and effective responses.

HealthRIGHT 360 executive staff preside over a network of committees that ensure agency-wide adherence to the Quality Control Plan. The committees are as follows:

<u>Clinical Data Integrity</u>: Monitors agency utilization data, allocation methodology, and billing issues. This committee responds to any data changes or processes that need review or modification in order to effectively capture data reflecting client's treatment process and proper billing for all of our contracts. Chaired by the Chief Information Officer, meets weekly.

Standards and Compliance: Develops, monitors, and maintains agency policies and procedures; ensures compliance with all confidentiality laws and regulatory bodies; develops and implements new and updated policies and forms. 3. Goal Statement

To reduce the impact of substance abuse and addiction on the target population by successfully implementing the described interventions

4. Target Population

The target populations served by the HR360 BRIDGES program are adult parolees, mentally ill, polysubstance abusers or dependant on drugs and/or alcohol, considered legal residents of San Francisco.

- CDCR Parolees
- Poly-Substance Abusers
- Mentally III

5. Modality(ies)/Interventions

SA-Residential Recovery Long Term (over 30 days)

6. Methodology

HR360 Bridges Residential Services offers a streamlined continuum of care providing substance abuse services that include individual and group counseling, relapse prevention, vocational and educational classes, social services, family reunification and legal counseling and urine surveillance as a tool when appropriate. Our mission is to reduce the impact of substance abuse and its associated problems on the community by offering direct services to people throughout California. These services are designed to lessen the social cost of addiction disorders by promoting wellness and drug-free lifestyles.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community based organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals. In addition, because this program's target population is CDCR parolees, the program staff have good referral relationships with the Parole agencies that serve parolees in San Francisco.

B. Admissions and Intake: Admission is open to referred parolees with a substance abuse & mental health issues. The person served may access services through an appointment or walk-in at the Program Site at the Multi-Services building located at 1899 Mission Street or specific referrals from CDCR Parole Agents.

As a client enters the HR360 continuum of care, the client begins with self-administered questionnaires. An interview occurs thereafter with a program staff member. This interview includes the administration of the Addiction Severity Index (ASI) Lite assessment which creates both a Narrative Summary and Severity Profile of the person served surrounding different life domains (Alcohol/Drug Use; Employment; Family; Legal; Medical; and Psychiatric). The client is provided further services as based on need identified by the severity profile for legal or psychiatric life domains.

C. Program Service Delivery Model: HR360 integrates a continuum of treatment activities that are based on CCISC program models that have been implemented in other jurisdictions and incorporate numerous evidence-based interventions.

The program includes:

Harm Reduction Interventions that support engagement and build trust during the pre-contemplation and
contemplation phases of treatment and at the same time promote individual and public safety. This is
primarily accomplished via Motivational Enhancement Therapy interventions. Please see Adult Residential A1 for more details of the treatment process.

Program Service Location: The Bridges Residential Program is located at 815 Buena Vista West, San Francisco, CA.

- C. Exit Criteria and Process: Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). For those who abandoned treatment, they may return to pick up personal effects, at which time counselors seek to engage them, refer them to another service provider, provide referrals, and/or get contact information. Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process at the time of discharge, plans for future treatment (if any), follow up sessions planned, termination plan, description of current drug usage, and reason for termination.
- D. Program Staffing: See salaries & benefits detail page in Appendix B.

8. Continuous Quality Assurance and Improvement

HealthRIGHT 360 is committed to maintaining careful quality control procedures and, under the direction of the Vice President of Corporate Compliance, maintains a robust Quality Control Plan in order to ensure that participants achieve positive outcomes. To measure and monitor our own performance, HealthRIGHT 360 has implemented a number of procedures and systems that work together to collect, store, report, analyze, and monitor data so that participant outcomes can be evaluated relative to internal and external performance goals. This infrastructure supports the overall processes that guide timely completion of the ANSA & CANS for our MH Adult & Youth programs along with CalOMS for our SA Programs. These systems also identify areas in need of improvement and enable fast and effective responses.

HealthRIGHT 360 Executive staff presides over a network of committees that ensure agency-wide adherence to the Quality Control Plan. The committees are as follows:

- Clinical Data Integrity: Monitors agency utilization data, allocation methodology, and billing issues. This committee responds to any data changes or processes that need review or modification in order to effectively capture data reflecting client's treatment process and proper billing for all of our contracts. Chaired by the Chief Information Officer, meets weekly.

3. Goal Statement

To reduce the impact of substance abuse and addiction on the target population by successfully implementing the described interventions

4. Target Population

The target population for AB109 participants referred through the TAP. Participants are non-violent offenders who abuse substances. The HR360 AB109 is part of the ADP CJ Realignment funding. It is a variable length transitional residential program designed to help paroled substance abusers maintain sobriety and abstinence from alcohol and other drugs, teach self-reliance and improve social functioning, and provide participants with an extensive support system. AB109 clients are mainstreamed with other HR360 clients. HR360 emphasizes self-help and peer support in a humanistic therapeutic community and offers special programs for various populations with specific needs. The program is multi-cultural, and actively promotes understanding and kinship between people of different backgrounds by encouraging a family atmosphere, the sharing of personal histories, and respect for each individual's challenges and successes.

6. Methodology

The goal of AB109 Transitional Residential Services program is to reduce substance abuse and related criminal behavior in individuals referred to HR360 from the TAP. To reach this goal, the program provides transitional housing while participant also participates in substance abuse OP treatment services.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment

programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.

B. Admissions and Intake: Admission to the AB109 Residential Program is open to all adult San Francisco AB109 participants referred through TAP that need housing and substance abuse treatment in a therapeutic community.

Participants then proceed through a series of additional assessments as indicated by their presentation and the information gathered. These may include a legal assessment to clarify issues related to the criminal justice system, and screenings and assessments with medical and mental health staff. Medical screenings ensure that participants can be safely managed in our programs and that those who need detoxification from substance use are appropriate for social detox vs. medical detox services. A psychologist screens participants presenting with mental health and co-occurring disorders to assess risk factors, provide diagnosis, and ensure that the participant is placed in the appropriate treatment setting. The initial screening with a psychologist can also result in a recommendation for an initial medication evaluation with a HR360 psychiatrist. Once the client is identified as appropriate, a level of care is determine based upon the client's desire for treatment and presenting life problems and the client is then transported from the Intake Department to the assigned HR360 continuum of care location based upon need, funding source and availability.

If a client is identified as inappropriate for the program, he/she will be provided referrals to other service providers, including TAP.

C. Program Service Delivery Model: The Adult residential program is a variable-length program that provides up to 6 months of residential services. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

Once onsite at their assigned location, the client immediately enters orientation which includes:

- introduction to staff and peers;
- orientation of their living quarters including common problems of communal living are also explained (i.e. dining times; hygiene times; infection control, etc.);
- "ABC" handbook which outlines program expectations, guidelines, norms, regulations, and rules;
- Recovery Plan self assessment of needs, life problems, and areas for improvement.

Program Phases:

The Adult Residential Program at HR360 is divided into phases: Phase I, Orientation; Phase II, Therapeutic Community (TC); and Phase III, Pre-Reentry/Reentry, and Phase IV, Continuing Care. These phases are designed to provide a continuum of care for each client.

Program Service Locations: These Adult AB109 Residential Programs is located at 890 Hayes Street, San Francisco, CA. These facilities are licensed by the State to provide adult substance abuse residential treatment. That includes but not limited to Individual and Group Counseling, MH services, and other substance abuse treatment related activities. This facility is staffed 24 hours a day, 7 days a week. All Intakes are administered at Central Intake Department located at 1735 Mission Street.

- D. Exit Criteria and Process: Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process & progress and plans for reentry into community.

6. Methodology

HR360's Gender Responsive Residential Substance Abuse Treatment Program is a trauma-informed, gender responsive residential substance abuse treatment program. CARE Multiple Diagnosis Stabilization Program (MDSP) offers a streamlined continuum of care providing comprehensive residential substance abuse service to HIV+ participants in a short time.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.

B. Admissions and Intake: Admission is open to all adult San Francisco residents with a substance abuse problem. The person served may access HR360 services through a referral phone call, appointment, or walk-in at the Intake Department at 1735 Mission Street. The Intake staff checks to ensure clients are eligible to receive funded services including the verification of San Francisco residency; Admissions staff review the self-administered packet and follow up with an interview and structured assessments, including those required by CBHS (such as the CalOMS instrument), and the Modified Mini Screen.

When the client is identified as appropriate, a level of care is determine based upon the client's desire for treatment and presenting life problems and the client is then transported from the Intake Department to the assigned HR360 continuum of care location based upon need, funding source and availability.

If a client is identified as inappropriate for the program, he/she will be provided referrals to other service providers as needed to resolve those issues making the admission inappropriate at intake. The referral source will be notified (as necessary).

C. Program Service Delivery Model: The CARE MDSP program provides up to 3 months of detox / stabilization residential services. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

During this component a client works on achieving their individual treatment plan goals, continues to attend various groups including: anger management meetings, art therapy group meetings, men's group, women's group meetings, DBT group meetings, HIV prevention & education meetings, HIV support group meetings, community meetings, Narcotics Anonymous/Alcoholics Anonymous meetings (in house and in the community), and works on finding a 12 step sponsor and an outside HIV support group with which they feel comfortable.

Clients continue with health care appointments, as well as any other outside appointments. At two weeks into the main phase, clients reassess their individual treatment plan goals. This treatment plan is reassessed at 30 days, 60 days and 90 days, at which time the client discusses their progress with the clinical review team and the counselor, to determine what goals will be pursued in the next phase, or upon completion. Client responsibilities are to follow program rules, participate fully in treatment activities, act as a role model for new clients, and do house chores, including making dinner once a week for the house. During this time the resident begins to receive an increasing number of privileges including, but limited to: sending and receiving monitored mail, personally use house electronic equipment, eligibility for community outings, and room privileges (which include posters on walls and the use of radio/tape players). These privileges are granted in accordance with demonstrated responsibility. When it is deemed appropriate by the counselor and client, the client writes a proposal to become a mentor in the community and enter the Pre-Reentry phase of the variable length program.

Once onsite at their assigned location, the client immediately enters orientation which includes:

- introduction to staff and peers;
- orientation of their living quarters including common problems of communal living are also explained (i.e. dining times; hygiene times; infection control, etc.);
- "ABC" handbook which outlines program expectations, guidelines, norms, regulations, and rules;
- Recovery Plan self assessment of needs, life problems, and areas for improvement.

Program Phases:

The Adult Residential Program at HR360 is divided into phases: Phase I, Orientation; Phase II, Therapeutic Community (TC); and Phase III, Pre-Reentry/Reentry, and Phase IV, Continuing Care. These phases are designed to provide a continuum of care for each client.

Program Service Locations: This program is located at 815 Buena Vista West, San Francisco, CA. This facility is licensed by the State to provide adult substance abuse residential treatment. 8. Continuous Quality Assurance and Improvement

HealthRIGHT 360 is committed to maintaining careful quality control procedures and, under the direction of the Vice President of Corporate Compliance, maintains a robust Quality Control Plan in order to ensure that participants achieve positive outcomes. To measure and monitor our own performance, HealthRIGHT 360 has implemented a number of procedures and systems that work together to collect, store, report, analyze, and monitor data so that participant outcomes can be evaluated relative to internal and external performance goals. This infrastructure supports the overall processes that guide timely completion of the ANSA & CANS for our MH Adult & Youth programs along with CalOMS for our SA Programs. These systems also identify areas in need of improvement and enable fast and effective responses.

HealthRIGHT 360 executive staff preside over a network of committees that ensure agency-wide adherence to the Quality Control Plan. The committees are as follows:

<u>Clinical Data Integrity</u>: Monitors agency utilization data, allocation methodology, and billing issues. This committee responds to any data changes or processes that need review or modification in order to effectively capture data reflecting client's treatment process and proper billing for all of our contracts. Chaired by the Chief Information Officer, meets weekly.

Standards and Compliance: Develops, monitors, and maintains agency policies and procedures; ensures compliance with all confidentiality laws and regulatory bodies; develops and implements new and updated policies and forms. Monitors standard processes and systems, policies and procedures, and evaluates for and implements changes. Chaired by the Vice President of Corporate Compliance, meets monthly.

Health and Safety: Ensures each facility is in compliance with fire and all other health and safety codes. This committee facilitates monthly health and safety trainings and drills (scheduled and unscheduled) across all programs to ensure preparedness in the event of fire, earthquake, violence in the workplace, power outage, storm, terrorist, biohazard and other threats to health and safety. Activities include routine inspection and monitoring of facilities. Chaired by the Director of Workforce Development, meets monthly.

<u>Training</u>: Develops and facilitates trainings to enhance staff competencies in areas including client services, cultural competency and confidentiality. Chaired by the Director of Workforce Development, meets quarterly. <u>Clinical</u>: Reviews program quality, client needs, clinical outcomes, and ensures that the needs of subpopulations are addressed. Chaired by the Vice President of Programs, meets semi-monthly. <u>Steering Committee</u>: Responsible for strategic vision of the agency and provides oversight to all committees and operations. Sets and reviews agency goals and objectives, determines priorities and issues directives to be carried out by staff via regular management and staff meetings. Chaired by the Chief Executive Officer, meets monthly.

HealthRIGHT 360 is committed to being culturally and linguistically competent by ensuring that staff has the capacity to function effectively as treatment providers within the context of the cultural beliefs, behaviors, and needs presented by the consumers of our services and their communities. This capacity is achieved through ongoing assessment activities, staff training, and maintaining a staff that is demographically compatible with consumers and that possesses empathic experience and language capability.

Satisfaction surveys are distributed annually (agency wide) to recruit feedback from our participants on how we are doing and for areas of improvement. We utilize this information in developing goals for strategic planning in our Steering Committee. In addition, we also administer Satisfaction Surveys for most CBHS contracts as required by CBHS.

3. Goal Statement

To reduce the impact of substance abuse and addiction on the target population by successfully implementing the described interventions

4. Target Population

The target populations are poly-substance abusing, persons living with HIV-infection or AIDS who are indigent. Included in these populations are men and women; gay, lesbian, bisexual and transgendered; all ethnic/racial minorities; young adults 18 to 24 years old; veterans; criminal justice involved individuals; persons multiply diagnosed with concomitant mental health and behavioral issues; and homeless people. Enrollment priority will be given to residents of San Francisco who are low income and uninsured or underinsured.

- HIV+/AIDS plus:
 - Substance abusers
 - Homeless

5. Modality(ies)/Interventions

SA-Residential Recovery Long Term (over 30 days)

6. Methodology

HR360's Gender Responsive Residential Substance Abuse Treatment Program is a trauma-informed, gender responsive residential substance abuse treatment program. CARE Detox offers a streamlined continuum of care providing comprehensive residential substance abuse service to HIV+ participants in a short time.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.

B. Admissions and Intake: Admission is open to all adult San Francisco residents with a substance abuse problem. The person served may access HR360 services through a referral phone call, appointment, or walk-in at the Intake Department at 1735 Mission Street. The Intake staff checks to ensure clients are eligible to receive funded services including the verification of San Francisco residency; Admissions staff review the self-administered packet and follow up with an interview and structured assessments, including those required by CBHS (such as the CalOMS instrument), and the Modified Mini Screen.

