9 **SEC. 23.3. CONVEYANCE AND ACQUISITION OF REAL PROPERTY.**

10 The Director of Property may Convey any Real Property owned by the City upon
11 recommendation of the department responsible for the administration of such Real Property,
12 excepting park lands pursuant to Charter Section 4.113(2) or where a Conveyance of such
13 Real Property would violate the terms of any gift, trust, deed restriction, bond covenant, or
14 other covenant or restriction under which the City holds the Real Property. Such Conveyance
15 may be made after the Board of Supervisors, by resolution, determines that the public interest
16 or necessity demands, or will not be inconvenienced by, such Conveyance, and approves the
17 Conveyance. ~~If the Conveyance is a Competitive Bidding Process or a public auction, the Board shall~~
18 ~~approve and confirm by resolution any such Conveyance after such Competitive Bidding Process or~~
19 ~~auction process is complete. The Board's resolution authorizing a Conveyance shall set forth the means~~
20 ~~of Conveyance, whether by public auction, Competitive Bidding Process or such other means of~~
21 ~~disposition as the Board may authorize by resolution.~~ The Board of Supervisors may authorize
22 such Conveyance by resolution without advertisement, public auction, or Competitive Bidding
23 Process if it determines that an advertisement, public auction, or Competitive Bidding Process is
24 impractical, ~~or impossible, or is otherwise not in the public interest,~~ including, for example only
25 and not by way of limitation, when the Real Property is not capable of independent

1 development, will be exchanged for other Real Property, or when the Board determines that a
2 negotiated direct Conveyance of the Real Property will further a proper public purpose.

3 Before the Board of Supervisors approves a Conveyance, the Director of Property shall
4 determine the fair market value of such Real Property based on a review of available and relevant
5 data and give the notices required by California Government Code Section 54220 et seq.,
6 Administrative Code Chapter 23A, or any other applicable provision of state law. Before the Board
7 of Supervisors approves any Acquisition of Real Property that is not a donation of Real Property, the
8 Director of Property shall determine the fair market value of such Real Property based on a review of
9 available and relevant data.

10 If the Director of Property determines the fair market value of Real Property that the City
11 intends to Acquire or Convey exceeds \$10,000 and the proposed Acquisition is not a donation, the
12 Director of Property shall obtain an Appraisal for the Real Property. If the Appraisal determines the
13 fair market value of the Real Property exceeds \$200,000, the Director of Property shall obtain an
14 Appraisal Review for such Appraisal. Any Appraisal and Appraisal Review shall have an effective date
15 of value that is not earlier than nine months before the date legislation for the proposed Acquisition or
16 Conveyance is submitted to the Board of Supervisors.

17 The Director of Property shall also advertise by publication the proposed Conveyance if
18 the Conveyance will be by public auction or Competitive Bidding Process, for no less than 30
19 days an appropriate period as determined by the Director of Property. Every Conveyance other
20 than a sale at public auction or through a Competitive Bidding Process shall be for a sales
21 price of at least 100% ~~percent~~ of the appraised value ~~Director of Property's appraisal~~ of such Real
22 Property, except where the Board determines either that (a) a lesser sum will further a proper
23 public purpose, or (b) based on substantial evidence in the record, the terms and conditions
24 of such Conveyance are reflective of the fair market value of the Real Property
notwithstanding the appraised value ~~appraisal~~.

1 **SEC. 23.14. DIRECTOR OF PROPERTY'S REPORT.**

2 Within 30 days after the receipt of the request required by the preceding Section 23.13,
3 the Director of Property shall prepare a report for the Mayor and the requesting department of
4 the estimated fair market value of the Real Property, the character of the improvements
5 thereon and an evaluation as to whether, in the opinion of the Director of Property, the Real
6 Property can be advantageously used by the requesting department for the purposes
7 specified in the request. If the Director of Property determines the estimated fair market value
8 of Real Property exceeds \$10,000, the Director of Property shall obtain an Appraisal for the
9 Real Property. If the Appraisal determines the fair market value of the Real Property exceeds
10 \$200,000, the Director of Property shall obtain an Appraisal Review for such Appraisal. Any
11 Appraisal and Appraisal Review shall have an effective date of value that is not earlier than
12 nine months before the date any legislation for the proposed transfer is submitted to the Board
13 of Supervisors.

