CITY AND COUNTY OF SAN FRANCISCO [TAXABLE] CERTIFICATES OF PARTICIPATION, SERIES _____ (AFFORDABLE HOUSING PROJECTS)

**evidencing proportionate interests of the Owners thereof in a Project Lease,
including the right to receive Base Rental payments to be made by the
CITY AND COUNTY OF SAN FRANCISCO**

INTRODUCTION

This Official Statement, including the cover page and the appendices hereto, is provided to furnish information in connection with the offering by the City and County of San Francisco (the “City”) of its City and County of San Francisco Certificates of Participation, Series _____ (Affordable Housing Projects) (the “Certificates”). Any capitalized term not defined herein shall have the meaning given to such term in APPENDIX C: “SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – DEFINITIONS.”

This Introduction is designed to give an overview of the transactions and serve as a guide to the contents of this Official Statement. (Bold capitalized terms used in this Introduction are defined in the section, “THE CERTIFICATES” herein.)

Overview of the Transactions: The City, exercising its Charter powers to convey and lease property for City purposes, has conveyed certain real property to the **Trustee** under the **Property Lease** in exchange for the proceeds of the sale of the Certificates and other consideration. The Trustee has leased the **Leased Property** back to the City for the City’s use under the **Project Lease**. The City is obligated under the Project Lease to pay Base Rental payments and other payments to the Trustee each year during the term of the Project Lease (subject to certain conditions under which obligation to pay Base Rental may be abated as discussed herein). Each payment of Base Rental consists of principal and interest components, and when received by the Trustee in each rental period, is deposited in trust for payment of the Certificates. The Trustee creates the “certificates of participation” in the Project Lease, representing proportional interests in the principal and interest components of Base Rental it receives from the City. The Trustee will apply Base Rental it receives to pay principal and interest with respect to each Certificate when due according to the **Trust Agreement**, which governs the security and terms of payment of the Certificates. The money received from sale of the Certificates will be applied by the Trustee, at the City’s direction, to finance the **Project**.

The Certificates will be secured by Base Rental payments on a parity with outstanding Certificates of Participation of the City in an aggregate principal amount of \$_____ as of the date of this Official Statement.

Guide to this Official Statement: The Leased Property is described herein in the section, “THE LEASED PROPERTY”. The application of proceeds of sale of the Certificates is described herein in the sections, “THE PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS.” The terms of the Certificates and repayment thereof and security for the Certificates are described in the sections “THE CERTIFICATES,” “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES,” and other sections in the front portion of this Official Statement. Current information about the City, its finances and governance, are provided in APPENDIX A. The City’s most recent comprehensive annual financial report

* Preliminary, subject to change.

appears in APPENDIX B. A summary of the Property Lease, the Project Lease, the Trust Agreement, and other basic legal documents are provided in APPENDIX C.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Except as required by the Continuing Disclosure Certificate to be executed by the City, the City has no obligation to update the information in this Official Statement. See “CONTINUING DISCLOSURE” herein.

Quotations from and summaries and explanations of the Certificates, the Trust Agreement, the Project Lease, the Ordinance providing for the execution and delivery of the Certificates, other legal documents and provisions of the constitution and statutes of the State of California (the “State”), the City’s charter and ordinances, and other documents described herein, do not purport to be complete, and reference is made to said laws and documents for the complete provisions thereof. Copies of those documents and information concerning the Certificates are available from the City through the Office of Public Finance, City Hall Room 336, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102-4682. Reference is made herein to various other documents, reports, websites, etc., which were either prepared by parties other than the City, or were not prepared, reviewed and approved by the City with a view towards making an offering of public securities, and such materials are therefore not incorporated herein by such references nor deemed a part of this Official Statement.

THE CITY AND COUNTY OF SAN FRANCISCO

[To be updated closer to posting date.] The City is the economic and cultural center of the San Francisco Bay Area and northern California. The limits of the City encompass over 93 square miles, of which 49 square miles are land, with the balance consisting of tidelands and a portion of the San Francisco Bay (the “Bay”). The City is located at the northern tip of the San Francisco Peninsula, bounded by the Pacific Ocean to the west, the Bay and the San Francisco-Oakland Bay Bridge to the east, the entrance to the Bay and the Golden Gate Bridge to the north, and San Mateo County to the south. Silicon Valley is about a 40-minute drive to the south, and the wine country is about an hour’s drive to the north. The City’s 2014 population was approximately 849,200.

The San Francisco Bay Area consists of the nine counties contiguous to the Bay: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano and Sonoma Counties (collectively, the “Bay Area”). The economy of the Bay Area includes a wide range of industries, supplying local needs as well as the needs of national and international markets. Major business sectors in the Bay Area include retail, entertainment and the arts, conventions and tourism, service businesses, banking, professional and financial services, corporate headquarters, international and wholesale trade, multimedia and advertising, biotechnology and higher education.

The City is a major convention and tourist destination. According to the San Francisco Travel Association, a nonprofit membership organization, during the calendar year 2013, approximately 16.9 million people visited the City and spent an estimated \$9.38 billion during their stay. The City is also a leading center for financial activity in the State and is the headquarters of the Twelfth Federal Reserve District, the Eleventh District Federal Home Loan Bank, and the San Francisco Regional Office of Thrift Supervision.

The City benefits from a highly skilled, educated and professional labor force. The per-capita personal income of the City for fiscal year 2013-14 was \$76,886. The San Francisco Unified School District operates 8 transitional kindergarten schools, 72 elementary and K-8 school sites, 13 middle schools, 18 senior high schools (including two continuation schools and an independent study school), and 34 State-funded preschool sites, and sponsors 12 independent charter schools. Higher education institutions located in the City include the University of San Francisco, California State University – San Francisco, University of California – San Francisco (a medical school and health science campus), the University of California Hastings College of the Law, the University of the Pacific’s School of Dentistry, Golden Gate University, City College of San

Francisco (a public community college), the Art Institute of California – San Francisco, the San Francisco Conservatory of Music, the California Culinary Academy, and the Academy of Art University.

San Francisco International Airport (“SFO”), located 14 miles south of downtown San Francisco in an unincorporated area of San Mateo County and owned and operated by the City, is the principal commercial service airport for the Bay Area and one of the nation’s principal gateways for Pacific traffic. In fiscal year 2013-14, SFO serviced approximately 46.1 million passengers and handled 370,525 metric tons of cargo. The City is also served by the Bay Area Rapid Transit District (electric rail commuter service linking the City with the East Bay and the San Francisco Peninsula, including SFO), Caltrain (a conventional commuter rail line linking the City with the San Francisco Peninsula), and bus and ferry services between the City and residential areas to the north, east and south of the City. San Francisco Municipal Railway, operated by the City, provides bus and streetcar service within the City. The Port of San Francisco (the “Port”), which administers 7.5 miles of Bay waterfront held in “public trust” by the Port on behalf of the people of the State, promotes a balance of maritime-related commerce, fishing, recreational, industrial and commercial activities and natural resource protection.

The City is governed by a Board of Supervisors elected from eleven districts to serve four-year terms, and a Mayor who serves as chief executive officer, elected citywide to a four-year term. Edwin M. Lee is the 43rd and current Mayor of the City, having been elected by the voters of the City in November 2011. The City’s adopted budget for fiscal years 2015-16 and 2016-17 totals \$8.91 billion and \$8.92 billion, respectively. The General Fund portion of each year’s adopted budget is \$4.59 billion in fiscal year 2015-16 and \$4.68 billion in fiscal year 2016-17, with the balance being allocated to all other funds, including enterprise fund departments, such as SFO, the San Francisco Municipal Transportation Agency, the Port Commission and the San Francisco Public Utilities Commission. The City employed 29,236 full-time-equivalent employees at the end of fiscal year 2013-14. According to the Controller of the City (the “Controller”), the fiscal year 2014-15 total net assessed valuation of taxable property in the City is approximately \$181.8 billion.

More detailed information about the City’s governance, organization and finances may be found in APPENDIX A: “CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES” and in APPENDIX B: “COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE FISCAL YEAR ENDED JUNE 30, [2015].”

THE CERTIFICATES

Authority for Execution and Delivery

The Certificates are being executed and delivered pursuant to a Trust Agreement (the “Original Trust Agreement”), dated as of May 1, 2009, by and between the City and County of San Francisco (the “City”) and U.S. Bank National Association, as trustee (the “Trustee”), as previously supplemented and amended and as supplemented and amended by that certain [Third] Supplement to Trust Agreement (the “[Third] Supplement to Trust Agreement”) dated as of [March 1, 2016] (as so supplemented and amended, the “Trust Agreement”).

Each Certificate represents a proportionate interest in the right of the Trustee to receive Base Rental payments (comprising principal and interest components) payable by the City pursuant to the Project Lease (the “Original Project Lease”), dated as of May 1, 2009, by and between the Trustee, as lessor, and the City, as lessee, as previously supplemented and amended and as supplemented and amended by that certain Third Supplement to Project Lease (the “[Third] Supplement to Project Lease”), dated as of [March 1, 2016] (as so supplemented and amended, the “Project Lease”). The City is obligated under the Project Lease to pay the Base Rental in consideration for its use and occupancy of the land and facilities subject to the Project Lease (the “Leased Property”).