When the client is identified as appropriate, a level of care is determine based upon the client's desire for treatment and presenting life problems and the client is then transported from the Intake Department to the assigned HR360 continuum of care location based upon need, funding source and availability.

If a client is identified as inappropriate for the program, he/she will be provided referrals to other service providers as needed to resolve those issues making the admission inappropriate at intake. The referral source will be notified (as necessary).

C. Program Service Delivery Model: The CARE MDSP program provides up to 3 months of detox / stabilization residential services. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

During this component a client works on achieving their individual treatment plan goals, continues to attend various groups including: anger management meetings, art therapy group meetings, men's group, women's group meetings, DBT group meetings, HIV prevention & education meetings, HIV support group meetings, community meetings, Narcotics Anonymous/Alcoholics Anonymous meetings (in house and in the community), and works on finding a 12 step sponsor and an outside HIV support group with which they feel comfortable.

Once onsite at their assigned location, the client immediately enters orientation which includes:

- introduction to staff and peers;
- orientation of their living quarters including common problems of communal living are also explained (i.e. dining times; hygiene times; infection control, etc.);
- "ABC" handbook which outlines program expectations, guidelines, norms, regulations, and rules;
- Recovery Plan self assessment of needs, life problems, and areas for improvement.

Program Phases:

The Adult Residential Program at HR360 is divided into phases: Phase I, Orientation; Phase II, Therapeutic Community (TC); and Phase III, Pre-Reentry/Reentry, and Phase IV, Continuing Care. These phases are designed to provide a continuum of care for each client.

6. Methodology

HR360 Gender Responsive Women's Residential Substance Abuse Treatment Program is a traumainformed, gender responsive residential substance abuse treatment program for women. This program accepts HIV+ female San Francisco residents and offers HIV specific services, integrated substance abuse and mental health treatment in a safe, recovery-oriented environment that recognizes and responds to the prominent roles that trauma and abuse have played in many women's paths to addiction. Each woman's treatment experience is unique, as services are assessment-driven, strength-based, and woman-centered.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community based organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.

Admissions and Intake: Admission is open to all adult San Francisco residents with a substance abuse problem. The person served may access HR360 services through a referral phone call, appointment, or walk-in at the Intake Department at 1735 Mission Street. The Intake staff checks to ensure clients are eligible to receive funded services including the verification of San Francisco residency; collects demographical information; completes a biomedical / psychosocial assessment; obtains a signed consent for treatment form, Consents to Release Information form, and provides a copy of the forms to the client; advises the client of their rights to confidentiality and responsibilities; program rules; fee schedules, a detailed explanation of services available in the program, and the grievance procedures. Admissions staff review the self-administered packet and follow up with an interview and structured assessments, including those required by CBHS (such as the CalOMS instrument), and the Modified Mini Screen.

When the client is identified as appropriate, a level of care is determine based upon the client's desire for treatment and presenting life problems and the client is then transported from the Intake Department to the assigned HR360 continuum of care location based upon need, funding source and availability.

If a client is identified as inappropriate for the program, he/she will be provided referrals to other service providers as needed to resolve those issues making the admission inappropriate at intake. The referral source will be notified (as necessary).

Program Service Delivery Model: The Women's gender responsive residential program is a variable-Length program that provides up to 6 months of residential services. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, cofactors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

Once onsite at their assigned location, the client immediately enters orientation which includes:

- introduction to staff and peers;
- orientation of their living quarters including common problems of communal living are also explained (i.e. dining times; hygiene times; infection control, etc.);
- "ABC" handbook which outlines program expectations, guidelines, norms, regulations, and rules;
- Recovery Plan self assessment of needs, life problems, and areas for improvement.

Modality(ies)/Interventions
 SA-Residential Recovery Long Term (over 30 days)

6. Methodology

HR360's Gender Responsive Men's/ Women's/ Dual Recovery Residential Substance Abuse Treatment Programs are gender responsive residential substance abuse treatment. This program provides integrated substance abuse and mental health treatment in a safe, recovery-oriented environment. Each participant's treatment experience is unique, as services are assessment-driven, strength-based, and participant-centered.

- A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community based organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.
- **B.** Admissions and Intake: Admission is open to all adult San Francisco residents with a substance abuse problem. The person served may access HR360 services through a referral phone call, appointment, or walk-in at the Intake Department at 1735 Mission Street or through TAP (County Central Intake Program) at 1380 Howard Street.

If a client is identified as inappropriate for the program, he/she will be provided referrals to other service providers, including TAP.

C. Program Service Delivery Model: The Adult residential program is a variable-length program that provides up to 6 months of residential services. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

Once onsite at their assigned location, the client immediately enters orientation which includes:

- introduction to staff and peers;
- orientation of their living quarters including common problems of communal living are also explained (i.e. dining times; hygiene times; infection control, etc.);
- "ABC" handbook which outlines program expectations, guidelines, norms, regulations, and rules;
- Recovery Plan self assessment of needs, life problems, and areas for improvement.

Program Phases:

The Adult Residential Program at HR360 is divided into phases: Phase I, Orientation; Phase II, Therapeutic Community (TC); and Phase III, Pre-Reentry/Reentry, and Phase IV, Continuing Care. These phases are designed to provide a continuum of care for each client.

Program Service Locations: These Adult Residential Programs are located at three HR360 facilities, one at 815 Buena Vista West, San Francisco, CA, 214 Haight Street, and the other at 890 Hayes Street, San Francisco, CA. These facilities are licensed by the State to provide adult substance abuse residential treatment. That includes but not limited to Individual and Group Counseling, MH services, and other substance abuse treatment related activities. These facilities are staffed 24 hours a day, 7 days a week. All Intakes are administered at Central Intake Department located at 1735 Mission Street.

- **D. Exit Criteria and Process:** Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process & progress and plans for reentry into community.

8. Continuous Quality Assurance and Improvement

HealthRIGHT 360 is committed to maintaining careful quality control procedures and, under the direction of the Vice President of Corporate Compliance, maintains a robust Quality Control Plan in order to ensure that participants achieve positive outcomes. To measure and monitor our own performance, HealthRIGHT 360 has implemented a number of procedures and systems that work together to collect, store, report, analyze, and monitor data so that participant outcomes can be evaluated relative to internal and external performance goals. This infrastructure supports the overall processes that guide timely completion of the ANSA & CANS for our MH Adult & Youth programs along with CalOMS for our SA Programs. These systems also identify areas in need of improvement and enable fast and effective responses.

HealthRIGHT 360 executive staff preside over a network of committees that ensure agency-wide adherence to the Quality Control Plan. The committees are as follows:

<u>Clinical Data Integrity</u>: Monitors agency utilization data, allocation methodology, and billing issues. This committee responds to any data changes or processes that need review or modification in order to effectively capture data reflecting client's treatment process and proper billing for all of our contracts. Chaired by the Chief Information Officer, meets weekly.

Standards and Compliance: Develops, monitors, and maintains agency policies and procedures; ensures compliance with all confidentiality laws and regulatory bodies; develops and implements new and updated policies and forms. Monitors standard processes and systems, policies and procedures, and evaluates for and implements changes. Chaired by the Vice President of Corporate Compliance, meets monthly. Health and Safety: Ensures each facility is in compliance with fire and all other health and safety codes. This committee facilitates monthly health and safety trainings and drills (scheduled and unscheduled) across all programs to ensure preparedness in the event of fire, earthquake, violence in the workplace, power outage, storm, terrorist, biohazard and other threats to health and safety. Activities include routine inspection and monitoring of facilities. Chaired by the Director of Workforce Development, meets monthly. <u>Iraining</u>: Develops and facilitates trainings to enhance staff competencies in areas including client services, cultural competency and confidentiality. Chaired by the Director of Workforce Development, meets quarterly. Clinical: Reviews program quality, client needs, clinical outcomes, and ensures that the needs of subpopulations are addressed. Chaired by the Vice President of Programs, meets semi-monthly. Steering Committee: Responsible for strategic vision of the agency and provides oversight to all committees and operations. Sets and reviews agency goals and objectives, determines priorities and issues directives to be carried out by staff via regular management and staff meetings. Chaired by the Chief Executive Officer, meets monthly.

HealthRIGHT 360 is committed to being culturally and linguistically competent by ensuring that staff has the capacity to function effectively as treatment providers within the context of the cultural beliefs, behaviors, and needs presented by the consumers of our services and their communities. This capacity is achieved through ongoing assessment activities, staff training, and maintaining a staff that is demographically compatible with consumers and that possesses empathic experience and language capability.

Satisfaction surveys are distributed annually (agency wide) to recruit feedback from our participants on how we are doing and for areas of improvement. We utilize this information in developing goals for strategic planning in our Steering Committee. In addition, we also administer Satisfaction Surveys for most CBHS contracts as required by CBHS.

SA-Residential Recovery Long Term (over 30 days)

6. Methodology

HR360 Adult Residential Satellite is a type of transitional housing, in which peers in recovery live together and support each other's recovery while continuing participation in treatment and related services has proven effective in sustaining treatment gains. The program serves San Francisco residents whose substance abuse and related problems no longer require the full intensity of services provided in a residential program setting, but continue to require substantial case management and treatment services to achieve treatment goals. Treatment services for satellite are

administered at these two location 1254 13th Street and 214 Haight. Satellite referrals come from the Primary Residential programs.

- A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community based organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.
- **B. Admissions and Intake:** Admission is open to all adult San Francisco residents with a substance abuse problem. Clients are referred into Satellité after completing a primary residential program but must receive authorization from TAP.
- C. Program Service Delivery Model: The program has a variable length; participants are eligible for up to one year total of residential and/or adult overnight/partial day treatment to complete the balance of that year, if needed, to achieve their treatment goals and link to the next step-down level of care.

Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

Clients, who reside in Satellite, have enrolled in vocation training, found a job, or is enrolled in school. Satellites provide supported transitional housing to several clients living as roommates. When the client moves to a satellite apartment s/he begins to focus on re-socialization, work and family-related issues, as well as develops a transition plan to move toward independence. This transitional housing and supportive services may last up to 3 months, with extensions allowed on a case-by-case basis and availability of funding. Satellite clients do not pay rent, and receive supervision of money management, family issues, independent living skills and reentry issues.

Clients continue with their treatment plan, continue to receive case management services and reviews, and some of the same services as needed as the residential treatment clients. In addition, some satellite clients may require specialized treatment plan based on their specific needs.

Program Service Locations: These Satellite programs are located at two HR360 facilities, women at 214 Haight Street, and men are housed at 890 Hayes Street, San Francisco, CA.

D. Exit Criteria and Process: Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. 4. Target Population

The target population for Detox Center consists of any SF residents referred through Treatment Access Program (TAP) needing detox services. Participants are usually persons who abuse alcohol and or other substances. HR360 Detox Center offers detoxification services designed to help substance abusers engage in a supportive program to gain sobriety and abstinence from alcohol and other drugs, teach improve social functioning, and provide participants with a positive support system. HR360 emphasizes self-help and peer support in a humanistic therapeutic community and offers special programs for various populations with specific needs. The program is multi-cultural, and actively promotes understanding and kinship between people of different backgrounds by encouraging a family atmosphere, the sharing of personal histories, and respect for each individual's challenges and successes.

• Polysubstance abusers

5. Modality(ies)/Interventions

SA-Res Free Standing Res Detox

6. Methodology

The goal of the Detox Center Residential program is to reduce substance abuse and related criminal behavior in individuals referred to HR360 from the TAP. To reach this goal, the Detox program provides 3-7 days of social model detoxification residential services to this population within a licensed treatment facility. This program is specific to clients trying to stabilize from alcohol & drugs. Many participants will be referred to ongoing treatment services if interested.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties

through HR360's website at <u>www.healthright360.org</u>. Word of mouth and self-referrals also serves as sources for referrals.

B. Admissions and Intake: Admission to the Detox Residential Program is open to all adult San Francisco persons referred through TAP needing detox services from alcohol and or other drugs.

A direct referral or phone call from TAP secures a referral appointment at the 1735 Mission Street with an Intake staff. During the admission process each participant receives brief screenings for substance abuse, mental health, and physical problems. (The Simple Screening Instrument for Substance Abuse; Mental health Screening Form III, the Health Questionnaire, and the Clinical Institute Assessment of Alcohol Scale (CIWA) to monitor alcohol withdrawal symptoms). Participants also take part in a structured interview that yields other information related to risk behaviors, housing status, and treatment history. Upon review of the findings participants may be referred for further evaluation to ensure safety of placement in our social model detoxification program.

During this period, if needed, a client presenting with alcohol withdrawal symptoms will have the CIWA test administered once daily until the patient's score remains lower than ten for an entire twenty-four hours. All participants will be closely supervised and monitored for additional assessments or screenings if necessary.

C. Program Service Delivery Model: The Social Detox Center is a 3-7 day detoxification program. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction and need for ongoing stabilization services. While in program clients may attend daily 12-Step meetings, participate in early recovery groups and receive some individual counseling and discharge planning.

Through early recovery group processes, we educate and help increase clients' self-awareness concerning substance dependence and abuse. Topics include: coping skills, high-risk situations and triggers, positive affirmations, self esteem, stress management, relapse prevention, and introduction to the Twelve Steps.

Program Service Locations: This Program is located at 815 Buena Vista West. This facility is licensed by the State to provide adult substance abuse residential treatment. All Intakes are administered at Central Intake Department located at 1735 Mission Street.

- D. Exit Criteria and Process: Discharge planning begins at intake, and each client participates in an exit planning counseling session where long-term recovery options are explored and discussed to provide an accurate referral conducive to a clean and sober lifestyle. All clients are referred based on their discharge plan. Many clients transfer into other HR360 programs while others are referred back TAP case managers when discharged if requested.

4. Target Population

The target populations served by the HR360 Transgender Recovery Program (TRP) are transgender polysubstance abusers who live in San Francisco. Primary drugs of abuse are alcohol, amphetamines, crack cocaine and heroin. HR360 serves clients from all racial and cultural backgrounds and from all economic classes, although the majority of clients are indigent, primarily African-American, followed demographically by Caucasian, Hispanic, and Asian. All are at significant risk for HIV as some are positive. We also serve female —to-male (FTM), and gender-queer identified clients.

5. Modality(ies)/Interventions

SA-Res Recov Long Term (over 30 days)

6. Methodology

Transgender Recovery Program – Gender Identity (Transgender) Responsive Residential Substance Abuse Treatment Program is a trauma-informed, gender identity sensitive residential substance abuse treatment program for transgendered (TG) individuals. This program accepts self-identifying TG San Francisco residents and offers integrated substance abuse and mental health treatment in a safe, recovery-oriented environment that recognizes and responds to the prominent roles that trauma and abuse have played in many TG individuals' paths to addiction. Each individual's treatment experience is unique, as services are assessment-driven, strength-based, and participant-centered. The program is staffed by self-identifying TG clinicians, and all staff and residents in the facility are trained in TG sensitivity. TG-specific needs, including access to hormones, are thoroughly assessed and addressed.

