Section 1. (a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. \_\_\_\_\_ and is incorporated herein by reference. The Board affirms this determination.

(b) On \_\_\_\_\_, the Planning Department determined that the actions contemplated in this ordinance are consistent, on balance, with the City's General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts this determination

1 as its own. A copy of said determination is on file with the Clerk of the Board of Supervisors in  
2 File No. \_\_\_\_\_, and is incorporated herein by reference.

3  
4 Section 2. Pursuant to Charter Section D3.750-5, the Building Inspection Commission  
5 considered this ordinance on \_\_\_\_\_, 2015, at a duly-noticed public hearing.

6  
7 Section 3. Findings under the California Health and Safety Code. The Board of  
8 Supervisors hereby finds that this ordinance does not modify a State "building standard," as  
9 that term is defined in Section 18909 of the California Health and Safety Code. Therefore, the  
10 finding of local climatic, geological, or topographical conditions required by Sections 18941.5  
11 and 17958.7 of the California Health and Safety Code is not required.

12  
13 Section 4. The Building Code is hereby amended by revising Section 102A, to read as  
14 follows:

15 **SECTION 102A – UNSAFE BUILDINGS, STRUCTURES OR PROPERTY**

16 All buildings, structures, property, or parts thereof, regulated by this code that are  
17 structurally unsafe or not provided with adequate egress, or that constitute a fire hazard, or  
18 are otherwise dangerous to human life, safety or health of the occupants or the occupants of  
19 adjacent properties or the public by reason of inadequate maintenance, dilapidation,  
20 obsolescence or abandonment, or by reason of occupancy or use in violation of law or  
21 ordinance, or were erected, moved, altered, constructed or maintained in violation of law or  
22 ordinance are, for the purpose of this chapter, unsafe.

23 Whenever the Building Official determines by inspection that property or properties  
24 either improved or unimproved are unstable because of landslide, subsidence or inundation or  
25 that such occurrences are deemed imminent as described above, the Building Official shall

1 give written notice to the owner or owners that said property or properties are unsafe. The  
2 notice shall specify the conditions creating the unsafe classification.

3 All such unsafe buildings, structures, property, or portions thereof, are hereby declared  
4 to be public nuisances and shall be vacated, repaired, altered or demolished as hereinafter  
5 provided.

6 \* \* \*

7 **102A.3 Inspections.**

8 *The Building Official may inspect or cause the inspection of any building, structure or property*  
9 *for the purpose of determining whether it is unsafe whenever:*

10 *(a) The Building Official, with reasonable discretion, determines that such inspection is*  
11 *necessary or desirable; or,*

12 *(b) Any person or any agency or department of the City submits to the Building Official a*  
13 *complaint which, in the Building Official's opinion, establishes reasonable cause to believe that the*  
14 *building, structure or property or any portion thereof, is unsafe.*

15 **102A.4 Notice of Municipal Code Violation.**

16 *(a) When the Building Official observes or otherwise determines any condition which renders*  
17 *the building, structure or property unsafe, the Building Official shall, within 15 days, serve a Notice of*  
18 *Municipal Code Violation ("NOV") upon the building owner.*

19 *(b) The NOV shall identify each violation observed or otherwise established, including the*  
20 *violations which render the building, structure or property unsafe, and shall state a deadline for the*  
21 *building owner to abate the violations and a date for reinspection. The NOV shall also set forth the*  
22 *penalties, fees and costs as prescribed in Sections 102A.7(d) and 103A of this code. The NOV shall be*  
23 *a public record subject to disclosure pursuant to Administrative Code Chapter 67.*

1           (c) The Building Official shall serve the NOV on the building owner by sending a copy by  
2           certified mail to the building owner at the address listed with the Assessor-Recorder's Office and shall  
3           post the NOV in a conspicuous place on the subject property.

4           **102A.5 Notice of Administrative Hearing**

5           (a) If the Building Official determines that the building owner has not corrected the code  
6           violations by the deadline provided in the NOV, the Building Official shall schedule an administrative  
7           hearing on the violations, to be heard within 30 days of the deadline.

8           (b) The Building Official shall issue a Notice of Administrative Hearing ("Hearing Notice") to  
9           the building owner. The Hearing Notice shall state the date, hour and place of the hearing and contain  
10          a conspicuous warning setting forth the penalties, fees and costs prescribed in Sections 102A.7(d) and  
11          103A of this Code. The Hearing Notice shall include a copy of the NOV. The Hearing Notice shall  
12          inform all interested parties who desire to be heard in the matter that they may appear to show cause  
13          why the property, building or structure, or portion thereof, should not be ordered repaired, altered,  
14          vacated and repaired or altered, or vacated and demolished.

15          (c) The Building Official shall serve the Hearing Notice on the building owner by certified mail  
16          to the building owner at the address listed with the Assessor-Recorder's Office and shall post the NOV  
17          in a conspicuous place on the subject property. The Building Official shall mail the Hearing Notice on  
18          the building owner at least 10 days prior to the date set for the hearing.

19          (d) In addition to serving the NOV on the building owner, the Building Official shall send a  
20          copy of the NOV by certified mail to:

- 21                  (1) The person, if any, in real or apparent charge and control of the premises involved;  
22                  (2) The holder of any mortgage, deed of trust, lien or encumbrance of record;  
23                  (3) The owner or holder of any lease of record; and,  
24                  (4) The record holder of any other estate or interest in the building, structure or  
25          property, or the land upon which it is located.

