Section 1. Background and Findings

(a) The Department of Human Services ("DHS") administers the County Adult Assistance Programs (CAAP) for the City and County of San Francisco ("City"), which

provides financial assistance and social services to indigent adults. Currently, CAAP includes four separate programs (the General Assistance Program, Personal Assistance Employment Services (PAES) Program, Cash Assistance Linked to Medi-Cal (CALM) Program, and Supplemental Security Income Pending (SSIP) Program), codified in four different Articles of Chapter 20 of the Administrative Code.

- (b) This ordinance moves the statutory authority for the PAES, CALM, and SSIP Programs to Article VII of Chapter 20 of the Administrative Code and will allow greater alignment between the County Adult Assistance Programs.
- (c) This ordinance creates a fifth CAAP Program, Family General Relief, which will provide aid to indigent families with minors where the minors are ineligible for state assistance for specified reasons.
- (d) This ordinance aligns the CAAP Programs with changes in the state CalWORKs program, eliminates outdated provisions that are no longer reflective of current program operations, and will enable DHS to provide a more accessible and streamlined application process.
- (e) This ordinance will allow DHS to target intensive employment services more effectively, resulting in a better use of City resources and improved outcomes for program recipients.
- (f) Locating the statutory authority for the City's public benefit programs in a single Article will eliminate redundancies in the Administrative Code, simplify program administration, make it easier for members of the public to understand the programs, and make it easier for clients to access and maintain benefits.

Section 2. Article VII of Section 20 of the Administrative Code is hereby amended by: (a) deleting Sections 20.55.3, 20.56.1, 20.56.3, 20.56.4, 20.56.7, 20.56.16, 20.57.2, 20.57.4,

In addition, with respect to each unemployable recipient, continuing aid shall be conditioned upon application for, and pursuit of, SSI/SSP benefits, if eligible, and participation in a Department approved rehabilitation program. (f)(i) The maximum monthly amount of aid for which a <u>rRecipient</u> is eligible shall be the Maximum <u>General Assistance</u> Grant Amount <u>to which he or she is eligible</u>, <u>or the amount</u> <u>determined pursuant to Subsection (b)</u> minus any cash received from sources other than <u>General</u>

(h)(i) To promote the transition of General County Adult Assistance Programs **Recipients to gainful employment, the Executive Director of the Department of Human Services may establish an Earned Income and Asset Disregard *Program Policy* for the *rRecipients* who are employed. The Earned Income and Asset Disregard *Program Policy* shall provide for disregarding a certain amount of gross income which a rR ecipient earns as wages and savings derived therefrom when determining a #Recipient's General County Adult Assistance Programs eligibility and grant amount. The total amount of gross income disregarded shall not exceed the sum of the following amounts: (1) all of the first \$200 of recipient gross wage earnings; (2) two thirds of the next \$150 of recipient gross wage earnings; (3) one-half of the next \$150 of recipient gross wage earnings; (4) one-third of the next \$150 of recipient gross wage earnings; and (5) one-fifth of the next \$150 of recipient gross wage earnings. All recipient gross wage earnings above \$800 shall be offset on a dollar for dollar basis against the grant amount to which a recipient would otherwise be entitled. In addition, for recipients participating in this program up to \$2,000 of recipient savings derived from the recipient's gross wage earnings shall be disregarded during the recipient's participation in this program and for up to three months thereafter. Also, if as a result of retrospective budgeting a recipient's total currently available financial resources in a month including his or her adjusted General Assistance grant, wages, and savings are less than the maximum General Assistance grant amount, the recipient shall be eligible for a grant supplement in the form of a rental expense voucher for unpaid rent in that month and up to \$50 in cash so that the recipient's currently available

financial resources may total up to the maximum General Assistance grant amount. This grant supplement is available a maximum of three times per year for program participants and is not available to recipients who quit a job without good cause.