The Leased Property was originally conveyed to the Trustee pursuant to a Property Lease (the “Original Property Lease”), dated as of May 1, 2009, by and between the City, as lessor, and the Trustee, as

lessee, as previously supplemented and amended and as supplemented and amended by that certain [Third] Supplement to Property Lease (the “[Third] Supplement to Property Lease”), dated as of [March 1, 2016] (as so supplemented and amended, the “Property Lease”).

The Original Trust Agreement, the Original Property Lease, and the Original Project Lease were approved by the Board of Supervisors of the City by its Resolution No. 351-08, adopted on July 29, 2008 and signed by the Mayor on August 5, 2008. The [Third] Supplement to Trust Agreement, the [Third] Supplement to Project Lease and the [Third] Supplement to Property Lease were approved by the Board of Supervisors of the City by its Ordinance No. _____, adopted on _____ and signed by the Mayor on _____. Ordinance No. _____ authorized the execution and delivery of up to \$_____ aggregate principal amount of the Certificates under the Trust Agreement and an increase in the maximum annual Base Rental payment under the Project Lease of \$_____. Under Section 9.108 of the Charter of the City, the City is authorized to enter into lease-financing agreements with a public agency or nonprofit corporation only with the assent of the majority of the voters voting upon a proposition for the purpose. The lease-financing arrangements with the Trustee for the Certificates do not fall under this provision, since the Trustee is neither a public agency nor a nonprofit corporation. The City has obtained a judgment in the Superior Court for the City and County of San Francisco validating the Original Project Lease, the Original Property Lease, the Original Trust Agreement and certain other matters. See “VALIDATION ACTION” herein.

Purpose

The proceeds of the Certificates will be used to: (i) provide funds to assist in the acquisition, development, construction or rehabilitation of various affordable rental housing projects (collectively, the “Project”); (ii) fund the _____ Reserve Account of the Reserve Fund for the Certificates established under the Trust Agreement; (iii) [pay capitalized interest on the Certificates through _____]; and (iv) pay costs of execution and delivery of the Certificates. See “THE PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein, for a further description of the expected application of proceeds of sale of the Certificates.

Form and Registration

The Certificates are being executed and delivered in the aggregate principal amount shown on the cover hereof.

The Certificates will be delivered in fully registered form, without coupons, dated their date of delivery, and registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), who will act as securities depository for the Certificates. Individual purchases of the Certificates will be made in book-entry form only in the principal amount of \$5,000 or any integral multiple thereof. Principal, premium, if any, and interest evidenced and represented by the Certificates will be paid by the Trustee to DTC which will in turn remit such amounts to the DTC participants for subsequent disbursement to the beneficial owners of the Certificates. Beneficial owners of the Certificates will not receive physical certificates representing their interests in the Certificates. For further information concerning the Book-Entry Only System, see APPENDIX E: “DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Payment of Principal and Interest

The principal evidenced and represented by the Certificates shall be payable on April 1 of each year shown on the inside cover hereof, or upon prepayment prior thereto, and shall evidence and represent the sum of the portions of the Base Rental payments designated as principal components coming due on each April 1. Payment of the principal and premium, if any, of any Certificates upon prepayment or upon their respective Certificate Payment Dates will be made upon presentation and surrender of such Certificates at the Principal Office of the Trustee. Principal and premium shall be payable in lawful money of the United States of America.

Interest evidenced and represented by the Certificates is payable on April 1 and October 1 of each year (each, an "Interest Payment Date") commencing _____ 1, [2016], and continuing to and including their respective Certificate Payment Dates or until prepayment prior thereto, and shall evidence and represent the sum of the portions of the Base Rental designated as interest components coming due on such dates in each year. Interest with respect to the Certificates will be calculated on the basis of a 360-day year composed of twelve 30-day months. Interest evidenced and represented by each Certificate shall accrue from the Interest Payment Date next preceding the date of execution and delivery thereof, unless (i) the Certificate is executed after a Regular Record Date and before the close of business on the immediately following Interest Payment Date, in which event interest represented thereby shall be payable from such Interest Payment Date; or (ii) the Certificate is executed prior to the close of business on the first Regular Record Date, in which event interest represented thereby shall be payable from the date of delivery; provided, however, that if at the time of execution of any Certificate interest thereon is in default, such interest shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment or, if no interest has been paid or made available for payment, from the date of delivery.

Interest evidenced and represented by the Certificates shall be payable in lawful money of the United States of America. Payments of interest represented by the Certificates will be made on each Interest Payment Date by check of the Trustee sent by first-class mail, postage prepaid to the Owner thereof on the Regular Record Date, or by wire transfer to any Owner of \$1,000,000 or more of Certificates to the account in the United States of America specified by such Owner in a written request delivered to the Trustee on or prior to the Regular Record Date for such Interest Payment Date.

Prepayment of the Certificates

Optional Prepayment

The Certificates with a Certificate Payment Date on or before April 1, 20__ are not subject to optional prepayment prior to their respective stated Certificate Payment Dates. The Certificates with a Certificate Payment Date on or after April 1, 20__ are subject to prepayment prior to their respective stated Certificate Payment Dates, as a whole or in part on any date on or after April 1, 20__, in the event the City exercises its option under the Project Lease to prepay the principal component of Base Rental payments, at a prepayment price equal to 100% of the principal amount of Certificates to be prepaid plus accrued interest to the date fixed for prepayment.

Special Mandatory Prepayment

The Certificates are subject to mandatory prepayment prior to their respective Certificate Payment Dates, as a whole or in part on any date, at a Prepayment Price equal to the principal amount thereof plus accrued but unpaid interest to the prepayment date, without premium, from amounts deposited in the Prepayment Account of the Base Rental Fund following an event of damage, destruction or condemnation of the Leased Property or any portion thereof or upon loss of the use or possession of the Leased Property or any portion thereof due to a title defect. Such mandatory prepayment of Base Rental shall be applied pro rata among all Outstanding Certificates of any series.

*Mandatory Sinking Account Installment Prepayment**

The Certificates with a Certificate Payment Date of April 1, 20__ are subject to sinking account installment prepayment prior to their stated final Certificate Payment Date, in part, by lot, from scheduled payments of the principal component of Base Rental payments, at the principal amount thereof, plus accrued interest to the prepayment date, without premium, on April 1 in each of the years and in the amounts set forth below:

Selection of Certificates for Prepayment

Whenever provision is made in the Trust Agreement for the prepayment of Certificates (other than from Sinking Account Installments) and less than all of the Outstanding Certificates are to be prepaid, the City will direct the principal amount of the Certificates scheduled to be paid on each Certificate Payment Date to be prepaid. Among the Certificates scheduled to be paid on a particular Certificate Payment Date, the Trustee, with the consent of the City, will select Certificates for prepayment [by lot] [*pro rata selection?*] in any manner which the Trustee in its sole discretion deems fair and appropriate; provided, however, that the portion of any Certificate to be prepaid will be in Authorized Denominations and all Certificates to remain Outstanding after any prepayment in part will be in Authorized Denominations.

Notice of Prepayment

Notice of prepayment will be given to the respective Owners of Certificates designated for prepayment by Electronic Notice or first-class mail, postage prepaid, at least 30 but not more than 45 days before any prepayment date, at their addresses appearing on the registration books maintained by the Trustee; provided, however, that so long as the DTC book-entry system is used for any Certificates, notice with respect thereto shall be given solely to DTC, as nominee of the registered Owner, in accordance with its operational requirements. Each notice shall further state that on the specified date there shall become due and payable with respect to each Certificate or portion thereof being prepaid the prepayment price, together with interest represented thereby accrued but unpaid to the prepayment date, and that from and after such date, if sufficient funds are available for prepayment, interest with respect thereto shall cease to accrue and be payable. Neither the failure to receive any notice nor any defect therein shall affect the proceedings for such prepayment.

Effect of Prepayment

If, on the designated prepayment date, money for the prepayment of all of the Certificates to be prepaid, together with accrued interest to such prepayment date, shall be held by the Trustee so as to be available for the prepayment on the scheduled prepayment date, and if a prepayment notice shall have been given as described above, then from and after such prepayment date, no additional interest shall become due with respect to the Certificates to be prepaid, and such Certificate or portion thereof shall no longer be deemed

Outstanding under the provisions of the Trust Agreement; however, all money held by or on behalf of the Trustee for the prepayment of such Certificates shall be held in trust for the account of the Owners thereof.

If the City shall acquire any Certificate by purchase or otherwise, such Certificate shall no longer be deemed Outstanding and shall be surrendered to the Trustee for cancellation.

Conditional Notice; Cancellation of Optional Prepayment

The City may provide a conditional notice of prepayment and such notice shall specify its conditional status.