1       The failure of any owner or other person to receive such notice shall not affect in any manner  
2 the validity of any proceedings taken hereunder.

3       (e) The person serving the Hearing Notice shall complete a declaration under penalty of  
4 perjury, certifying the date and manner in which such Hearing Notice was given, and the Building  
5 Official shall retain the certified mail receipt card for the Hearing Notice.

6       **102A.6 Conduct of Administrative Hearing.**

7       (a) The Building Official shall conduct the Administrative Hearing, or may designate a  
8 Hearing Officer who shall have the same authority as the Building Official to hear and decide the case  
9 and to make any orders consistent with this Code. For purposes of Sections 102A.6 through 102A.7,  
10 “Hearing Officer” shall include the Building Official if the Building Official conducts the  
11 Administrative Hearing.

12       (b) The Hearing Officer shall hold the Administrative Hearing at the time and place designated  
13 in the Hearing Notice. The Hearing Officer may, in his or her discretion and for good cause shown,  
14 continue the hearing one time, for a period not to exceed 30 days. All persons having an interest in the  
15 building, structure or property or having knowledge of facts material to the allegations of the NOV,  
16 including the list of code violations, may present evidence for consideration by the Hearing Officer,  
17 subject to any rules adopted by the Hearing Officer for the orderly conduct of the hearing.

18       **102A.7 Administrative Order.**

19       (a) Within 30 days following the conclusion of the Administrative Hearing, the Hearing Officer  
20 shall issue a written decision (“Administrative Order”).

21       (b) The Administrative Order shall state in reasonable detail which conditions render the  
22 building, structure, or property, or portion thereof, unsafe, and shall state the work required to be done  
23 to satisfy the Administrative Order. The Administrative Order may direct the building owner to repair,  
24 alter, vacate, and/or demolish the subject property.

1           (c) The Administrative Order shall specify the time within which the building owner shall  
2 repair, alter, vacate, and/or demolish the building, structure, or property, or portion thereof, or  
3 otherwise comply with the Order. The time for compliance with the Administrative Order shall not to  
4 exceed 180 days from permit issuance. The Hearing Officer may, in his or her discretion and for good  
5 cause shown, extend the time for compliance with the Administrative Order once, for a period limited  
6 to the minimum time necessary for completion and not to exceed 90 days, following a written request by  
7 the building owner.

8           (d) In addition to any monetary penalties authorized in Section 103A, the Department shall be  
9 entitled to its costs of preparation for and appearance at the Administrative Hearing, and all prior and  
10 subsequent attendant and administrative costs, and the Department shall assess these costs upon the  
11 building owner monthly until the costs are paid. The violations cited in the Administrative Order will  
12 not be deemed legally abated until the building owner makes full payment of the penalties and costs,  
13 and failure to pay the assessment of costs shall result in tax lien proceedings against the property.

14           (e) The Hearing Officer shall serve the Administrative Order on the building owner in the same  
15 manner as the Hearing Notice. The Building Official shall record a copy of the Administrative Order  
16 in the Assessor-Recorder's Office. When the Building Official determines that the work required under  
17 the Administrative Order has been completed and the building, structure, or property, or portion  
18 thereof, no longer is unsafe, the Building Official shall issue and record a rescission of the  
19 Administrative Order with the Assessor-Recorder's Office.

20           (f) Any person may appeal an Administrative Order pursuant to Section 105A.2. The Hearing  
21 Officer shall inform the building owner, at the Administrative Hearing and in the Administrative Order,  
22 of the right of appeal to the Abatement Appeals Board, provided that the appeal is made in writing and  
23 filed with the Secretary of the Abatement Appeals Board within 15 days after the Order is posted and  
24 served. The 15-day limitation shall not apply when any type of a moratorium authorized in  
25 Section 105A.2 is sought. Where construction materials, methods, types of construction, or compliance

1 with the time limits set forth in Table No. 16B-A are the bases, in whole or in part, of the Building  
2 Official's finding that an unreinforced masonry building, or portion thereof, is unsafe, the Abatement  
3 Appeals Board shall refer these matters to the Board of Examiners established in Section 105A.1 of this  
4 Code. Where construction materials, methods, and types of construction are the bases, in whole or in  
5 part, of the Building Official's finding that the building, or structure, or portion thereof, is unsafe, the  
6 Abatement Appeals Board shall refer these matters to the Board of Examiners for its examination and  
7 determination with respect to such materials, methods, and types of construction.

8 The Board of Examiners shall approve or disapprove such materials, methods, and types of  
9 construction, and may attach conditions to its approval, and shall forward a copy of its report to the  
10 Abatement Appeals Board. The Abatement Appeals Board shall include in its decision the findings of  
11 the Board of Examiners.

#### 12 **102A.8 Remedies are Non-Exclusive**

13 Notwithstanding the provisions of Sections 102A.4 through 102A.7, the City may institute civil  
14 proceedings for injunctive and monetary relief, including civil penalties, against a building owner for  
15 violations of the Municipal Code under any circumstances, without regard to whether a complaint has  
16 been filed or the Building Official has issued a NOV or an Administrative Order.