- A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community based organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals. However, these beds are managed by CBHS and therefore all referrals must be authorized by TAP.
- **B.** Admissions and Intake: Admission is open to all adult San Francisco residents with a substance abuse problem. The person served may access HR360 services through a referral phone call, appointment, or walk-in at the Intake Department at 1735 Mission Street or through TAP (County Central Intake Program) at 1380 Howard Street.

Participants then proceed through a series of additional assessments as indicated by their presentation and the information gathered. These may include a legal assessment to clarify issues related to the criminal justice system, and screenings and assessments with medical and mental health staff. A psychologist screens participants presenting with mental health and co-occurring disorders to assess risk factors, provide diagnosis, and ensure that the participant is placed in the appropriate treatment setting. The initial screening with a psychologist can also result in a recommendation for an initial medication evaluation with a HR360 psychiatrist. Once the client is identified as appropriate, a level of care is determine based upon the client's desire for treatment and presenting life problems and the client is then transported from the Intake Department to the assigned HR360 continuum of care location based upon need, funding source and availability.

If a client is identified as inappropriate for the program, he/she will be provided referrals to other service providers, including TAP.

C. Program Service Delivery Model: The program has a variable length; participants are eligible for up to 6 months of residential treatment to achieve their treatment goals and link to the next step-down level of care.

Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

Clients continue with their treatment plan, continue to receive case management services and reviews, and some of the same services as needed as the residential treatment clients. In addition, some satellite clients may require specialized treatment plan based on their specific needs.

Program Service Locations: Transgender services are provided at both our Dual Recovery at 815 Buena Vista and 214 Haight Women's facilities in San Francisco, CA. These facilities are licensed by the State to provide adult substance abuse residential treatment. That includes but not limited to Individual & Group Counseling, MH services, and other substance abuse treatment related activities. These facilities are staffed 24 hours a day, 7 days a week. All Intakes are administered at Central Intake Department located at 1735 Mission Street.

3. Goal Statement

To reduce the impact of substance abuse and addiction on the target population by successfully implementing the described interventions

4. Target Population

The target population served in WHITS Residential is chronically mentally ill, adult poly-substance abusers who live in San Francisco. A pattern of repeated involvement in both mental health and substance abuse treatment programs is characteristic of this population. HR360 serves clients from all racial and cultural backgrounds and from all economic classes, although the majority of clients are indigent. People with mental illness are a part of all HR360 programs; however, this program is designed specifically for the dual diagnosed population.

- Polysubstance abusers
- Chronically mentally ill individuals
- Homeless

5. Modality(ies)/Interventions

SA-Res Recov Long Term (over 30 days)

6. Methodology

HR360 WHITS Program accepts San Francisco residents and offers integrated substance abuse and mental health treatment in a safe, recovery-oriented environment. Each participant's treatment experience is unique, as services are assessment-driven, strength-based, and participant-centered.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and

publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals. However, these beds are managed by CBHS and therefore all referrals must be authorized by TAP.

B. Admissions and Intake: Admission is open to all adult San Francisco residents with a substance abuse problem. The person served may access HR360 services through a referral phone call, appointment, or walk-in at the Intake Department at 1735 Mission Street or through TAP (County Central Intake Program) at 1380 Howard Street.

Participants then proceed through a series of additional assessments as indicated by their presentation and the information gathered. These may include a legal assessment to clarify issues related to the criminal justice system, and screenings and assessments with medical and mental health staff. A psychologist screens participants presenting with mental health and co-occurring disorders to assess risk factors, provide diagnosis, and ensure that the participant is placed in the appropriate treatment setting. The initial screening with a psychologist can also result in a recommendation for an initial medication evaluation with a HR360 psychiatrist. Once the client is identified as appropriate, a level of care is determine based upon the client's desire for treatment and presenting life problems and the client is then transported from the Intake Department to the assigned HR360 continuum of care location based upon need, funding source and availability.

If a client is identified as inappropriate for the program, he/she will be provided referrals to other service providers, including TAP.

C. Program Service Delivery Model: Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

Once onsite at their assigned location, the client immediately enters orientation which includes:

- introduction to staff and peers;
- orientation of their living quarters including common problems of communal living are also explained (i.e. dining times; hygiene times; infection control, etc.);
- "ABC" handbook which outlines program expectations, guidelines, norms, regulations, and rules;
- Recovery Plan self assessment of needs, life problems, and areas for improvement.
- **D. Exit Criteria and Process:** Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process & progress and plans for reentry into community.
- E. Program Staffing: See salaries & benefits detail page in Appendix B.
- 7. Objectives and Measurements

"All objectives, and descriptions of how objectives will be measured, are contained in the BHS document entitled <u>BHS AOA Performance Objectives FY 14-15"</u>.

8. Continuous Quality Assurance and Improvement

HealthRIGHT 360 is committed to maintaining careful quality control procedures and, under the direction of the Vice President of Corporate Compliance, maintains a robust Quality Control Plan in order to ensure that participants achieve positive outcomes. To measure and monitor our own performance, HealthRIGHT 360 has implemented a number of procedures and systems that work together to collect, store, report, analyze, and monitor data so that participant outcomes can be evaluated relative to internal and external performance goals. This infrastructure supports the overall processes that guide timely completion of the ANSA & CANS for our MH Adult & Youth programs along with CalOMS for our SA Programs. These systems also identify areas in need of improvement and enable fast and effective responses.

HealthRIGHT 360 executive staff preside over a network of committees that ensure agency-wide adherence to the Quality Control Plan. The committees are as follows:

<u>Clinical Data Integrity</u>: Monitors agency utilization data, allocation methodology, and billing issues. This committee responds to any data changes or processes that need review or modification in order to effectively capture data reflecting client's treatment process and proper billing for all of our contracts. Chaired by the Chief Information Officer, meets weekly.

Standards and Compliance: Develops, monitors, and maintains agency policies and procedures; ensures compliance with all confidentiality laws and regulatory bodies; develops and implements new and updated policies and forms. Monitors standard processes and systems, policies and procedures, and evaluates for and implements changes. Chaired by the Vice President of Corporate Compliance, meets monthly. Health and Safety: Ensures each facility is in compliance with fire and all other health and safety codes. This committee facilitates monthly health and safety trainings and drills (scheduled and unscheduled) across all programs to ensure preparedness in the event of fire, earthquake, violence in the workplace, power outage, storm, terrorist, biohazard and other threats to health and safety. Activities include routine inspection and monitoring of facilities. Chaired by the Director of Workforce Development, meets monthly. <u>Iraining</u>: Develops and facilitates trainings to enhance staff competencies in areas including client services, cultural competency and confidentiality. Chaired by the Director of Workforce Development, meets quarterly. Clinical: Reviews program quality, client needs, clinical outcomes, and ensures that the needs of subpopulations are addressed. Chaired by the Vice President of Programs, meets semi-monthly. Steering Committee: Responsible for strategic vision of the agency and provides oversight to all committees and operations. Sets and reviews agency goals and objectives, determines priorities and issues directives to be carried out by staff via regular management and staff meetings. Chaired by the Chief Executive Officer, meets monthly.

HealthRIGHT 360 is committed to being culturally and linguistically competent by ensuring that staff has the capacity to function effectively as treatment providers within the context of the cultural beliefs, behaviors, and needs presented by the consumers of our services and their communities. The target population for this program is pregnant and post-partum women and their children. Target populations include individuals with polysubstance abusers, chronic mental illness, transition age youth (aged 18-25 years), the African American, Asian Pacific Islander, and Hispanic/Latino communities, the LBTQQ community including transgendered individuals, homeless individuals and families, polysubstance abusers, seniors, and individuals with HIV/AIDS.

- Pregnant Women
- Post-partum Women
- Polysubstance abusers

5. Modality(ies)/Interventions

SA-Residential Recovery Long Term (over 30 days)

6. Methodology

Women's HOPE Program is a multi-services residential substance abuse treatment program for pregnant and post-partum women. The facility houses up to 16 women, with additional capacity for up to 19 children. Services are trauma-informed and gender responsive, and include parenting and family services in an effort to break the intergenerational cycles of substance abuse and mental illness. The program has been designed to address all co-factors that support addictive behaviors in addition to providing services for children. Issues to be addressed include substance use, trauma, mental illness, health and wellness, spirituality, culture, relationships, family reunification, employability, homelessness, sober living skills, parenting education, and aftercare.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies,

- 2) SA-Nonresidntl ODF Ind

6. Methodology

The goal of the AAHC Program is to reduce substance abuse and related criminal behavior in individuals referred to HR360. To reach this goal, the project will provide variable length of treatment of OP services to this population within a certified treatment facility.

- A. Outreach & Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.
- **B.** Admissions and Intake: Admission to the AAHC Program is open to all adult persons of San Francisco who desire treatment. We target the BVHP community because that is where the program is located.

A direct referral or phone call secures an intake interview appointment at program with a program staff. Staff will verify for San Francisco residency; collect demographical information; completes a biomedical / psychosocial assessment; obtains a signed consent for treatment form, Consents to Release Information form, and provides a copy of the forms to the client; advises the client of their rights to confidentiality and responsibilities; program rules; fee schedules, a detailed explanation of services available in the program, and the grievance procedures.

As a client enters the HR360 continuum of care, the client begins with self-administered questionnaires including health and high-risk behavior issues. An interview occurs thereafter with an intake staff member. This interview includes an overall screening of behavioral health history.

C. Program Service Delivery Model: The HR360 AAHC Program is a variable-length program that accommodates up to 6 months. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, previous treatment experience, and funding restrictions.

Program Phases:

The program at HR360 is divided into phases: Orientation; Phase I, and Phase II. These phases are designed to provide a continuum of care for each client.

Orientation: The first 14-30 days at HR360 consists of the Orientation phase of treatment, in which new residents become familiar with the people, procedures and norms of the therapeutic community. Treatment plans are developed at this time. Orientation clients participate in all basic clinical groups and have a job function. Once the client is ready to move on, their case is presented to staff for review. Once approved, the client moves on the next phase.

Program Service Locations: The AAHC is located at 1601 Donner #3, San Francisco, CA. This program is certified by the State (DHCS).

- D. Exit Criteria and Process: Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). For those who abandoned treatment, they may return to pick up personal effects, at which time counselors seek to engage them, refer them to another service provider, provide referrals, and/or get contact information. Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process at the time of discharge, plans for future treatment (if any), follow up sessions planned, termination plan, description of current drug usage, and reason for termination.
- C. Program Staffing: See salaries & benefits detail page in Appendix B.

<u>Clinical Data Integrity</u>: Monitors agency utilization data, allocation methodology, and billing issues. This committee responds to any data changes or processes that need review or modification in order to effectively capture data reflecting client's treatment process and proper billing for all of our contracts. Chaired by the Chief Information Officer, meets weekly.

Standards and Compliance: Develops, monitors, and maintains agency policies and procedures; ensures compliance with all confidentiality laws and regulatory bodies; develops and implements new and updated policies and forms. Monitors standard processes and systems, policies and procedures, and evaluates for and implements changes. Chaired by the Vice President of Corporate Compliance, meets monthly. Health and Safety: Ensures each facility is in compliance with fire and all other health and safety codes. This committee facilitates monthly health and safety trainings and drills (scheduled and unscheduled) across all programs to ensure preparedness in the event of fire, earthquake, violence in the workplace, power outage, storm, terrorist, biohazard and other threats to health and safety. Activities include routine inspection and monitoring of facilities. Chaired by the Director of Workforce Development, meets monthly. <u>Iraining</u>: Develops and facilitates trainings to enhance staff competencies in areas including client services, cultural competency and confidentiality. Chaired by the Director of Workforce Development, meets quarterly. Clinical: Reviews program quality, client needs, clinical outcomes, and ensures that the needs of subpopulations are addressed. Chaired by the Vice President of Programs, meets semi-monthly. Steering Committee: Responsible for strategic vision of the agency and provides oversight to all committees and operations. Sets and reviews agency goals and objectives, determines priorities and issues directives to be carried out by staff via regular management and staff meetings. Chaired by the Chief Executive Officer, meets monthly.

HealthRIGHT 360 is committed to being culturally and linguistically competent by ensuring that staff has the capacity to function effectively as treatment providers within the context of the cultural beliefs, behaviors, and needs presented by the consumers of our services and their communities. This capacity is achieved through ongoing assessment activities, staff training, and maintaining a staff that is demographically compatible with consumers and that possesses empathic experience and language capability.

Satisfaction surveys are distributed annually (agency wide) to recruit feedback from our participants on how we are doing and for areas of improvement. We utilize this information in developing goals for strategic planning in our Steering Committee. In addition, we also administer Satisfaction Surveys for most CBHS contracts as required by CBHS.

6. Methodology

HR360 Bridges Outpatient Services offers a streamlined continuum of care providing substance abuse services that include individual and group counseling, relapse prevention, vocational and educational classes, social services, family reunification and legal counseling and urine surveillance as a tool when appropriate. Our mission is to reduce the impact of substance abuse and its associated problems on the community by offering direct services to people throughout California. These services are designed to lessen the social cost of addiction disorders by promoting wellness and drug-free lifestyles.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community based organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources

for referrals. In addition, because this program only serves parolees, the program staff have good referral relationships with the Parole agencies that serve parolees in San Francisco.

- **B.** Admissions and Intake: Admission is open to all adult parolees with a substance abuse problem authorized by Parole Department. The person served may access services through an appointment or walk-in at the Program Site. A referral phone call secures an intake interview appointment at 1899 Mission Street with a program staff. The program staff checks to ensure clients are eligible to receive specialty funded services collects demographical information; completes a biomedical / psychosocial assessment; obtains a signed consent for treatment form, Consents to Release Information form, and provides a copy of the forms to the client; advises the client of their rights to confidentiality and responsibilities; program rules; fee schedules, a detailed explanation of services available in the program, and the grievance procedures.
- C. Program Service Delivery Model: HR360 integrates a continuum of treatment activities that are based on CCISC program models that have been implemented in other jurisdictions and incorporate numerous evidence-based interventions.

The program includes:

- Harm Reduction Interventions that support engagement and build trust during the precontemplation and contemplation phases of treatment and at the same time promote individual
 and public safety. This is primarily accomplished via Motivational Enhancement Therapy
 interventions.
- Three Levels of Active Treatment
 - Level 1 -- Outpatient Treatment for clients who have maintained substantial stability in managing their behavioral health disorders.
 - Level II Intensive Outpatient Treatment is intended both to serve clients stepping down from more intensive levels or care and/or to provide more intensive supports to clients in a lower level of care.
 - O <u>Level III Day Treatment Day</u> is provided for the highest need clients and again as a step down program and to prevent clients from needing higher levels of service.

Program Service Location: The Bridges OP Program is located at 1016 Howard Street, San Francisco, CA.

- D. Exit Criteria and Process: Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process & progress and plans for reentry into community.