Recipient gross wage earnings are defined for purposes of this Section 20.7-21 as any income received by the **Recipient as payment for a **Recipient's labor. This Section supersedes the provisions of **Subsection 20.55.2(r)**, Section 20.7-1056.6**, Subsections 20.7-1356.10** (a) and (b), Subsections 20.7-2157 (e) and (f) (h) and (i), and Subsections 20.7-3859.10** (d) and (e) and (f) and (f) when determining ***Recipient eligibility and when calculating the maximum monthly amount of aid for program participants. All other ***Recipient income and assets shall continue to be offset on a dollar-for-dollar basis when calculating the grant amount to which a ***Recipient is otherwise eligible. For ***Recipients ***subject to the Earned Income and Asset Disregard Policyparticipating in this program, General Assistance** eligibility for assistance under this Article VII shall be determined on a monthly basis and a ***Recipient's grant amount shall be adjusted for gross wage earnings on the basis of retrospective budgeting in the month following the ***Recipient's receipt of wage income. Verified expenses which exceed the total sum of a participant's grant, wages, and savings in any given month create a rebuttable presumption of ineligibility for aid.

- (i)—The automatic adjustment provisions of Subsection (d) are hereby suspended for fiscal year 1997-98. Adjustments for subsequent fiscal years made pursuant to this Section shall not include any adjustments for any fiscal year in which the cost of living was suspended.
- (k) Changes in grant amounts shall be made when a Recipient becomes eligible for aid in a different amount because of altered circumstances.

The value of the rent-free housing, which is presumed to include utilities, as determined under the Income-in-Kind Chart, shall be deducted from the maximum monthly grant amount. If the <u>Applicant</u> or <u>FRecipient</u> receives rent-free housing, but pays for utilities, the <u>Applicant</u> or <u>FRecipient</u> a verifiable bill for utilities at that address, and a verifiable receipt for payment of any portion of that utility bill.
- (d) Verified payments made directly to a housing provider <u>or landlord</u> on behalf of an <u>aApplicant</u> or <u>#Recipient</u> for the entire amount of the rent and/or utilities, or rent-free housing, or housing received in exchange for work, shall be assigned an in-kind value as specified by the Income-in-Kind Chart, and that value shall be deducted from the maximum monthly grant for which that <u>aApplicant</u> or <u>#Recipient</u> is eligible.

- (f) Nothing in this Section <u>20.7-22</u> shall be construed as requiring an otherwise eligible <u>aApplicant</u> or <u>**Recipient*</u> to accept housing in a facility which is either the subject of a pending nuisance abatement proceeding before a duly authorized agency or department of the City <u>and County</u> or before a court of competent jurisdiction, or which theretofore has been found to be a public nuisance pursuant to any provision of <u>any San Francisco</u> <u>the Municipal</u> Code by a duly authorized agency or department of the City <u>and County</u> or by a court of competent jurisdiction and which nuisance has not been abated.

SEC. 20.57.7. EMPLOYER WAGE SUBSIDY - GENERAL ASSISTANCE PROGRAM.

- (a) Findings. The Board of Supervisors in adopting this ordinance finds that providing the authority for the Department of Human Services to establish a wage subsidy program as defined herein will promote the permanent employment of General Assistance recipients.
- (b) Employer Wage Subsidy. For the purposes of this Section, "employer wage subsidy" means a payment from revenues appropriated for General Assistance to an employer for each General Assistance (GA) recipient who becomes employed through this program and is employed for at least 26 weeks and earns a minimum of \$800 per month in gross wage earnings,
- (c) Wage Subsidy Schedule. A wage subsidy payment shall only be issued to an employer by the Department of Human Services upon receipt of documentation of gross wage earnings paid to a participant of the program by the employer for the first 26 weeks of employment, except when the payment of a wage subsidy in two installments is approved by the Executive Director. A wage subsidy payment issued to an employer in two installments shall only be issued by the Department of Human Services upon receipt of documentation of gross wage earnings paid to the participant by the employer for 13 consecutive weeks of employment and the second payment shall only be issued upon receipt of documentation of gross wage earnings paid to the same participant by the employer for an additional 13 consecutive weeks of employment.

- (d) Amount of Subsidy. Participant "gross wage earnings" are defined for purposes of this Section as income received by the participant as payment for the participant's labor.