17 ~~102A.3 Inspections and Complaints. The Building Official is hereby authorized to inspect or~~  
18 ~~cause the inspection of any building, structure or property for the purpose of determining whether or~~  
19 ~~not it is unsafe in any of the following circumstances:~~

20 ~~1. Whenever the Building Official, with reasonable discretion, determines that such inspection~~  
21 ~~is necessary or desirable.~~

22 ~~2. Whenever any person files with the Building Official a complaint from which there is, in the~~  
23 ~~Building Official's opinion, probable cause to believe that the building, structure or property or any~~  
24 ~~portion thereof, is unsafe.~~

1           ~~3. Whenever an agency or department of the City and County of San Francisco transmits to the~~  
2 ~~Building Official a written report from which there is, in the opinion of the Building Official, probable~~  
3 ~~cause to believe that the building, structure or property, or any portion thereof, is unsafe.~~

4           ~~Upon the completion of any such inspection and the finding by the Building Official of any~~  
5 ~~condition which renders the building, structure or property unsafe, the Building Official shall, within~~  
6 ~~15 days thereafter, serve a written notice of violation upon the building owner which shall contain~~  
7 ~~specific allegations, setting forth each condition the Building Official has found which renders the~~  
8 ~~building, structure or property unsafe. The Building Official shall, within three days of mailing of such~~  
9 ~~notice of violation, post a copy thereof in a conspicuous place in or upon such building, structure or~~  
10 ~~property and make available a copy of the notice of violation to each tenant thereof. Such notice shall~~  
11 ~~also set forth the penalties for violation prescribed in Section 103A of this code. In addition to the civil~~  
12 ~~penalties prescribed in Section 103A, the Department's cost of preparation for and appearance at the~~  
13 ~~hearing required by Section 102A.4, and all prior and subsequent attendant and administrative costs,~~  
14 ~~shall be assessed upon the property owner monthly, after failure to comply with a written notice of~~  
15 ~~violation that has been served upon the property owner. Said violations will not be deemed legally~~  
16 ~~abated until the property owner makes full payment of the assessment of costs to the Department of~~  
17 ~~Building Inspection. See Section 110A, Table 1A-D—Standard Hourly Rates and Table 1A-K—~~  
18 ~~Penalties, Hearings, Code Enforcement Assessments—for the applicable rate. Failure to pay the~~  
19 ~~assessment of costs shall result in tax lien proceedings against the property per Section 102A.18.~~

20           ~~If the unsafe conditions observed on the property have not been corrected within the time period~~  
21 ~~provided, the matter shall be set for hearing within 60 days from the compliance date specified on the~~  
22 ~~notice of violation, if not substantial progress in abating the Code violations has commenced.~~

23           ~~102A.4 Notice of Hearing.~~

24           ~~102A.4.1 General. Notice of hearing shall be given upon a form prescribed by the Building~~  
25 ~~Official. It shall set forth the street address sufficient for identification of the property or premises upon~~

1 ~~which the building or structure is located. It shall contain or be attached to a copy of the notice of~~  
2 ~~violation which includes a list of code violations. It shall state the date, hour and place of the hearing~~  
3 ~~and shall order all interested parties who desire to be heard in the matter to appear before the Building~~  
4 ~~Official to show cause why the property, building or structure, or portion thereof, should not be~~  
5 ~~ordered repaired, altered, vacated and repaired or altered, or vacated and demolished.~~

6 ~~One copy of the notice of hearing and notice of violation, including the list of code violations,~~  
7 ~~shall be posted in a conspicuous place upon the building or property. The notice shall also include a~~  
8 ~~conspicuous warning which sets forth the penalties for violation prescribed in Section 103A of this~~  
9 ~~code.~~

10 ~~One copy of the notice of hearing and notice of violation, including the list of code violations,~~  
11 ~~shall be served upon each of the following:~~

- 15 ~~4. The owner or holder of any lease of record.~~
- 16 ~~5. The record holder of any other estate or interest in the building, structure or property, or~~  
17 ~~the land upon which it is located.~~

18 ~~102A.4.2 Method of service. The notice of hearing shall be served upon all persons entitled~~  
19 ~~thereto, either personally or by certified or registered mail. Service by certified or registered mail shall~~  
20 ~~be effective on the date of mailing if the certified or registered letter is mailed, postage prepaid, return~~  
21 ~~receipt requested, to each such person as their address appears on the last annual tax roll of the county~~  
22 ~~or at the address to which the most recent real property tax bill for said building, structure or property~~  
23 ~~was mailed by the Tax Collector. If no such address appears on the annual tax roll of the county or the~~  
24 ~~records of the Tax Collector, then a copy of the notice shall be addressed to such person at the address~~  
25 ~~of the building, structure or property involved in the proceedings. The failure of any owner or other~~

1 ~~person to receive such notice shall not affect in any manner the validity of any proceedings taken~~  
2 ~~hereunder.~~

3 ~~102A.4.3 Proof of service. The person serving notice as provided herein shall file an affidavit~~  
4 ~~or declaration thereof under penalty of perjury, certifying to the time and manner in which such notice~~  
5 ~~was given. Such person shall also file therewith any receipt card of such notice by certified or~~  
6 ~~registered mail. The notice shall be posted and served at least 10 days prior to the date set for the~~  
7 ~~hearing.~~

