Subject: Marine Unit DBW Equipment Grant 2015 - Update award documents
Attachments: DBW Law Enforcement Equipment Grant 2015 - SFPD Grant Agreement 12-11-15.pdf

All,

As we have all discussed, we were unable to complete the SF Marine 10 repower grant project as BAAQMD determined the project to not meet its requirements for smog reduction. As such, we have notified the State's Parks and Rec, Division of Boating Waterways that their partial funding for this project (\$77,000) will not be needed and that we wish to reallocate those funds to other critical projects that we have here at the Marine Unit.

On Friday the State provided me with the attached updated grant award agreement, notating the exact projects and amounts for which we intend to expend the \$77,000. We are now ready (and behind schedule) to present this grant award to the Police Commission and BOS for acceptance. We had been waiting to present this award simultaneously once the BAAQMD award came through, but with the cancellation of that project, we are ready to proceed with this long process.

Please advise what else you need from me in order to move this award to the Commission to be heard asap. I know they are in their holiday schedule, and there are a number of other issues the Commission is dealing with, but with the deadlines noted in this grant award, we don't have any time to lose.

Thank you all in advance for your assistance.

Thank you,

Sergeant Keith Matthews #102

APP # _____

1. Citation Authority

Does your boating safety and enforcement unit have citation authority? (Please select Yes or No) Yes No

If YES, Code #

644 H&N 663 H&N

Does your boating safety and enforcement unit have arrest authority? (Please select Yes or No) Yes No

If YES, Code #

832 PC 633 H&N

2. Boating Safety and Enforcement Income**Tax Revenue:**

Market Value of Boats 20,281,220

Multiplied by Tax Rate 1.159

23,505,933.98

Multiplied by Agency's General Tax Allocation Factor(%)
0.000

Boat Tax Revenue 0.00

Other Revenue:

a. other local revenue sources 0.00

b. any other State funding sources 0.00

TOTAL ANNUAL INCOME 0.00

Expenditures for boating safety and enforcement as defined in Section 663.7 (a) of the Harbors and Navigation Code: 1,313,270

3. Describe your agency's boating safety and enforcement activities

SFPD provides 7 day a week marine coverage of 64 square miles of County waters. The SFPD is responsible for all boating and safety enforcement. These duties include: search and rescue; recovery of drowned bodies; enforcement of State & local measures regulating boating activities; inspection of vessels & marinas; reporting and reconstruction of vessel accidents; the supervision of organized water events; underwater inspection of international container ships; EOD underwater operations; underwater evidence recovery; support of USCG operations and Critical Infrastructure patrols; HIV escorts; CBRNE threat assessment and operational prevention/mitigation; natural disaster waterborne platform assets; and assist outside law enforcement agencies with regional assets.

4. Describe your agency's needs for this grant

- a. Describe patrol boat in a two-foot window (ex. 19' - 21')
- b. Please upload boat specifications for review
- c. Describe type of engine and propulsion
- d. Describe trailer

Application Information for Boating Safety and Enforcement Equipment Grant - FY 2015 / 16
 Agency: San Francisco Police Department
 Application: Miscellaneous Equipment

- e. Give estimated cost of above
- f. Your BS&E unit will use this patrol boat for _____ hours per week.

** All items purchased with funding provided by the Division of Boating and Waterways are for the exclusive use of the Boating Safety and Enforcement Unit.*

5. Describe the recreational boating activity on your waterways:

There are five marinas within the City and County of San Francisco, with nearly 2500 registered recreational vessels. Our waters see thousands of recreational users including powerboats, sailboats, wind and kite surfers, sail and surf boarders, stand up paddle boards, kayakers and swimmers. We have more permitted marine events than anywhere else in the United States. We also attract thousands of tourist from around the world each year to enjoy our waters by both boat and beach.

6. Describe patrol boat/trailer/outboard motor being replaced

a. Vessel

Year	Make	Length	CF#	HIN #

b. Trailer

Year	Make	Length	Axles	License	VIN#

c. Outboard Motor(s)

Year	Make	Horsepower	Serial #

7. List your boating inventory

Year	Make	CF #
1992	Textron	5458 XC
2003	SAFE Boat	5361 XC
2003	SAFE Boat	5435 XC
1988	Zodiac RHIB	5362 XC
1997	Zodiac RHIB	5363 XC
2005	SeaDoo	4895 XC
2005	SeaDoo	4939 XC
2012	Moose	5412 XC
1988	Avon	5367 XC
2013	Moose	5494 XC

1. Statement of Need

Repower of 2009 Moose Boat patrol vessel: Highly outfitted shallow water vessel with: command/control space; personal rescuecraft and davit crane; radiation detection equipment; dive platform and controls; stabilized, long-range infrared camera system; 3D underwater sonar mapping system. Primary use is enforcement of State and local boating laws, as well as security of local ports and waterways, and safety oversight of large and small boating events throughout the region.

BlueView V-130, 2D Multibeam Imaging Sonar, Rotating Manipulator Arm and Recovery and Retrieval for VideoRay Pro 4 ROV. This acquisition of equipment will enhance our capabilities to recover evidence, property, drowning victims and increase security by using the sonar to sweep piers and ships for parasitic devices.