The Department shall make reasonable efforts to coordinate with community agencies that provide job search services to implement these provisions.
- (f) Program Administration. Prior to the Department's implementation of this authority, the Executive Director shall establish procedures and regulations for the proper administration of this authority. The regulations shall include a prohibition against the payment of a subsidy under this program for placing General Assistance (GA) recipients in positions in which they would be replacing striking employees.
- (g) Report. The Executive Director of the Department of Human Services shall report to the Board of Supervisors about the results of the Department's implementation of the program one year from the effective date of this ordinance.

This section shall not affect the collection of overpayments due to fraud, negligent failure to report facts or administrative error as set forth in this Article.

SEC. 20.76.1. MUNICIPAL RAILWAY FAST PASS.

Participants may be provided a Municipal Railway Fast Pass, Municipal Railway tokens, or other transportation assistance when such transportation is necessary to assist the participant in complying with the requirements of this Article. Such assistance shall be in addition to any stipend to which a participant is eligible.

SEC. 20.76.2. EARNED INCOME DISREGARD.

- (a) The Executive Director of the Department of Human Services may establish an Earned Income and Asset Disregard Program for participants who are employed. The Earned Income and Asset Disregard Program shall provide for disregarding a certain amount of gross income that a participant earns as wages and savings derived therefrom when determining a participant's PAES eligibility and stipend amount.
- (b) The total amount of gross income disregarded shall not exceed the sum of the following amounts: (1) all of the first \$200 of participant gross wage earnings; (2) two thirds of the next \$150 of

participant gross wage earnings; (3) one half of the next \$150 of participant gross wage earnings; (4) one third of the next \$150 of participant gross wage earnings; and (5) one fifth of the next \$150 of participant gross wage earnings above \$800 shall be offset on a dollar for dollar basis against the stipend amount to which a participant would otherwise be entitled.

- (c) In addition, for participants in this program, up to \$2,000 of participant savings derived from the participant's gross wage earnings shall be disregarded during the individual participant's participation in this program and for up to three months thereafter.
- (d) If, as a result of retrospective budgeting, a participant's total currently available financial resources in a month including her/his adjusted PAES stipend, wages, and savings are less than the maximum PAES stipend amount, the participant shall be eligible for a stipend supplement in the form of a rental expense voucher for unpaid rent in that month and up to \$50 in cash so that the participant's currently available financial resources may total up to the maximum PAES stipend amount. This stipend supplement is available a maximum of three times per year for program participants and is not available to participants who quit a job without good cause.
- (e) Participant gross wage earnings are defined for purposes of this Section as any income received by the participant as payment for a participant's labor. All other participant income and assets shall continue to be offset on a dollar for dollar basis when calculating the stipend amount to which a participant is otherwise eligible. For individuals participating in this program, the PAES stipend amount shall be adjusted for gross wage earnings on the basis of retrospective budgeting in the month following the participant's receipt of wage income. Verified expenses that exceed the total sum of a participant's stipend, wages, and savings in any given month create a rebuttable presumption of ineligibility for assistance.

If the applicant/participant is not the owner or prime lessee of the premises, a verifiable rent receipt signed by the owner or prime lessee may provide evidence of the applicant's/participant's place of residence and monthly share of housing costs.
- (c)—When an applicant/participant obtains rent free housing, such housing shall be valued according to Income in Kind Values Chart set forth under Title 22 of the California Code of Regulations, Section 50511 (the Income in Kind Chart"), rather than at fair market value. The value of the rent free housing, which is presumed to include utilities, as determined under the Income in Kind Chart, shall be deducted from the maximum monthly stipend amount. If the applicant or recipient receives rent free housing, but pays for utilities, the applicant or recipient must present a verifiable bill for utilities at that address, and a verifiable receipt for payment of any portion of that utility bill.
- (d) Verified payments made directly to a housing provider on behalf of an applicant/participant for the entire amount of the rent and/or utilities, or rent free housing, or housing received in exchange for work, shall be assigned an in kind value as specified by the Income in Kind Chart and that value shall be deducted from the maximum monthly stipend for which that applicant/participant is eligible.
- (e) Housing and/or meals provided to applicants and recipients who are unable to provide a verifiable rent receipt, or verifiable documentation of shared housing, or verifiable documentation of rent free housing shall be valued as in kind housing, utilities and/or meals as specified by the Income-

In kind Chart, and that value shall be deducted from the maximum monthly stipend for which that applicant or recipient is eligible.