8 ~~102A.5 Hearing. The public hearing shall be held at the time and place designated in the notice~~  
9 ~~of hearing. For good cause shown, a hearing may be continued by the Building Official, except that any~~  
10 ~~such continuance shall not exceed 30 days and there shall be only one such continuance allowed.~~  
11 ~~Subject to procedures prescribed by the Building Official for the orderly conduct of the hearing, all~~  
12 ~~persons having an interest in the building, structure or property or having knowledge of facts material~~  
13 ~~to the allegations of the notice of violation including the list of code violations, may present evidence~~  
14 ~~for consideration by the Building Official.~~

15 ~~The Building Official may designate a deputy who may act in place of the Building Official as~~  
16 ~~the hearing officer. The deputy shall have the same authority as the Building Official to hear and~~  
17 ~~decide the case and to make any order hereinafter provided for.~~

18 ~~102A.6 Decision. The Building Official, after a full and fair consideration of the evidence and~~  
19 ~~testimony received at the hearing, shall render within 30 days following the conclusion of such hearing,~~  
20 ~~a decision in writing either dismissing the proceedings, or, if finding that the building, structure or~~  
21 ~~property, or portion thereof, is unsafe, ordering that it be repaired, altered, vacated and altered or~~  
22 ~~repaired, or vacated and demolished.~~

23 ~~102A.7 Contents of Order. The order shall contain a statement of the particulars which render~~  
24 ~~the building, structure, or property unsafe and shall contain a statement of work required to be done~~  
25 ~~and the time requirements for the execution of the order.~~

1           ~~102A.7.1 Address. The order shall set forth the street address of the building or structure,~~  
2 ~~sufficient for identification.~~

3           ~~102A.7.2 Time. The order shall specify the time within which the premises or portion thereof~~  
4 ~~shall be vacated, if ordered. The order shall further specify a reasonable time, not to exceed 360 days~~  
5 ~~from permit issuance, within which the work shall be completed.~~

6           ~~102A.7.3 Extension for completion. The time for completion may be extended by the Building~~  
7 ~~Official for good cause shown, except that such extension shall not exceed 360 days. Such extension~~  
8 ~~shall be in writing upon the request of the owner and shall be limited to the minimum time necessary~~  
9 ~~for completion. Only one such extension may be allowed.~~

10           ~~102A.8 Posting and Service of Order. A copy of the order shall be posted in a conspicuous~~  
11 ~~place upon the building, structure or property and shall be served in the manner above prescribed in~~  
12 ~~the case of the notice of hearing, upon all persons to whom the notice of hearing is required to be~~  
13 ~~served, and a copy shall be recorded in the Assessor-Recorder's Office.~~

14           ~~102A.9 Compliance, Rescinding Order. When the property, building or structure or portion~~  
15 ~~thereof that was determined to be unsafe, has been found to comply with requirements of the Building~~  
16 ~~Official as to rehabilitation, alteration, repair or demolition, the Building Official shall issue and~~  
17 ~~record in the Assessor-Recorder's Office an order rescinding the original order.~~

18           ~~102A.10 Appeal of Order. Any person may appeal from an order of the Building Official made~~  
19 ~~pursuant to the provisions of Section 102A.7 and shall, at the hearing provided for in Section 102A.5~~  
20 ~~and in said order, be apprised of the right of appeal to the Abatement Appeals Board, provided that the~~  
21 ~~appeal is made in writing and filed with the Secretary of the Abatement Appeals Board within 15 days~~  
22 ~~after such order is posted and served. The 15-day limitation shall not apply when any type of a~~  
23 ~~moratorium authorized in this section is sought. Where construction materials, methods, types of~~  
24 ~~construction, or compliance with the time limits set forth in Table No. 16B-A are the bases, in whole or~~  
25 ~~in part, of the Building Official's finding that an unreinforced masonry building, or portion thereof, is~~

1 ~~unsafe, the Abatement Appeals Board shall refer these matters to the Board of Examiners established in~~  
2 ~~Section 105A.1 of this code. Where construction materials, methods, and types of construction are the~~  
3 ~~bases, in whole or in part, of the Building Official's finding that the building, or structure, or portion~~  
4 ~~thereof, is unsafe, the Abatement Appeals Board shall refer these matters to the Board of Examiners for~~  
5 ~~its examination and determination with respect to such materials, methods, and types of construction.~~

6 ~~The Board of Examiners shall approve or disapprove such materials, methods, and types of~~

14 **SEC. 201. GENERAL.**

15 (a) Authority. The Director of the Department of Building Inspection shall administer  
16 and enforce all of the provisions of this Code. The Director is hereby designated as the  
17 authorized representative of the Building Inspection Commission in such enforcement. The

19 Health, the Chief of the Fire Department, the Chief of Police and all other City officers,

21 then be their duty to enforce the provisions of this Code and to perform such duties as may  
22 come within their respective jurisdictions.

23 Upon completion of an inspection of a structure or portion of a structure, the owner or  
24 occupant thereof shall be furnished by the Department of Building Inspection with a standard  
25 form which clearly and simply indicates the violations found and the sections of this Code

1 which are not complied with. Copies of all forms used to enforce this code shall be furnished  
2 the Clerk of the Board of Supervisors, to be held on file with the Board of Supervisors.

3 (b) Right of Entry. Upon showing proper credentials, which shall include a statement  
4 apprising an owner or occupant of his rights and obligations, authorized employees of City  
5 departments, when necessary for the performance of their duties, shall have the right to enter  
6 at reasonable times any new or unoccupied building and any building under construction,  
7 repair, alteration or removal and any other building when there is reasonable ground for  
8 believing said building or any part thereof to be illegal, unsafe or a menace to life or limb; or in  
9 making their routine inspections as required under the License Code.

