19 Section 1. (a) The Planning Department has determined that the actions  
20 contemplated in this ordinance comply with the California Environmental Quality Act  
21 (California Public Resources Code Sections 21000 et seq.). Said determination is on file with  
22 the Clerk of the Board of Supervisors in File No. 151085 and is incorporated herein by

25 contemplated in this ordinance are consistent, on balance, with the City’s General Plan and  
eight priority policies of Planning Code Section 101.1. The Board adopts this determination

18 are otherwise dangerous to human life, safety or health of the occupants or the occupants of  
19 adjacent properties or the public by reason of inadequate maintenance, dilapidation,  
20 obsolescence or abandonment, or by reason of occupancy or use in violation of law or  
21 ordinance, or were erected, moved, altered, constructed or maintained in violation of law or  
22 ordinance are, for the purpose of this chapter, unsafe.

24 either improved or unimproved are unstable because of landslide, subsidence or inundation or  
25 that such occurrences are deemed imminent as described above, the Building Official shall

1 give written notice to the owner or owners that said property or properties are unsafe. The  
2 notice shall specify the conditions creating the unsafe classification.

20 as provided in Section 609.1 of this Code to cover the Department's costs incurred to verify  
21 the abatement of the nuisance. Said violations shall not be deemed legally abated until the  
22 property owner makes full payment of the assessment of reinspection fees and late payment  
23 penalties to the Director.

24 (g) Notice of Hearing.  
25

1 (1) If the Responsible Parties failed to comply with the Notice of Violation or the  
2 Notice to Pay Relocation Benefits, the Director may hold a hearing by serving a copy of the  
3 Notice of Violation or the Notice to Pay Relocation Benefits, together with a notice of the time  
4 and place set for the hearing thereof, by personal service or by certified mail upon the  
5 Responsible Parties. The Director shall post a copy of the Notice of Violation or the Notice to  
6 Pay Relocation Benefits, together with the Notice of Hearing in conspicuous places  
7 throughout the building, structure or property. The time fixed for the hearing shall be no more  
8 ~~not be less~~ than 60 30 days after the deadline for abatement of the nuisance set in the Notice of  
9 Violation. service and posting of the copy of the Notice of Hearing; except in In those circumstances  
10 where the Director has issued a written determination that the nuisance constitutes a severe  
11 and immediate hazard to life, health or safety, ~~in which case~~ the time fixed for the hearing shall  
12 not be less than 12 hours after personal service and posting the Notice of Hearing. The  
13 Notice of Hearing shall inform all persons interested to appear at the hearing to show cause, if  
14 any, why the building, structure, or property should not be declared a nuisance or in the case  
15 where the Department has abated and removed the nuisance, why a lien should not be  
16 placed against the property for the costs incurred by the Department. The Notice of Hearing  
17 shall also state whether the Department will seek recovery of attorneys' fees for the hearing.  
18 In the case of unsanitary buildings, said notice shall also state that the hearing may result in  
19 the revocation of the certificate of sanitation, if any, and the mandatory vacation of occupants  
20 from the building.

21 (2) The Notice of Hearing shall be served by personal service or by certified mail  
22 on the Owner at the address as it appears on the last assessment rolls of the City and County  
23 of San Francisco. If the Notice is served by certified mail on the Manager, the Director shall  
24 mail the Notice of Hearing to the Manager's principal place of business, if any, or to the  
25 address of the building, structure or property in question. If the Notice of Hearing is served by

1 certified mail on any Person who created the condition that constitutes a nuisance, the  
2 Director shall mail the Notice of Hearing to the last known address of such Person at which it  
3 receives mail, if ascertainable. The person serving the Notice of Hearing shall complete a  
4 declaration under penalty of perjury, certifying the date and manner in which such Notice of Hearing  
5 was given, and the Director shall retain the certified mail receipt card, if any, for the Notice of  
6 Hearing. The failure of the Responsible Parties or Owner to receive such notice when sent in  
7 the manner set forth in this Subsection shall not affect in any manner the validity of any  
8 proceeding under this Article.

9 (h) Director's Hearing. A public hearing shall be held at the time and place designated  
10 in the Notice of Hearing. Subject to the procedures prescribed by the Director for the orderly  
11 conduct of the hearing, all persons having an interest in the building, structure or property in  
12 question or having knowledge of facts material to the Notice of Violation or the Notice to Pay  
13 Relocation Benefits may present evidence for consideration by the Director. Any hearing  
14 conducted pursuant to this Section shall be electronically recorded. The Director may elect to  
15 seek recovery of attorneys' fees by stating this intent in the Notice of Hearing. In a case  
16 where the Director makes this election, the prevailing party shall be entitled to recover  
17 reasonable attorneys' fees.