If the Certificates are subject to optional prepayment, and the Trustee does not have on deposit moneys sufficient to prepay the principal, plus the applicable premium, if any, represented by the Certificates proposed to be prepaid on the date fixed for prepayment, and interest with respect thereto, the prepayment will be canceled, and in such case, the City, the Trustee and the Owners will be restored to their former positions and rights under the Trust Agreement, and the City will continue to pay the Base Rental payments as if no such notice were given. Such a cancellation of an optional prepayment at the election of the City will not constitute a default under the Trust Agreement, and the Trustee and the City will have no liability from such cancellation. In the event of such cancellation, the Trustee shall send notice of such cancellation to the Owners in the same manner as the related notice of prepayment. Neither the failure to receive such cancellation notice nor any defect therein shall affect the sufficiency of such cancellation.

In the event the City gives notice to the Trustee of its intention to exercise its prepayment option, but fails to deposit with the Trustee on or prior to the prepayment date an amount equal to the prepayment price, or fails to satisfy any condition to a conditional notice, the City will continue to pay the Base Rental payments as if no such notice had been given.

Purchase of Certificates

Unless expressly provided otherwise in the Trust Agreement, money held in the Base Rental Fund under the Trust Agreement in respect of principal may be used to reimburse the City for the purchase of Certificates that would otherwise be subject to prepayment from such moneys upon the delivery of such Certificates to the Trustee for cancellation at least ten days prior to the date on which the Trustee is required to select Certificates for prepayment. The purchase price of any Certificates purchased by the City under the Trust Agreement shall not exceed the applicable prepayment price of the Certificates that would be prepaid but for the operation of provisions of the Trust Agreement. Any such purchase must be completed prior to the time notice would otherwise be required to be given to prepay those Certificates. All Certificates so purchased shall be surrendered to the Trustee for cancellation and applied as a credit against the obligation to prepay such Certificates from such moneys.

THE LEASED PROPERTY

[The Leased Property consists of the Pavilion Building and the North Residence Building constructed in 2009 on the campus of the City's Laguna Honda Hospital, together with certain limited rights of ingress and egress and appurtenant rights. Laguna Honda Hospital, originally constructed in 1866 as an almshouse for San Francisco's poor and homeless, is operated by the City's Department of Public Health to provide over 1,000 residents with long-term care regardless of their ability to pay, including skilled nursing, AIDS and dementia services, hospice, rehabilitation, and acute care. The City also provides adult day health care and senior nutrition programs through this facility. The 62-acre site is on property owned by the City and located at 375 Laguna Honda Boulevard on the western slopes of Twin Peaks, near the geographic center of the City. The Pavilion Building was completed in 2009, and was designed to accommodate 60 beds on three floors. The North Residence Building was completed in December, 2009, and was designed to accommodate 420 beds on

seven floors. The combined value of the two buildings is estimated by the City to be approximately \$309 million.] [Review and update.]

THE PROJECT

The Project consists of the acquisition, development, construction or rehabilitation of various affordable rental housing projects in the City.

SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES

Source of Payment

The Certificates evidence and represent proportionate interests in the Base Rental payments required to be made by the City to the Trustee under the Project Lease so long as the City has use and occupancy of the Leased Property. The Project Lease terminates on April 1, [2046], unless extended as described in this section.

Pursuant to the Trust Agreement, the City has granted to the Trustee, for the benefit of the Owners, a first lien on, and security interest in, all amounts on hand from time to time in the following funds and accounts established under the Trust Agreement (provided, however, that the _____ Reserve Account of the Reserve Fund and the _____ Project Account shall secure only the Certificates), including: (i) all Base Rental payments received by the Trustee from the City; (ii) the proceeds of any insurance (including the proceeds of any self-insurance and any liquidated damages received in respect of the Leased Property), and eminent domain award not required to be used for repair or replacement of the Leased Property; (iii) proceeds of rental interruption insurance policies with respect to the Leased Property; (iv) all amounts on hand from time to time in the _____ Reserve Account of the Reserve Fund and the Base Rental Fund established under the Trust Agreement, including amounts transferred to the Base Rental Fund from other funds and accounts, as provided in the Trust Agreement (including proceeds of the Certificates no longer needed to complete the Project or to pay costs of execution and delivery of the Certificates; and (v) any additional property subjected to the lien of the Trust Agreement by the City or anyone on its behalf. The City will pay to the Trustee the Base Rental payments to the extent required under the Project Lease, which Base Rental payments are designed to be sufficient, in both time and amount, to pay, when due, the annual principal and interest represented by the Certificates.

Parity Obligations

The Certificates will be secured by Base Rental payments on a parity with the 2009A Certificates, the 2009B Certificates and the 2012A Certificates described in the preceding table, and any Additional Certificates that may hereafter be issued pursuant to the requirements set forth in the Trust Agreement.

Covenant to Budget

The City has covenanted in the Project Lease to take such action as may be necessary to include all Rental Payments in its annual budget and to make the necessary annual appropriations for such Rental Payments. The Project Lease provides that such covenants on the part of the City are deemed and construed to be ministerial duties imposed by law.

If the City defaults on its covenant in the Project Lease to include all Rental Payments in the applicable annual budget and such default shall have continued for 60 days or more, the Trustee may, subject to applicable laws regarding use of such property, either re-let the Leased Property for the account of the City or may retain the Project Lease and hold the City liable for all Rental Payments on an annual basis.

For a discussion of the budget and finances of the City, see APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO – ORGANIZATION AND FINANCES – CITY BUDGET" and APPENDIX B: "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE FISCAL YEAR ENDED JUNE 30, [2015]." For a discussion of the City's investment policy regarding pooled cash, see APPENDIX G: "CITY AND COUNTY OF SAN FRANCISCO OFFICE OF THE TREASURER INVESTMENT POLICY."

Base Rental Payments; Additional Rental

Base Rental Payments. The City has covenanted in the Project Lease that, so long as the City has the full use and occupancy of the Leased Property, it will make Base Rental payments to the Trustee from any legally available funds of the City. The Trustee is required by the Trust Agreement to deposit in the Base Rental Fund all Base Rental payments and certain other amounts received and required to be deposited therein, including investment earnings. The total Rental Payment due in any Fiscal Year will not be in excess of the total fair rental value of the Leased Property for such Fiscal Year.

The Base Rental payments are payable by the City on March 25 and September 25 of each year during the term of the Project Lease, commencing _____, [2016], provided that any such payment shall be for that

portion of the applicable period that the City has use and occupancy of all or a portion of the Leased Property. In the event that during any such period the City does not have use and occupancy of all or a portion of the Leased Property due to material damage to, destruction of or condemnation of the Leased Property, non-completion of the construction of the buildings and other improvements located on the real property subject to the Project Lease (the “Facilities”), or defects in the title to the Leased Property, Base Rental payments are subject to abatement. See “CERTAIN RISK FACTORS – Abatement.” The obligation of the City to make Base Rental payments is payable solely from annual appropriations of the City from any legally available funds of the City and the City has covenanted in the Project Lease to take such action as may be necessary to include all Base Rental and Additional Rental due under the Project Lease in its annual budget and to make necessary annual appropriations for all such Base Rental and Additional Rental, subject to the abatement provisions under the Project Lease.

Additional Rental. Additional Rental payments due from the City to the Trustee include, among other things, amounts sufficient to pay any taxes and insurance premiums, and to pay all fees, costs and expenses of the Trustee in connection with the Trust Agreement and all other fees, costs and expenses of the Trustee incurred from time to time in administering the Project Lease and the Trust Agreement. The City is also responsible for repair and maintenance of the Leased Property during the term of the Project Lease.

Limited Obligation

The obligation of the City to make Base Rental payments under the Project Lease does not constitute an obligation to levy or pledge, or for which the City has levied or pledged, any form of taxation. Neither the Certificates nor the obligation of the City to make Base Rental or Additional Rental payments constitutes an indebtedness of the City, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction. See “CERTAIN RISK FACTORS – Rental Payments Not a Debt of the City.”

Abatement of Base Rental Obligation

The Trustee will collect and receive all of the Base Rental payments, and all payments of Base Rental received by the Trustee under the Project Lease will be deposited into the Base Rental Fund. The City’s obligation to make Rental Payments in the amount and on the terms and conditions specified in the Project Lease is absolute and unconditional without any right of set-off or counterclaim, subject only to the provisions of the Project Lease regarding rental abatement. Any abatement of Base Rental payments could affect the City’s ability to pay debt service on the Certificates. See “CERTAIN RISK FACTORS – Abatement.”

