Business and/or professional experience:

As a long time San Francisco Bicycle Coalition volunteer, daily bicycle commuter and bicycle industry professional, I believe that my professional experience, knowledge and skillset make me an ideal candidate to serve on the Bicycle Advisory Committee, as the representative for District 9.

In my current role as the U.S. Sales Manager for Cycliq, a company that makes bike lights with integrated video and audio cameras, and previously, for 2+ years as a Sales Associate with MonkeyLectric, another bicycle light company, I have devoted my working life to the cause of safety for cyclists. In the process, I have developed strong relationships with all of the local bicycle shops throughout San Francisco. I communicate with these shops regularly about their views on bicycle infrastructure developments and potential projects.

As a daily bicycle commuter and recreational rider, I have my finger firmly on the pulse of my neighborhood's hot spots in terms of dangerous intersections and the established bike routes that need better signage/pavement markings. I am committed to realizing the visions set out in the Bicycle Plan and to helping us achieve the goals of Vision Zero.

As a long time SFBC volunteer, I have led commuter convoys on Bike to Work Day, handed out blinky lights on Market street, and participated in their 5 year planning processes. I am committed to a San Francisco that is safe for pedestrians, motorists and cyclists alike. I believe strongly in a "give respect, get respect" framework when it comes to sharing the road.