14
15 **SEC. 23.20. PAYMENT.**

16 Transfers of Real Property pursuant to this Article shall be paid for no less than 100%
17 of the appraised value, at the current fair market value as determined by the Director of
18 Property, unless otherwise directed by the Board of Supervisors by resolution, except where
19 the Board of Supervisors determines by resolution that a lesser sum will further a proper
20 public purpose, and provided that the Public Utilities Commission shall be paid at least the
21 historical cost of such Real Property.

22
23 **SEC. 23.26. YEAR-TO-YEAR AND SHORTER LEASES.**

24 The Director of Property shall have the authority to enter into the following Leases on
25 behalf of the City as tenant: (a) on a year-to-year or shorter tenancy where the ~~rental or other~~

1 consideration to be paid for the Lease City occupancy or use of Real Property within the City and
2 County of San Francisco is \$15,000~~\$5,000~~ or less per month, and (bii) where the term of a Lease
3 will not exceed 31 days, including without limitation month-to-month Leases.

4 The Director of Property may include in any Lease authorized by this Section 23.26 an
5 appropriate indemnity agreement for the purpose of providing for the City's occupancy or
6 other use of such Real Property (including, without limitation, conducting environmental
7 investigations and assessments), subject, however, to written approval as to form by the City
8 Attorney and written recommendation by the head of the department concerned.

9 The Director of Property shall determine the rental or other consideration to be paid for
10 all such Real Property and shall obtain from the Controller written certification that funds are
11 available for such Lease. The department concerned shall give written notice to the Director of
12 Property when such Lease is terminated by the City.

13
14 **SEC. 23.27. EXECUTION OF LEASES; APPRAISALS AND APPRAISAL REVIEWS;**
15 **RESOLUTION AUTHORIZING LEASE.**

16 Except as otherwise provided by the Charter, Section 23.26 above, or other provision
17 of this Code, the Board of Supervisors shall approve all Leases on behalf of the City as tenant
18 by resolution. Before adoption, the head of the department concerned shall recommend any
19 such resolution for approval by the Board of Supervisors and the Director of Property shall
20 determine the Market Rent of such Lease based on a review of available and relevant data. If the
21 consideration to be paid by the City for the Lease as base rent is more than \$45 per square foot per
22 year, the Director of Property, on behalf of the department concerned, shall obtain an Appraisal for the
23 Market Rent of the Lease. If the consideration to be paid by the City for the Lease as base rent is more
24 than \$60 per square foot per year, the Director of Property, on behalf of the department concerned,
shall obtain an Appraisal Review for such Appraisal. Any Appraisal or Appraisal Review shall have an

1 effective date of value that is not earlier than nine months before the date legislation for the proposed
2 Lease is submitted to the Board of Supervisors. All such Leases shall be executed by the Director
3 of Property or as otherwise directed by resolution of the Board of Supervisors.

4
5 **SEC. 23.30. LEASE OF REAL PROPERTY.**

6 Except as provided by Sections 4.112, 4.113, 4.114, 4.115, and B3.581 of the Charter
7 and by Sections 2A.173 and 23.36 ~~and~~ of this Code, or as otherwise provided by the Charter
8 or this Code, the Director of Property shall have the charge of the Lease of Real Property
9 owned by the City. When the head of any department in charge of Real Property reports to
10 the Director of Property that certain land is not required for the purposes of the department,
11 the Board of Supervisors, by resolution, may authorize the Lease of such Real Property. The
12 Director of Property shall determine the Market Rent of such Lease based on a review of available and
13 relevant data. If the Market Rent of the Lease is more than \$45 per square foot per year as base rent,
14 the Director of Property shall obtain an Appraisal for such Lease. If an Appraisal determines the
15 Market Rent of the Lease exceeds \$60 per square foot per year as base rent, the Director of Property
16 shall obtain an Appraisal Review for such Appraisal. Any Appraisal or Appraisal Review shall have an
17 effective date of value that is not earlier than nine months before the date legislation for the proposed
18 Lease is submitted to the Board of Supervisors. The Director of Property shall arrange for such
19 Lease to the highest responsible bidder in accordance with Competitive Bidding Procedures
20 and for no less than the Director of Property's opinion of Market Rent if there is no Appraisal, or for
21 no less than the Market Rent stated in the Appraisal if there is an Appraisal, unless the Board of
22 Supervisors has by resolution found that (a) such Competitive Bidding Procedures are
23 impractical or impossible or has authorized other means of award in furtherance of a proper
24 public purpose, or (b) a lesser sum will further a proper public purpose. The Director of
25 Property shall collect rents due under such Lease.