The City’s obligation under the Project Lease to make Rental Payments shall be abated during any period in which there is substantial interference with the City’s right to the use and occupancy of the Leased Property or any portion thereof by the City, by reason of material damage, destruction or condemnation of the Leased Property or any portion thereof, or due to defects in title to the Leased Property, or due to non-completion of any portion thereof, except to the extent of (i) available amounts held by the Trustee in the Base Rental Fund or in the _____ Reserve Account of the Reserve Fund, (ii) amounts, if any, received in respect of rental interruption insurance, and (iii) amounts, if any, otherwise legally available to the City for Rental Payments or to the Trustee for payments in respect of the Certificates. The amount of annual rental abatement shall be such that the resulting Rental Payments in any Project Lease Year during which such interference continues do not exceed the annual fair rental value of the portions of the Leased Property with respect to which there has not been substantial interference. Abatement of Base Rental payments shall commence with such damage, destruction or condemnation or discovery of such title defect and end when use and occupancy or possession is restored or correction of such title defect. In the event of abatement, the term of the Project Lease may be extended until all amounts due under the Project Lease and the Trust Agreement are fully paid, but in no event later than April 1, [2056].

In order to mitigate the risk that an abatement event will cause a disruption in payment of Base Rental, the Project Lease requires the City to maintain rental interruption insurance in an amount not less than the aggregate Base Rental payable by the City pursuant to the Project Lease for a period of at least 24 months. See “– Insurance with Respect to the Leased Property” below. During any period of abatement with respect to all or any part of the Leased Property, the Trustee is required to use the proceeds of the rental interruption insurance to make payments of principal and interest represented by the Certificates. The City is also required by the Project Lease to replace or repair Leased Property destroyed or damaged to the extent that there is substantial interference with the City’s use and occupancy, or to prepay Certificates such that resulting Rental Payments are sufficient to pay all amounts due under the Project Lease and the Trust Agreement with respect to the Certificates remaining Outstanding. See “– Replacement, Maintenance and Repairs” below. In lieu of abatement of Rental Payments, the City in its sole discretion may elect, but is not obligated, to substitute property for the damaged, condemned or destroyed Leased Property, or portion thereof, pursuant to the substitution provisions of the Project Lease. See “– Addition, Release and Substitution of Leased Property” below. In addition, the Trust Agreement establishes a _____ Reserve Account of the Reserve Fund and requires the Trustee to use any moneys on deposit in said account of the Reserve Fund to make payments of principal and interest represented by the Certificates. See “Reserve Fund; _____ Reserve Account,” below.

Reserve Fund; _____ Reserve Account

The Trust Agreement establishes a Reserve Fund that will be held by the Trustee, and within the Reserve Fund, there is created a _____ Reserve Account to be held with the Trustee. The _____ Reserve Account shall only be available to support payments with respect to the Certificates. Simultaneously with the delivery of the Certificates, the City will cause to be deposited into the _____ Reserve Account a portion of the proceeds of the Certificates, which amount will be at least equal to the Reserve Requirement with respect to the Certificates. The Reserve Requirement with respect to the Certificates, as of any date of calculation, is the least of (i) the maximum annual principal and interest payable with respect to the Certificates in the then-current Fiscal Year or any future Fiscal Year, (ii) 125% of average annual principal and interest payable with respect to the Certificates payable in each Fiscal Year between the date of calculation and the last Certificate Payment Date of the Certificates or (iii) 10% of the principal amount of Certificates originally executed and delivered. As of the date of delivery of the Certificates, the Reserve Requirement is \$_____.

The Reserve Fund is required to be maintained by the Trustee until the Base Rental is paid in full pursuant to the Project Lease or until there are no longer any Certificates Outstanding; provided, however, that the final Base Rental payment may, at the City’s option, be paid from the Reserve Fund.

A Credit Facility in the amount of the Reserve Requirement may be substituted by the City at any time for all or a portion of the funds held by the Trustee in the Reserve Fund, provided that (i) such substitution shall not result in the reduction or withdrawal of any ratings by any Rating Agency with respect to the Certificates at the time of such substitution (and the City shall notify each Rating Agency prior to making any such substitution), and (ii) the Trustee shall receive an opinion of Independent Counsel stating that such substitution will not, by itself, adversely affect the exclusion from gross income for federal income tax purposes of interest components of the Base Rental evidenced and represented by the Certificates. If the Credit Facility is a surety bond or insurance policy, such Credit Facility shall be for the term of the Certificates. Amounts on deposit in the Reserve Fund for which a Credit Facility has been substituted shall be transferred as directed in writing by a City Representative.

If on any Interest Payment Date the amounts on deposit in the Base Rental Fund are less than the principal and interest payments due with respect to the Certificates on such date, the Trustee shall transfer from the Reserve Fund for credit to the Base Rental Fund an amount sufficient to make up such deficiency (provided that if the amounts on deposit in a Reserve Account within the Reserve Fund are restricted to a series of Certificates, then such amounts shall only be available for such series of Certificates). In the event of any such transfer, the Trustee shall immediately provide written notice to the City of the amount and the date of such transfer.

Any moneys in the _____ Reserve Account of the Reserve Fund in excess of the Reserve Requirement on each April 1 and October 1, commencing _____ 1, [2016], and at such other time or times as directed by the City, shall be transferred to the Base Rental Fund and applied to the payment of the principal of and interest with respect to the Certificates on the next succeeding Interest Payment Date, or transferred to such other fund as the City may designate. The Reserve Fund may secure Additional Certificates on a parity basis or, alternatively, a separate account in the Reserve Fund may be established for one or more series of Additional Certificates.

Reserve Accounts have been established in the Reserve Fund to secure the 2009A Certificates, the 2009B Certificates and the 2012A Certificates. Amounts held in the Reserve Accounts relating to the 2009A Certificates, the 2009B Certificates and the 2012A Certificates will not secure the Certificates, and amounts in the _____ Reserve Account do not secure the 2009A Certificates, the 2009B Certificates and the 2012A Certificates.

Replacement, Maintenance and Repairs

The Project Lease requires the City, at its own expense and as determined and specified by the Director of Real Estate of the City, to maintain or cause to be maintained the Leased Property in good order, condition and repair during the term of the Project Lease. The Trust Agreement requires that if the Leased Property or any portion thereof is damaged or destroyed, the City must elect to either prepay the Certificates or replace or repair the affected portion of the Leased Property in accordance with the Project Lease. Under the Project Lease, the City must replace any portion of the Leased Property that is destroyed or damaged to such an extent that there is substantial interference with the City's right to the use and occupancy of the Leased Property or any portion thereof that would result in an abatement of Rental Payments or any portion thereof pursuant to the Project Lease; provided, however, that the City is not required to repair or replace any such portion of the Leased Property if there shall be applied to the prepayment of Outstanding Certificates insurance or condemnation proceeds or other legally available funds sufficient to prepay: (i) all of the Certificates Outstanding and to pay all other amounts due under the Project Lease and under the Trust Agreement or (ii) any portion of the Certificates such that the resulting Rental Payments payable in any Project Lease Year following such partial prepayment are sufficient to pay in the then current and any future Project Lease Year the principal and interest evidenced and represented by all Certificates to remain Outstanding and all other amounts due under the Project Lease and under the Trust Agreement to the extent they are due and payable in such Project Lease Year. See APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – THE PROJECT LEASE."

Insurance with Respect to the Leased Property

The Project Lease requires the City to maintain or cause to be maintained throughout the term of the Project Lease (but during the period of construction of the Facilities only the insurance described in clauses (i) and (v) below shall be required and may be provided by the contractor under the construction contract for the Facilities): (i) general liability insurance against damages occasioned by construction of improvements to or operation of the Leased Property with minimum coverage limits of \$5,000,000 combined single limit for bodily and personal injury and property damage per occurrence, which general liability insurance may be maintained as part of or in conjunction with excess coverage or any other liability insurance coverage carried by the City; (ii) all-risk property insurance on all structures constituting any part of the Leased Property in an amount equal to the Outstanding principal amount of Certificates, with such insurance covering, as nearly as practicable, loss or damage by fire, lightning, explosion, windstorm, hail, riot, civil commotion, vandalism, malicious mischief, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance; (iii) boiler and machinery insurance, comprehensive form, insuring against accidents to pressure vessels and mechanical and electrical equipment, with a property damage limit not less than \$5,000,000 per accident; and (iv) commencing on the date of Final Completion of the Facilities, rental interruption insurance, with the Trustee as a named insured, as its interests may appear, in an amount not less than the aggregate Base Rental payable by the City pursuant to the Project Lease for a period of at least 24 months (such amount to be

adjusted annually on or prior to October 1 of each year, to reflect the actual scheduled Base Rental payments due under the Project Lease for the next succeeding 24 months) to insure against loss of rental income from the Leased Property caused by perils covered by the insurance described in (ii) above, with such insurance not subject to any deductible; and (v) builders' risk insurance in an amount equal to the lesser of the Outstanding principal amount represented by the Certificates, or the replacement cost of the Facilities, which insurance shall be outstanding until Final Completion of the Facilities. Except as provided above, all policies of insurance required under the Project Lease may provide for a deductible amount that is commercially reasonable as determined by the City Risk Manager.