(f) Nothing in this Section shall be construed as requiring an otherwise eligible applicant/participant to accept housing in a facility which is either the subject of a pending nuisance abatement proceeding before a duly authorized agency or department of the City and County or before a court of competent jurisdiction, or which theretofore has been found to be a public nuisance pursuant to any provision of any San Francisco Municipal Code by a duly authorized agency or department of the City and County or by a court of competent jurisdiction and which nuisance has not been abated.

SEC. 20.76.4. ALTERNATIVE PAYMENT METHODS; DIRECT PAYMENTS TO ROOM AND BOARD FACILITIES PERMITTED.

The Executive Director may initiate such a program or payment arrangement, on either a pilot or continuing basis, by putting into effect the appropriate regulations.

SEC. 20.76.5. SPECIAL ALLOWANCES; TRANSPORTATION OUT OF THE CITY.

(a) The Department of Human Services may provide transportation and maintenance en route to a place out of the City and County where the applicant/participant will be cared for or her/his interests best served, provided the applicant/participant, but for fully meeting the residency requirement, is otherwise eligible and voluntarily enters into a signed contractual agreement regarding such transportation with the City and County of San Francisco. Said agreement shall contain a repayment provision permitting recoupment of the amount expended in providing such transportation

at a rate not to exceed 10 percent of each stipend amount should the person provided transportation thereafter reapply and become eligible for PAES.

A wage subsidy payment issued to an employer in two installments shall only be issued by the Department of Human Services upon receipt of documentation of gross wage earnings paid to the participant by the employer for 13 consecutive weeks of employment and the second payment shall only be issued upon receipt of documentation of gross wage earnings paid to the same participant by the employer for an additional 13 consecutive weeks of employment.
- (d) Amount of Subsidy. The employer wage subsidy shall not exceed an amount that is 14

 percent of the participant's monthly gross wage earnings and shall not exceed in any month the

 maximum amount of a PAES stipend for which the participant would otherwise be eligible. A wage

 subsidy shall not be paid to an employer for more than the first 26 weeks of employment. Participant

"gross wage earnings" are defined for purposes of this Section as income received by the participant as payment for the participant's labor.

- (e) Authority. The Department of Human Services may utilize an employer wage subsidy to encourage employers to hire qualified PAES participants as full-time employees. The Department shall make reasonable efforts to coordinate with community agencies that provide job search services to implement these provisions.
- (f) Program Administration. Prior to the Department's implementation of this authority, the Executive Director shall establish procedures and regulations for the proper administration of this authority. The regulations shall include a prohibition against the payment of a subsidy under this program for placing PAES participants in positions in which they would be replacing striking employees.
- (g) Report. The Executive Director of the Department of Human Services shall report to the Human Services Commission about the results of the Department's implementation of the program one year from the effective date of this ordinance, and annually thereafter.

The maximum number of hours of activities, which would be considered "employment" under the Fair Labor Standards Act (29 U.S.C. §§ 201 et. seq.) and any applicable U.S. Department of Labor Guidelines, that the Department may require shall be the same amount as for General Assistance recipients, as calculated for General Assistance recipients under Section 20.58.6 of this Chapter.
- (b)—Participants who provide verification of a temporary physical or mental condition which prevents them from complying with the Participant Agreement as specified above may: (1) be temporarily exempted from those requirements, or (2) be required to participate in any appropriate activity that is likely to remedy the temporary physical or mental condition and lead to preparation of the PAES Plan.
- (c) Failure to comply with the Participant Agreement shall be considered failure to meet continuing eligibility requirements. Such failure shall result in discontinuance from PAES, subject to the notice and administrative hearing provisions of this Article, and the imposition of a 60 day sanction. Failure to comply with the Participant Agreement is not subject to the Conciliation For PAES Plan Noncompliance provisions of this Article.