18 (i) Director's Order.

19 (1) Within 30 days after the conclusion of the hearing, the Director shall issue a  
20 written order setting forth finding of facts and a determination based upon the facts found in  
21 the record whether or not a nuisance, as defined by Section 581, exists or had existed in the  
22 building or structure or on the property and if the Department abated and removed the  
23 nuisance, the costs of abatement and removal of the nuisance by the Department, or a written  
24 order setting forth finding of facts and determination based upon the facts found in the record  
25 whether or not the relocation benefits have been paid and if the Department arranged for the

1 relocation of the affected tenant(s), the costs of that relocation to the Department. The order  
2 shall be served on the Responsible Parties, including but not limited to the Owner, in the  
3 same manner as set forth in Subsection (b) of this Section and shall be served on all other  
4 parties who provided testimony at the hearing by first class mail if such parties request at or  
5 before the hearing that the order be sent to them.

6 (2) Upon a finding that a nuisance exists in the building or structure or on the  
7 property, or a finding that appropriate relocation benefits have not been paid, the Director  
8 shall require in the order the abatement of the nuisance or the payment of the benefits within  
9 a specified time period not to exceed 30 days, unless extended by the Director if reasonably  
10 necessary to abate the nuisance. The time period shall be determined based on the nature  
11 and severity of the nuisance and any other circumstances of which the Director is aware. The  
12 order shall state either that, failure to abate and remove the nuisance will result in the  
13 abatement of the nuisance by the Department and that the Owner shall become indebted to  
14 the City and County of San Francisco for the costs, charges, and fees incurred by reason of  
15 the abatement and removal of such nuisance upon demand, or that failure to make the  
16 relocation benefit payments will result in the offering of relocation services to the affected  
17 tenant(s) by the Department and that the Owner shall become indebted to the City and  
18 County of San Francisco for the costs, charges, and fees incurred by reason of the making  
19 such relocation services available upon demand. The order shall inform the Responsible  
20 Parties that it shall be indebted to the City and County of San Francisco for all administrative  
21 costs, including attorneys' fees if sought by the Director in the Notice of Hearing, incurred by  
22 the Department in the prosecution of the abatement action or the prosecution of the relocation  
23 benefit payment action and that such costs are due upon demand. The order shall further  
24 state that failure to pay such costs, charges, and fees may result in a lien against the property.  
25 The order shall require the Responsible Parties to abate and remove the nuisance in

1 compliance with all applicable laws and regulations or shall require the Responsible Parties to  
2 make the relocation benefit payments in compliance with all applicable laws.

3 (3) In the case where Director determines that a nuisance had existed and that  
4 the Department had abated and removed the nuisance, or where the Director determines that  
5 the relocation benefits were owed to the affected tenant(s) and the Director provided  
6 relocation services to the affected tenant(s), the order shall itemize the costs of abatement  
7 and removal or provision of relocation services and all administrative costs incurred by the  
8 Department. The order shall notify the Owner that a lien will be assessed against the property  
9 for any outstanding costs if the Owner fails to reimburse the Department for the costs incurred  
10 by the Department as a result of the abatement and removal of the nuisance or the provision  
11 of relocation services within ten (10) days of the service of the order and that the lien shall  
12 also include additional charges for administrative expenses of \$1,000 or 10 percent of the  
13 costs of abatement and removal, whichever is higher, and interest at a rate of 1½ percent per  
14 month, or fraction thereof, compounded monthly from the date of recordation of the lien on all  
15 fees and charges due as aforesaid.

16 (4) The order shall advise the Responsible Parties that the order issued is final  
17 and of their right to petition the Superior Court of San Francisco for appropriate relief pursuant  
18 to Section 1094.6 of the California Code of Civil Procedures. The order shall notify the Owner  
19 that the filing of a petition with the Superior Court shall not automatically stay the effectiveness  
20 of the order or extend the time period in which the Responsible Parties have to abate the  
21 nuisance.

22 (5) The order shall provide for the recovery of reasonable attorneys' fees for the  
23 prevailing party for those proceedings in which the Director has sought to recover attorneys'  
24 fees.

