21 ~~President of the Board of Supervisors each quarter. This report shall include, but not be limited~~  
22 ~~to, the number and type of complaints filed, the outcome of the complaints, and a review of the~~  
23 ~~disciplinary action taken. The President of the Board of Supervisors shall refer this report to the~~

17 of the Police Commission to impose punishment pursuant to Section A8.343.

18 (f) The Director shall schedule hearings before hearing officers when such is requested  
19 by the complainant or a member of the Police Department and, in accordance with rules of the

22 recommendations to the Chief of Police regarding complaints of misconduct by patrol special  
23 police officers and their uniformed employees.

24 (g) Nothing herein shall prohibit the Chief of Police or a commanding officer from  
25 investigating the conduct of a member of the Police Department under his or her command, or

1 taking disciplinary or corrective action, otherwise permitted by this Charter, when such is  
2 warranted; and nothing herein shall limit or otherwise restrict the disciplinary powers vested in  
3 the Chief of Police and the Police Commission by other provisions of this Charter.

4 (h) DPA shall prepare in accordance with rules of the Commission monthly summaries  
5 of the complaints received and shall prepare recommendations quarterly concerning policies or

9 (i) DPA shall prepare a report for the President of the Board of Supervisors each  
10 quarter. This report shall include, but not be limited to, the number and type of complaints filed,  
11 the outcome of the complaints, and a review of the disciplinary action taken. The President of  
12 the Board of Supervisors shall refer this report to the appropriate committee of the Board of  
13 Supervisors charged with public safety responsibilities. Said committee may issue  
14 recommendations as needed.

15 (j) In carrying out its objectives, including the preparation of recommendations  
16 concerning departmental policies or practices referenced above, the investigations referenced  
17 above, and the audits noted below, DPA shall receive prompt and full cooperation and  
18 assistance from all departments, officers, and employees of the City and County, which shall,  
19 unless prohibited by state or federal law, promptly produce all records and information  
20 requested by DPA, including but not limited to (1) records relevant to Police Department  
21 policies or practices, (2) personnel and disciplinary records of Police Department employees,  
22 (3) criminal investigative and prosecution files, and (4) all records to which the Police  
23 Commission has access, regardless of whether those records pertain to a particular complaint.  
24 The DPA shall maintain the confidentiality of any records and information it receives to the  
25 extent required by state or federal law governing such records or information. The Director may

1 also request and the Chief of Police shall require the testimony or attendance of any member of  
2 the Police Department to carry out the responsibilities of DPA. Nothing in this Section 4.136 is  
3 intended or shall be construed to interfere with the duties of the Sheriff or the District Attorney  
4 under state law, including their constitutional and statutory powers and duties under  
5 Government Code Section 25303, as amended from time to time or any successor provisions  
6 thereto, or other applicable state law or judicial decision.

7 (k) Every two years, DPA shall conduct a performance audit or review of police officer  
8 use of force and how the Police Department has handled claims of officer misconduct. DPA  
9 shall also have the authority to conduct performance audits or reviews of whether Police  
10 Department personnel and management have complied with federal and state law, City

12 to determine the frequency, topics, and scope of such performance audits or reviews. To the  
13 extent permitted by law, DPA shall also allow public access to information on the progress and  
14 disposition of claims of misconduct or use of force, and the results of the performance audits and  
15 reviews conducted by DPA.

16 (l) The DPA budget shall be separate from the budget of the Police Department.  
17 Notwithstanding Section 4.102(3), the Director shall submit DPA's proposed annual or two-year

25 each and every provision relating to the Office of Citizen Complaints in the other measure or

1 measures shall be null and void in their entirety, but the provisions in the other measure or  
2 measures that do not relate to the Office of Citizen Complaints shall become effective. In the

**Describing and setting forth a proposal to the voters, at an election to be held on November 8, 2016, to amend the Charter of the City and County of San Francisco to: re-name the Office of Citizen Complaints (OCC) as the Department of Police Accountability( DPA); give DPA direct authority over its proposed budget; and require DPA to conduct a performance audit every two years of how the Police Department has handled claims of officer misconduct and use of force.**

Existing Law

The City has an Office of Citizen Complaints ("OCC"), which is a separate department under the Police Commission. The OCC investigates complaints of misconduct and neglect of duty by police officers, and may, in certain circumstances, file disciplinary charges against the officers.

Under the City Charter, individual departments propose budgets, which are then submitted to the Mayor, who prepares a City-wide budget for consideration and approval by the Board of Supervisors. If a department is overseen by a commission, the commission must review and approve the department's proposed budget. The OCC's budget is part of the budget for the Police Department as a whole and is reviewed and approved by the Police Commission.

Amendments to Current Law

The proposal is a Charter amendment that would change the name of the Office of Citizen Complaints to the "Department of Police Accountability" or "DPA". The proposal would also move the provisions governing the DPA from within current Charter Section 4.127 ("Police Department") to a new, free-standing Charter Section 4.136 ("Department of Police Accountability"). The DPA would still be overseen by the Police Commission, and the Director would still be nominated by the Commission and appointed by the Mayor.