The Project Lease further requires the City to maintain earthquake insurance in an amount equal to the Outstanding principal amount of the Certificates (to the extent commercially available, in the judgment of the City's Risk Manager); provided that no such earthquake insurance is required if the Risk Manager files a written recommendation annually with the Trustee that such insurance is not obtainable in reasonable amounts at reasonable costs on the open market from reputable insurance companies. Based upon current market conditions and the recommendations of the Risk Manager of the City, the City has determined not to obtain earthquake insurance as of the date of this Official Statement. *[Confirm.]*

The City is also required under the Project Lease to deliver to the Trustee, on the date of execution and delivery of the Certificates, evidence of the commitment of a title insurance company to issue a policy of title insurance (with no survey required), in an amount at least equal to the initial aggregate principal amount of the Certificates, a leasehold interest in the Leased Property in the name of the Trustee and naming the insured parties as the City and the Trustee, for the benefit of the Owners of the Certificates.

The City may self-insure against any of the risks required to be insured against in the Project Lease, except for self-insurance for rental interruption insurance and title insurance.

Eminent Domain

If all of the Leased Property, or so much thereof as to render the remainder of the Leased Property unusable for the City's purposes under the Project Lease, is taken under the power of eminent domain: (i) the City may, at its option, replace the Leased Property or (ii) the Project Lease will terminate and the proceeds of any condemnation award will be paid to the Trustee for application to the prepayment of Certificates. If less than a substantial portion of the Leased Property is taken under the power of eminent domain, and the remainder is useable for the City's purposes, the Project Lease shall continue in full force and effect as to the remaining portions of the Leased Property, subject only to its rental abatement provisions. Any condemnation award will be paid to the Trustee for application to the replacement of the portion of the Leased Property taken or to the partial prepayment of Certificates. See APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – TRUST AGREEMENT – Eminent Domain" and "– THE PROJECT LEASE – Eminent Domain."

Addition, Release and Substitution of Leased Property

If no Project Lease Event of Default has occurred and is continuing, the Project Lease may be modified or amended at any time, and the Trustee may consent thereto without the consent of the Owners, if such amendment is to modify or amend the description of the Leased Property or to release from the Project Lease any portion of the Leased Property, or to add other property and improvements to the Leased Property or substitute other property and improvements for the Leased Property, upon satisfaction of the conditions to such amendment and substitution in the Project Lease. See APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – THE PROJECT LEASE – Addition, Release and Substitution."

Additional Certificates

The City may, from time to time amend the Trust Agreement and the Project Lease to authorize one or more series of Additional Certificates secured by Base Rental payments under the Project Lease on a parity with the Outstanding Certificates, provided that, among other requirements, the Base Rental payable under the amended Project Lease is sufficient to pay all principal of and interest with respect to the Outstanding Certificates and such Additional Certificates, and that the amended Base Rental is not in excess of the fair rental value of the Leased Premises.

CERTAIN RISK FACTORS

The following risk factors should be considered by potential investors, along with all other information in this Official Statement, in evaluating the risks inherent in the purchase of the Certificates. The following discussion is not meant to be a comprehensive or definitive list of the risks associated with an investment in the Certificates. The order in which this information is presented does not necessarily reflect the relative importance of the various issues. Any one or more of the risk factors discussed below, among others, could lead to a decrease in the market value and/or in the liquidity of the Certificates. There can be no assurance that other risk factors not discussed herein will not become material in the future.

City Long Term Challenges

The following discussion highlights certain long-term challenges facing the City and is not meant to be an exhaustive discussion of challenges facing the City. Notwithstanding the City's strong economic and financial performance during the recent recovery and despite significant City initiatives to improve public transportation systems, expand access to healthcare and modernize parks and libraries, the City faces several long-term financial challenges and risks described below.

Significant capital investments are proposed in the City's adopted ten-year capital plan. However identified funding resources are below those necessary to maintain and enhance the City's physical infrastructure. As a result, over \$14 billion in capital needs are deferred from the capital plan's ten-year horizon. Over two-thirds of these unfunded needs relate to the City's transportation and waterfront infrastructure, where state of good repair investment has lagged for decades. Mayor Edwin Lee has convened a taskforce to recommend funding mechanisms and strategies to bridge a portion of the gaps in the City's transportation needs, but it is likely that significant funding gaps will remain even assuming the identification of significant new funding resources.

In addition, the City faces long term challenges with respect to the management of pension and post-employment retirement obligations. The City has taken significant steps to address long-term unfunded liabilities for employee pension and other post-employment benefits, including retiree health obligations, yet significant liabilities remain. The most recent actuarial analyses estimate unfunded actuarial liabilities of over \$7 billion for these benefits, comprised of \$4.0 billion for retiree health obligations and \$3.4 billion for employee pension benefits. In recent years, the City and voters have adopted significant changes that should mitigate these unfunded liabilities over time, including adoption of lower-cost benefit tiers, increases to employee and employer contribution requirements, and establishment of a trust fund to set-aside funding for future retiree health costs. The financial benefit from these changes will phase in over time, however, leaving ongoing financial challenges for the City in the shorter term. Further, the size of these liabilities is based on a number of assumptions, including but not limited to assumed investment returns and actuarial assumptions. It is possible that actual results will differ materially from current assumptions, and such changes in investment returns or other actuarial assumptions could increase budgetary pressures on the City.

Lastly, while the City has adopted a number of measures to better position the City's operating budget for future economic downturns, these measures may not be sufficient. Economic stabilization reserves have grown significantly during the last three fiscal years and now exceed pre-recession peaks, but remain below adopted target levels of 10% of discretionary General Fund revenues.

There is no assurance that other challenges not discussed here may become material to investors in the future. For more information, see APPENDIX A – "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES" and in APPENDIX B – "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE FISCAL YEAR ENDED JUNE 30, [2015]."

Rental Payments Not a Debt of the City

The obligation of the City to make Base Rental payments does not constitute an obligation of the City to levy or pledge, or for which the City has levied or pledged, any form of taxation. The obligation of the City to make Base Rental or Additional Rental payments does not constitute an indebtedness of the City, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction.

The Certificates represent and are payable solely from Base Rental payments made by the City pursuant to the Project Lease and amounts held in the _____ Reserve Account of the Reserve Fund and the Base Rental Fund established pursuant to the Trust Agreement, subject to the provisions of the Trust Agreement permitting the application of such amounts for the purposes and on the terms and conditions set forth therein. The City shall be obligated to make Rental Payments subject to the terms of the Project Lease, and neither the City nor any of its officers shall incur any liability or any other obligation with respect to the delivery of the Certificates.

Additional Obligations

Subject to certain City Charter restrictions, the City may incur other obligations, which may constitute additional charges against its revenues, without the consent of the Owners of the Certificates. To the extent that the City incurs additional obligations, the funds available to make payments of Base Rental may be decreased. The City is currently liable on other obligations payable from its general revenues. See APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – CAPITAL FINANCING AND BONDS – General Obligation Bonds Authorized but Unissued," "– Overlapping Debt," and "– Lease Payments and Other Long-Term Obligations." See also APPENDIX B: "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE FISCAL YEAR ENDED JUNE 30, [2015]."

Abatement

The obligation of the City under the Project Lease to make Base Rental payments is in consideration for the use and right of occupancy of the Leased Property.

The Project Lease provides that if an event occurs which subjects the City's Base Rental payment obligation to abatement, the amount of annual rental abatement will be such that the resulting Rental Payments in any Project Lease Year during which such interference continues do not exceed the annual fair rental value of the portions of the Leased Property with respect to which there has not been substantial interference, as evidenced by a certificate of a City Representative. Such abatement would continue for the period commencing with the date of damage, destruction, condemnation or discovery of title defect, and ending with the restoration of the Leased Property or portion thereof to tenantable condition or correction of the title defect; and the term of the Project Lease will be extended by the period during which the rental is abated under the Project Lease, but in no event beyond April 1, [2056].

It is not possible to predict the circumstances under which such an abatement of Base Rental payments may occur. In addition, there is no statute, case or other law specifying how such an abatement of rental should be measured. For example, it is not clear whether fair rental value is established as of commencement of the Project Lease or at the time of the abatement or may be adjusted during an event of abatement. Upon abatement, it may be that the value of the Leased Property is substantially higher or lower than its value at the time of execution and delivery of the Certificates. Abatement, therefore, could have an uncertain and material adverse effect on the security for and payment of the Certificates.

In the event of abatement or default, the amounts on deposit in the _____ Reserve Account may be significantly less than the amount of Base Rental due at the time of abatement or default. If moneys are drawn from the _____ Reserve Account to make Base Rental payments during a period of rental abatement, moneys remaining in the _____ Reserve Account of the Reserve Fund after such payments are likely to be less than the Reserve Requirement. The City is not required by the Project Lease or the Trust Agreement, and cannot be compelled, to replenish the _____ Reserve Account of the Reserve Fund to the Reserve Requirement.