1 (6) In case of an unsanitary building, the Director shall revoke the certification of  
2 sanitation if the building is a hotel and may order the vacation of any unsanitary building for all  
3 purposes, and shall cause a copy of said order to be posted in conspicuous places throughout  
4 the aforesaid structure, building or part thereof determined by the Director to be a nuisance,  
5 and a copy thereof is to be personally served upon the Owner thereof or his agent, or the  
6 lessee or the occupant thereof. The order shall specify the time within which said structure,  
7 building or part thereof determined by the Director to be a nuisance shall be vacated. The  
8 order shall further advise that structure, building or part thereof vacated hereunder shall not  
9 be reoccupied without the written permission of the Director. Such permission shall be  
10 granted when the nuisance cited is abated within the time set forth in the order.

11 (j) Regulations. The Director is hereby empowered to promulgate administrative  
12 regulations, after a noticed public hearing, to implement the provisions of this Article and  
13 applicable provisions of State law. Such rules and regulations shall take effect 30 days after  
14 the public hearing. Violation of any such rule or regulation and any existing rules or  
15 regulations promulgated pursuant to this Article constitute a nuisance and may be grounds for  
16 administrative, civil, or criminal action against the Responsible Party. To the extent feasible, the  
17 Director shall use the Citywide forms for Notice of Violation and Notice of Hearing developed by the  
18 City Administrator.

19  
20 **SEC. 600. PENALTIES.**

21 (a) Criminal Penalty. In addition to any other penalties provided in this Article, any  
22 person, or their agents, violating any of the provisions of this Article, or failing to comply with  
23 any direction or order of the Director given pursuant to the provisions of this Article, shall be  
24 guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less  
25

1 than \$100 and not more than \$1000, or by imprisonment if the County Jail for a period of not  
2 less than 10 days nor more than three months, or by both such fine and imprisonment.

3 (b) Civil Penalty.

4 (1) City Attorney Referral. The Director may refer a case to the City Attorney's  
5 Office for civil enforcement at any time. ~~only after a Responsible Party has failed to comply with (i)~~  
6 ~~a Director's Order under Section 596, or (ii) an administrative citation that is final for failure to~~  
7 ~~exhaust administrative remedies under Administrative Code Section 100.12 or following appeal to a~~  
8 ~~Hearing Office or to Superior Court. This limitation shall not apply to conditions that, in the opinion~~  
9 ~~of the Director, constitute an immediate threat to public health and safety.~~

10 (2) Presumption of Noncompliance with Order. In addition to any other  
11 penalties provided in this Article, any person or entity served with a notice or order by the  
12 Director setting forth the nature of the violation of this Article, demanding correction of such  
13 violation, and specifying the time within which such violation must be corrected, shall be  
14 presumed, in subsequent civil proceedings, to have failed to comply with that notice or order  
15 at and after the time given in that notice or order for correction of such violation, after the time  
16 period specified in the notice or order has expired without correction of that violation.

17 (3) Penalty Amounts. Any person or entity violating this Article shall be liable  
18 for a civil penalty of up to \$1,000 per violation for each day such violation is committed or  
19 permitted to continue, which penalty shall be assessed and recovered in a civil action brought  
20 in the name of the people of the City and County of San Francisco by the City Attorney in any  
21 court of competent jurisdiction. If a Responsible Party corrects a violation within the period  
22 specified in the Notice of Violation under Section 596(e)(1), the Court shall not award civil  
23 penalties for that violation under this Section provided that the Director has not cited the  
24 Responsible Party for the same type of violation at the same property more than twice in a 12-  
25 month period.

1           (4) Setting Civil Penalty. In assessing the amount of the civil penalty, the Court  
2 shall consider any one or more of the relevant circumstances presented by any of the parties  
3 to the case, including but not limited to the following: the nature and seriousness of the  
4 misconduct, the number of violations, the persistence of the misconduct, the length of time  
5 over which the misconduct occurred, the willfulness of the defendant's misconduct, and the  
6 defendant's assets, liabilities, and net worth. Any penalty assessed and recovered in an  
7 action brought pursuant to this paragraph shall be paid to the City and credited to the Public  
8 Health Environmental Health Code Compliance Fund for use in enforcement and prevention  
9 of violations of this Article. In addition, such violations will not be deemed legally abated until  
10 the property owner makes full payment of the assessment of costs and fees awarded to the  
11 City under this Article or any applicable State law.

12           (5) Cost Recovery. In any civil proceeding filed by the City Attorney to collect  
13 civil penalties, the Court may award the Department the costs and fees, including but not  
14 limited to attorneys' fees, authorized under this Article.

15           (c) Administrative Penalty.