8. Continuous Quality Assurance and Improvement

HealthRIGHT 360 is committed to maintaining careful quality control procedures and, under the direction of the Vice President of Corporate Compliance, maintains a robust Quality Control Plan in order to ensure that participants achieve positive outcomes. To measure and monitor our own performance, HealthRIGHT 360 has implemented a number of procedures and systems that work together to collect, store, report, analyze, and monitor data so that participant outcomes can be evaluated relative to internal and external performance goals. This infrastructure supports the overall processes that guide timely completion of the ANSA & CANS for our MH Adult & Youth programs along with CalOMS for our SA Programs. 3. Goal Statement

The primary goal the program is to reduce opioid addiction among vulnerable San Franciscans through the use of medication-assisted outpatient buprenorphine detoxification maintenance therapy.

4. Target Population

The target population of the program is adults living in San Francisco with opioid addiction. To be eligible for admission to the program, clients must be diagnosed with opioid dependence, as defined in the DSM-IV-TR (American Psychiatric Association, 2005); not based solely on physical dependence to opioid but on opioid addiction with compulsive use despite harm (DSM-IV-TR Diagnostic Criteria, Appendix C, DSM-IV-TR Material). Target population criteria includes individuals who are interested in treatment for opioid addiction; have no contraindications to buprenorphine treatment; can be expected to be reasonably compliant with such treatment; understand the benefits and risks of buprenorphine treatment; are willing to follow safety precautions for buprenorphine treatment; and agree to buprenorphine treatment after a review of treatment options.

5. Modality(ies)/Interventions-

SA-Narcotic Tx Prog Rehab/Amb Detox (other than Methadone)

6. Methodology

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.

B. Admissions and Intake:

Enrollment is led by HR360 alone, or working in partnership with the city's Office-based Buprenorphine Induction Clinic (OBIC), depending on the client's point of entry. The first step involves individualized interviews with each client to discuss their addiction, lifestyle, and health status. Following the assessment, the client is provided with a summary of the treatment process; and is assessed for the presence of medical or psychiatric co-morbidities, and readiness to change. Clients are told about the psychosocial supports available to them, and are encouraged to participate in these as parallel services to their medication-assisted therapy. While complete assessment may require more than one office visit, initial treatment begins at the first visit and clients are given access to key services immediately, such as crisis intervention, psychiatric assessment, and other immediate needs for prescribed medications.

C. Service Delivery Model

Step 1 Assessment

Following enrollment, if the initial screening indicates the presence of an opioid use disorder, further assessment is conducted to thoroughly delineate the individual's problem, to identify comorbid or complicating medical or behavioral conditions, and to determine the appropriate treatment setting if not OBOT-recommended (Office-based Buprenorphine Opiate Treatment) [such as residential, intensive outpatient, or non-medication assisted outpatient]), and level of treatment intensity for the client. Clients whose needs have been identified as appropriate through to the next phase: Induction.

Step 2: Induction & Stabilization

Induction is managed at a centralized location, the city's OBIC clinic at 1380 Howard Street. Medication is introduced once the client is in a state of withdrawal; and OBIC medical staff meets with each client regularly for 1-2 weeks to ensure the medication is working, that side effects are not too uncomfortable, and that the individual is taking the medication as indicated. Dosage is adjusted up or down until the appropriate amount is reached, determined primary by the elimination of common physical withdrawal symptoms. Current best practice describes the beginning of the stabilization phase as the point at which a client experiences no withdrawal symptoms, has minimal or no side effects, and no longer has uncontrollable cravings for opioid agonists. During early stabilization, frequent contact with the client is often necessary to increase the likelihood of compliance and to adjust dosage as necessary. Clients are typically referred to HR360 during early stabilization and begin working with the agency's prescribing physician, Dr. Mark Sears, as they move into the maintenance phase of treatment. Once a stable buprenorphine dose is reached and toxicologic samples are free of illicit opioids, OBIC physicians determine the frequency of subsequent visits (biweekly or longer, up to 30 days), Regardless of the frequency of visits, toxicology tests for relevant illicit drugs are administered at least monthly through urinalysis.

Step 3: Maintenance

Maintenance is often the longest period that a client is on buprenorphine; and is often an indefinite phase of treatment. During this phase, attention is focused on the psychosocial and family issues that are identified during the course of treatment to have contributed to each individual's addition. During the maintenance stage, clients are seen as often as clinically indicated, but are required to see the prescribing physician on at least a quarterly basis. Drug tests can be administered through urinalysis to ensure clients have refrained from opioid use. New drugs that are detected through these tests are addressed through counseling sessions and during consultations with the physician.

Non-pharmacological services, such as the psychosocial supports provided by HR360's outpatient treatment program, address comprehensively the co-morbidities and other complex needs of clients related to opioid addiction, and maximize the chances of the best possible treatment outcomes. Program participants are strongly encouraged to seek psychosocial services either on-site at HR360's Integrated Care Center, or through referral to a provider within HR360's extensive

network of partners. Clients are also encouraged to attend mutual-aid support groups outside of HR360, and the program provides assistance for identifying the most appropriate mutual aid group based on linguistic or other needs, preferences, etc.

Each client's treatment depends on their personal treatment goals of long-term treatment depends in part on the patient's personal treatment goals and in part on objective signs of treatment success. Maintenance can be relatively short-term (e.g., <12 months) or a lifetime process. Treatment success depends on the achievement of specific goals that are agreed upon by the client and the physician/psychosocial providers. The program recognizes that many people in treatment relapse one or more times before getting better and remaining drug free. Relapse is viewed as a set back, but not as a failure of treatment or of the individual. Persons who relapse are encouraged to continue with treatment to achieve full recovery. To prevent relapse, individuals are supported to identify ways of staying away from triggers and other risk behaviors.

Program Service Location: HR360 Integrated Care Center is located at 1735 Mission Street.

D. Exit Criteria and Process: Successful Completion, Aftercare and Discharge Planning

Through ongoing communication with the OBOT counselor and outpatient care managers, the treatment team considers a number of factors when determining suitability for long-term medication-free status, including: stable housing and income, adequate psychosocial support, and the absence of legal problems. For clients who have not achieved these domains of stabilization, a longer period of maintenance, during which they work through any barriers that exist, is often recommended. To prevent relapse and continue working on maintenance issues, clients are encouraged to attend weekly after-care groups. Clients receive continuing care with, an emphasis on providing support and skills for self-management of substance use illness as a chronic condition (for example, 12-step, and other mutual help programs). Aftercare addresses not only the maintenance of sobriety, but also the tangible needs and social isolation of clients. Some of the issues addressed include: getting along better with people, dealing with stress, anger, and conflict, maintaining a positive self-concept, improving family relationships, making plans and solving problems, dealing with cravings and triggers, taking credit for your successes, and getting involved in the recovering community.

The Southeast Health Opportunities Project (SHOP) is a service expansion and enhancement project that serves the predominately African American residents of San Francisco's Bayview Hunters Point (BVHP), Potrero Hill, and Sunnydale neighborhoods impacted by substance use and abuse and HIV/AIDS. The program focuses on individuals who use or abuse illegal substances, engage in high-risk sexual behaviors, are involved in the criminal justice system or/and are in need of comprehensive treatment services. Targeted settings for program interventions include substance abuse treatment agencies, primary care clinics, public housing community centers, recreation centers, and neighborhood churches. SHOP provides: (1) peer outreach staff to engage individuals who have not accessed substance abuse and HIV services due to numerous barriers in the targeted communities. (2) Pre-treatment services that assist clients stop abusing substances, improve their health status, screen for and begin to address mental illnesses, help them deal with any legal problems, improve their employment and financial situation, and strengthen their family and community support systems. (3) clients who continue to use or abuse substances after receiving pre-treatment services with outpatient substance abuse treatment to help them to stop using or abusing substances, improve or maintain their medical and mental health, address their legal problems, improve their employment and financial situation through coaching and education, and further strengthen their family and community supports. (4) ongoing recovery support services that will help clients and other community members maintain their recovery. (5) HIV risk reduction counseling, rapid HIV testing and

counseling, and referrals to HIV medical and support services to decrease the spread and progression of HIV in the Southeast communities.

- A. Outreach & Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community based organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals. For this contract, we have street Outreach workers that walk to recruit for our program targeting those that are harder to reach.
- **B.** Admissions and Intake: Admission to the SHOP Program is open to all adult African Americans/Persons of Color of the Southeast area who desire treatment. We target this area because this is the requirement of the grant.

A direct referral or phone call secures an intake interview appointment at program with a program staff. Staff will verify for San Francisco residency; collect demographical information; completes a biomedical / psychosocial assessment; obtains a signed consent for treatment form, Consents to Release Information form, and provides a copy of the forms to the client; advises the client of their rights to confidentiality and responsibilities; program rules; fee schedules, a detailed explanation of services available in the program, and the grievance procedures.

As a client enters the HR360 continuum of care, they will first interview with an intake staff member. This interview includes an overall screening of behavioral health history.

C. Program Service Delivery Model: HR360 SHOP is a variable-length program that accommodates up to 6 months. Each client's length of stay in treatment is determined by a variety of factors, including the history and severity of addiction, co-factors such as the need for remedial education and vocational services, family situation, mental health or medical needs, and previous treatment experience.

Program Phases:

The program at HR360 is divided into phases: Orientation; Phase I, and Phase II. These phases are designed to provide a continuum of care for each client.

Program Service Locations: SHOP is located at 1601 Donner #3, San Francisco, CA.

- D. Exit Criteria and Process: Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). For those who abandoned treatment, they may return to pick up personal effects, at which time counselors seek to engage them, refer them to another service provider, provide referrals, and/or get contact information. Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process at the time of discharge, plans for future treatment (if any), follow up sessions planned, termination plan, description of current drug usage, and reason for termination.
- C. Program Staffing: See salaries & benefits detail page in Appendix B.

7. Objectives and Measurements

A. Required Objectives

"All objectives, and descriptions of how objectives will be measured, are contained in the BHS document entitled <u>BHS AOA Performance Objectives FY 14-15"</u>.

B. Individualized Program Objectives

- 1. During Fiscal Year 2014-15, 300 persons will be contacted through our outreach team as documented in HR360 records of which 100 of these persons will receive additional engagement, pre-treatment or other program related services.
- 2. During Fiscal Year 2014-15, HR360 will provide OP services to 70 UDC.
- 3. During Fiscal Year 2014-15, HR360 will provide HIV testing, education & counseling to 150 persons needing to know their HIV status.
- 4. During Fiscal Year 2014-15, HR360 will provide PC referrals to at least 30 clients needing health care services.

8. Continuous Quality Assurance and Improvement

HealthRIGHT 360 is committed to maintaining careful quality control procedures and, under the direction of the Vice President of Corporate Compliance, maintains a robust Quality Control Plan in order to ensure that participants achieve positive outcomes. To measure and monitor our own performance, HealthRIGHT 360 has implemented a number of procedures and systems that work together to collect, store, report, analyze, and monitor data so that participant outcomes can be evaluated relative to internal and external performance goals. This infrastructure supports the overall processes that guide timely completion of the ANSA & CANS for our MH Adult & Youth programs along with CalOMS for our SA Programs. These systems also identify areas in need of improvement and enable fast and effective responses.

HealthRIGHT 360 executive staff preside over a network of committees that ensure agency-wide adherence to the Quality Control Plan. The committees are as follows:

<u>Clinical Data Integrity</u>: Monitors agency utilization data, allocation methodology, and billing issues. This committee responds to any data changes or processes that need review or modification in order to effectively capture data reflecting client's treatment process and proper billing for all of our contracts. Chaired by the Chief Information Officer, meets weekly.

<u>Standards and Compliance</u>: Develops, monitors, and maintains agency policies and procedures; ensures compliance with all confidentiality laws and regulatory bodies; develops and implements new and updated policies and forms. Monitors standard processes and systems, policies and procedures, and evaluates for and implements changes. Chaired by the Vice President of Corporate Compliance, meets monthly.

Health and Safety: Ensures each facility is in compliance with fire and all other health and safety codes. This committee facilitates monthly health and safety trainings and drills (scheduled and unscheduled) across all programs to ensure preparedness in the event of fire, earthquake, violence in the workplace, power outage, storm, terrorist, biohazard and other threats to health and safety. Activities include routine inspection and monitoring of facilities. Chaired by the Director of Workforce Development, meets monthly.

<u>Training</u>: Develops and facilitates trainings to enhance staff competencies in areas including client services, cultural competency and confidentiality. Chaired by the Director of Workforce Development, meets quarterly. <u>Clinical</u>: Reviews program quality, client needs, clinical outcomes, and ensures that the needs of subpopulations are addressed. Chaired by the Vice President of Programs, meets semi-monthly.

<u>Steering Committee</u>: Responsible for strategic vision of the agency and provides oversight to all committees and operations. Sets and reviews agency goals and objectives, determines priorities and issues directives to be carried out by staff via regular management and staff meetings. Chaired by the Chief Executive Officer, meets monthly.

HealthRIGHT 360 is committed to being culturally and linguistically competent by ensuring that staff has the capacity to function effectively as treatment providers within the context of the cultural beliefs, behaviors, and needs presented by the consumers of our services and their communities. This capacity is achieved through ongoing assessment activities, staff training, and maintaining a staff that is demographically compatible with consumers and that possesses empathic experience and language capability.

Satisfaction surveys are distributed annually (agency wide) to recruit feedback from our participants on how we are doing and for areas of improvement. We utilize this information in developing goals for strategic planning in our Steering Committee. In addition, we also administer Satisfaction Surveys for most CBHS contracts as required by CBHS.

3. Goal Statement

To reduce the impact of substance abuse and addiction on the target population by successfully implementing the described interventions

4. Target Population

The program serves recipients receiving financial benefits from Supplemental Security Income (SSI) or Social Security Administration (SSA). These recipients are in need of a representative payee case management services to manage their financial obligations because this target population includes those most difficult to serve due to serious disability or mental health impairments: they present with severe, often untreated mental illness, homelessness, substance abuse or addiction and other behavioral problems.

Key characteristics of the RPI target population:

- Disability/mental health impairments
- Homelessness/difficulty with social support
- Poly-substance abuse and addictions

5. Modality(ies)/Interventions

SA-Ancillary Svcs Case Mgmt

6. Methodology

The Representative Payee Program (RPI) serves recipients in need of financial case management assistance focused on stabilizing basic needs of housing, medical, mental health, and substance abuse care. Case management services will be provided on a monthly basis from monthly check-ins or more frequently if the recipient appears to be intoxicated or under the influence of drugs or alcohol.

A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies,

participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.

The RPI program makes presentations and maintains a working relationship with various community agencies as a way of promoting and increasing the community's knowledge of the services we provide to the recipients. The program services will be promoted through HR360's participation in service provider groups and public health meetings.

