35-45 Onondaga Landmark Designation (Alemany Emergency Hospital and
Health Center)
BOS File No: _____ (pending)
Historic Preservation Commission Recommendation: Approval**

Dear Ms. Calvillo and Supervisor Avalos,

On March 16, 2016 the San Francisco Historic Preservation Commission (hereinafter "HPC") conducted a duly noticed public hearing at a regularly scheduled meeting to consider a recommendation for landmark designation of 35-45 Onondaga Avenue, known historically as the Alemany Emergency Hospital and Health Center, to the Board of Supervisors. At the hearing, the HPC voted to approve a resolution to recommend landmark designation pursuant to Article 10 of the Planning Code.

The proposed amendments have been determined to be categorically exempt from environmental review under the California Environmental Quality Act Section 15060(c)(2).

Supervisor Avalos, it is my understanding that you intend to sponsor the proposed Ordinance. Please contact the Clerk of the Board of Supervisors at your earliest convenience.

Please find attached documents relating to the HPC's action. The original redlined version and two copies of the ordinance will be delivered to the Clerk's office shortly. If you have any questions or require further information please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron D. Starr".