16           (1) Penalty Amounts. As an alternative to any other fines and penalties  
17 applicable to a violation of Section 581(b), any person who violates one or more of those  
18 subparagraphs shall be subject to an administrative penalty not to exceed \$1,000 for each  
19 violation, for each day such violation occurs. The administrative penalty shall be assessed,  
20 enforced and collected under Section 596 of this Article. If a Responsible Party corrects a  
21 violation within the period specified in the Notice of Violation under Section 596(e)(1), the  
22 Hearing Officer shall not award administrative penalties for that violation under this Section  
23 provided that the Director has not cited the Responsible Party for the same type of violation at  
24 the same property more than twice in a 12-month period.

1           (2) Setting Administrative Penalty. In setting the amount of the administrative  
2 penalty, the hearing officer shall consider any one or more of the relevant circumstances  
3 presented by any of the parties to the case, including but not limited to the following: the  
4 nature and seriousness of the misconduct, the number of violations, the persistence of the  
5 misconduct, the length of time over which the misconduct occurred, the willfulness of the  
6 defendant's misconduct, and the defendant's assets, liabilities, and net worth. Any penalty  
7 assessed and recovered in an action brought pursuant to this paragraph shall be paid to the  
8 City and credited to the Public Health Environmental Health Code Compliance Fund for use in  
9 enforcement and prevention of violations of this Article. In addition, such violations will not be  
10 deemed legally abated until the property owner makes full payment of the assessment of  
11 costs and fees awarded to the City under this Article or any applicable State law.

12           (3) Cost Recovery. In any civil proceeding filed by the City Attorney to collect  
13 administrative penalties, the Court may award the Department the costs and fees, including  
14 but not limited to attorneys' fees, authorized under this Article. Any administrative penalty  
15 assessed and recovered pursuant to this paragraph shall be paid to the City Treasurer and  
16 credited to the Public Health Environmental Health Code Compliance Fund for use in  
17 enforcement and prevention of violations of this Article.

18           *(d) Remedies under this Article 11 are non-exclusive, and the City Attorney may institute civil*  
19 *proceedings for injunctive and monetary relief, including civil penalties, against any person for*  
20 *violations of the Health Code under any circumstances, without regard to whether a complaint has*  
21 *been filed or the Director has issued a Notice of Violation or an order to abate a nuisance under*  
22 *Section 596(i).*

23  
24           Section 10. The Planning Code is hereby amended by revising Sections 176 and  
25 176.1, to read as follows:

1 **SEC. 176. ENFORCEMENT AGAINST VIOLATIONS.**

2 (a) Violations Unlawful. Any use, structure, lot, feature or condition in violation of this  
3 Code is hereby found and declared to be unlawful and a public nuisance. Should any permit  
4 or license have been issued that was not then in conformity with the provisions of this Code,  
5 such permit or license shall be null and void.

6 (b) Methods of Enforcement. The Zoning Administrator shall have authority to enforce  
7 this Code against violations thereof by any of the following actions:

8 (1) Serving notice requiring the cessation, removal or correction of any violation  
9 of this Code upon the owner, agent or tenant of the property that is the subject of the violation,  
10 or upon the architect, builder, contractor or other person who commits or assists in such  
11 violation;

12 (2) Calling upon the City Attorney to maintain an action for injunction to restrain  
13 or abatement to cause the correction or removal of any such violation, and for assessment  
14 and recovery of a civil penalty for such violation as well as any attorneys' fees or costs,  
15 including but not limited to expert witness fees, incurred in maintaining such an action;

16 (3) Calling upon the District Attorney to institute criminal proceedings in  
17 enforcement of this Code against any such violation; and

18 (4) Calling upon the Chief of Police and authorized agents to assist in the  
19 enforcement of this Code.

20 (c) Penalties.

21 (1) Administrative Penalties. In the notice requiring the cessation, removal or  
22 correction of any violation of this Code, the Zoning Administrator may assess upon the  
23 responsible party an administrative penalty for each violation in an amount up to \$250.00 for  
24 each day the violation continues unabated. The "responsible party" is the owner(s) of the real  
25 property on which the code violation is located, as listed in the records of the San Francisco

1 Assessor, and the current leaseholder if different from the current owner(s) of the real  
2 property.

3 The responsible party may request a Zoning Administrator's hearing in order to  
4 show cause why the notice requiring the cessation, removal or correction of the violation and  
5 any assessment of administrative penalties is in error and should be rescinded. The Zoning  
6 Administrator may designate a member of Department staff to act as the hearing officer in his  
7 or her place. The Department shall send a notice of the date, hour, and place of the hearing  
8 to the responsible party at the address specified in the request for hearing and to any member  
9 of the public who has expressed an interest in the matter.