- **B.** Admissions and Intake: Upon intake, the recipient will be given a scheduled check day and a budget will be established utilizing the following formula: we will deduct the monthly rent, program service fee and stipulated bills from the monthly gross deposit. The remaining balance is divided by five (5), which represents living expenses for five weeks in the month. If the current month contains only 4 weeks, the 5th weeks' living expense can be requested as a special request (this does not apply to those recipients receiving the maximum weekly amount of \$250.00). If the client doesn't pick up their 5th week special, their ending balance is automatically given to them (up to the \$250.00 limit) at the end of the month. Once the budget is set for the month, the recipient is encouraged to remain within that budget. However, budget modification will be made whenever changes are made which reflect benefit amounts.
- C. Program Service Delivery Model: The Representative Payee Program is committed to being effective in maintaining the recipients' level of functioning. To accomplish this goal, the program ensures that staff has the capacity to function effectively as compassionate and caring individuals for recipients who are unable to care for themselves. The program consists of three services:
 - Financial management conducted in accordance with Social Security Administration rules and regulations
 - Connection of the recipient with the needed community services through case management in cooperation with the mental health system
 - Transition of the city's mentally ill homeless population into permanent housing.

Recipients will be referred primarily from the Social Security Offices here in San Francisco, senior programs, mental health providers and various hospitals. A phone call secures an intake interview appointment at the HR360's Multi-Services facility. If the recipient is unable to come into the office, an out-of-office visit can be made in order to complete the intake.

Program Service Location: The RPI Program is located at 1016 Howard Street, San Francisco, CA.

D. Exit Criteria and Process: The Representative Payee Program will provide services to the recipient as long as the Social Security Administration deems it necessary that the recipient is required to have a payee or until the recipient opts to terminate financial services. However, our current rate of stay per recipient is greater than one year. Our program will refer recipients interested in the Mental Health Services or Residential services provided here at HR360 to the appropriate intake staff. If accepted into either program, the recipient will become eligible for nofee Representative Payee services. The monthly fee is based on the current rate approved by Social Security and is deducted from the recipients' benefits.

A majority of the recipients transfer to free payee services (subsidized by the city) within a year after their intake at the HR360 Representative Payee Program. Because city-subsidized

Representative Payee services are available for free, only about 40% of HR360 Representative Program recipients have been enrolled for more than 12 months, although a significant number of our clients are long term recipients. Thus, the HR360 Representative Payee Program provides the initial intake to a very difficult population, and successfully links them with housing and other services essential to their remaining in permanent housing. Only a small percentage of the program's recipients remain homeless.

4. Goal Statement

To increase access to community resources and provide wrap around case management services in order to reduce recidivism and increase pro-social life skills/choices in the target population.

5. Target Population

The target population served by the 2^{nd} Chance program is SF County women sentenced to State prison. Services will be provided in-custody and when inmates parole back to San Francisco County.

- CDCR Inmates and Parolees from San Francisco County
- Adult Females

6. Modality(ies)/Interventions

SA-Ancillary Svcs Case Mgmt

7. Methodology

HR360 will serve as the primary point of contact and Case Manager for the women involved in the 2^{nd} Chance Program. In conjunction with the programs partners client needs will be assessed and appropriate service referrals will be made.

A. Outreach and Recruitment: HR360 is well established in the human service provider community and the criminal justice system. We make presentations and maintain working relationships with both community based service agencies and the criminal justice system. In addition, we make direct contact with incarcerated individuals in SF County jail and state prison to make individuals aware of available programs and services through HealthRIGHT 360. In the community as well as in the criminal justice institutions we distribute brochures and publications about our programs. Recruitment is also done through HR360's website at www.healthright360.org, word of mouth and self-referrals both in the community and in the criminal justice system. Specifically, because this program's target population is CDCR parolees, the program staff has good referral relationships with the Parole Agencies that serve parolees in San Francisco. In addition regular outreach visits to the institutions (SF County Jail, CCWF,) will occur in order to identify women that qualify for the program and then presentations will be conducted to educate them on services available.

Contractor: HealthRIGHT360 City Fiscal Year: FY 2015-16 Appendix A-22 Contract Term: 7/1/15-6/30/16

B. Admissions and Intake: Admission to the 2nd Chance Program occurs through an initial referral by the SF Adult Probation Department. A referral form will be faxed to secure an intake interview appointment at the SF County Jail by a Case Manager. The Case Management staff checks to ensure clients are eligible to receive funded services.

Upon release from the criminal justice system (SF County Jail, CCWF) further intake paperwork will be done so that participants can be appropriately entered into San Francisco County substance abuse/mental health system. Additionally as clients enter the community and are referred to partner agencies those agencies may complete additional assessments.

C. Program Service Delivery Model: Second Chance is designed to provide intensive case management to incarcerated individuals and parolees managing significant reentry challenges including mental illness, addiction, homelessness, poverty, institutionalized patterns of behavior, and poor social support. The program services are arrayed in order to help clients avoid reincarceration, build family relationships, and increase overall quality of life.

Program services will occur in two distinct segments incarceration/post incarceration. Clients will initially be assessed at San Francisco County Jail while they are pending transfer to state prison. Upon their transfer from SF County Jail and into state prison Case Management visits will continue to occur. During the clients time of incarceration services will consist of weekly Case Management visits. Upon the client entering San Francisco County and being post release from state prison the referral services will be implemented, a case conference will occur to formalize the Individual Personal Service Plan, weekly case management will continue to occur to ensure proper follow up on needs and referrals, and as appropriate reassessments will occur.

During the case management visits, both while incarcerated and post incarceration, the appropriateness of referrals will continually be assessed and Case Managers will work on building and maintaining client motivation for treatment.

Program Service Location: The 2nd Chances Program is located at 1735 Mission Street, 3rd floor, San Francisco, CA. This Program provides Case management wraparound services for clients.

Orientation: An initial orientation will occur in SF County Jail where potential clients will be informed of the services available. In the event that a client is identified after transfer from SF County Jail to state prison then this initial orientation will take place at the housing institution (CCWF). Upon release from the criminal justice system and placement into San Francisco County another orientation will occur within three days, each parolee will receive a face-to-face orientation to the program along with a copy of written policies and procedures.

Development of the Individual Personal Services Plan: Prior to release from state prison the Case Manager and client will have formed a preliminary Individual Personal Services Plan. This plan will be based on the client's objectives, Needs Assessment, and Clinical Assessments. Within seven days of release into San Francisco County, a case conference will take place and a goal oriented Individual Personal Services Plan will be developed. The plan will guide case management efforts and activities in key areas including establishing income, housing, medical and mental health treatment, social support, etc. The clients Needs/Clinical Assessments, the Preliminary Individual Personal Services Plan, Project Partners feedback and client objectives will inform the service plan process. Clients will be encouraged to make full use of available referral services.

Program Services The program is configured in such a way as to provide clients with intensive case management services.

Upon release into San Francisco County the project partners will be the primary referral source; as needed (based on client need and suitability) other referral sources will also be used. A case conference will be conducted with all applicable partners and the client upon their release from prison to design the Individual Personal Services Plan.

During both the in custody and out custody portion of case management regular follow-up on the service referrals will be made in addition to periodic reassessment of the client and their needs.

The program is relationally oriented and case managers engage clients with respect and empathy and seek to develop a sense of connection with them. The program also works to shore up inadequate or poorly utilized networks of interpersonal support so that help is at hand for clients when they need it the most. One significant way this will be accomplished is by the community referrals. However, monthly, client family members will be provided transportation support to encourage family connection and reunification which will also be a significant part of the interpersonal support process.

D. Exit Criteria and Process: HR360 program staff will engage in exit planning during any transitions of care for any reason or at least 90 days prior to an anticipated discharge. The focus of the exit planning phase will be to ensure a smooth transition of services. Specifically exit planning will occur when clients are preparing to move from the criminal justice system and when a client is preparing to complete their case management services.

Successful completion of program consists of being discharged from parole or having successfully taken part in the 2^{nd} Chance referral services for one year post release from CDCR. Those who complete the program have stabilized their lives and have moved on to safe housing within the community.

Unsuccessful completion includes those who fail to make use of any of the referral services, and those who engage in acts of violence or threats of violence towards staff or other clients. Those who abandoned treatment may return at which time counselors seek to engage back into case management services. Upon discharge, clients are offered referral information and a discharge summary is completed.

Admissions/Intakes are conducted at the SF County Jail and CDCR institutions prior to release and 1735 Mission Street, 3rd floor for post release. All sites are ADA compliant and comply with all health, safety, and fire codes.

3. Goal Statement

To assist participants to maintain or restore personal independence and/or functioning consistent with requirements for learning, development, and enhanced self-sufficiency through treatment of their mental health disorders in the settings of residential substance abuse treatment, substance abuse day treatment or outpatient office visits.

4. Target Population

This component serves individuals in the community whose psychiatric disorders are accompanied by co-morbid substance abuse or dependence. In many cases, individuals present with longstanding psychiatric histories, numerous psychiatric hospitalizations and crisis services. HR360 serves individuals from all racial and cultural backgrounds and from all economic classes. Participants in this program are either Medi-CAL eligible or qualify under the Short-Doyle law. The agency will provide these outpatient services for clients referred through ACCESS, San Francisco General Hospital, Swords to Plowshares, Baker Places, our treatment partners and from within other HR360 programs. These dients must meet medical and service necessity criteria as defined for Medi-CAL services.

- Adult psychiatric disorders
- Co-morbid substance abuse or dependence
- MediCal eligible or indigent

5. Modality(ies)/Interventions

- 1) MH Svcs
- 2) Medication Support
- 3) Case Mgt Brokerage

6. Methodology

HR360 is a comprehensive behavioral health program providing a wide range of high quality services to adult San Francisco residents. HR360 emphasizes self-help and peer support in a humanistic therapeutic community and offers special programs for individuals with specific needs. The HR360 environment is multicultural, and actively promotes understanding and kinship between people of different backgrounds by

encouraging a family atmosphere, the sharing of personal histories, and respect for each individual's challenges and successes. The philosophy of HR360 reflects an emphasis on self-reliance, shared community values, and the development of supportive peer relationships. Each individual learns to take responsibility for his/her own actions, and to share in the daily operations of each treatment site. Group and individual counseling helps individuals focus on issues related to their substance abuse and mental disorders. Coordinated efforts with ACCESS are designed to maintain appropriate service options for participants. The agency has had extensive experience with multiply-diagnosed adult clients.

All HR360 community-based programs are staffed with licensed, waived or registered mental health professionals who provide assessments, plan development, individual and group therapy, collateral, case management and crisis intervention services. Additionally these staffs have been trained in the use of **Dialectical Behavior Therapy** as a treatment modality. DBT skills training and cognitive behavioral therapy are currently being used as an agency standard and are available in all outpatient facilities. **Seeking Safety treatment** has also been adopted as a best practice for clients with PTSD diagnoses and issues with traumatic experiences, which are common with those who have histories of substance abuse. **Motivational Interviewing** is also in the process of being introduced as a best practice this year, bringing a client-centered, directive method for enhancing intrinsic motivation to change by exploring and resolving ambivalence.

As an agency, HR360 endeavors to broaden access to treatment in a welcoming way and to identify and eliminate barriers to seeking and remaining in treatment. Potential clients who take prescription medications for medical or psychological disorders and/or utilize methadone or other agonist therapies are welcome to receive services at HR360.

Harm reduction principles are applied in all of our programs, including our abstinence-based residential programs. HR360 teaches formal relapse prevention techniques to all of its clients, using the Bio-Psycho-Spiritual-Social model and ways of effectively self-analyzing and stopping pre-relapse behaviors. Classes are held regularly to help all of our residential and day treatment clients recognize and deal with the behavior that leads to relapse.

- A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.
- **B.** Admissions and Intake: The Mental Health Medi-CAL component of HR360's Co-Occurring Disorders program provides mental health services to residents of San Francisco County who meet the County's criteria for medical and service necessity.

Assessments/ Diagnosis & Written Evaluation: The Multi-Service Center, located at 1735 Mission Street in San Francisco, is the central intake site for adult mental health services. After referral from ACCESS, the HR360 intake department, self-referral or any other appropriate referral source, individuals go through the intake assessment process. Intakes to Mental Health Medi-CAL services are scheduled five days a week.

HealthRIGHT 360 mental health clinicians providing services to clients funded through our MediCal/Short Doyle contract obtain and maintain ANSA certification. The ANSA is administered at the time of the

opening of the mental health episode and renewed annually or at the time of discharge if the client is available. Because the baseline ANSA is administered at the time of initial assessment at the beginning of mental health services, it is primarily used by our clinicians to help identify life domains that might be prioritized for clinical focus. The information provided by the baseline ANSA informs treatment planning. We have learned that the latest reports (while based on a small number of clients with at least two ANSAs to permit comparison) do indicate that our clients' strengths increase as a result of treatment. Depression, impulsivity, adjustment to trauma, and substance use is decreased.

C. Program Service Delivery Model: HR360 integrates a continuum of treatment activities that are based on CCISC program models that have been implemented in other jurisdictions and incorporate numerous evidence-based interventions.

The program includes:

- <u>Harm Reduction Interventions</u> that support engagement and build trust during the precontemplation and contemplation phases of treatment and at the same time promote individual and public safety. This is primarily accomplished via Motivational Enhancement Therapy interventions.
- Three Levels of Active Treatment
 - Level 1 -- Outpatient Treatment for clients who have maintained substantial stability in managing their behavioral health disorders.
 - Level II Intensive Outpatient Treatment is intended both to serve clients stepping down from more intensive levels or care and/or to provide more intensive supports to clients in a lower level of care.
 - Level III Day Treatment Day is provided for the highest need clients and again as a step down program and to prevent clients from needing higher levels of service.

This program leverages the limited funding available through this RFP with the treatment services and wraparound supports of HR360 to deliver multifaceted programming that incorporates numerous evidence-based practices so as to respond comprehensively to multiple needs of high-risk individuals.

Program Service Location: The MH OP program is located at 1735 Mission Street, San Francisco, CA.

D. Exit Criteria and Process: Mental Health Discharge Guidelines:

HR360 is committed to providing quality mental health services and substance abuse treatment to our clients with co-occurring disorders. However, if after a period of treatment, assessment, and clinical review by mental health and substance abuse treatment staff, a client is found to be inappropriate for the Adult Rehabilitation Program at HR360, Mental Health Discharge Guidelines will be implemented. Discharge from the program may occur under the following circumstances:

Completion of treatment: Completion of treatment is jointly determined by clinical staff, the client, and applicable, outside coordinating care managers. Decisions about the completion of treatment are informed by the status of goals on the treatment plan as well as behavioral and lifestyle markers. Ideally, a discharge plan should be developed at least two weeks before the completion of the program. The discharge plan will be coordinated with other mental health providers in the client's network of care and should address issues regarding continued mental health treatment, medication support, and linkage to other appropriate service providers for medical, vocational, educational, and housing needs.

Client elects to withdraw before the completion of treatment: In the event that the client chooses to withdraw from the program before the completion of significant treatment goals, a discharge plan should be developed. During a face-to-face session with the client, clinical staff will review the client's progress

or lack thereof and offer appropriate referrals dealing with the above-mentioned areas. If the client was receiving medication services through the program, special care will be taken to ensure that the client does not experience a gap in services. In the event that the client suddenly withdraws from treatment and is not available to develop a treatment plan, every effort will be made to contact the client and offer them a face-to-face discharge planning session and follow up with the HR360 psychiatrist.