If damage, destruction, condemnation or title defect with respect to the Leased Property or any portion thereof results in abatement of Base Rental payments and the resulting Base Rental payments, together with moneys in the _____ Reserve Account of the Reserve Fund and any available insurance proceeds and other moneys available under the Trust Agreement, are insufficient to make all payments with respect to the Certificates during the period that the Leased Property, or portion thereof, is being restored, then all or a portion of such payments may not be made and no remedy is available to the Trustee or the Owners under the Project Lease or Trust Agreement for nonpayment under such circumstances. **Failure to pay principal, premium, if any, or interest with respect to the Certificates as a result of abatement of the City's obligation to make Rental Payments under the Project Lease is not an event of default under the Trust Agreement or the Project Lease.**

Notwithstanding the provisions of the Project Lease and the Trust Agreement specifying the extent of abatement of Base Rental and the application of other funds in the event of the City's failure to have use and possession of the Leased Property, such provisions may be superseded by operation of law, and, in such event, the resulting Base Rental payments of the City may not be sufficient to pay all of the remaining principal and interest represented by the Certificates.

Limited Recourse on Default; Re-letting of the Leased Property

The Project Lease and the Trust Agreement provide that, if there is a default by the City, the Trustee may, subject to applicable laws regarding use of such property, take possession of and re-let the Leased Property for the account of the City. The Leased Property is unique and re-letting might prove to be difficult or impossible. In addition, portions of the Leased Property have been improved with the proceeds of voter-approved general obligation bonds, and it is unclear whether any re-letting would be permitted to result in use of the Leased Property that is inconsistent with the hospital purposes for which those bonds were approved. The amounts received from any such re-letting may be insufficient to pay the scheduled principal and interest represented by the Certificates when due, and the City is not required by the Project Lease or the Trust Agreement, and cannot be compelled, to replenish the _____ Reserve Account to the Reserve Requirement. In addition, the Trust Agreement provides that no remedies such as re-letting may be exercised so as to cause the interest with respect to the Certificates to be includable in gross income for federal income tax purposes or subject to State personal income taxes. The enforcement of any remedies provided for in the Project Lease and in the Trust Agreement could prove to be both expensive and time consuming.

The Project Lease provides that any remedies on default shall be exercised by the Trustee. Upon the occurrence and continuance of the City's failure to deposit with the Trustee any Base Rental and/or Additional Rental payments when due, or if the City breaches any other terms, covenants or conditions contained in the Project Lease, the Property Lease or in the Trust Agreement (and does not remedy such breach with all reasonable dispatch within 60 days after notice thereof or, if such breach cannot be remedied within such 60-

day period, the City fails to take corrective action within such 60-day period and diligently pursue the same to completion), the Trustee may proceed (and, upon written request of the Owners of not less than a majority in aggregate principal amount of Certificates then outstanding, shall proceed), without any further notice: (i) to re-enter the Leased Property and eject all parties in possession therefrom and, without terminating the Project Lease, re-let the Leased Property as the agent and for the account of the City upon such terms and conditions as the Trustee may deem advisable, or (ii) in lieu of the above, so long as the Trustee does not terminate the Project Lease or the City's possession of the Leased Property, to enforce all of its rights and remedies under the Project Lease, including the right to recover Base Rental payments as they become due by pursuing any remedy available in law or in equity.

Enforcement of Remedies

The enforcement of any remedies provided in the Project Lease and the Trust Agreement could prove both expensive and time consuming. The rights and remedies provided in the Project Lease and the Trust Agreement may be limited by and are subject to the limitations on legal remedies against cities and counties in the State, including State constitutional limits on expenditures, and limitations on the enforcement of judgments against funds needed to serve the public welfare and interest; by federal bankruptcy laws, as now or hereafter enacted; applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect; equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the Constitution; the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose, and the limitations on remedies against municipal corporations in the State. Bankruptcy proceedings, or the exercise of powers by the federal or State government, if initiated, could subject the Owners of the Certificates to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights.

The legal opinions to be delivered concurrently with the delivery of the Certificates will be qualified, as to the enforceability of the Certificates, the Trust Agreement, the Project Lease and other related documents, by bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against charter cities and counties in the State. See "CERTAIN RISK FACTORS – Bankruptcy" herein.

No Acceleration on Default

In the event of a default, there is no remedy of acceleration of the Base Rental payments. Certificate Owners would have to sue for payment of unpaid Base Rental in each rental period as and when it becomes due. Any suit for money damages would be subject to the legal limitations on remedies against cities and counties in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest.

Release and Substitution of the Leased Property

The Project Lease permits the release of portions of the Leased Property or the substitution of other real property for all or a portion of the Leased Property. See APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – THE PROJECT LEASE – Addition, Release and Substitution." Although the Project Lease requires that the substitute property have an annual fair rental value upon becoming part of the Leased Property equal to the maximum annual amount of the Base Rental payments remaining due with respect to the Leased Property being replaced, it does not require that such substitute property have an annual fair rental value equal to the total annual fair rental value at the time of replacement of the Leased Property or portion thereof being replaced. In addition, such replacement property could be located

anywhere within the City's boundaries. Therefore, release or substitution of all or a portion of the Leased Property could have an adverse effect on the security for the Certificates.

Bankruptcy

In addition to the limitations on remedies contained in the Trust Agreement and the Project Lease, the rights and remedies in the Trust Agreement and the Project Lease may be limited and are subject to the provisions of federal bankruptcy laws, as now or hereafter enacted, and to other laws or equitable principles that may affect the enforcement of creditors' rights. The legal opinions to be delivered concurrently with the delivery of the Certificates will be qualified, as to the enforceability of the Certificates, the Trust Agreement, the Project Lease and other related documents, by bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against charter cities and counties and non-profit public benefit corporations in the State. See "CERTAIN RISK FACTORS – Enforcement of Remedies" herein.

The City is authorized under California law to file for bankruptcy protection under Chapter 9 of the United States Bankruptcy Code (Title 11, United States Code) (the "Bankruptcy Code"), which governs the bankruptcy proceedings for public agencies such as the City. Third parties, however, cannot bring involuntary bankruptcy proceedings against the City. If the City were to file a petition under Chapter 9 of the Bankruptcy Code, the rights of the Owners of the Certificates may be materially and adversely affected as follows: (i) the application of the automatic stay provisions of the Bankruptcy Code, which, until relief is granted, would prevent collection of payments from the City or the commencement of any judicial or other action for the purpose of recovering or collecting a claim against the City and could prevent the Trustee from making payments from funds in its possession; (ii) the avoidance of preferential transfers occurring during the relevant period prior to the filing of a bankruptcy petition; (iii) the existence of unsecured or secured debt which may have a priority of payment superior to that of Owners of the Certificates; and (iv) the possibility of the adoption of a plan (an "Adjustment Plan") for the adjustment of the City's various obligations over the objections of the Trustee or all of the Owners of the Certificates and without their consent, which Adjustment Plan may restructure, delay, compromise or reduce the amount of any claim of the Owners of the Certificates if the Bankruptcy Court finds that such Adjustment Plan is "fair and equitable" and in the best interests of creditors. The adjustment of similar obligations is currently being litigated in federal court in connection with bankruptcy applications by the cities of San Bernardino and Stockton. The Adjustment Plans in these cities propose significant reductions in the amounts payable by the cities under lease revenue obligations substantially similar to the Certificates. The City can provide no assurances about the outcome of the bankruptcy cases of other California municipalities or the nature of any Adjustment Plan if it were to file for bankruptcy. The City is not currently considering filing for protection under the Bankruptcy Code.

In addition, if the Project Lease was determined to constitute a "true lease" by the bankruptcy court (rather than a financing lease providing for the extension of credit), the City could choose to reject the Project Lease despite any provision therein that makes the bankruptcy or insolvency of the City an event of default thereunder. If the City rejects the Project Lease, the Trustee, on behalf of the Owners of the Certificates, would have a pre-petition unsecured claim that may be substantially limited in amount, and this claim would be treated in a manner under an Adjustment Plan over the objections of the Trustee or Owners of the Certificates. Moreover, such rejection would terminate the Project Lease and the City's obligations to make payments thereunder. The City may also be permitted to assign the Project Lease (or the Property Lease) to a third party, regardless of the terms of the transaction documents. In any event, the mere filing by the City for bankruptcy protection likely would have a material adverse effect on the marketability and market price of the Certificates.

Seismic Risks

The Leased Property is located in a seismically active region. The obligation of the City to make payments of Base Rental may be abated, in whole or in part, if the Leased Property or any improvements thereon are damaged or destroyed by natural hazard such as earthquake or flood. The City is not obligated under the Project Lease to maintain earthquake or flood insurance, and the City does not currently have earthquake or flood insurance on the Leased Property. There can be no assurance that the Leased Property would not be damaged in whole or in part by seismic activity.

Active earthquake faults underlie both the City and the surrounding Bay Area, including the San Andreas Fault, which passes about 3 miles to the southeast of the City's border, and the Hayward Fault, which runs under Oakland, Berkeley and other cities on the east side of San Francisco Bay, about 10 miles away. Significant recent seismic events include the 1989 Loma Prieta earthquake, centered about 60 miles south of the City, which registered 6.9 on the Richter scale of earthquake intensity. That earthquake caused fires, building collapses, and structural damage to buildings and highways in the City and environs. The San Francisco-Oakland Bay Bridge, the only east-west vehicle access into the City, was closed for a month for repairs, and several highways in the City were permanently closed and eventually removed.