10 The procedures provided by the general laws of the State of California, presently  
11 codified as Sections 1822.50 to 1822.57, inclusive, of the Code of Civil Procedure, shall  
12 govern the issuance, execution and enforcement of an inspection warrant in the event the  
13 owner or occupant of a building refuses to permit an inspection thereof by an authorized  
14 employee of a City department.

15 (c) [Reserved.]

16 (d) Order of Vacation. The Director of the Department of Building Inspection shall give  
17 written notification of any order to vacate to the Chief of Police who shall thereupon cause the  
18 same to be executed and enforced.

19 (e) Abatement. For abatement procedures, see Chapter 1A of the Building Code,  
20 including, but not limited to, Sections 102A.3 through 102A.8.

21 (f) Designation of Code Enforcement Areas. Whenever it is found to be in the interests  
22 of the people of San Francisco to engage in concentrated code enforcement on an area-wide  
23 basis, the following procedure shall be followed:  
24  
25

1 (1) The area to be designated for code enforcement activity shall be selected  
2 by the Director of the Department of City Planning and recommended to the Chief  
3 Administrative Officer.

4 (2) The Chief Administrative Officer, if that person approves said area as being  
5 acceptable for concentrated code enforcement, shall submit same to the Board of Supervisors  
6 requesting the Board to designate the area for concentrated code enforcement.

16 relocation services to the affected tenant(s), the order shall itemize the costs of abatement  
17 and removal or provision of relocation services and all administrative costs incurred by the  
18 Department. The order shall notify the Owner that a lien will be assessed against the property  
19 for any outstanding costs if the Owner fails to reimburse the Department for the costs incurred  
20 by the Department as a result of the abatement and removal of the nuisance or the provision  
21 of relocation services within ten (10) days of the service of the order and that the lien shall  
22 also include additional charges for administrative expenses of \$1,000 or 10 percent of the  
23 costs of abatement and removal, whichever is higher, and interest at a rate of 1½ percent per  
24 month, or fraction thereof, compounded monthly from the date of recordation of the lien on all  
25 fees and charges due as aforesaid.

1           (4) The order shall advise the Responsible Parties that the order issued is final  
2 and of their right to petition the Superior Court of San Francisco for appropriate relief pursuant  
3 to Section 1094.6 of the California Code of Civil Procedures. The order shall notify the Owner  
4 that the filing of a petition with the Superior Court shall not automatically stay the effectiveness  
5 of the order or extend the time period in which the Responsible Parties have to abate the  
6 nuisance.

7           (5) The order shall provide for the recovery of reasonable attorneys' fees for the  
8 prevailing party for those proceedings in which the Director has sought to recover attorneys'  
9 fees.

10           (6) In case of an unsanitary building, the Director shall revoke the certification of  
11 sanitation if the building is a hotel and may order the vacation of any unsanitary building for all  
12 purposes, and shall cause a copy of said order to be posted in conspicuous places throughout  
13 the aforesaid structure, building or part thereof determined by the Director to be a nuisance,  
14 and a copy thereof is to be personally served upon the Owner thereof or his agent, or the  
15 lessee or the occupant thereof. The order shall specify the time within which said structure,  
16 building or part thereof determined by the Director to be a nuisance shall be vacated. The  
17 order shall further advise that structure, building or part thereof vacated hereunder shall not  
18 be reoccupied without the written permission of the Director. Such permission shall be  
19 granted when the nuisance cited is abated within the time set forth in the order.

20           (j) Regulations. The Director is hereby empowered to promulgate administrative  
21 regulations, after a noticed public hearing, to implement the provisions of this Article and  
22 applicable provisions of State law. Such rules and regulations shall take effect 30 days after  
23 the public hearing. Violation of any such rule or regulation and any existing rules or  
24 regulations promulgated pursuant to this Article constitute a nuisance and may be grounds for  
25 administrative, civil, or criminal action against the Responsible Party. To the extent feasible, the

1 Director shall use the Citywide forms for Notice of Violation and Notice of Hearing developed by the  
2 City Administrator.

3  
4 **SEC. 600. PENALTIES.**

5 (a) Criminal Penalty. In addition to any other penalties provided in this Article, any  
6 person, or their agents, violating any of the provisions of this Article, or failing to comply with  
7 any direction or order of the Director given pursuant to the provisions of this Article, shall be  
8 guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less  
9 than \$100 and not more than \$1000, or by imprisonment if the County Jail for a period of not  
10 less than 10 days nor more than three months, or by both such fine and imprisonment.

11 (b) Civil Penalty.

12 (1) City Attorney Referral. The Director may refer a case to the City Attorney's  
13 Office for civil enforcement at any time. ~~only after a Responsible Party has failed to comply with (i)~~  
14 ~~a Director's Order under Section 596, or (ii) an administrative citation that is final for failure to~~  
15 ~~exhaust administrative remedies under Administrative Code Section 100.12 or following appeal to a~~  
16 ~~Hearing Office or to Superior Court. This limitation shall not apply to conditions that, in the opinion~~  
17 ~~of the Director, constitute an immediate threat to public health and safety.~~

18 (2) Presumption of Noncompliance with Order. In addition to any other  
19 penalties provided in this Article, any person or entity served with a notice or order by the  
20 Director setting forth the nature of the violation of this Article, demanding correction of such  
21 violation, and specifying the time within which such violation must be corrected, shall be  
22 presumed, in subsequent civil proceedings, to have failed to comply with that notice or order  
23 at and after the time given in that notice or order for correction of such violation, after the time  
24 period specified in the notice or order has expired without correction of that violation.

