1 [Administrative Code - Neighborhood Noticing Ordinance]

2
3 **Ordinance amending the Administrative Code to direct the San Francisco**
4 **311 Customer Service Center to develop a pilot program for expanding public notice of**
5 **significant projects and permitting decisions in the City, in the areas of construction**
6 **and infrastructure repair work, public health and safety services and facilities,**
7 **environment, and transportation.**

8 NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.
9 **Additions to Codes** are in *single-underline italics Times New Roman font*.
10 **Deletions to Codes** are in ~~*strikethrough italics Times New Roman font*~~.
11 **Board amendment additions** are in double-underlined Arial font.
12 **Board amendment deletions** are in ~~strikethrough Arial font~~.
13 **Asterisks (* * * *)** indicate the omission of unchanged Code
14 subsections or parts of tables.

15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. The Administrative Code is hereby amended by adding Section 1.63, to
17 read as follows:

18 **SEC. 1.63. NEIGHBORHOOD NOTICING ORDINANCE.**

19 (a) The San Francisco 311 Customer Service Center ("SF311") shall develop a pilot program
20 for expanding notice of significant projects and permitting decisions for the convenience of the general
21 public and to facilitate Board oversight. This program will supplement, rather than replace, other
22 official notice requirements.

23 (b) The first phase of the program will be creation of a website where members of the public
24 may find information from responsible City departments regarding City projects and permitting
25 decisions for a particular supervisorial district. The target date for creation of the website is six
months after the effective date of the ordinance adding this Section 1.63 to the Administrative Code.

1 (c) The second phase of the program will be creation of a system where the City sends, by
2 e-mail or other electronic means and on a periodic basis, information from the website to members of
3 the public who signed up for the service. The target date for creation of the notification system is
4 twelve months after the effective date of the ordinance adding this Section 1.63 to the Administrative
5 Code.

6 (d) The program initially shall cover significant projects and permitting decisions in the areas
7 of:

8 (1) Construction and infrastructure repair work;

9 (2) Public health and safety services and facilities;

10 (3) Environment; and,

11 (4) Transportation.

12 (e) The program shall not include notices by the Planning Department regarding the following
13 categories of projects and permitting decisions: Environmental Review, Discretionary Review,
14 Conditional Use, Planning Code Section 311 ("Residential Permit Review Procedures for RH, RM, and
15 RTO Districts"), and Planning Code Section 312 ("Permit Review Procedures for All NC, RED, and
16 Eastern Neighborhoods Mixed Use Districts").

17 (f) All City officers and agencies shall cooperate with SF311 in the development and
18 implementation of the program. The Director of SF311 may adopt rules and regulations to implement
19 this Section 1.63, including, but not limited to, guidelines for City departments to provide requested
20 information in a compatible format and on a regular schedule to SF311. The Director may, in his or
21 her discretion, excuse a City department from participation in the pilot program, in whole or in part,
22 where the Director determines that it is not currently feasible to provide the department's notices by
23 e-mail or other electronic means on a regular basis.

1 Section 2. Effective Date. This ordinance shall become effective 30 days after
2 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
3 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
4 of Supervisors overrides the Mayor's veto of the ordinance.

LEGISLATIVE DIGEST

[Administrative Code - Neighborhood Noticing Ordinance]

Ordinance amending the Administrative Code to direct the San Francisco 311 Customer Service Center to develop a pilot program for expanding public notice of significant projects and permitting decisions in the City, in the areas of construction and infrastructure repair work, public health and safety services and facilities, environment, and transportation.

Existing Law

Current City law sets public notice requirements for various City actions and decisions, but there is no program that gathers in one place all or most such notices.

Amendments to Current Law

The proposal is an ordinance that would amend the Administrative Code to direct the San Francisco 311 Customer Service Center ("SF311") to develop a pilot program for expanding public notice of significant projects and permitting decisions. The program would be in addition to, rather than in place of, other official notice requirements.

The program initially would cover significant projects and permitting decisions in the areas of:

- Construction and infrastructure repair work;
- Public health and safety services and facilities;
- Environment; and,
- Transportation.

The first phase of the program would be the creation of a website where members of the public could find information on City projects and permitting decisions in each supervisorial district. The target date for creation of the website would be six months from the adoption of the ordinance.

The second phase of the program would be the creation of a system where the City sends, by e-mail or other electronic means and on a periodic basis, information from the website to members of the public who sign up for the service. The target date for creation of the notification system would be twelve months from the adoption of the ordinance.

The program would not include Planning Department notices for Environmental Review, Discretionary Review, Conditional Use, Planning Code Section 311 Review (“Residential Permit Review Procedures for RH, RM, and RTO Districts”), and Planning Code Section 312 Review (“Permit Review Procedures for All NC, RED, and Eastern Neighborhoods Mixed Use Districts”).

The Director of SF311 could excuse a City department from participating in the pilot program where it is not currently feasible to provide the department’s notices by e-mail or other electronic means on a regular basis.