SEC. 20.77.2. PAES PLAN.

- (a) On the date set in the Participant Agreement, participants in PAES must enter into a written PAES Plan that sets forth the activities and services that will assist the participant in obtaining paid employment. This plan shall be signed by the participant and the Department.

The activities set forth in the PAES plan may be performed concurrently or sequentially, as determined within the context of the plan.
- (c) Compliance with all components of the PAES Plan, absent a determination of good cause for failure to so comply, is mandatory in order to continue to receive PAES services and the stipend.

- (c) The maximum monthly CALM payment for which a recipient is eligible shall be the maximum CALM payment minus any nonexempt cash received from sources other than CALM which is available to the recipient during the month for which assistance is paid, minus the fair market value of any nonexempt personal property which is, or will be, available to the recipient during the month for which assistance is paid, and minus the value of any in kind housing, utilities and/or meals available or provided to the applicant.
 - (d) No CALM payment shall be issued for less than \$5.00.
- (e) -CALM may be provided in the form of vouchers, checks, two-party checks, warrants, electronic benefit transfers, in kind benefits, and/or through third party contracts.
- (f) CALM payments may be made payable only to the recipient or, upon the recipient's written authorization, to the recipient and a designated co-payee, or to a representative payee.
- (g) CALM payments may be mailed directly to the recipient or to the designated representative payee. CALM payments may be made by electronic benefit transfer. CALM payments may be picked up at a location designated by the Department. CALM payments shall not be mailed to a post office box, a mail receiving service, or to an address outside the City and County of San Francisco, except upon specific authorization of the Executive Director.

- (h) The Maximum CALM Payment Amounts listed in Section 20.106(a) of this Article shall be increased by any annual percentage cost of living increase to the Maximum Aid Payment, and according to the same schedule, if such an increase is implemented by the State of California in the TANF/CalWORKs program.
- (i) Applicants and recipients are required to provide a verifiable rent receipt, or verifiable documentation of shared housing, or verifiable documentation of rent free housing. Self-declared homeless applicants and recipients shall receive in kind benefits for housing, which includes utilities and meals. If in kind benefits are not available, such applicants and recipients shall receive the income in kind value of housing, utilities, and/or meals, whichever is not available, if otherwise eligible for these amounts. Failure to comply with the rules of a housing program that results in ejection from that housing program will be considered failure to satisfy the requirements for continuing eligibility for aid and will result in discontinuance from CALM, subject to the notice and hearing provisions of this Article.
- (j)—A special allowance of up to \$59.00 per month shall be made available to any recipient when the income in kind value of housing, and/or utilities, and/or meals provided to that recipient exceeds the maximum monthly payment for which that recipient is eligible. If such income in kind value does not exceed the maximum monthly payment for which that recipient is eligible, but allows for less than \$59.00 cash per month, that recipient shall receive an amount that, when added to the maximum monthly payment for which that recipient is eligible, equals \$59.00 cash per month. This section shall not affect the collection of overpayments due to fraud, negligent failure to report facts or administrative error as set forth in this Article.

SEC. 20.106.1. EARNED INCOME DISREGARD.

(a) The Executive Director of the Department of Human Services may establish an Earned Income and Asset Disregard Program for recipients who are employed. The Earned Income and Asset

Disregard Program shall provide for disregarding a certain amount of gross income which a recipient earns as wages and savings derived therefrom when determining a recipient's CALM eligibility and grant amount.