1           (3) Penalty Amounts. Any person or entity violating this Article shall be liable  
2 for a civil penalty of up to \$1,000 per violation for each day such violation is committed or  
3 permitted to continue, which penalty shall be assessed and recovered in a civil action brought  
4 in the name of the people of the City and County of San Francisco by the City Attorney in any  
5 court of competent jurisdiction. If a Responsible Party corrects a violation within the period  
6 specified in the Notice of Violation under Section 596(e)(1), the Court shall not award civil  
7 penalties for that violation under this Section provided that the Director has not cited the  
8 Responsible Party for the same type of violation at the same property more than twice in a 12-  
9 month period.

10           (4) Setting Civil Penalty. In assessing the amount of the civil penalty, the Court  
11 shall consider any one or more of the relevant circumstances presented by any of the parties  
12 to the case, including but not limited to the following: the nature and seriousness of the  
13 misconduct, the number of violations, the persistence of the misconduct, the length of time  
14 over which the misconduct occurred, the willfulness of the defendant's misconduct, and the  
15 defendant's assets, liabilities, and net worth. Any penalty assessed and recovered in an  
16 action brought pursuant to this paragraph shall be paid to the City and credited to the Public  
17 Health Environmental Health Code Compliance Fund for use in enforcement and prevention  
18 of violations of this Article. In addition, such violations will not be deemed legally abated until  
19 the property owner makes full payment of the assessment of costs and fees awarded to the  
20 City under this Article or any applicable State law.

21           (5) Cost Recovery. In any civil proceeding filed by the City Attorney to collect  
22 civil penalties, the Court may award the Department the costs and fees, including but not  
23 limited to attorneys' fees, authorized under this Article.

24           (c) Administrative Penalty.  
25

1 (1) Penalty Amounts. As an alternative to any other fines and penalties  
2 applicable to a violation of Section 581(b), any person who violates one or more of those  
3 subparagraphs shall be subject to an administrative penalty not to exceed \$1,000 for each  
4 violation, for each day such violation occurs. The administrative penalty shall be assessed,  
5 enforced and collected under Section 596 of this Article. If a Responsible Party corrects a  
6 violation within the period specified in the Notice of Violation under Section 596(e)(1), the  
7 Hearing Officer shall not award administrative penalties for that violation under this Section  
8 provided that the Director has not cited the Responsible Party for the same type of violation at  
9 the same property more than twice in a 12-month period.

10 (2) Setting Administrative Penalty. In setting the amount of the administrative  
11 penalty, the hearing officer shall consider any one or more of the relevant circumstances  
12 presented by any of the parties to the case, including but not limited to the following: the  
13 nature and seriousness of the misconduct, the number of violations, the persistence of the  
14 misconduct, the length of time over which the misconduct occurred, the willfulness of the  
15 defendant's misconduct, and the defendant's assets, liabilities, and net worth. Any penalty  
16 assessed and recovered in an action brought pursuant to this paragraph shall be paid to the  
17 City and credited to the Public Health Environmental Health Code Compliance Fund for use in  
18 enforcement and prevention of violations of this Article. In addition, such violations will not be  
19 deemed legally abated until the property owner makes full payment of the assessment of  
20 costs and fees awarded to the City under this Article or any applicable State law.

21 (3) Cost Recovery. In any civil proceeding filed by the City Attorney to collect  
22 administrative penalties, the Court may award the Department the costs and fees, including  
23 but not limited to attorneys' fees, authorized under this Article. Any administrative penalty  
24 assessed and recovered pursuant to this paragraph shall be paid to the City Treasurer and  
25

1 credited to the Public Health Environmental Health Code Compliance Fund for use in  
2 enforcement and prevention of violations of this Article.

3 (d) Remedies under this Article 11 are non-exclusive, and the City may institute civil  
4 proceedings for injunctive and monetary relief, including civil penalties, against any person for  
5 violations of the Health Code under any circumstances, without regard to whether a complaint has  
6 been filed or the Director has issued a Notice of Violation or an order to abate a nuisance under  
7 Section 596(i).

8  
9 Section 10. The Planning Code is hereby amended by revising Sections 176 and  
10 176.1, to read as follows:

11 **SEC. 176. ENFORCEMENT AGAINST VIOLATIONS.**

12 (a) Violations Unlawful. Any use, structure, lot, feature or condition in violation of this  
13 Code is hereby found and declared to be unlawful and a public nuisance. Should any permit  
14 or license have been issued that was not then in conformity with the provisions of this Code,  
15 such permit or license shall be null and void.