In March 2015, the Working Group on California Earthquake Probabilities (a collaborative effort of the U.S. Geological Survey (U.S.G.S.), the California Geological Survey, and the Southern California Earthquake Center) reported that there is a 72% chance that one or more quakes of about magnitude 6.7 or larger will occur in the San Francisco Bay Area before the year 2045. Such earthquakes may be very destructive. In addition to the potential damage to City-owned buildings and facilities (on which the City does not generally carry earthquake insurance), due to the importance of San Francisco as a tourist destination and regional hub of commercial, retail and entertainment activity, a major earthquake anywhere in the Bay Area may cause significant temporary and possibly long-term harm to the City's economy, tax receipts, and residential and business real property values.

Climate Change Regulations

The U.S. Environmental Protection Agency (the "EPA") has taken steps towards the regulation of greenhouse gas ("GHG") emissions under existing federal law. On December 14, 2009, the EPA made an "endangerment and cause or contribute finding" under the Clean Air Act, codified at 40 C.F.R. 1. In the finding, the EPA determined that the body of scientific evidence supported a finding that six identified GHGs – carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, and sulfur hexafluoride – cause global warming, and that global warming endangers public health and welfare. The EPA also found that GHGs are a pollutant and that GHG emissions from motor vehicles cause or contribute to air pollution. This finding requires that the EPA regulate emissions of certain GHGs from motor vehicles.

Regulation by the EPA can be initiated by private parties or by governmental entities other than the EPA. On July 11, 2008, the EPA issued an Advanced Notice of Proposed Rulemaking (the "ANPR") relating to GHG emissions and climate change. The final rule, the Mandatory Reporting of Greenhouse Gases Rule (74 FR 56260), requires reporting of GHG data and other relevant information from large stationary sources and electricity and fuel suppliers.

In addition to these regulatory actions, other laws and regulations limiting GHG emissions have been adopted by a number of states, including California, and have been proposed on the federal level. California passed Assembly Bill 32, the "California Global Warming Solutions Act of 2006," which requires the Statewide level of GHGs to be reduced to 1990 levels by 2020. On October 20, 2011, the California Air Resources Board ("CARB") made the final adjustments to its implementation of Assembly Bill 32: the "California Cap-and-Trade Program" (the "Program") which was implemented in January 2012. The Program covers regulated entities emitting 25,000 MtCO₂e per year or more and entities in certain listed industries, including major industrial sources, electricity generating facilities, and fuel suppliers. Non-covered entities are

encouraged to opt-in and voluntarily participate in the Program. It is expected that the Program will result in rising electricity and fuel costs, which may adversely affect the City and the local economy.

The City is unable to predict what additional federal or State laws and regulations with respect to GHG emissions or other environmental issues (including but not limited to air, water, hazardous substances and waste regulations) will be adopted, or what effects such laws and regulations will have on the City or the local economy. The effects, however, could be material.

Risk of Sea Level Changes and Flooding

In May 2009, the California Climate Change Center released a final paper, for informational purposes only, which was funded by the California Energy Commission, the California Environmental Protection Agency, the Metropolitan Transportation Commission, the California Department of Transportation and the California Ocean Protection Council. The title of the paper is “The Impacts of Sea-Level Rise on the California Coast.” The paper posits that increases in sea level will be a significant consequence of climate change over the next century. The paper evaluated the population, infrastructure, and property at risk from projected sea-level rise if no actions are taken to protect the coast. The paper concluded that significant property is at risk of flooding from 100-year flood events as a result of a 1.4 meter sea level rise that may occur. The paper further estimates that two-thirds of this at-risk property (with a replacement value of approximately \$62 billion in 2000 dollars) is concentrated in San Francisco Bay, indicating that this region is particularly vulnerable to impacts associated with sea-level rise due to extensive development on the margins of the Bay. A wide range of critical infrastructure, such as roads, hospitals, schools, emergency facilities, wastewater treatment plants, power plants, and wetlands is also vulnerable. Continued development in vulnerable areas will put additional assets at risk and raise protection costs.

The City is unable to predict whether sea-level rise or other impacts of climate change or flooding from a major storm will occur, when they may occur, and if any such events occur, whether they will have a material adverse effect on the business operations or financial condition of the City and the local economy. The San Francisco Public Utilities Commission has planned and commenced flood control improvements throughout the City; however, the City cannot guarantee that such improvements will mitigate the impacts of flooding to the City.

Natural Gas Transmission and Distribution Pipelines

In September 2010, a Pacific Gas and Electric Company (“PG&E”) high pressure natural gas transmission pipeline exploded in San Bruno, California, with catastrophic results. There are numerous gas transmission and distribution pipelines owned, operated and maintained by PG&E throughout the City. The City cannot provide any assurances as to the condition of PG&E pipelines in the City, or predict the extent of damage to surrounding property that would occur if a PG&E pipeline located within the City were to explode. The obligation of the City to make payments of Base Rental may be abated if the Leased Property or any improvements thereon are damaged or destroyed by a pipeline explosion. There can be no assurance that the Leased Property would not be damaged in whole or in part by a pipeline explosion.

Other Events

Seismic events, wildfires, and other natural or man-made events such as cybersecurity breaches may damage City infrastructure and adversely impact the City’s ability to provide municipal services. In August 2013, a massive wildfire in Tuolumne County and the Stanislaus National Forest burned over 257,135 acres (the “Rim Fire”), which area included portions of the City’s Hetch Hetchy Project. The Hetch Hetchy Project is comprised of dams (including O’Shaughnessy Dam), reservoirs (including Hetch Hetchy Reservoir which supplies 85% of San Francisco’s drinking water), hydroelectric generator and transmission facilities and water transmission facilities. Hetch Hetchy facilities affected by the Rim Fire included two power generating stations and the southern edge of the Hetch Hetchy Reservoir. There was no impact to drinking water quality. The

City's hydroelectric power generation system was interrupted by the fire, forcing the San Francisco Public Utilities Commission to spend approximately \$1.6 million buying power on the open market and using existing banked energy with PG&E. The Rim Fire inflicted approximately \$40 million in damage to parts of the City's water and power infrastructure located in the region.

Risk Management and Insurance

The Project Lease obligates the City to maintain and keep in force various forms of insurance, subject to deductibles, on the Leased Property for repair or replacement in the event of damage or destruction to the Leased Property. Upon the Final Completion of the Facilities, the City is also required to maintain rental interruption insurance in an amount equal to but not less than 24 months' Base Rental payments. The City makes no representation as to the ability of any insurer to fulfill its obligations under any insurance policy provided for in the Project Lease and no assurance can be given as to the adequacy of any such insurance to fund necessary repair or replacement or to pay principal of and interest with respect to the Certificates when due.

The Project Lease allows the City to self-insure against any or all risks, except rental interruption and title defects, through an alternative risk management program such as its risk management retention program. The City expects to self-insure for all hazards for which the Project Lease permits self-insurance. *[Confirm.]* See APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES—LITIGATION AND RISK MANAGEMENT—Risk Retention Program."

State Law Limitations on Appropriations

Article XIII B of the State Constitution limits the amount that local governments can appropriate annually. The ability of the City to make Base Rental payments may be affected if the City should exceed its appropriations limit. The City does not anticipate exceeding its appropriations limit in the foreseeable future. See APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES - CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND EXPENDITURES – Article XIII B of the California Constitution."

Changes in Law

No assurance can be given that the State or the City electorate will not at some future time adopt initiatives or that the State Legislature or the City's Board of Supervisors will not enact legislation that will amend the laws or the Constitution of the State or the Charter, respectively, in a manner that could result in a reduction of the City's General Fund revenues and therefore a reduction of the funds legally available to the City to make Base Rental payments. See, for example, APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND EXPENDITURES – Articles XIII C and XIII D of the California Constitution."

The General Fund of the City, which is the source of payment of Base Rental, may also be adversely affected by actions taken (or not taken) by voters. Under the State Constitution, the voters of the State have the ability to initiate legislation and require a public vote on legislation passed by the State Legislature through the powers of initiative and referendum, respectively. Under the City's Charter, the voters of the City can restrict or revise the powers of the City through the approval of a Charter amendment. The City is unable to predict whether any such initiatives might be submitted to or approved by the voters, the nature of such initiatives, or their potential impact on the City.

State of California Financial Condition

The City receives a significant portion of its funding from the State. The City's fiscal year 2015-16 Annual Appropriation Ordinance projects that approximately \$655.4 million or 14.3% of the City's \$4.59 billion General Fund revenues will come from State sources. See APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – CITY BUDGET – Impact of the State of California Budget on Local Finances."