- (b) The total amount of gross income disregarded shall not exceed the sum of the following amounts: (1) all of the first \$200 of recipient gross wage earnings; (2) two thirds of the next \$150 of recipient gross wage earnings; (3) one half of the next \$150 of recipient gross wage earnings; (4) one third of the next \$150 of recipient gross wage earnings; and (5) one fifth of the next \$150 of recipient gross wage earnings. All recipient gross wage earnings above \$800 shall be offset on a dollar fordollar basis against the grant amount to which a recipient would otherwise be entitled.
- (c) In addition, for recipients in this program, up to \$2,000 of recipient savings derived from the recipient's gross wage earnings shall be disregarded during the individual recipient's participation in this program and for up to three months thereafter.
- (d) If, as a result of retrospective budgeting, a recipient's total currently available financial resources in a month including her/his adjusted CALM grant, wages, and savings are less than the maximum CALM grant, the recipient shall be eligible for a grant supplement in the form of a rental expense voucher for unpaid rent in that month and up to \$50 in each so that the recipient's currently available financial resources may total up to the maximum CALM grant amount. This grant supplement is available a maximum of three times per year for program recipients and is not available to recipients who quit a job without good cause.
- (e) Recipient gross wage earnings are defined for purposes of this Section as any income received by the recipient as payment for a recipient's labor. All other recipient income and assets shall continue to be offset on a dollar for dollar basis when calculating the grant amount to which a recipient is otherwise eligible. For individuals participating in this program, the CALM grant amount shall be adjusted for gross wage earnings on the basis of retrospective budgeting in the month following the recipient's receipt of wage income. Verified expenses which exceed the total sum of a

recipient's grant, wages, and savings in any given month create a rebuttable presumption of ineligibility for assistance.

- (a) "Housing" shall include, but not be limited to, single occupancy residential hotels, master lease rooms, transitional housing, supportive housing programs, residential treatment facilities, shelter.

All applicants/recipients shall be required to present a verifiable rent receipt. If the applicant/recipient is not the owner or prime lessee of the premises, a verifiable rent receipt signed by the owner or prime lessee may provide evidence of the applicant's/recipient's place of residence and monthly share of housing costs.
- (c) When an applicant obtains rent free housing, such housing shall be valued according to Value of Income in Kind Chart set forth under Title 22 of the California Code of Regulations, Section 50511 (the "Income in Kind Chart"), rather than at fair market value. The value of the rent free housing, which is presumed to include utilities, as determined under the Income in Kind Chart, shall be deducted from the maximum monthly payment amount. If the applicant or recipient receives rent free housing, but pays for utilities, the applicant or recipient must present a verifiable bill for utilities at that address, and a verifiable receipt for payment of any portion of that utility bill.
- (d) Verified payments made directly to a housing provider on behalf of an applicant or recipient for the entire amount of the rent and/or utilities, or rent free housing, or housing received in exchange for work, shall be assigned an in kind value as specified by the Income in Kind Chart and that value shall be deducted from the maximum monthly payment for which that applicant or recipient is eligible.

(f) Nothing in this Section shall be construed as requiring an otherwise eligible applicant or recipient to accept housing in a facility which is either the subject of a pending nuisance abatement proceeding before a duly authorized agency or department of the City and County or before a court of competent jurisdiction, or which theretofore has been found to be a public nuisance pursuant to any provision of any San Francisco Municipal Code by a duly authorized agency or department of the City and County or by a court of competent jurisdiction and which nuisance has not been abated.

otherwise eligible and voluntarily enters into a signed contractual agreement regarding such transportation with the City and County of San Francisco. Applicants/recipients may be provided Municipal Railway tokens, or other transportation assistance. Such assistance shall be in addition to any SSIP payment to which an applicant/recipient is eligible.

SEC. 20.206.2. EARNED INCOME DISREGARD.

(a) The Executive Director of the Department of Human Services may establish an Earned Income and Asset Disregard Program for applicants/recipients who are employed. The Earned Income and Asset Disregard Program shall provide for disregarding a certain amount of gross income which

an applicant/recipient earns as wages and savings derived therefrom when determining an applicant/recipient's SSIP eligibility and payment amount.