Client discharged by HR360 before completion of treatment: Clients who engage in threatening or assaultive behavior, repeatedly violate rules, destroy or steal property, or refuse to cooperate with treatment will be discharged from the. Clients and outside case managers will be notified of the discharge and a plan will be created in order to ensure continued services. The specific nature of these plans will be determined by the situation and the nature of the client's existing care network.

Reasons For Discharge:

- 1. Client has engaged in assaultive or threatening behavior to HR360 staff or peers.
- Client introduced or used drugs or alcohol on the adult residential facility premises.
- Client is a threat to self; e.g., intentionally causes physical injury to self threatens suicide, or engages in suicidal gestures.
- 4. Client destroys HR360 property.
- 5. Client repeatedly violates program rules and norms.
- 6. Client refuses to comply with psychotropic medication recommendation resulting in a worsening of symptoms.
- 7. Despite a reasonable time in treatment, client fails to demonstrate stabilization or improvement of symptoms, thereby indicating a need for a higher level of care.

Transfer of Care Policy and Procedure: In the interest of ensuring continuity of care and in accordance with San Francisco Community Behavioral Health guidelines, HR360 Adult Mental Health Services maintains that any San Francisco County Medi-Cal eligible client who meets service necessity guidelines will have ongoing access to mental health services upon exiting treatment. At the time of a client's transfer from HR360 treatment services, the client will continue to be followed by their HR360 care manager who, in most cases, is his or her psychotherapist. This HR360 care manager will coordinate with any primary care manager the client may have. The care manager will facilitate transfer of services to another appropriate provider. In the event that a client is involuntarily discharged or elects to leave treatment prematurely (AWOL) and does not wish to return to treatment with HR360, that client will be referred to community resources, if possible. All clients who were prescribed psychotropic medications and are continuing to take those medications at the time of transfer will leave with three days' supply of medication. If clients have been prescribed psychoactive medications, arrangements are made to ensure that the clients have continued access to their medications. A short - term transition plan and case management will establish medication services outside of HR360 SOC.

E. Program Staffing: See salaries & benefits detail page in Appendix B.

7. Objectives and Measurements

A. Required Objectives

"All objectives, and descriptions of how objectives will be measured, are contained in the BHS document entitled BHS AOA Performance Objectives FY 14-15".

8. Continuous Quality Assurance and Improvement

HealthRIGHT 360 is committed to maintaining careful quality control procedures and, under the direction of the Vice President of Corporate Compliance, maintains a robust Quality Control Plan in order to ensure that participants achieve positive outcomes. To measure and monitor our own performance, HealthRIGHT

360 has implemented a number of procedures and systems that work together to collect, store, report, analyze, and monitor data so that participant outcomes can be evaluated relative to internal and external performance goals. This infrastructure supports the overall processes that guide timely completion of the ANSA & CANS for our MH Adult & Youth programs along with CalOMS for our SA Programs. These systems also identify areas in need of improvement and enable fast and effective responses.

HealthRIGHT 360 executive staff preside over a network of committees that ensure agency-wide adherence to the Quality Control Plan. The committees are as follows:

<u>Clinical Data Integrity</u>: Monitors agency utilization data, allocation methodology, and billing issues. This committee responds to any data changes or processes that need review or modification in order to effectively capture data reflecting client's treatment process and proper billing for all of our contracts. Chaired by the Chief Information Officer, meets weekly.

Standards and Compliance: Develops, monitors, and maintains agency policies and procedures; ensures compliance with all confidentiality laws and regulatory bodies; develops and implements new and updated policies and forms. Monitors standard processes and systems, policies and procedures, and evaluates for and implements changes. Chaired by the Vice President of Corporate Compliance, meets monthly. Health and Safety: Ensures each facility is in compliance with fire and all other health and safety codes. This committee facilitates monthly health and safety trainings and drills (scheduled and unscheduled) across all programs to ensure preparedness in the event of fire, earthquake, violence in the workplace, power outage, storm, terrorist, biohazard and other threats to health and safety. Activities include routine inspection and monitoring of facilities. Chaired by the Director of Workforce Development, meets monthly. <u>Iraining</u>: Develops and facilitates trainings to enhance staff competencies in areas including client services, cultural competency and confidentiality. Chaired by the Director of Workforce Development, meets quarterly. <u>Clinical</u>: Reviews program quality, client needs, clinical outcomes, and ensures that the needs of subpopulations are addressed. Chaired by the Vice President of Programs, meets semi-monthly. Steering Committee: Responsible for strategic vision of the agency and provides oversight to all committees and operations. Sets and reviews agency goals and objectives, determines priorities and issues directives to be carried out by staff via regular management and staff meetings. Chaired by the Chief Executive Officer, meets monthly.

HealthRIGHT 360 is committed to being culturally and linguistically competent by ensuring that staff has the capacity to function effectively as treatment providers within the context of the cultural beliefs, behaviors, and needs presented by the consumers of our services and their communities. This capacity is achieved through ongoing assessment activities, staff training, and maintaining a staff that is demographically compatible with consumers and that possesses empathic experience and language capability.

Satisfaction surveys are distributed annually (agency wide) to recruit feedback from our participants on how we are doing and for areas of improvement. We utilize this information in developing goals for strategic planning in our Steering Committee. In addition, we also administer Satisfaction Surveys for most CBHS contracts as required by CBHS.

3. Goal Statement

To reduce the impact of substance abuse and mental health disorders on the target population by successfully implementing the described interventions

4. Target Population

The target populations served by WRAPS Program are adults, 18-59, chronically mentally ill, polysubstance abusers or dependant on drugs and/or alcohol; undergoing acute psychiatric episodes, considered legal residents of San Francisco who are homeless and/or indigent. A pattern of repeated involvement in both mental health and substance abuse treatment programs is characteristic of this population. These clients may have no medical insurance coverage (private or public) or be eligible for SSI/Medi-Cal/Short-Doyle benefits or in the process of applying for benefits; Potential clients do not need to be Medi-CAL or Short-Doyle eligible in order to participate in this program. Mental Health services provided to Medi-CAL or Short-Doyle eligible clients will be billed under the HR360 Mental Health Medi-CAL contract.

- Behavioral health disordered persons with persistent, serious or chronic mental illness who are San Francisco residents.
- Acute Psychiatric episodic persons
- Substance abusers or substance-dependent persons

5. Modality(ies)/Interventions

Residential Other

6. Methodology

The **HR360 WRAPS Program** is designed to provide recovery-oriented residential treatment services for adult individuals in the community undergoing acute psychiatric episodes, to enable them to receive support towards stabilization, and to engage in a partnership with the system towards recovery.

- A. Outreach and Recruitment: HR360 is well established in the human service provider community, the criminal justice system, homeless shelters, medical providers, and other substance abuse treatment programs. We make presentations, maintain working relationships with these programs and agencies, participate in community meetings and service provider groups as well as public health meetings -- to recruit, promote, outreach and increase referrals to our program. In addition, we distribute brochures and publications about our programs to community base organizations, individuals, and other interested parties through HR360's website at www.healthright360.org. Word of mouth and self-referrals also serves as sources for referrals.
- B. Admissions and Intake: Admission to the WRAPS is open to all acute psychiatric, seriously and chronically mentally ill, adult poly-substance abusers who live in San Francisco, that have either no insurance, Medi-CAL/Short-Doyle coverage or are in the process of applying for benefits and meet the County's criteria for medical and service necessity.

Medical Necessity is defined as interference in level of functioning due to a mental illness that disrupts or interferes with community living to the extent that without service the individual would be unable to function in the family/guardian's residence, attend school, or engage in activities normal to developmental stage and age group.

Service Necessity refers to the requirement for evidence of a mental illness that satisfies ICD-9-CM/DSM-IV-TR criteria or a description of the individual's symptoms and history that suggests mental illness.

Process for Initiating Services: Residential treatment services offered to individuals undergoing acute psychiatric episode services fall under San Francisco County's category of planned services. When an individual applies for or is referred for planned mental health services, HR360 intake staff will first ascertain that person's status of treatment with other providers in the DPH safety net by locating the client's BIS client ID number and care management status on the MHS-140 report. Clients not yet registered into the BHBIS system will be registered at HR360. Care managers will be notified of their clients' intake within the first 7 days of treatment in the WRAPS program.

C. Program Service Delivery Model: WRAPS will participate in the CBHS Advance Access Initiative and will provide intake assessment within 24-48 hours of referral; provide medication evaluation (as needed) within 24-48 hours of request; ensure timely collection and reporting of data to CBHS as required; provide quarterly measurements of new client demand according to Advance Access methodology and more frequently if required by CBHS; and measure delay or access for both new and ongoing clients on at least a monthly basis according to Advance Access methodology and more frequently if required by CBHS. The vision, goals, principles, and purpose of SF MHSA Behavioral Health Innovations Task Force are integrated into the service structure.

Assessments/ Diagnosis & Written Evaluation: This process begins at the central intake site located at 1735 Mission Street. After referral from ACCESS, the HR360 intake department, self-referral or any other appropriate referral source, individuals go through the intake assessment process. Intakes to Mental Health Medi-CAL services are scheduled five days a week. Once referral is made, clients are interviewed and given an appointment for assessment usually on the spot and within 48 hours.

Prior to admission, all HR360 prospective participants are screened to determine type and severity of psychiatric and substance abuse disorders in order to determine appropriate level of care. HR360 will also assess clients already in HR360 substance abuse treatment who indicate a need for mental health services.

Individuals referred from ACCESS will be pre-screened; i.e., not be in need of medical detoxification services, appropriate for this sub-acute mental health setting, and also have a co-occurring substance abuse problem.

Program Service Locations: The WRAPS Program is located at one at 815 Buena Vista West, San Francisco, CA. This facility is licensed by the State to provide adult substance abuse residential treatment.

- D. Exit Criteria and Process: Successful completion of program consists of completing the treatment plan. Those who complete the program have stabilized their lives and have moved on to safe housing within the community. Program completion includes a celebrated through a formal ceremony. Unsuccessful completion includes those who left without consent or notification of the program staff, asked to leave treatment based upon a decision made by members of the staff for major rules infractions (violence, threats, and repeated drug use). Upon discharge, clients are offered referral information, a discharge summary is completed which includes an evaluation of the treatment process & progress and plans for reentry into community.
- E. Program Staffing: See salaries & benefits detail page in Appendix B.

Appendix B Calculation of Charges

1. Method of Payment

A. Invoices furnished by CONTRACTOR under this Agreement must be in a form acceptable to the Contract Administrator and the CONTROLLER and must include the Contract Progress Payment Authorization number or Contract Purchase Number. All amounts paid by CITY to CONTRACTOR shall be subject to audit by CITY. The CITY shall make monthly payments as described below. Such payments shall not exceed those amounts stated in and shall be in accordance with the provisions of Section 5, COMPENSATION, of this Agreement.

Compensation for all SERVICES provided by CONTRACTOR shall be paid in the following manner. For the purposes of this Section, "General Fund" shall mean all those funds which are not Work Order or Grant funds. "General Fund Appendices" shall mean all those appendices which include General Fund monies.

(1) Fee For Service (Monthly Reimbursement by Certified Units at Budgeted Unit Rates): B-1, B-2, B-3, B-4, B-5, B-6, B-7, B-8, B-9, B-10, B-11, B-12, B-13, B-14, B-15, B-16, B-17, B-19, B-21, B-24 & B-25

CONTRACTOR shall submit monthly invoices in the format attached, Appendix F, and in a form acceptable to the Contract Administrator, by the fifteenth (15th) calendar day of each month, based upon the number of units of service that were delivered in the preceding month. All deliverables associated with the SERVICES defined in Appendix A times the unit rate as shown in the appendices cited in this paragraph shall be reported on the invoice(s) each month. All charges incurred under this Agreement shall be due and payable only after SERVICES have been rendered and in no case in advance of such SERVICES.

(2) <u>Cost Reimbursement (Monthly Reimbursement for Actual Expenditures within Budget):</u> B-18, B-20, B-22,& B-23

CONTRACTOR shall submit monthly invoices in the format attached, Appendix F, and in a form acceptable to the Contract Administrator, by the fifteenth (15th) calendar day of each month for reimbursement of the actual costs for SERVICES of the preceding month. All costs associated with the SERVICES shall be reported on the invoice each month. All costs incurred under this Agreement shall be due and payable only after SERVICES have been rendered and in no case in advance of such SERVICES.

B. Final Closing Invoice

(1) Fee For Service Reimbursement:

A final closing invoice, clearly marked "FINAL," shall be submitted no later than forty-five (45) calendar days following the closing date of each fiscal year of the Agreement, and shall include only those SERVICES rendered during the referenced period of performance. If SERVICES are not invoiced during this period, all unexpended funding set aside for this Agreement will revert to CITY. CITY'S final reimbursement to the CONTRACTOR at the close of the Agreement period shall be adjusted to conform to actual units certified multiplied by the unit rates identified in Appendix B attached hereto, and shall not exceed the total amount authorized and certified for this Agreement.

(2) <u>Cost Reimbursement</u>:

A final closing invoice, clearly marked "FINAL," shall be submitted no later than forty-five (45) calendar days following the closing date of each fiscal year of the Agreement, and shall include only those costs incurred during the referenced period of performance. If costs are not invoiced during this period, all unexpended funding set aside for this Agreement will revert to CITY.

C. Payment shall be made by the CITY to CONTRACTOR at the address specified in the section entitled "Notices to Parties."

D. Upon the effective date of this Agreement, contingent upon prior approval by the CITY'S Department of Public Health of an invoice or claim submitted by Contractor, and of each year's revised Appendix A (Description of Services) and each year's revised Appendix B (Program Budget and Cost Reporting Data Collection Form), and within each fiscal year, the CITY agrees to make an initial payment to CONTRACTOR not to exceed \$1,150,549 (25%) of the General Fund portion of the CONTRACTOR'S allocation for the applicable fiscal year.

CONTRACTOR agrees that within that fiscal year, this initial payment shall be recovered by the CITY through a reduction to monthly payments to CONTRACTOR during the period of October 1 through March 31 of the applicable fiscal year, unless and until CONTRACTOR chooses to return to the CITY all or part of the initial payment for that fiscal year. The amount of the initial payment recovered each month shall be calculated by dividing the total initial payment for the fiscal year by the total number of months for recovery. Any termination of this Agreement, whether for cause or for convenience, will result in the total outstanding amount of the initial payment for that fiscal year being due and payable to the CITY within thirty (30) calendar days following written notice of termination from the CITY.

B. COMPENSATION

Compensation shall be made in monthly payments on or before the 30th day after the DIRECTOR, in his or her sole discretion, has approved the invoice submitted by CONTRACTOR. The breakdown of costs and sources of revenue associated with this Agreement appears in Appendix B, Cost Reporting/Data Collection (CR/DC) and Program Budget, attached hereto and incorporated by reference as though fully set forth herein. The maximum dollar obligation of the CITY under the terms of this Agreement shall not **exceed Ninety One Million Five**

Hundred Twenty Five Thousand Five Hundred Six Dollars (\$91,525,506) for the period of July 1, 2010 through December 31, 2017.