Changes in the revenues received by the State can affect the amount of funding, if any, to be received from the State by the City. The City cannot predict the extent of the budgetary problems the State may encounter in this or in any future fiscal years, nor is it clear what measures could be taken by the State to balance its budget, as required by law. In addition, the City cannot predict the outcome of any elections impacting fiscal matters, the outcome of future State budget negotiations, the impact that such budgets will have on its finances and operations or what actions will be taken in the future by the State Legislature and Governor to deal with changing State revenues and expenditures. Current and future State budgets will be affected by national and State economic conditions and other factors, including the current economic downturn, over which the City has no control.

U.S. Government Finances

The City receives substantial federal funds for assistance payments, social service programs and other programs. The City's fiscal year 2015-16 Annual Appropriation Ordinance projects that approximately \$245.6 million or 5.4% of the City's \$4.59 billion General Fund revenues will come from federal sources. A portion of the City's assets are also invested in securities of the United States government. The City's finances may be adversely impacted by fiscal matters at the federal level, including but not limited to cuts to federal spending. On March 1, 2013 automatic spending cuts to federal defense and other discretionary spending (referred to as "sequestration") went into effect, and Congress was unable to enact a regular budget or a continuing resolution for the 2014 fiscal year, which began on October 1, 2013. As a result, certain appropriations lapsed on October 1, 2013 and the United States federal government entered a partial shutdown with furloughs of certain federal workers and suspension of certain services not exempted by law until October 16, 2013. Among other impacts, the City's receipt of federal subsidies for the interest payments on its obligations issued as "Build America Bonds" was delayed (the City's payment of interest on such obligations is not dependent upon federal subsidies and were not adversely affected by such delay). The City cannot predict the outcome of future federal budget deliberations. See APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – CITY BUDGET – Impact of Federal Budget Tax Increases and Expenditure Reductions on Local Finances." See also APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – OTHER CITY TAX REVENUES" and "– INVESTMENT OF CITY FUNDS."

Other

There may be other risk factors inherent in ownership of the Certificates in addition to those described in this section.

TAX MATTERS

[The portion of the Certificate payments designated as and comprising interest and received by the Owners of the Certificates is not intended by the City to be excluded from gross income for federal income tax purposes. However, in the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, and Amira Jackmon, Attorney at Law, Berkeley, California, Co-Special Counsel, such portion of the Certificate payments is exempt from California personal income taxes. The proposed forms of opinions of Co-Special Counsel with respect to the Certificates is set forth in APPENDIX __.

Owners of the Certificates should also be aware that the ownership or disposition of, or the accrual or receipt of interest represented by, the Certificates may have federal or state tax consequences other than as described above. PROFESSIONALS INVOLVED IN THE OFFERING

Public Resources Advisory Group and Sperry Capital have served as Co-Financial Advisors to the City with respect to the sale of the Certificates. The Co-Financial Advisors have assisted the City in the City's

review and preparation of this Official Statement and in other matters relating to the planning, structuring, and sale of the Certificates. The Co-Financial Advisors have not independently verified any of the data contained herein nor conducted a detailed investigation of the affairs of the City to determine the accuracy or completeness of this Official Statement and assume no responsibility for the accuracy or completeness of any of the information contained herein. The Co-Financial Advisors, Co-Special Counsel and Disclosure Counsel will all receive compensation from the City contingent upon the sale and delivery of the Certificates.

CONTINUING DISCLOSURE

The City has covenanted for the benefit of the Owners of the Certificates to provide certain financial information and operating data relating to the City (the “Annual Report”) not later than 270 days after the end of the City’s fiscal year (which currently ends on June 30), commencing with the report for fiscal year 2015-16, which is due not later than March 27, 2017, and to provide notices of the occurrence of certain enumerated events. The Annual Report will be filed by the City with the Municipal Securities Rulemaking Board (“MSRB”). The notices of enumerated events will be filed by the City with the MSRB. The specific nature of the information to be contained in the Annual Report or the notices of material events is summarized in APPENDIX D: “FORM OF CONTINUING DISCLOSURE CERTIFICATE.” These covenants have been made in order to assist the initial purchasers of the Certificates in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the “Rule”). In the last five years, the City has not failed to comply in all material respects with any previous undertakings with regard to the Rule to provide annual reports or notices of enumerated events.

The City may, from time to time, but is not obligated to, post its Comprehensive Annual Financial Report and other financial information on the City Controller’s web site at www.sfgov.org/controller.

ABSENCE OF LITIGATION

No litigation is pending or threatened concerning the validity of the Certificates, the Trust Agreement, the Property Lease, the Project Lease, the corporate existence of the City, or the entitlement to their respective offices of the officers of the City who will execute and deliver the Certificates and other documents and certificates in connection therewith. The City will furnish to the initial purchasers of the Certificates a certificate of the City as to the foregoing as of the time of the original delivery of the Certificates.

VALIDATION ACTION

The City filed a complaint on September 15, 2008, pursuant to State Code of Civil Procedure Sections 860 through 870.5 in the Superior Court for the State in and for the City to validate the Original Project Lease, the Original Property Lease, the Original Trust Agreement and certain other matters. On January 15, 2009, a judgment was rendered finding the Original Project Lease, the Original Property Lease and the Original Trust Agreement to be valid, legal and binding obligations of the City in accordance with their terms and in conformity with all applicable provisions of law, including Article XVI, Section 18 of the State Constitution.

State Code of Civil Procedure Section 870(a) provides that such a judgment, if no appeal is taken, or if taken and the judgment affirmed, shall thereupon become and thereafter be forever binding and conclusive, as to all matters therein adjudicated or which could have been adjudicated against the City and against all other persons. State Code of Civil Procedure Section 870(b) provides that no appeal shall be allowed from such a judgment unless a notice of appeal is filed within 30 days after the entry of judgment. No notice of appeal was filed.

No validation action has been pursued or is expected to be pursued with respect to the validity of the [Third] Supplement to Project Lease, the [Third] Supplement to Property Lease, or the [Third] Supplement to Trust Agreement.

RATINGS

Moody's Investors Service, Inc. ("Moody's"), Standard & Poor's Ratings Service ("S&P") and Fitch Ratings ("Fitch") have assigned municipal bond ratings of "___," "___" and "___," respectively, to the Certificates. Any explanation of the significance of any rating may be obtained only from the respective credit rating agencies: Moody's, at www.moodys.com; S&P, at www.sandp.com; and Fitch, at www.fitchratings.com. The ratings reflect only the views of each rating agency. Investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision. No assurance can be given that any rating issued by a rating agency will be retained for any given period or that the same will not be revised or withdrawn entirely by such rating agency, if in such rating agency's judgment, circumstances so warrant. Any such revision or withdrawal of the ratings obtained, or other actions of a rating agency related to its rating, may have an adverse effect on the market or market price of the Certificates. The City undertakes no responsibility to oppose any such downward revision, suspension or withdrawal, but the City has undertaken to provide notice to investors of certain changes to its ratings. See "CONTINUING DISCLOSURE."

SALE OF THE CERTIFICATES

The Certificates were sold at competitive bid on _____, [2016]. The Certificates were awarded to _____ (the "Purchaser"), who submitted the lowest true interest cost bid, at a purchase price of \$_____. Under the terms of its bid, the Purchaser will be obligated to purchase all of the Certificates if any are purchased; the obligation to make such purchase is subject to the approval of certain legal matters by Co-Special Counsel and certain other conditions to be satisfied by the City.

The Purchaser has certified the reoffering prices or yields for the Certificates set forth on the inside cover of this Official Statement, and the City takes no responsibility for the accuracy of those prices or yields. Based on the reoffering prices, the net original issue premium on the reoffering of the Certificates is \$_____, and the Purchaser's gross compensation (or "spread") is \$_____. The Purchaser may offer and sell the Certificates to certain dealers and others at prices lower than the offering prices stated on the inside cover page. The offering prices may be changed from time to time by the Purchaser.

MISCELLANEOUS

Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate.

SECTION 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the City may amend or waive this Disclosure Certificate or any provision of this Disclosure Certificate, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 3(b), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Certificates or the type of business conducted;

If the City chooses to include any information in any Annual Report or notice in addition to that which is specifically required by this Disclosure Certificate, the City shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event or any other event required to be reported.

APPENDIX E

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The information in numbered paragraphs 1-11 of this Appendix E, concerning The Depository Trust Company (“DTC”) and DTC’s book-entry system, has been furnished by DTC for use in official statements and the City takes no responsibility for the completeness or accuracy thereof. The City cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest or principal with respect to the Certificates, (b) certificates representing ownership interest in or other confirmation of ownership interest in the Certificates, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Certificates, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current “Rules” applicable to DTC are on file with the Securities and Exchange Commission and the current “Procedures” of DTC to be followed in dealing with DTC Participants are on file with DTC.

Information Furnished by DTC Regarding its Book-Entry Only System

1. The Depository Trust Company (“DTC”) will act as securities depository for the certificates (as used in this Section, the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each maturity of the Securities, in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC is rated “AA+” by Standard & Poor’s. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction,

as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit the notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices will be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the paying agent or bond trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the paying agent or bond trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the paying agent or bond trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the City or the paying agent or bond trustee. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.
