Re: Type 48 Application [Expanding Square Footage of an Already Licensed Premise]

1092 Post Street, 1104 Polk Street. dba Jackalope
San Francisco, CA. 94109

Attn: California Alcoholic Beverage Control, and San Francisco Board of Supervisors-

Lower Polk is a changing neighborhood and we've been a part of that positive transition over the past year. We've done two basic things to make that happen:

First, we've added regular, well-trained security, who are quick to diffuse situations and move along troublesome people likely to engage in criminal or otherwise negative behavior. We also have multiple visible security cameras outside to a) help police in case there is a crime and b) discourage criminals from acting out because they see the cameras there.

Second, we've changed the demographic by altering the music, refusing to serve problematic people, and a variety of other measures. Our demographic is one that is unlikely to engage in crime, and quick to report problems to our security to ensure that Jackalope continues to be a safe, welcoming place for people to hang out.

We've been so successful with these tactics that we've even had police officers stop by on several occasions to tell us how happy they are with the change we've brought to the neighborhood.

Even with all of our efforts, we still have some safety concerns that expansion would solve:

The current business in the space we would like to expand into is a payday loan location, which has attracted a crowd that can be difficult to deal with for a variety of reasons. For example, certain people that stand outside of that business are regularly offering drugs to anyone who walks by, which may be targeting the customer base, or it may be because that business is

closed at 6 pm, which allows people to stand out front for much of the night with little interference. Allowing us to move into that space and implement the same security and customer measures we have at Jackalope would discourage that crowd from engaging in criminal behavior at that location. We are confident that regularly having security people at two businesses (in addition to cameras) directly next to each other later into the night would help deter a substantial amount of crime in the area.

Additionally, as we've grown more popular, capacity has become more of a concern, and adding an additional exit would solve that problem. Allowing us to expand would ensure more space for our customers, allow us to get customers out easier and more safely at closing, and, most importantly, would add an exit in case there were ever a need for an emergency evacuation.

Hours of Operation: 12:PM to 2:AM
