16 Be it ordained by the People of the City and County of San Francisco:

17 (a) Pursuant to Section 4.135 of the Charter of the City and County of San
18 Francisco, the Historic Preservation Commission has authority "to recommend approval,
19 disapproval, or modification of landmark designations and historic district designations under
20 the Planning Code to the Board of Supervisors."

21 (b) On February 5, 1975, Ordinance No. 22-75 designated 140 Maiden Lane (aka
22 V. C. Morris Gift Shop), Assessor's Block No. 0309, Lot 019, as Landmark No. 72. That
23 Ordinance, which is incorporated herein by reference, required "that the said Landmark
24 should be preserved generally in all of its particular exterior features," but did not list all the
25 character-defining features that have to be preserved in any amount of detail. Moreover, it did

1 not include any of the interior character-defining features as part of the Landmark
2 Designation.

3 (c) Planning Department staff Shannon Ferguson, who meets the Secretary of
4 Interior's Professional Qualification Standards, prepared the Landmark Designation Report for
5 140 Maiden Lane, dated May 4, 2016, which was reviewed by Department staff Timothy Frye
6 for accuracy and conformance with the purposes and standards of Article 10.

7 (d) The Historic Preservation Commission, at its regular meeting of May 4, 2016,
8 reviewed Department staff's analysis of 140 Maiden Lane's historical significance per Article
9 10 as part of the Landmark Designation Case Report dated May 4, 2016.

10 (e) On May 4, 2016, the Historic Preservation Commission passed Resolution No.
11 761, initiating an amendment of the Landmark Designation for 140 Maiden Lane (aka V. C.
12 Morris Gift Shop), Assessor's Block No. 0309, Lot 019, pursuant to Section 1004.1 of the San
13 Francisco Planning Code. Such motion is on file with the Clerk of the Board in File No.
14 160821 and incorporated herein by reference.

15 (f) On June 1, 2016, after holding a public hearing on the proposed amendment of
16 the Landmark Designation and having considered the specialized analyses prepared by
17 Planning Department staff and the Landmark Designation Case Report, the Historic
18 Preservation Commission recommended approval of the proposed amendment to the
19 Landmark Designation of 140 Maiden Lane (aka V. C. Morris Gift Shop), Assessor's Block No.
20 0309, Lot 019, in Resolution No. 763. Such resolution is on file with the Clerk of the Board in
21 File No. 160821.

22 (g) Pursuant to Planning Code Section 302, the Board of Supervisors finds that the
23 proposed amendment to the Landmark Designation of 140 Maiden Lane (aka V. C. Morris Gift
24 Shop), Assessor's Block No. 0309, Lot 019, will serve the public necessity, convenience and
25 welfare.

1 (h) The Board finds that the proposed amendment to the Landmark Designation of
2 140 Maiden Lane (aka V. C. Morris Gift Shop), Assessor's Block No. 0309, Lot 019, is
3 consistent with the San Francisco General Plan and with Planning Code Section 101.1(b) for
4 the reasons set forth in Resolution No. 763, recommending approval of the proposed
5 amendment of the Landmark Designation, which is incorporated herein by reference.

6 (i) The Planning Department has determined that the actions contemplated in this
7 Ordinance are in compliance with the California Environmental Quality Act (California Public
8 Resources Code section 21000 et seq., "CEQA"). Specifically, the Planning Department has
9 determined the proposed Planning Code amendment is subject to a Categorical Exemption
10 from CEQA pursuant to Section 15308 of the Guidelines for Implementation of the statute for
11 actions by regulatory agencies for protection of the environment (specifically in this case,
12 landmark designation). Said determination is on file with the Clerk of the Board of
13 Supervisors in File No. 160821 and is incorporated herein by reference.

14 (j) The Board of Supervisors hereby finds that 140 Maiden Lane (aka V. C. Morris
15 Gift Shop), Assessor's Block No. 0309, Lot 019, has a special character and special historical,
16 architectural, and aesthetic interest and value, and that this amendment to its Landmark
17 Designation will further the purposes of and conform to the standards set forth in Article 10 of
18 the San Francisco Planning Code.

19
20 Section 2: Designation. Pursuant to Section 1004 of the Planning Code, the Landmark
21 Designation for 140 Maiden Lane (aka V. C. Morris Gift Shop), Assessor's Block No. 0309,
22 Lot 019 under Article 10 of the Planning Code is hereby amended.

23
24 Section 3. Required Data.
25

1 (a) The description, location, and boundary of the Landmark site consists of the City
2 parcel located at 140 Maiden Lane (aka V. C. Morris Gift Shop), Assessor's Block No. 0309,
3 Lot 019, in San Francisco's Downtown area.

4 (b) The characteristics of the Landmark that justify its designation are described and
5 shown in the Landmark Designation Case Report and other supporting materials contained in
6 Planning Department Case Docket No. 2015-007181OTH. In brief, 140 Maiden Lane (aka V.
7 C. Morris Gift Shop), Assessor's Block No. 0309, Lot 019, is eligible for local designation
8 under National Register of Historic Places Criterion C (as it embodies distinctive
9 characteristics of a type, period, or method of construction, conveys high artistic values, and
10 represents the work of a master architect). Specifically, amendment to the designation of the
11 V. C. Morris Gift Shop is proper as the building, both the exterior and interior, is significant for
12 its architecture and as the work of master architect Frank Lloyd Wright.

13 Wright's design for the V. C. Morris Gift Shop breaks the rules of conventional
14 department store design. Instead of a visually open storefront and open floor plan, the
15 building's solid brick façade with narrow arched tunnel entrance gives no indication of the
16 interior's double-height, mezzanine-ringed, top-lit circular interior space with distinct sales
17 areas. It is the first building to be constructed using what became his favorite structural shape,
18 the spiral, which dominated his work throughout his final years. The façade of the V. C. Morris
19 Gift Shop was also the first time Wright incorporated the Romanesque arch in five decades, a
20 design motif which he had often used in his early work.

21 Frank Lloyd Wright is by far the most well-known and influential American architect.
22 Although Wright produced several designs for other buildings in San Francisco, the V. C.
23 Morris Gift Shop is the only one that was realized. The V. C. Morris Gift Shop is also
24 significant as a rare extant Modern building designed by the master architect.

1 (c) The particular features that shall be preserved, or replaced in-kind as
2 determined necessary, are those generally shown in photographs and described in the
3 Landmark Designation Case Report, which can be found in Planning Department Docket No.
4 2015-007181OTH, and which are incorporated in this designation by reference as though fully
5 set forth. Specifically, the following features shall be preserved or replaced in kind:

6 (1) The exterior elevation facing Maiden Lane, including but not limited to form,
7 massing, structure, architectural ornament and materials, and identified as:

15 sign at entrance arch;

- 17 (H) Flat roof with two ridge type skylights.

18 (2) The character-defining interior features of the building at 140 Maiden Lane,
19 which have historically been accessible to the public, include:

- 20 (A) Two-story volume;
- 21 (B) Curved interior walls;
- 22 (C) Recessed barrel vaulted entry with curved glass and display shelf;
- 23 (D) Carpeted spiral ramp with circular wall openings and niches;
- 24 (E) Acrylic plastic concave and convex domes held by brass tubing at ceiling;

8

9 Section 4. The property shall be subject to further controls and procedures pursuant to

10 the San Francisco Planning Code and Article 10.

11

12 Section 5. Effective Date. This ordinance shall become effective 30 days after

13 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