10 The responsible party may also request that the Zoning Administrator terminate  
11 abatement proceedings under Section 176 and refer the matter to the Director for  
12 enforcement action under the process set forth in Section 176.1 of this Code. If the Zoning  
13 Administrator determines that the enforcement case will proceed under Section 176, that  
14 determination shall be made as part of the final written decision and is not appealable  
15 separately from the decision on the merits.

16 The responsible party may waive the right to a Zoning Administrator's hearing  
17 and proceed directly to an appeal to the Board of Appeals under Section 308.2 of this Code.  
18 Administrative penalties shall not accrue during the period of time that the matter is pending  
19 before the Zoning Administrator on a request for hearing or before the Board of Appeals on  
20 appeal. If the responsible party elects to request a Zoning Administrator's hearing, the  
21 request for hearing must be in writing and submitted to the Zoning Administrator prior to the  
22 expiration date of the Notice of Violation and Penalty. If a request for a Zoning Administrator's  
23 hearing is timely filed, any appeal to the Board of Appeals shall be from the decision of the  
24 Zoning Administrator rendered after the hearing.

25

1           The Zoning Administrator or the Zoning Administrator's designee, after a full and  
2 fair consideration of the evidence and testimony received at the hearing, shall render within  
3 thirty days following the conclusion of the hearing a written decision that either rescinds the  
4 notice of violation and dismisses the proceedings, upholds the original decision, or modifies  
5 the original decision. In rendering a decision, the Zoning Administrator or the Zoning  
6 Administrator's designee shall consider:

7                   (A) whether the responsible party was properly identified;

8                   (B) whether the accrual dates for the administrative penalties are  
9 accurate;

10                  (C) the amount of documented staff time spent in order to secure  
11 abatement of the violation;

12                  (D) the nature of the violation;

13                  (E) the duration of the violation;

14                  (F) efforts made by the responsible party to correct the violation;

15                  (G) the impact of the violation upon the community;

16                  (H) any instance in which the responsible party has been in violation of  
17 the same or similar laws at the same or other locations in the City and County of San  
18 Francisco;

19                  (I) the responsible party's good faith efforts to comply;

20                  (J) whether the violation is easy to correct; and

21                  (K) such other factors as the Zoning Administrator or his or her designee  
22 may consider relevant.

23           In hearing any appeal of the Zoning Administrator's determination, the Board of  
24 Appeals shall consider the above factors. If the Board upholds the Zoning Administrator's  
25 decision in whole or in part but reduces the amount of the penalty, it may not reduce the

1 amount of the penalty below \$100.00 for each day that the violation exists, excluding the  
2 period of time that the matter has been pending either before the Zoning Administrator on a  
3 request for hearing or before the Board of Appeals on appeal.

4 In addition to any administrative penalties imposed under this subsection (c)(1), the  
5 Zoning Administrator may recover any attorneys fees and costs, including but not limited to expert  
6 witness fees, incurred by the City in pursuing administrative remedies. The provision of  
7 administrative penalties is not intended to be punitive in nature but is intended to secure  
8 compliance with the Planning Code and to compensate the City for its costs of enforcement.

9 (2) Civil Penalties. Any individual, firm, partnership, corporation, company,  
10 association, society, group or other person or legal entity that violates any provision of this  
11 Code shall be liable for the City's costs of enforcement and a civil penalty, of not less than  
12 \$200.00 for each day such violation is committed or permitted to continue, which penalty shall  
13 be assessed and recovered in a civil action brought in the name of the people of the City and  
14 County of San Francisco by the City Attorney in any court of competent jurisdiction. The City  
15 Attorney may seek recovery of any attorneys' fees and costs, including but not limited to  
16 expert witness fees, incurred by the City in bringing such civil action. For civil actions to  
17 enforce Municipal Code provisions related to general advertising signs, the penalties,  
18 attorneys' fees and costs set forth in this Section 176 shall be in addition to those authorized  
19 by Section 610 of this Code.

20 (3) Criminal Penalties. Any individual, firm, partnership, corporation, company,  
21 association, society, group or other person or legal entity that violates any provision of this  
22 Code shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in  
23 an amount not less than \$200.00 or be imprisoned for a period not exceeding six months or  
24 be both so fined and imprisoned. Each day such violation is committed or permitted to  
25 continue shall constitute a separate offense and shall be punishable as such hereunder.