Item 11 File 15-0729	Department: Mayor's Office
EXECUTIVE SUMMARY	
Legislative Objectives	
<ul style="list-style-type: none"> • The proposed ordinance amends the Administrative Code to direct the Chief Data Officer to develop a pilot program for expanding public notice of significant projects and permitting decisions. 	
Key Points	
<ul style="list-style-type: none"> • The program will consist of a notification system through which the City sends on a periodic basis, by e-mail or other electronic means, information regarding City projects and permitting decisions to members of the public who sign up for the service. It will also consist of a website where members of the public may find information from responsible City departments regarding City projects and permitting decisions for a particular supervisorial district. • Initially, the pilot program will cover projects and permitting decisions in the areas of: construction and infrastructure repair work; public health and safety services and facilities; environment, and transportation. • The program will not include Planning Department notices for Environmental Review, Discretionary Review, Conditional Use, Planning Code Section 311 Review ("Residential Permit Review Procedures for RH, RM and RTO Districts"), and Planning Code Section 312 Review ("Permit Review Procedures for all NC, RED, and Eastern Neighborhoods Mixed Use Districts.") 	
Fiscal Impact	
<ul style="list-style-type: none"> • The Chief Data Officer proposes to hire one 1043 IS Senior Engineer, with salary and fringe benefit costs of \$190,024 in FY 2016-17. Funding for this program in the amount of \$200,000 was included in the Department of Administrative Services FY 2015-16 budget. 	
Recommendation	
<ul style="list-style-type: none"> • Approve the proposed ordinance. 	

MANDATE STATEMENT

City Charter Section 2.105 states that the Board of Supervisors shall act only by written ordinance or resolution.

BACKGROUND

The City's municipal codes set public notice requirements for various City actions and decisions, but there is no program that gathers in one place all or most such notices for review by members of the public, Board of Supervisors, or departmental staff.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance amends the Administrative Code to direct the Chief Data Officer in the Mayor's Office to develop a pilot program for expanding public notice of significant projects and permitting decisions.¹ The program would be in addition to, rather than in place of, other official noticing requirements.

The program will consist of a notification system through which the City sends on a periodic basis, by e-mail or other electronic means, information regarding City projects and permitting decisions to members of the public who sign up for the service. It will also consist of a website where members of the public may find information from City departments responsible for significant City projects which need public notice and permitting decisions for a particular supervisorial district.

Initially, the pilot program will cover projects and permitting decisions in the areas of: construction and infrastructure repair work; public health and safety services and facilities; environment, and transportation.

The program will not include Planning Department notices for Environmental Review, Discretionary Review, Conditional Use, Planning Code Section 311 Review ("Residential Permit Review Procedures for Residential Housing (RH), Residential Mixed-Use and Residential Transit-Oriented Districts"), and Planning Code Section 312 Review ("Permit Review Procedures for all Neighborhood Commercial, Residential Enclave District, and Eastern Neighborhoods Mixed Use Districts.")

The Chief Data Officer could exempt a City department from participating in the pilot program where it is not currently feasible to provide the department's public notices by e-mail or other electronic means on a regular basis.

FISCAL IMPACT

The Chief Data Officer proposes to hire one 1043 IS Senior Engineer, with salary and fringe benefit costs of \$190,024. This position will conduct user research, work with departments to

¹ This report is based on a revised version of the ordinance to be submitted by the Sponsor to the June 29 Budget and Finance Committee meeting.

prepare and automate data, write widgets for new data feeds to CityGram², redeploy a local, branded version of CityGram, and finally, develop a website to combine and summarize data by Supervisorial District. The Chief Data Officer anticipates being able to absorb ongoing costs for the project, such as the annual renewal of the website domain, in her annual budget.

According to the Chief Data Officer, the funding for this program was previously approved by the Board of Supervisors in the amount of \$200,000 and was included in the Department of Administrative Services FY 2015-16 budget.

RECOMMENDATION

Approve the proposed ordinance.

² Citygram is a notifications platform in which residents can subscribe to obtain information about their city. A "widget" is the term for the part of a graphical user interface that allows the user to interface with Citygram.

Disclosures: Personal information that is provided in communications to the Board of Supervisors is subject to disclosure under the California Public Records Act and the San Francisco Sunshine Ordinance. Personal information provided will not be redacted. Members of the public are not required to provide personal identifying information when they communicate with the Board of Supervisors and its committees. All written or oral communications that members of the public submit to the Clerk's Office regarding pending legislation or hearings will be made available to all members of the public for inspection and copying. The Clerk's Office does not redact any information from these submissions. This means that personal information—including names, phone numbers, addresses and similar information that a member of the public elects to submit to the Board and its committees—may appear on the Board of Supervisors website or in other public documents that members of the public may inspect or copy.

Hi Erica,

While not yet referred to the Small Business Commission, this issue has been an ongoing topic with small business and we would like to request to have it referred to SBC for a hearing.

Thank you,

Brian Poole