16 (b) Methods of Enforcement. The Zoning Administrator shall have authority to enforce  
17 this Code against violations thereof by any of the following actions:

18 (1) Serving notice requiring the cessation, removal or correction of any violation  
19 of this Code upon the owner, agent or tenant of the property that is the subject of the violation,  
20 or upon the architect, builder, contractor or other person who commits or assists in such  
21 violation;

22 (2) Calling upon the City Attorney to maintain an action for injunction to restrain  
23 or abatement to cause the correction or removal of any such violation, and for assessment  
24 and recovery of a civil penalty for such violation as well as any attorneys' fees or costs,  
25 including but not limited to expert witness fees, incurred in maintaining such an action;

1 (3) Calling upon the District Attorney to institute criminal proceedings in  
2 enforcement of this Code against any such violation; and

3 (4) Calling upon the Chief of Police and authorized agents to assist in the  
4 enforcement of this Code.

5 (c) Penalties.

6 (1) Administrative Penalties. In the notice requiring the cessation, removal or  
7 correction of any violation of this Code, the Zoning Administrator may assess upon the  
8 responsible party an administrative penalty for each violation in an amount up to \$250.00 for  
9 each day the violation continues unabated. The "responsible party" is the owner(s) of the real  
10 property on which the code violation is located, as listed in the records of the San Francisco  
11 Assessor, and the current leaseholder if different from the current owner(s) of the real  
12 property.

13 The responsible party may request a Zoning Administrator's hearing in order to  
14 show cause why the notice requiring the cessation, removal or correction of the violation and  
15 any assessment of administrative penalties is in error and should be rescinded. The Zoning  
16 Administrator may designate a member of Department staff to act as the hearing officer in his  
17 or her place. The Department shall send a notice of the date, hour, and place of the hearing  
18 to the responsible party at the address specified in the request for hearing and to any member  
19 of the public who has expressed an interest in the matter.

20 The responsible party may also request that the Zoning Administrator terminate  
21 abatement proceedings under Section 176 and refer the matter to the Director for  
22 enforcement action under the process set forth in Section 176.1 of this Code. If the Zoning  
23 Administrator determines that the enforcement case will proceed under Section 176, that  
24 determination shall be made as part of the final written decision and is not appealable  
25 separately from the decision on the merits.

1           The responsible party may waive the right to a Zoning Administrator's hearing  
2 and proceed directly to an appeal to the Board of Appeals under Section 308.2 of this Code.  
3 Administrative penalties shall not accrue during the period of time that the matter is pending  
4 before the Zoning Administrator on a request for hearing or before the Board of Appeals on  
5 appeal. If the responsible party elects to request a Zoning Administrator's hearing, the  
6 request for hearing must be in writing and submitted to the Zoning Administrator prior to the  
7 expiration date of the Notice of Violation and Penalty. If a request for a Zoning Administrator's  
8 hearing is timely filed, any appeal to the Board of Appeals shall be from the decision of the  
9 Zoning Administrator rendered after the hearing.

10           The Zoning Administrator or the Zoning Administrator's designee, after a full and  
11 fair consideration of the evidence and testimony received at the hearing, shall render within  
12 thirty days following the conclusion of the hearing a written decision that either rescinds the  
13 notice of violation and dismisses the proceedings, upholds the original decision, or modifies  
14 the original decision. In rendering a decision, the Zoning Administrator or the Zoning  
15 Administrator's designee shall consider:

- 16                       (A) whether the responsible party was properly identified;
- 17                       (B) whether the accrual dates for the administrative penalties are  
18 accurate;
- 19                       (C) the amount of documented staff time spent in order to secure  
20 abatement of the violation;
- 21                       (D) the nature of the violation;
- 22                       (E) the duration of the violation;
- 23                       (F) efforts made by the responsible party to correct the violation;
- 24                       (G) the impact of the violation upon the community;
- 25

1 (H) any instance in which the responsible party has been in violation of  
2 the same or similar laws at the same or other locations in the City and County of San  
3 Francisco;

4 (I) the responsible party's good faith efforts to comply;

5 (J) whether the violation is easy to correct; and

6 (K) such other factors as the Zoning Administrator or his or her designee  
7 may consider relevant.

8 In hearing any appeal of the Zoning Administrator's determination, the Board of  
9 Appeals shall consider the above factors. If the Board upholds the Zoning Administrator's  
10 decision in whole or in part but reduces the amount of the penalty, it may not reduce the  
11 amount of the penalty below \$100.00 for each day that the violation exists, excluding the  
12 period of time that the matter has been pending either before the Zoning Administrator on a  
13 request for hearing or before the Board of Appeals on appeal.

14 The provision of administrative penalties is not intended to be punitive in nature  
15 but is intended to secure compliance with the Planning Code and to compensate the City for  
16 its costs of enforcement.

17 (2) Civil Penalties. Any individual, firm, partnership, corporation, company,  
18 association, society, group or other person or legal entity that violates any provision of this  
19 Code shall be liable for the City's costs of enforcement and a civil penalty, of not less than  
20 \$200.00 for each day such violation is committed or permitted to continue, which penalty shall  
21 be assessed and recovered in a civil action brought in the name of the people of the City and  
22 County of San Francisco by the City Attorney in any court of competent jurisdiction. The City  
23 Attorney may seek recovery of any attorneys' fees and costs, including but not limited to  
24 expert witness fees, incurred by the City in bringing such civil action. For civil actions to  
25 enforce Municipal Code provisions related to general advertising signs, the penalties,

1 attorneys' fees and costs set forth in this Section 176 shall be in addition to those authorized  
2 by Section 610 of this Code.

