17 and place for a public hearing thereon; approving the form of the Notice of Public Hearing and

1 WHEREAS, Article XIID, Section 4 of the California Constitution provides that parcels
 2 within an assessment district that are owned or used by any government agency, the State of
 3 California, or the United States shall not be exempt from assessment unless the agency can
 4 demonstrate by clear and convincing evidence that those publicly owned parcels in fact
 5 receive no special benefit; and

6 WHEREAS, The Board of Supervisors has jurisdiction over five (5) parcels of real
 7 property within the District that are owned by the City and County of San Francisco; and

1 WHEREAS, The Board of Supervisors will hold a public hearing on September 20,
2 2016, to consider public testimony on the proposed modifications to the Management District
3 Plan and Engineer’s Report, which would clarify that the limit on Consumer Price Index
4 increases does not prohibit the City from updating the assessments under the previously-
5 approved assessment formula to reflect changes to parcels after they were first assessed in
6 2013, and to conduct assessment ballot proceedings for affected property owners to approve
7 or disapprove the modifications; and

8 WHEREAS, At the September 20, 2016, public hearing the Board may receive public
9 testimony both in favor of and against the proposed modifications, and the Department of
10 Elections will tabulate the assessment ballots submitted by the owners of affected properties
11 to determine if there is a majority protest; and

12 WHEREAS, The affected property owners or their authorized representatives may
13 submit, withdraw, or change assessment ballots for their properties prior to the close of public
14 testimony at the public hearing; and

15 WHEREAS, The Board of Supervisors is authorized to cast assessment ballots for
16 those parcels owned by the City, to either approve or disapprove the proposed modifications,
17 and may authorize a representative to submit the assessment ballots for those parcels on the
18 City’s behalf; and

19 WHEREAS, It is appropriate for the Board of Supervisors to authorize a representative
20 to submit assessment ballots for the City-owned parcels within the District on the City’s behalf,
21 to avoid confusion on the Board's dual role as both the legislative body that may approve the
22 proposed modifications, and as the decision-making body for the City as the owner of property
23 subject to assessments; now, therefore, be it

24 RESOLVED, That the Mayor is hereby authorized to submit any and all assessment
25 ballots in the affirmative for the above-listed parcels of real property in the District, which are

1 all owned by the City and County of San Francisco and which are subject to assessment; and,
2 be it

3 FURTHER RESOLVED, That the Clerk of the Board of Supervisors shall cause copies
4 of this Resolution to be delivered to the Office of Economic and Workforce Development, the
5 Director of Elections, and the Central Market Community Benefit District owners association,
6 and placed in the Board of Supervisors file for the Resolution to modify the Management
7 District Plan and Engineer's Report for the District.