CONTRACTOR understands that, of this maximum dollar obligation \$3,126,806 is included as a contingency amount and is neither to be used in Appendix B, Budget, or available to CONTRACTOR without a modification to this Agreement executed in the same manner as this Agreement or a revision to Appendix B, Budget, which has been approved by the Director of Health. CONTRACTOR further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable CITY and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by the Controller. CONTRACTOR agrees to fully comply with these laws, regulations, and policies/procedures.

- (1) For each fiscal year of the term of this Agreement, CONTRACTOR shall submit for approval of the CITY's Department of Public Health a revised Appendix A, Description of Services, and a revised Appendix B, Program Budget and Cost Reporting Data Collection form, based on the CITY's allocation of funding for SERVICES for the appropriate fiscal year. CONTRACTOR shall create these Appendices in compliance with the instructions of the Department of Public Health. These Appendices shall apply only to the fiscal year for which they were created. These Appendices shall become part of this Agreement only upon approval by the CITY.
- (2) CONTRACTOR understands that, of the maximum dollar obligation stated above, the total amount to be used in Appendix B, Budget and available to CONTRACTOR for the entire term of the contract is as follows, notwithstanding that for each fiscal year, the amount to be used in Appendix B, Budget and available to CONTRACTOR for that fiscal year shall conform with the Appendix A, Description of Services, and Appendix B, Program Budget and Cost Reporting Data Collection form, as approved by the CITY's Department of Public Health based on the CITY's allocation of funding for SERVICES for that fiscal year.

- (3) CONTRACTOR understands that the CITY may need to adjust sources of revenue and agrees that these needed adjustments will become part of this Agreement by written modification to CONTRACTOR. In event that such reimbursement is terminated or reduced, this Agreement shall be terminated or proportionately reduced accordingly. In no event will CONTRACTOR be entitled to compensation in excess of these amounts for these periods without there first being a modification of the Agreement or a revision to Appendix B, Budget, as provided for in this section of this Agreement.
- C. CONTRACTOR agrees to comply with its Budget as shown in Appendix **B** in the provision of SERVICES. Changes to the budget that do not increase or reduce the maximum dollar obligation of the CITY are subject to the provisions of the Department of Public Health Policy/Procedure Regarding Contract Budget Changes. CONTRACTOR agrees to comply fully with that policy/procedure.
- D. No costs or charges shall be incurred under this Agreement nor shall any payments become due to CONTRACTOR until reports, SERVICES, or both, required under this Agreement are received from

CONTRACTOR and approved by the DIRECTOR as being in accordance with this Agreement. CITY may withhold payment to CONTRACTOR in any instance in which CONTRACTOR has failed or refused to satisfy any material obligation provided for under this Agreement.

- E. In no event shall the CITY be liable for interest or late charges for any late payments.
- F. CONTRACTOR understands and agrees that should the CITY'S maximum dollar obligation under this Agreement include State or Federal Medi-Cal revenues, CONTRACTOR shall expend such revenues in the provision of SERVICES to Medi-Cal eligible clients in accordance with CITY, State, and Federal Medi-Cal regulations. Should CONTRACTOR fail to expend budgeted Medi-Cal revenues herein, the CITY'S maximum dollar obligation to CONTRACTOR shall be proportionally reduced in the amount of such unexpended revenues. In no event shall State/Federal Medi-Cal revenues be used for clients who do not qualify for Medi-Cal reimbursement.

1. PROTECTED HEALTH INFORMATION AND BAA

The parties acknowledge that CITY is a Covered Entity as defined in the Healthcare Insurance Portability and Accountability Act of 1996 ("HIPAA") and is required to comply with the HIPAA Privacy Rule governing the access, transmission, and storage of health information.

The parties acknowledge that CONTRACTOR is one of the following:

- CONTRACTOR will render services under this contract that include possession or knowledge of identifiable Protected Health Information (PHI), such as health status, health care history, or payment for health care history obtained from CITY. Specifically, CONTRACTOR will:
 - Create PHI
 - Receive PHI
 - Maintain PHI
 - Transmit PHI and/or
 - Access PHI

The Business Associate Agreement (BAA) in Appendix E <u>is required</u>. Please note that BAA requires attachments to be completed.

CONTRACTOR will <u>not</u> have knowledge of, create, receive, maintain, transmit, or have access to any Protected Health Information (PHI), such as health status, health care history, or payment for health care history obtained from CITY.

The Business Associate Agreement is not required.

2. THIRD PARTY BENEFICIARIES

No third parties are intended by the parties hereto to be third party beneficiaries under this Agreement, and no action to enforce the terms of this Agreement may be brought against either party by any person who is not a party hereto.

Appendix E San Francisco Department of Public Health

Business Associate Agreement

This Business Associate Agreement ("Agreement") supplements and is made a part of the contract or Memorandum of Understanding ("CONTRACT")] by and between the City and County of San Francisco, Covered Entity ("CE") and Contractor, Business Associate ("BA"). To the extent that the terms of the Contract are inconsistent with the terms of this Agreement, the terms of this Agreement shall control.

In order to access SFDPH Systems, BA must have their employees/agents sign and retain in their files the *User Agreement for Confidentiality, Data Security and Electronic Signature* form located at https://www.sfdph.org/dph/files/HIPAAdocs/2015Revisions/ConfSecElecSigAgr.pdf

During the term of this contract, the BA will be required to complete the SFDPH Privacy, Data Security and Compliance Attestations located at

https://www.sfdph.org/dph/files/HIPAAdocs/PDSCAttestations.pdf and the Data Trading

Partner Request [to Access SFDPH Systems] located at

RECITALS

A. CE wishes to disclose certain information to BA pursuant to the terms of the Contract, some of which may constitute Protected Health Information ("PHI") (defined below).

B. CE and BA intend to protect the privacy and provide for the security of PHI disclosed to BA pursuant to the CONTRACT in compliance with the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 ("the HITECH Act"), and regulations promulgated there under by the U.S. Department of Health and Human Services (the "HIPAA Regulations") and other applicable laws, including, but not limited to, California Civil Code §§ 56, et seq., California Health and Safety Code § 1280.15, California Civil Code §§ 1798, et seq., California Welfare & Institutions Code §§5328, et seq., and the regulations promulgated there under (the "California Regulations").

C. As part of the HIPAA Regulations, the Privacy Rule and the Security Rule (defined below) require CE to enter into a contract containing specific requirements with BA prior to the disclosure of PHI, as set forth in, but not limited to, Title 45, Sections 164.314(a), 164.502(a) and (e) and 164.504(e) of the Code of Federal Regulations

("C.F.R.") and contained in this Agreement.

D. BA enters into agreements with CE that require the CE to disclose certain identifiable health information to BA. The parties desire to enter into this Agreement to permit BA to have access to such information and comply with the BA requirements of HIPAA, the HITECH Act, and the HIPAA Regulations.

In consideration of the mutual promises below and the exchange of information pursuant to this Agreement, the parties agree as follows:

1. Definitions.

a. **Breach** means the unauthorized acquisition, access, use, or disclosure of PHI that compromises the security or privacy of such information, except where an unauthorized person to whom such information is disclosed would not reasonably have been able to retain such information, and shall have the meaning given to such term under the HITECH Act and HIPAA Regulations [42 U.S.C. Section

Appendix E San Francisco Department of Public Health

Business Associate Agreement

17921 and 45 C.F.R. Section 164.402], as well as California Civil Code Sections 1798.29 and 1798.82.

- b. **Breach Notification Rule** shall mean the HIPAA Regulation that is codified at 45 C.F.R. Parts 160 and 164, Subparts A and D.
- c. Business Associate is a person or entity that performs certain functions or activities that involve the use or disclosure of protected health information received from a covered entity, and shall have the meaning given to such term under the Privacy Rule, the Security Rule, and the HITECH Act, including, but not limited to, 42 U.S.C. Section 17938 and 45 C.F.R. Section 160.103.
- d. Covered Entity means a health plan, a health care clearinghouse, or a health care provider who transmits any information in electronic form in connection with a transaction covered under HIPAA Regulations, and shall have the meaning given to such term under the Privacy Rule and the Security Rule, including, but not limited to, 45 C.F.R. Section 160.103.
- e. **Data Aggregation** means the combining of Protected Information by the BA with the Protected Information received by the BA in its capacity as a BA of another CE, to permit data analyses that relate to the health care operations of the respective covered entities, and shall have the meaning given to such term under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.501.
- f. **Designated Record Set** means a group of records maintained by or for a CE, and shall have the meaning given to such term under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.501.
- g. Electronic Protected Health Information means Protected Health Information that is maintained in or transmitted by electronic media and shall have the meaning given to such term under HIPAA and the HIPAA Regulations, including, but not limited to, 45 C.F.R. Section 160.103. For the purposes of this Agreement, Electronic PHI includes all computerized data, as defined in California Civil Code Sections 1798.29 and 1798.82.
- h. Electronic Health Record means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff, and shall have the meaning given to such term under the HITECT Act, including, but not limited to, 42 U.S.C. Section 17921
- i. Health Care Operations means any of the following activities: i) conducting quality assessment and improvement activities; ii) reviewing the competence or qualifications of health care professionals; iii) underwriting, enrollment, premium rating, and other activities related to the creation, renewal, or replacement of a contract of health insurance or health benefits; iv) conducting or arranging for medical review, legal services, and auditing functions; v) business planning development; vi) business management and general administrative activities of the entity. This shall have the meaning given to such term under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.501.
- j. **Privacy Rule** shall mean the HIPAA Regulation that is codified at 45 C.F.R. Parts 160 and 164, Subparts A and E.
- k. Protected Health Information or PHI means any information, including electronic PHI, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual; or the past, present or future payment for the provision of health care to an individual; and (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual, and shall have the meaning given to such term under the Privacy Rule, including, but not limited to, 45 C.F.R. Sections 160.103

San Francisco Department of Public Health **Business Associate Agreement**

and 164.501. For the purposes of this Agreement, PHI includes all medical information and health insurance information as defined in California Civil Code Sections 56.05 and 1798.82.

Protected Information shall mean PHI provided by CE to BA or created, maintained, received or transmitted by BA on CE's behalf.

m. Security Incident means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system, and shall have the meaning given to such term under the Security Rule, including, but not limited to, 45 C.F.R. Section

n. Security Rule shall mean the HIPAA Regulation that is codified at 45 C.F.R. Parts 160 and 164, Subparts A and C.

o. Unsecured PHI means PHI that is not secured by a technology standard that renders PHI unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute, and shall have the meaning given to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to, 42 U.S.C. Section 17932(h) and 45 C.F.R. Section 164.402.

2. Obligations of Business Associate.

Permitted Uses. BA may use, access, and/or disclose PHI only for the purpose of performing BA's obligations for or on behalf of the City and as permitted or required under the Contract [MOU] and Agreement, or as required by law. Further, BA shall not use PHI in any manner that would constitute a violation of the Privacy Rule or the HITECH Act if so used by CE. However, BA may use Protected Information as necessary (i) for the proper management and administration of BA; (ii) to carry out the legal responsibilities of BA; (iii) as required by law; or (iv) for Data Aggregation purposes relating to the Health Care Operations of CE [45 C.F.R. Sections 164.502, 164.504(e)(2). 164.504(e)(4)(i)].

b. Permitted Disclosures. BA shall disclose Protected Information only for the purpose of performing BA's obligations for or on behalf of the City and as permitted or required under the Contract [MOU] and Agreement, or as required by law. BA shall not disclose Protected Information in any manner that would constitute a violation of the Privacy Rule or the HITECH Act if so disclosed by CE. However, BA may disclose Protected Information as necessary (i) for the proper management and administration of BA; (ii) to carry out the legal responsibilities of BA; (iii) as required by law; or (iv) for Data Aggregation purposes relating to the Health Care Operations of CE. If BA discloses Protected Information to a third party, BA must obtain, prior to making any such disclosure, (i) reasonable written assurances from such third party that such Protected Information will be held confidential as provided pursuant to this Agreement and used or disclosed only as required by law or for the purposes for which it was disclosed to such third party, and (ii) a written agreement from such third party to immediately notify BA of any breaches, security incidents, or unauthorized uses or disclosures of the Protected Information in accordance with paragraph 2. k. of the Agreement, to the extent it has obtained knowledge of such occurrences [42] U.S.C. Section 17932; 45 C.F.R. Section 164.504(e)]. BA may disclose PHI to a BA that is a subcontractor and may allow the subcontractor to create, receive, maintain, or transmit Protected Information on its behalf, if the BA obtains

San Francisco Department of Public Health Business Associate Agreement

satisfactory assurances, in accordance with 45 C.F.R. Section 164.504(e)(1), that the subcontractor will appropriately safeguard the information [45 C.F.R. Section 164.502(e)(1)(ii)].

c. Prohibited Uses and Disclosures. BA shall not use or disclose PHI other than as permitted or required by the Contract and Agreement, or as required by law. BA shall not use or disclose Protected Information for fundraising or marketing purposes. BA shall not disclose Protected Information to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates [42 U.S.C. Section 17935(a) and 45 C.F.R. Section 164.522(a)(1)(vi)]. BA shall not directly or indirectly receive remuneration in exchange for Protected Information, except with the prior written consent of CE and as permitted by the HITECH Act, 42 U.S.C. Section 17935(d)(2), and the HIPAA regulations, 45 C.F.R. Section 164.502(a)(5)(ii); however, this prohibition shall not affect payment by CE to BA for services provided pursuant to the Contract.

d. Appropriate Safeguards. BA shall take the appropriate security measures to protect the confidentiality, integrity and availability of PHI that it creates, receives, maintains, or transmits on behalf of the CE, and shall prevent any use or disclosure of PHI other than as permitted by the Contract or this Agreement, including, but not limited to, administrative, physical and technical safeguards in accordance with the Security Rule, including, but not limited to, 45 C.F.R. Sections 164.306, 164.308, 164.310, 164.312, 164.314 164.316, and 164.504(e)(2)(ii)(B). BA shall comply with the policies and procedures and documentation requirements of the Security Rule, including, but not limited to, 45 C.F.R. Section 164.316, and 42 U.S.C. Section 17931. BA is responsible for any civil penalties assessed due to an audit or investigation of BA, in accordance with 42 U.S.C. Section 17934(c).

e. Business Associate's Subcontractors and Agents. BA shall ensure that any agents and subcontractors that create, receive, maintain or transmit Protected Information on behalf of BA, agree in writing to the same restrictions and conditions that apply to BA with respect to such PHI and implement the safeguards required by paragraph 2.d. above with respect to Electronic PHI [45 C.F.R. Section 164.504(e)(2) through (e)(5); 45 C.F.R. Section 164.308(b)]. BA shall mitigate the effects of any such violation.