1 When the Public Utilities Commission, the Recreation and Park Commission, the Port
2 Commission, the Airport Commission, or the Municipal Transportation Agency require approval of
3 the Board of Supervisors to a proposed Lease of Real Property owned by the City, the applicable
4 Commission or Agency shall determine the Market Rent of such Lease based on a review of available
5 and relevant data. If the Market Rent of the Lease is more than \$45 per square foot per year as base
6 rent, the applicable Commission or Agency shall, through the Director of Property, obtain an
7 Appraisal of the Market Rent for the Lease, and such Lease shall be for no less than the Market Rent
8 established in the Appraisal unless (1) the Commission or Agency determines that applying the Market
9 Rent requirement would interfere with its capacity in discharging one of its core functions under the
10 City Charter, (2) the Board of Supervisors has found by resolution that a lesser sum will further
11 a proper public purpose, or (3) the Executive Director of the Port determines that applying the
12 Market Rate requirement would conflict with the Port Commission's annually adopted
13 parameter rental rate for the proposed Lease. If an Appraisal determines the Market Rent of the
14 Lease exceeds \$60 per square foot per year as base rent, the applicable Commission or Agency shall,
15 through the Director of Property, obtain an Appraisal Review for the Appraisal. Any Appraisal or
16 Appraisal Review shall have an effective date of valuation that is not earlier than nine months before
17 the date legislation for the proposed Lease is submitted to the Board of Supervisors.

18
19 **SEC. 23.31. YEAR-TO-YEAR OR SHORTER LEASES.**

20 If any department in charge of City-owned Real Property requests the Director of
21 Property to Lease, City-owned Real Property, the Director of Property shall have the authority
22 to enter into the following Leases on behalf of the City as Landlord: (a~~ii~~) on a year-to-year or
23 shorter tenancy, where such Real Property has a fair market rental value of ~~\$15,000~~\$5,000 or
24 less per month, and (b~~ii~~) where the term of a Lease will not exceed 31 days, including without
limitation month-to-month Leases. In addition, where, in the opinion of the Director of

1 Property, the Leasing of such Real Property for landscaping or gardening serves a public
2 purpose, the Director of Property may Lease such Real Property at a nominal rental, on a
3 year-to-year or shorter tenancy, and on such other terms and conditions as the Director of
4 Property may require.

5 Within 10 days after entering into any Lease under this Section 23.31, the Budget and
6 Finance Committee of the Board of Supervisors shall be notified by the Director of Property as
7 to the terms and conditions of such Leases.

8
9 Section 2. Effective Date. This ordinance shall become effective 30 days after
10 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
11 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
12 of Supervisors overrides the Mayor's veto of the ordinance.

13
14 Section 3. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors
15 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,
16 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal
17 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment
18 additions, and Board amendment deletions in accordance with the "Note" that appears under
19 the official title of the ordinance.

REVISED LEGISLATIVE DIGEST
(5/19/2016, Amended in Committee)

[Administrative Code - Appraisals for Jurisdictional Transfers and the Acquisition, Conveyance, and Lease of Real Property]

Ordinance amending the Administrative Code to require appraisals and appraisal reviews for certain City jurisdictional transfers, acquisitions, conveyances and leases of real property; requiring that appraisals conform to the Uniform Standards of Professional Appraisal Practice and be prepared by qualified appraisers; and increasing the rent limits for the Director of Property's existing authority to enter into leases for the City.