In addition, the proposal would clarify the DPA's access to relevant City records, and require the DPA to conduct a performance audit every two years analyzing police use of force and how the Police Department has handled claims of officer misconduct. To the extent permitted by law, the DPA would allow public access to information on the progress and disposition of claims of misconduct or use of force, and the results of the performance audits and reviews conducted by DPA.

The proposal would provide that the DPA budget would be prepared and submitted separately from the Police Department budget, and that the DPA budget would not need Police Commission review or approval. Instead, the DPA Director would submit the proposed budget directly to the Mayor for inclusion in the Mayor's proposed budget for the City.

The proposal would also include language providing that if this Charter amendment and any other Charter amendment regarding the Office of Citizen Complaints in any respect both were adopted at the November 2016 election, and this Charter amendment received more "yes" votes than the other measure, the provisions of this Charter amendment would take effect in their entirety and the provisions in the other measure relating to the Office of Citizen Complaints would be null and void (although the provisions in the other measure not relating to the Office of Citizen Complaints would still take effect). In the event that the other measure received more "yes" votes than the proposal, the provisions of the proposal would take effect to the extent permitted by law.

21 amount by the percentage increase or decrease in aggregate City discretionary revenues, as  
22 determined by the Controller, based on calculations consistent from year to year. In determining  
23 aggregate City discretionary revenues, the Controller shall only include revenues received by  
24 the City that are unrestricted and may be used at the option of the Mayor and the Board of  
25 Supervisors for any lawful City purpose.

1 (c) The City may suspend growth in the baseline amount pursuant to subsection (b) when  
2 the City's projected budget deficit for the upcoming fiscal year at the time of the Joint Report or  
3 Update to the Five Year Financial Plan as prepared jointly by the Controller, the Mayor's  
4 Budget Director, and the Board of Supervisors' Budget Analyst exceeds \$200 million, adjusted

6 (a) There shall be under the Police Commission a Department of Police Accountability  
7 ("DPA").

8 (b) The Mayor shall appoint a nominee of the Police Commission as the Director of  
9 DPA, subject to confirmation by the Board of Supervisors. The Director shall serve at the  
10 pleasure of the Police Commission. If the Board of Supervisors fails to act on the appointment  
11 within 30 days, the appointment shall be deemed approved. In the event the office is vacant,

13 Police Commission shall appoint an interim Director who shall serve at the pleasure of the  
14 Police Commission. The appointment of the Director shall be exempt from the civil service  
15 requirements of this Charter. The Director shall never have been a uniformed member or  
16 employee of the Police Department. The Director shall be the appointing officer under the civil  
17 service provisions of this Charter for the appointment, removal, or discipline of employees of  
18 DPA.

20 manage DPA. Subject to the civil service provisions of this Charter, DPA shall include  
21 investigators and hearing officers. The staff of DPA shall consist of no fewer than one line  
22 investigator for every 150 sworn members. Whenever the ratio of investigators to police officers  
23 specified by this section is not met for more than 30 consecutive days, the Director shall have the

25 requirements. No full-time or part-time employee of DPA shall have previously served as a

1 uniformed member of the Police Department. Subject to rules of the Police Commission, the  
2 Director may appoint part-time hearing officers who shall be exempt from the civil service

5 approved by the Board of Supervisors.

6 (d) DPA shall promptly, fairly, and impartially investigate all complaints regarding  
7 police use of force, misconduct or allegations that a member of the Police Department has not  
8 properly performed a duty, except those complaints which on their face clearly indicate that the  
9 acts complained of were proper and those complaints lodged by other members of the Police  
10 Department. DPA shall use its best efforts to conclude investigations of such complaints and, if  
11 sustained, transmit the sustained complaint to the Police Department within nine months of  
12 receipt thereof by DPA. If DPA is unable to conclude its investigation within such nine-month  
13 period, the Director, within such nine-month period, shall inform the Chief of Police of the  
14 reasons therefor and transmit information and evidence from the investigation as shall facilitate  
15 the Chief's timely consideration of the matter.

16 (e) DPA shall recommend disciplinary action to the Chief of Police on those complaints  
17 that are sustained. The Director, after meeting and conferring with the Chief of Police or his or  
18 her designee, may verify and file charges with the Police Commission against members of the  
19 Police Department arising out of sustained complaints; provided, that the Director may not  
20 verify and file such charges for a period of 60 days following the transmittal of the sustained  
21 complaint to the Police Department unless the Director issues a written determination that the  
22 limitations period within which the member or members may be disciplined under Government  
23 Code Section 3304, as amended from time to time or any successor provisions thereto, may  
24 expire within such 60-day period and (1) the Chief of Police fails or refuses to file charges with  
25 the Police Commission arising out of the sustained complaint, (2) the Chief of Police or his or

1 her designee fails or refuses to meet and confer with the Director on the matter, or (3) other

3 of the Police Commission to impose punishment pursuant to Section A8.343.