3 (3) Criminal Penalties. Any individual, firm, partnership, corporation, company,  
4 association, society, group or other person or legal entity that violates any provision of this  
5 Code shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in  
6 an amount not less than \$200.00 or be imprisoned for a period not exceeding six months or  
7 be both so fined and imprisoned. Each day such violation is committed or permitted to  
8 continue shall constitute a separate offense and shall be punishable as such hereunder.

9 (4) Planning Code Enforcement Fund. Any fees and penalties collected  
10 pursuant to this Section 176 shall be deposited in the Planning Code Enforcement Fund  
11 established by Administrative Code Section 10.100-166. The Planning Department, through  
12 the Planning Code Enforcement Fund, shall reimburse City departments and agencies,  
13 including the City Attorney's Office, for all costs and fees incurred in the enforcement of this  
14 Section 176.

15 (d) Additional Methods of Enforcement and Penalties for Violation of Sign Regulations.  
16 Violation of the general advertising sign regulations set forth in Article 6 are subject to the  
17 administrative penalties and enforcement procedures set forth in Section 610 of this Code, in  
18 addition to those set forth in this Section 176.

19 (e) Use of Penalties Collected. All penalties collected under this Section 176 shall be  
20 deposited in the Planning Code Enforcement Fund established in Administrative Code Section  
21 10.100.166 and shall be used for the purposes specified in that section.

22 (f) Remedies under this Section 176 are non-exclusive, and, notwithstanding subsection (b)(2),  
23 the City Attorney may at any time institute civil proceedings for injunctive and monetary relief,  
24 including civil penalties, against any person for violations of the Planning Code, without regard to  
25

1 whether the Zoning Administrator has issued a notice of violation, instituted abatement proceedings,  
2 scheduled or held a hearing on a notice of violation, or issued a final decision.

3  
4 **SEC. 176.1. ADMINISTRATIVE ENFORCEMENT PROCEDURES.**

5 (a) Purpose and Intent.

6 (1) The Board of Supervisors finds that enforcement of the Planning Code is  
7 vital to ensuring the quality of life in San Francisco's neighborhoods and in the City as a  
8 whole. A comprehensive code enforcement program using a combination of judicial and  
9 administrative remedies is likely to be the most successful approach to secure compliance  
10 with Planning Code requirements. Therefore, it is in the best interests of the City and its  
11 citizens to provide an alternative method of administrative enforcement that is designed to  
12 induce compliance with the Planning Code through action by the Director to issue and record  
13 orders of abatement and assess administrative penalties.

14 (2) The alternative methods of administrative enforcement established by this  
15 Section do not replace but rather are intended to supplement the enforcement remedies  
16 established in Section 176 and other penalties or methods of enforcement, both civil and  
17 criminal, that are authorized by law. The provision for administrative penalties is not intended  
18 to be punitive in nature but is intended to secure compliance with the Planning Code and to  
19 compensate the City for its costs of enforcement.

20 (3) By establishing multiple enforcement mechanisms, it is intended that the  
21 Department will elect to use the mechanism most likely to achieve an expeditious and  
22 effective resolution of the violation in a particular case with the best use of the City's  
23 resources. In exercising this discretion, the Department should usually elect to use the  
24 Director's authority under this Section 176.1 in those cases where the legal or factual issues  
25 are not complex and where an interpretation of the Planning Code is not at issue, and reserve

1 the enforcement mechanisms in Section 176 for those cases that are more complex or where  
2 interpretations of the Planning Code are at issue.

3 (b) Authority of the Director. The Director may enforce against violations of the  
4 Planning Code through the alternative administrative remedies of this Section 176.1. The  
5 Director may designate a member of Department staff to act under his or her authority with  
6 respect to any action the Director is authorized to take in this Section 176.1.

7 If the Department elects to use the administrative remedies of this Section, the  
8 Department must use the abatement process set forth in this Section. However, as provided  
9 in Section (d)(3) below, the Department is not precluded from pursuing the alternative remedies  
10 of Section 176 if abatement of the violation has not been achieved under this Section 176.1.  
11 In addition, the Department's election of this process shall not affect the City Attorney's  
12 Charter authority to pursue a civil action. If the City Attorney filed a civil action against the  
13 property prior to the Director's issuance of the notice of violation under this Section 176.1, at  
14 the City Attorney's election the process under this Section 176.1 shall be terminated and  
15 abatement of the alleged violations shall be pursued by the City Attorney in the ongoing civil  
16 action.

17 \* \* \*

18 (j) Remedies under this Section 176.1 are non-exclusive, and the City Attorney may at any time  
19 institute civil proceedings for injunctive and monetary relief, including civil penalties, against any  
20 person for violations of the Planning Code, without regard to whether the Planning Director has issued  
21 a notice of violation, scheduled or held a hearing on a notice of violation, issued an order of abatement  
22 and/or an assessment of administrative penalties, or whether an appeal has been filed or decided.

23  
24 Section 11. The Administrative Code is hereby amended by adding Chapter 2A,  
25 Article XXIV, Sections 2A.400 and 2A.401, to read as follows:

4 or the Board of Supervisors overrides the Mayor's veto of the ordinance.

5           This ordinance shall become operative on January 1, 2016.

7           Section 13. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors

15 ordinance, the City is assuming an undertaking only to promote the general welfare. It is not  
16 assuming, nor is it imposing on its officers and employees, an obligation for breach of which it  
17 is liable in money damages to any person who claims that such breach proximately caused  
18 injury.