1 (4) Planning Code Enforcement Fund. Any fees and penalties collected  
2 pursuant to this Section 176 shall be deposited in the Planning Code Enforcement Fund  
3 established by Administrative Code Section 10.100-166. The Planning Department, through  
4 the Planning Code Enforcement Fund, shall reimburse City departments and agencies,  
5 including the City Attorney's Office, for all costs and fees incurred in the enforcement of this  
6 Section 176.

7 (d) Additional Methods of Enforcement and Penalties for Violation of Sign Regulations.  
8 Violation of the general advertising sign regulations set forth in Article 6 are subject to the  
9 administrative penalties and enforcement procedures set forth in Section 610 of this Code, in  
10 addition to those set forth in this Section 176.

11 (e) Use of Penalties Collected. All penalties collected under this Section 176 shall be  
12 deposited in the Planning Code Enforcement Fund established in Administrative Code Section  
13 10.100.166 and shall be used for the purposes specified in that section.

14 (f) Remedies under this Section 176 are non-exclusive, and, notwithstanding subsection (b)(2),  
15 the City Attorney may at any time institute civil proceedings for injunctive and monetary relief,  
16 including civil penalties, against any person for violations of the Planning Code, without regard to  
17 whether the Zoning Administrator has issued a notice of violation, instituted abatement proceedings,  
18 scheduled or held a hearing on a notice of violation, or issued a final decision. For proceedings  
19 instituted under this subsection (f), the City Attorney shall notify the Zoning Administrator or the  
20 Planning Director, as appropriate, and collaborate, where mutually desired, on the prosecution of the  
21 action. The City Attorney may seek recovery of any attorneys fees and costs, including but not limited  
22 to expert witness fees, incurred by the City in bringing a proceedings under this subsection (f).

23  
24 **SEC. 176.1. ADMINISTRATIVE ENFORCEMENT PROCEDURES.**

25 (a) Purpose and Intent.

1           (1) The Board of Supervisors finds that enforcement of the Planning Code is  
2 vital to ensuring the quality of life in San Francisco's neighborhoods and in the City as a  
3 whole. A comprehensive code enforcement program using a combination of judicial and  
4 administrative remedies is likely to be the most successful approach to secure compliance  
5 with Planning Code requirements. Therefore, it is in the best interests of the City and its  
6 citizens to provide an alternative method of administrative enforcement that is designed to  
7 induce compliance with the Planning Code through action by the Director to issue and record  
8 orders of abatement and assess administrative penalties.

9           (2) The alternative methods of administrative enforcement established by this  
10 Section do not replace but rather are intended to supplement the enforcement remedies  
11 established in Section 176 and other penalties or methods of enforcement, both civil and  
12 criminal, that are authorized by law. The provision for administrative penalties is not intended  
13 to be punitive in nature but is intended to secure compliance with the Planning Code and to  
14 compensate the City for its costs of enforcement.

15           (3) By establishing multiple enforcement mechanisms, it is intended that the  
16 Department will elect to use the mechanism most likely to achieve an expeditious and  
17 effective resolution of the violation in a particular case with the best use of the City's  
18 resources. In exercising this discretion, the Department should usually elect to use the  
19 Director's authority under this Section 176.1 in those cases where the legal or factual issues  
20 are not complex and where an interpretation of the Planning Code is not at issue, and reserve  
21 the enforcement mechanisms in Section 176 for those cases that are more complex or where  
22 interpretations of the Planning Code are at issue.

23           (b) Authority of the Director. The Director may enforce against violations of the  
24 Planning Code through the alternative administrative remedies of this Section 176.1. The  
25

1 Director may designate a member of Department staff to act under his or her authority with  
2 respect to any action the Director is authorized to take in this Section 176.1.

3 If the Department elects to use the administrative remedies of this Section, the  
4 Department must use the abatement process set forth in this Section. However, as provided  
5 in Section (d)(3) below, the Department is not precluded from pursuing the alternative remedies  
6 of Section 176 if abatement of the violation has not been achieved under this Section 176.1.  
7 In addition, the Department's election of this process shall not affect the City Attorney's  
8 Charter authority to pursue a civil action. If the City Attorney filed a civil action against the  
9 property prior to the Director's issuance of the notice of violation under this Section 176.1, at  
10 the City Attorney's election the process under this Section 176.1 shall be terminated and  
11 abatement of the alleged violations shall be pursued by the City Attorney in the ongoing civil  
12 action.