Existing Law

Administrative Code Chapter 23 governs City jurisdictional transfers and certain City real property acquisitions, conveyances and leases. It requires the Director of Property to appraise the fair market value of any City real property subject to a proposed jurisdictional transfer or conveyance.

In addition, except for leases under the exclusive jurisdiction of the City's Public Utilities Commission, the Recreation and Park Commission, Port Commission, and the Municipal Transportation Agency (the "Exclusive Jurisdiction Departments"), the Director of Property must arrange for the lease of City property to the highest responsible bidder through a competitive bidding process unless the Board of Supervisors authorizes an alternative process. Chapter 23 further authorizes the Director of Property to (i) lease City property for a year-to-year or shorter term if the City property has a fair market monthly rental value of \$5,000 or less, or if the lease term will not exceed 31 days, and to (ii) lease property for the City for a year-to-year or shorter term if the monthly rent to be paid by City is \$5,000 or less, or if the lease term will not exceed 31 days. Any other lease by the Director of Property must be authorized by the Board of Supervisors.

Current City policies require that all leases of City property, including those by the Exclusive Jurisdiction Departments, be awarded through competitive bidding procedures unless the anticipated revenue is expected to be less than \$2,500 per month or the competitive bidding procedures are impractical or impossible. They also require that leases of City property be for no less than fair market value if the lease is expected to produce revenue of less than \$2,500 per month or if the lease is not awarded through competitive bidding procedures, unless there is a public purpose finding for the lower value.

All jurisdictional transfers and conveyances of a fee or easement interest in City real property require the approval of the Board of Supervisors. Exclusive Jurisdiction Departments must also obtain the approval of the Board of Supervisors for any acquisitions or leases that exceed the limits of City Charter Section 9.118.

Amendments to Current Law

This ordinance would require appraisals for certain jurisdictional transfers, acquisitions, conveyances, and leases of real property by or for City, but would not apply to acquiring real property that is either donated to the City or has a fair market value of \$10,000 or less. Appraisals would be required if the City's Director of Property determines the fair market value of the real property is more than \$10,000 for a covered jurisdictional transfer, acquisition or conveyance, or the fair market rent of a lease is determined to be more than \$45 per square foot per year as base rent. Appraisal reviews would also be required if the appraisal for a covered jurisdictional transfer, acquisition or conveyance determines that fair market value of the real property is more than \$200,000, or determines the market rent of the lease is more than \$60 per square foot per year as base rent.

Unless the Board of Supervisors determines that a lesser sum would further a proper public purpose or otherwise reflects fair market value, any jurisdictional transfer or conveyance of City property subject to the appraisal requirements must be for no less than the value established in the appraisal. Any lease of real property by or for City subject to the appraisal requirements shall be for no less than the market rent established in the appraisal unless the applicable Exclusive Jurisdiction Department commission or agency determines the appraised market rent would interfere with a core function, the Board of Supervisors determines that a lesser rent would further a proper public purpose, or the Port's Executive Director determines the appraised market rate would conflict with the applicable parameter rental rate adopted by the Port Commission.

This ordinance would also increase the Director of Property's authority to (i) lease City property for a year-to-year or shorter term if the City property has a fair market monthly rental value of \$15,000 or less, or if the lease term will not exceed 31 days, and to (ii) lease property for the City for a year-to-year or shorter term if the monthly rent to be paid by City is \$15,000 or less, or if the lease term will not exceed 31 days.

Background Information

Chapter 23 requires the Director of Property to appraise the fair market value of any City property subject to a conveyance, but it does not specify standards for that appraisal. It is also silent about valuing real property proposed for City's acquisition or to be leased by or for City. The Exclusive Jurisdiction Departments have exclusive jurisdiction over certain real property acquisitions and leases and will not be subject to the proposed appraisal requirements except to the extent the transactions require the approval of the Board of Supervisors and the proposed ordinance is a law of general application that does not interfere with their respective core functions.

On May 19, 2016, the Government Audit and Oversight Committee adopted an amendments to this ordinance.