Accounting of Disclosures. Within ten (10) calendar days of a request by CE for an accounting of disclosures of Protected Information or upon any disclosure of Protected Information for which CE is required to account to an individual, BA and its agents and subcontractors shall make available to CE the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.528, and the HITECH Act, including but not limited to 42 U.S.C. Section 17935 (c), as determined by CE. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents and subcontractors for at least six (6) years prior to the request. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an Electronic Health Record. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and

Appendix E San Francisco Department of Public Health

Business Associate Agreement

(iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure [45 C.F.R. 164.528(b)(2)]. If an individual or an individual's representative submits a request for an accounting directly to BA or its agents or subcontractors, BA shall forward the request to CE in writing within five (5) calendar days.

g. Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within (5) days of request by CE to enable CE to fulfill its obligations under state law [Health and Safety Code Section 123110] and the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. If BA maintains Protected Information in electronic format, BA shall provide such information in electronic format as necessary to enable CE to fulfill its obligations under the HITECH Act and HIPAA Regulations, including, but not limited to, 42 U.S.C. Section 17935(e) and 45 C.F.R. 164.524.

h. Amendment of Protected Information. Within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment or other documentation to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R Section 164.526. If an individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request and of any approval or denial of amendment of Protected Information maintained by BA or its agents or subcontractors [45 C.F.R. Section 164.504(e)(2)(ii)(F)].

i. Governmental Access to Records. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with HIPAA [45 C.F.R. Section 164.504(e)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

j. Minimum Necessary. BA, its agents and subcontractors shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the intended purpose of such use, disclosure, or request. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary" to accomplish the intended purpose in accordance with HIPAA and HIPAA Regulations.

k. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

1. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the Agreement; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been,

San Francisco Department of Public Health Business Associate Agreement

or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited, to 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

m. Breach Pattern or Practice by Business Associate's Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this Agreement, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this Agreement within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

- a. Material Breach. A breach by BA of any provision of this Agreement, as determined by CE, shall constitute a material breach of the CONTRACT and this Agreement and shall provide grounds for immediate termination of the CONTRACT and this Agreement, any provision in the CONTRACT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii)].
- b. Judicial or Administrative Proceedings. CE may terminate the CONTRACT and this Agreement, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.
- c. Effect of Termination. Upon termination of the CONTRACT and this Agreement for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this Agreement to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI.

San Francisco Department of Public Health **Business Associate Agreement**

- d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure or Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).
- Disclaimer. CE makes no warranty or representation that compliance by BA with this Agreement, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the CONTRACT or this Agreement may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Agreement embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Contract upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the CONTRACT or this Agreement when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Contract or this Agreement providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days.

THE DECLARATION OF COMPLIANCE

Each Fiscal Year, CONTRACTOR attests with a Declaration of Compliance that each program site has an Administrative Binder that contains all of the forms, policies, statements, and documentation required by Community Behavioral Health Services (CBHS). The Declaration of Compliance also lists requirements for site postings of public and client information, and client chart compliance if client charts are maintained. CONTRACTOR understands that the Community Programs Business Office of Contract Compliance may visit a program site at any time to ensure compliance with all items of the Declaration of Compliance.

D) WHO IS AN INSURED

Paragraph 2. of Section II - Who Is An Insured is deleted and replaced by the following:

Each of the following is also an insured: but only while working within the scope of their duties for the insured:

a.

- (i) "Employees";
- (ii) "Volunteer Workers";
- (iii) Independent Contractors

However, no "employees", "volunteer workers" or independent contractors are insureds for:

- (1) "Bodily injury" or "personal and advertising injury":
 - (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are al limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
 - (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1)(a) above;
 - (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs (1)(a) or (b) above; or
 - (d) Arising out of his or her providing or failing to provide professional health care services.
- (2) "Property damage" to property:
 - (a) Owned, occupied or used by,
 - (b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by you, any of your "employees", "volunteer workers", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).
- b. Medical directors and administrators, including professional persons, are also insureds;
- If you are an organization other than a partnership or joint venture, your managers and supervisors are also insureds;
- d. If you are a limited liability company your members are insureds, but only with respect to their duties related to the conduct of your business;
- e. Any organization and subsidiary thereof which you control and actively manage on the effective date of this endorsement;

- f. Any person or organization that has financial control of you or owns, maintains or controls premises occupied by you and requires you to name them as an additional insured but only with respect to their liability arising out of:
 - (1) Their financial control of you; or
 - (2) Premises they own maintain or control while you lease or occupy these premises.

This insurance does not apply to structural alterations, new construction and demolition operations performed by or for that person or organization.

g. Any state or political subdivision subject to the following provision:

This insurance applies only with respect to the following hazards for which the state or political subdivision has issued a permit in connection with premises you own, rent, or control and to which this insurance applies:

- (1) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners, or decorations and similar exposures; or
- (2) The construction, erection, or removal of elevators; or
- (3) The ownership, maintenance, or use of any elevators covered by this insurance.

However, the insurance afforded for any organization and subsidiary thereof not named in the Declarations as a Named Insured, does not apply to injury or damage with respect to which an insured under this endorsement is also an insured under another policy, or would be an insured under such policy but for its termination or the exhaustion of its limits of insurance.

- k. Any entity you are required in a written contract (hereinafter called Additional Insured) to name as an insured is an insured but only with respect to liability arising out of your premises, "your work" for the Additional Insured, or acts or omissions of the Additional Insured in connection with the general supervision of "your work" to the extent set forth below:

Insurance does not apply to "bodily injury," "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional services by or for you, including but not limited to:

- (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, or drawings and specifications; and
- (2) Supervisors, inspection, or engineering services.

Any coverage provided under this provision shall be excess over any other valid and collectible insurance available to the Additional Insured(s) whether primary, excess, contingent or on any other basis unless a contract specifically requires that this insurance be primary or you request that it apply on a primary basis.

Paragraph 3a. of Section II — Who Is An Insured is deleted and replaced by the following:

- a. Coverage under this provision is, subject to (1) and (2) below:
 - (1) Effective on the acquisition or formation date; and
 - (2) Afforded only until the end of the policy period.

E) KNOWLEDGE OR NOTICE OF OCCURRENCE

1) As respects any loss reporting requirements under this policy, it is understood and agreed that knowledge of an "occurrence" by an agent, servant or employee of yours or any other person shall not in itself constitute knowledge by you, unless a corporate officer of yours shall have received notice from said agent, servant, employee or any other person. 2) Your failure to give first report of an "occurrence" to us shall not invalidate coverage under this policy if the loss was inadvertently reported to another insurer. However, you shall report any such "occurrence" to us within a reasonable time once you become aware of such error.

F) ADVERTISING INJURY - TELEVISED, VIDEOTAPED, OR INTERNET-BASED PUBLICATION

- The definition of "Personal and Advertising Injury" item 14. is changed to read: "Personal and Advertising Injury" means injury arising out of one or more of the following offenses:
 - Oral, written, televised, videotaped, or internet-based publication of material that slanders or libels a person or organization or disparages a person's or organization's goods, products, or services;
 - Oral, written, televised, videotaped, or internet-based publication of material that violates a person's right of privacy;
 - f) Misappropriation of advertising ideas or style of doing business; or
 - g) Infringement of copyright, title, or slogan.
- Exclusions b. and c. of Coverage B., Personal and Advertising Injury Liability, are changed to read:
 - a) (2) Arising out of oral, written, televised, videotaped, or internet-based publication of material, if done by or at the direction of the insured with knowledge of its falsity;
 - b) (3) Arising out of oral, written, televised, videotaped, or internet-based publication of material whose first publication took place before the beginning of the policy period.

G) BODILY INJURY - MENTAL ANGUISH

The definition of "bodily injury" is changed to read: "Bodily Injury":

- a) Bodily injury, sickness, or disease sustained by a person, and includes mental anguish resulting from any of these; and
- b) Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

H) UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

I) LIBERALIZATION

If we adopt a change in our forms or rules which would broaden your coverage without an additional premium charge, your policy will automatically provide the additional coverage(s) as of the date the revision is effective in your state.

J) EXTENDED 'PROPERTY DAMAGE"

SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE 2. Exclusions a. is deleted and replaced by the following:

1) Expected or Intended Injury;
"Bodily injury" or "property damage" expected or intended from the
standpoint of the insured. This exclusion does not apply to "bodily injury" or "property
damage" resulting from the use of reasonable force to protect persons or property.

K) PREMISES SOLD OR ABANDONED BY YOU

SECTION I -COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE 2. Exclusions, Exclusion j. is amended as follows:

Paragraph (2) is replaced by the following:

(2) Premises you sell, give away, or abandon, if the "property damage" arises out of any part of those premises and occurred from hazards that were known by you or should have reasonably been known by you, at the time the property was transferred or abandoned.

L) ADDITIONAL INSURED - FUNDING SOURCE

Under SECTION II - WHO IS AN INSURED the following is added:

- Any person or organization with respect to their liability arising out of:
 - a) Their financial control of you; or
 - Premises they own, maintain, or control while you lease or occupy these premises.

This insurance does not apply to structural afterations, new construction, and demolition operations performed by or for that person or organization.

M) ADDITIONAL INSURED - MANAGERS OR LESSORS OF PREMISES

Under SECTION II - WHO IS AN INSURED the following is added:

1.f. Any person or organization with respect to their liability arising out of the ownership, maintenance, or use of that part of the premises leased to you, subject to the following additional exclusions:

This insurance does not apply to:

- Any "occurrence" which takes place after you cease to be a tenant in that premises.
- b) Structural afteration, new construction, or demolition operations performed by or on behalf of that person or organization.

N) ADDITIONAL INSUREDS - BY CONTRACT, AGREEMENT OR PERMIT

- Any person or organization is an insured with whom you are required to add as an additional insured to this policy by a written contract or written agreement, or permit that is:
 - a) currently in effect or becoming effective during the term of this policy; and
 - executed prior to the "bodily injury," "property damage," "personal and advertising injury".
- 2) This insurance provided to the additional insured by this endorsement applies as follows:
 - That person or organization is only an additional insured with respect to liability caused by your negligent acts or omissions at or from:
 - (1) Premises you own, rent, lease, or occupy, or
 - (2) Your ongoing operations performed for the additional insured at the job indicated by written contract or written agreement.
 - b) The limits of insurance applicable to the additional insured are those specified in the written contract or written agreement or in the Declarations of this policy whichever is less. These limits of insurance are inclusive of and not in addition to the limits of insurance shown in the Declarations.
- With respect to the insurance afforded these additional insured's, the following additional exclusions apply:
 - This insurance does not apply to "Bodily injury" or "property damage" occurring after:
 - (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the site of the covered operations has been completed; or
 - (2) that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations on or at the same project.
 - b) This insurance does not apply to "bodily injury," "property damage," "personal and advertising injury" caused by the rendering of or failure to render any professional services.
- 4) Regardless of whether other insurance is available to an additional insured on a primary basis, this insurance will be primary and noncontributory if a written contract between you and the additional insured specifically requires that this insurance be primary.

00 GL0295 00 02 09

O) GENERAL AGGREGATE LIMIT PER LOCATION

SECTION III - LIMITS OF INSURANCE, is amended as follows:

- The General Aggregate Limit is the most we will pay for the sum of:
 - a. Medical expenses under Coverage C;
 - b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard, and
 - c. Damages under Coverage B.

A separate Location General Aggregate Limit applies to each "location" and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

SECTION V - DEFINITIONS is amended by adding the following:

 "Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

P) BLANKET SPECIAL EVENTS AND FUND RAISING EVENTS

 - a) Events involving aircraft
 - b) Events involving automobile or motorcycle races or rallies
 - c) Events involving fireworks
 - d) Events involving firearms
 - e) Events involving live animals, excluding domestic pets
 - f) Carnivals and fairs with mechanical rides
 - g) Any event lasting more than three (3) days (including otherwise acceptable events)
 - h) Any event with greater than 1,000 people in attendance (including otherwise acceptable events)

Coverage may be provided by endorsement issued by us and made part of this Coverage Part, and subject to an additional premium charge.

Q) NON-OWNED WATERCRAFT

SECTION I – COVERAGE A BODILY INJURY AND PROPERTY DAMAGE 2. Exclusions, paragraph g.(2) is amended to read as follows:

- (2) A watercraft you do not own that is:
 - a) Less than 65 feet long, and
 - Not being used to carry persons or property for a charge;

This provision applies to any person, who with your consent, either uses or is responsible for the use of a watercraft.

This insurance is excess over any other valid and collectible insurance available to the insured whether primary, excess, or contingent.

R) WAIVER OF SUBROGATION

We will waive our right of subrogation in the event of a loss. We must be advised in writing, prior to the loss, of your intention to waive subrogation. We also must know whom subrogation will be waived against. If your request meets our underwriting criteria regarding such waivers, we will waive our right. However, we reserve the right to charge additional premium or to limit the terms and conditions of such waiver.

S) WAIVER OF IMMUNITY

We will waive, both in the adjustment of claims and in defense of "suits" against the insured, any charitable or governmental immunity of the insured, unless the insured requests, in writing, that we not do so.

Waiver of immunity, as a defense, will not subject us to liability for any portion of a claim or judgment, in excess, of the applicable limit of insurance.

T) VIOLATION OF RIGHTS OF RESIDENTS (PATIENT'S RIGHTS)

- The following is added to SECTION 1 COVERAGES COVERAGE A BODILY INJURY AND PROPERTY DAMAGE paragraph 1. Insuring Agreement: "Bodily Injury" damages arising out of the violation of "Rights of Residents," shall be deemed an "occurrence."

- a) Liability arising out of the willful or intentional violation of "Rights of Residents."
- b) Fines or penalties assessed by a court or regulatory authority.
- Liability arising out of any act or omission in the furnishing, or failure to furnish, professional services in the medical treatment of residents.
- 3) As respects the violation of "Rights of Residents" Coverage, the following definition is added to SECTION V - DEFINITIONS:
 - 24. "Rights of Residents" means:
 - a. Any right granted to a resident under any state law regulating your business as a health care facility.
 - b. The "Rights of Residents" as included in the United States Department of Health and Welfare regulations governing participation of Intermediate Care Facilities and Skilled Nursing Facilities, regardless of whether your facility is subject to those regulations.

U. LIQUOR LIABILITY EXCLUSION - EXCEPTION FOR SPECIAL EVENTS OR FUNDRAISING EVENTS

SECTION 1. COVERAGES COVERAGE A BODILY INJURY AND PROPERTY DAMAGE 2. Exclusions c. is amended by adding the following subparagraph:

This exclusion does not apply to "bodily injury" or "property damage" arising out of the selling, serving or furnishing of alcoholic beverages at any special events or fundraising events related to the insured's business.

V. EMPLOYEE CRIMINAL DEFENSE COVERAGE

Under SUPPLEMENTARY PAYMENTS - COVERAGES A AND B, the following is added:

3. We will pay, on your behalf, defense costs incurred by an "employee" in a criminal proceeding.

The alleged criminal act must arise out of the "employee's" work performed on your behalf.

The most we will pay for any "employee" who is alleged to be directly involved in a criminal proceeding is \$25,000 regardless of the number of "employees", claims or "suits" brought or persons or organizations making claims or bringing "suits".

All other terms and conditions of this Policy remain unchanged.