- (b) The total amount of gross income disregarded shall not exceed the sum of the following amounts: (1) all of the first \$200 of recipient gross wage earnings; (2) two thirds of the next \$150 of recipient gross wage earnings; (3) one half of the next \$150 of recipient gross wage earnings; (4) one third of the next \$150 of recipient gross wage earnings; and (5) one fifth of the next \$150 of recipient gross wage earnings above \$800 shall be offset on a dollar fordollar basis against the payment amount to which an applicant/recipient would otherwise be entitled.
- (c) In addition, for applicant/recipients in this program up to \$2,000 of applicant/recipient savings derived from the applicant/recipient's gross wage earnings shall be disregarded during the applicant/recipient's participation in this program and for up to three months thereafter.
- (d)—If, as a result of retrospective budgeting, an applicant/recipient's total currently available financial resources in a month including her/his adjusted SSIP payment, wages, and savings are less than the maximum SSIP payment amount, the applicant/recipient shall be eligible for a payment supplement in the form of a rental expense voucher for unpaid rent in that month and up to \$50 in cash so that the applicant/recipient's currently available financial resources may total up to the maximum SSIP payment amount. This payment supplement is available a maximum of three times per year for program applicants/recipients and is not available to applicants/recipients who quit a job without good cause.
- (e) Applicant/recipient gross wage earnings are defined for purposes of this Section as any income received by the applicant/recipient as payment for an applicant/recipient's labor. All other applicant/recipient income and assets shall continue to be offset on a dollar for dollar basis when calculating the payment amount to which an applicant/recipient is otherwise eligible. For recipients participating in this program, SSIP eligibility shall be determined on a monthly basis and an applicant/recipient's payment amount shall be adjusted for gross wage earnings on the basis of

retrospective budgeting in the month following the applicant/recipient's receipt of wage income.

- (c) When an applicant/recipient obtains rent free housing, such housing shall be valued according to the Income in Kind Values Chart set forth under Title 22 of the California Code of Regulations, Section 50511 (the "Income in Kind Chart"), rather than at fair market value. The value of the rent-free housing, which is presumed to include utilities, as determined under the Income in Kind Chart, shall be deducted from the maximum monthly payment amount. If the applicant or recipient receives rent free housing, but pays for utilities, the applicant or recipient must present a verifiable bill for utilities at that address, and a verifiable receipt for payment of any portion of that utility bill.
- (d) Verified payments made directly to a housing provider on behalf of an applicant or recipient for the entire amount of the rent and/or utilities, or rent free housing, or housing received in exchange for work, shall be assigned an in kind value as specified by the Income in Kind Chart and

that value shall be deducted from the maximum monthly payment for which that applicant or recipient is eligible.

(e) Housing and/or meals provided to applicants and recipients who are unable to provide a verifiable rent receipt, or verifiable documentation of shared housing, or verifiable documentation of rent free housing shall be valued as in kind housing, utilities and/or meals as specified by the Income-In-Kind Chart, and that value shall be deducted from the maximum monthly stipend for which that applicant or recipient is eligible.

(f)—Nothing in this Section shall be construed as requiring an otherwise eligible applicant or recipient to accept housing in a facility which is either the subject of a pending nuisance abatement proceeding before a duly authorized agency or department of the City and County or before a court of competent jurisdiction, or which theretofore has been found to be a public nuisance pursuant to any provision of any San Francisco Municipal Code by a duly authorized agency or department of the City and County or by a court of competent jurisdiction and which nuisance has not been abated.

LEGISLATIVE DIGEST

[Administrative Code - County Adult Assistance Programs]

Ordinance amending the Administrative Code to: 1) streamline the statutory authority for the City's indigent aid programs by eliminating redundancies and moving the authority for all programs under one renumbered Article; 2) create the Family General Relief program, to provide aid under limited circumstances to indigent households with minors who are ineligible for state aid; 3) authorize the Department of Human Services to create an intensive employment services program; 4) remove the authority to impose recoupments to collect overpayments resulting from agency error; 5) expand the types of identification that are acceptable as proof of identity; 6) repeal the requirement that applicants transfer to the City any interests in real property; 7) conform to changes in state law governing time limits applied to receipt of benefits under the CalWORKs program; 8) delete outdated provisions that no longer reflect current operation of the General Assistance program; and 9) reduce the time during which records must be retained from five to three years.

Existing Law

This revised legislative digest reflects amendments made in the Budget and Finance Committee on June 17, 2016.