4 (f) The Director shall schedule hearings before hearing officers when such is requested  
5 by the complainant or a member of the Police Department and, in accordance with rules of the  
6 Commission, such a hearing will facilitate the fact-finding process. The Board of Supervisors  
7 may provide by ordinance that DPA shall in the same manner investigate and make  
8 recommendations to the Chief of Police regarding complaints of misconduct by patrol special  
9 police officers and their uniformed employees.

10 (g) Nothing herein shall prohibit the Chief of Police or a commanding officer from  
11 investigating the conduct of a member of the Police Department under his or her command, or  
12 taking disciplinary or corrective action, otherwise permitted by this Charter, when such is  
13 warranted; and nothing herein shall limit or otherwise restrict the disciplinary powers vested in  
14 the Chief of Police and the Police Commission by other provisions of this Charter.

15 (h) DPA shall prepare in accordance with rules of the Commission monthly summaries  
16 of the complaints received and shall prepare recommendations quarterly concerning policies or  
17 practices of the Police Department which could be changed or amended to avoid unnecessary  
18 tension with the public or a definable segment of the public while insuring effective police  
19 services.

20 (i) DPA shall prepare a report for the President of the Board of Supervisors each  
21 quarter. This report shall include, but not be limited to, the number and type of complaints filed,  
22 the outcome of the complaints, and a review of the disciplinary action taken. The President of  
23 the Board of Supervisors shall refer this report to the appropriate committee of the Board of  
24 Supervisors charged with public safety responsibilities. Said committee may issue  
25 recommendations as needed.

1           (j) In carrying out its objectives, including the preparation of recommendations  
2 concerning departmental policies or practices referenced above, the investigations referenced  
3 above, and the audits noted below, DPA shall receive prompt and full cooperation and  
4 assistance from all departments, officers, and employees of the City and County, which shall,  
5 unless prohibited by state or federal law, promptly produce all records and information  
6 requested by DPA, including but not limited to (1) records relevant to Police Department  
7 policies or practices, (2) personnel and disciplinary records of Police Department employees,  
8 (3) criminal investigative and prosecution files, and (4) all records to which the Police  
9 Commission has access, regardless of whether those records pertain to a particular complaint.  
10 The DPA shall maintain the confidentiality of any records and information it receives to the  
11 extent required by state or federal law governing such records or information. The Director may  
12 also request and the Chief of Police shall require the testimony or attendance of any member of  
13 the Police Department to carry out the responsibilities of DPA. Nothing in this Section 4.136 is  
14 intended or shall be construed to interfere with the duties of the Sheriff or the District Attorney  
15 under state law, including their constitutional and statutory powers and duties under  
16 Government Code Section 25303, as amended from time to time or any successor provisions  
17 thereto, or other applicable state law or judicial decision.

18           (k) Every two years, DPA shall conduct a performance audit or review of police officer  
19 use of force and how the Police Department has handled claims of officer misconduct. DPA  
20 shall also have the authority to conduct performance audits or reviews of whether Police  
21 Department personnel and management have complied with federal and state law, City  
22 ordinances and policies, and Police Department policies. The Director shall have the discretion  
23 to determine the frequency, topics, and scope of such performance audits or reviews. To the  
24 extent permitted by law, DPA shall also allow public access to information on the progress and  
25

1 disposition of claims of misconduct or use of force, and the results of the performance audits and  
2 reviews conducted by DPA.

3 (l) The DPA budget shall be separate from the budget of the Police Department.

4 Notwithstanding Section 4.102(3), the Director shall submit DPA's proposed annual or two-year  
5 budget directly to the Mayor.

6  
7 Section 2. In the event that this Charter amendment and another Charter amendment  
8 regarding the Office of Citizen Complaints in any respect shall appear on the same Citywide  
9 election ballot, the provisions of such other measures shall be deemed to be in conflict with this  
10 Charter amendment. In the event that this Charter amendment shall receive a greater number of  
11 affirmative votes, the provisions of this Charter amendment shall prevail in their entirety and  
12 each and every provision relating to the Office of Citizen Complaints in the other measure or  
13 measures shall be null and void in their entirety, but the provisions in the other measure or  
14 measures that do not relate to the Office of Citizen Complaints shall become effective. In the  
15 event that the other measure or measures shall receive a greater number of votes, the provisions  
16 of this Charter amendment shall take effect to the extent permitted by law.

RE: File 160586 – Charter amendment renaming the Office of Citizen Complaints as the Department of Police Accountability (second draft)

Dear Ms. Calvillo,

Should the proposed charter amendment be approved by the voters, in my opinion, it would have a minimal impact on the cost of government.

The proposed amendment would rename the Office of Citizen Complaints (OCC) to the Department of Police Accountability (DPA). Though the amendment does not change the existing authority granted to the OCC, it states that DPA shall conduct a performance audit or review every two years on police officer use of force and how the Police Department has handled claims of officer misconduct. The proposed amendment also separates the DPA budget from the budget of the Police Department and states that DPA will submit its budget directly to the Mayor.

Sincerely,

*for*  
Ben Rosenfield  
Controller

This analysis reflects our current understanding of the proposal. We will update this analysis as additional information becomes available. Should this item be placed on the November 8, 2016 ballot, we will prepare a fiscal impact statement for the Voter Information Pamphlet.