The Department of Human Services (DHS) administers the County Adult Assistance Programs (CAAP) for the City and County of San Francisco, which provide financial assistance and social services to indigent adults. CAAP includes four separate programs:

- General Assistance
- Personal Assistance Employment Services (PAES)
- Cash Assistance Linked to Medi-Cal (CALM)
- Supplemental Security Income Pending (SSIP)

Currently, the General Assistance, PAES, CALM and SSIP programs are codified in Articles VII, IX, X, and XI of Chapter 20 of the Administrative Code, respectively.

Each Article sets forth the standards governing the administration of the specific program, including, but not limited to: eligibility, applications, work requirements, allowable income and assets, maximum grant amounts, special allowances, sanctions, discontinuances and hearing rights. Currently, there is considerable redundancy from Article to Article, as many of the standards are identical across programs.

Amendments to Current Law

This ordinance moves the statutory authority for the PAES, CALM, and SSIP Programs to Article VII of Chapter 20 of the Administrative Code, and renumbers the sections of that Article. Locating the statutory authority for the City's CAAP programs in a single Article will eliminate redundancies in the Administrative Code, allow greater alignment between the CAAP programs, and simplify program administration.

The ordinance creates a fifth CAAP Program, Family General Relief, which will provide aid to indigent families with minors who would be eligible for the state CalWORKs program, but for the application of the income deeming rule for sponsored noncitizens. DHS will administer the Family General Relief program, and will promulgate regulations establishing procedures for determining program eligibility, processing applications, recertifications, sanctions, discontinuances, notices and administrative appeals.

The ordinance also aligns the CAAP Programs with changes in the state CalWORKs program, eliminates outdated provisions that no longer reflect current program operations, targets intensive employment services more effectively, and incorporates other programmatic changes designed to make the application for, and administration of, CAAP benefits simpler. Specifically, the ordinance:

- Clarifies the work requirements expected of employable recipients, and exempts from mandatory work requirements persons: who are 60 years of age or older; recipients of assistance under the CALM and SSIP programs; minors, unless they are emancipated; and employable recipients of PAES and General Assistance who have a temporary disabling condition;
- Authorizes DHS to create an intensive employment services program for PAES participants;
- Removes the authority to recoup overpayments resulting from agency error;
- Expands the types of identification that are acceptable as proof of identity;
- Repeals the requirement that applicants transfer to the City any interests in real property;
- Conforms the codified definition of "housing" to the definition approved by the voters in Proposition N (also known as Care not Cash);
- Aligns income and asset limits with the limits used in the state Medi-Cal and CalWORKs programs;
- Conforms to changes in state law governing time limits for the receipt of benefits under the CalWORKs program;
- Conforms to changes in state law repealing the ban on receipt of benefits by individuals with a prior felony drug conviction;
- Eliminates the Employer Wage Subsidy program, which is not currently administered by DHS;

AMENDED IN COMMITTEE 6/17/16

FILE NO. 160636

- Reduces the time during which records must be retained from five to three years; and
- Changes the deadlines applicable to requests for an administrative hearing to challenge a proposed agency action.

Background Information

Article VII of Chapter 20 of the Administrative Code, which governs the General Assistance Program, was enacted in 1980, and fulfills the City's duty under state law to provide financial assistance to indigent residents who are not supported by other means. (Cal. Welf. & Inst. Code §§ 17000 et seq.) The standards governing the administration of the General Assistance program, as set forth in Article VII, comply with the requirements of state law.

Articles IX, X, and XI of Chapter 20 of the Administrative Code govern the PAES, CALM and SSIP programs, respectively. These programs were enacted in 1998 to meet the specific needs of applicants for assistance who are: employable; eligible for Medi-Cal on the basis of being aged, blind, or disabled; or awaiting a determination of eligibility for federal disability benefits. The administration of these programs is not governed by the California Welfare and Institutions Code applicable to the administration of General Assistance. Nevertheless, the standards governing these programs, as set forth in Articles IX, X and XI, are very similar to the program standards governing General Assistance.

In 2002, San Francisco voters approved Proposition N, also known as Care not Cash. Proposition N amended Articles VII, IX, X and XI of Chapter 20 of the Administrative Code to permit the City to provide homeless recipients with in-kind benefits (housing, shelter and meal services) in lieu of cash benefits, where in-kind benefits are available.
