**Re:Request for Rules Committee Approval of Reappointment of Vince Courtney to San Francisco Public Utilities Commission**

Dear Supervisors,

The San Francisco Labor Council strongly supports the reappointment of Brother Vince Courtney to the San Francisco Public Utilities Commission, where he has been a consistent voice for Labor and the working men and women of San Francisco, as well as an effective advocate for the public concerning water resources, environmental and energy issues.

Brother Courtney has been a member of the Executive Board of the San Francisco Labor Council for many years, and serves as City Representative and Political Director for LiUNA! Laborers Local 261. His private and public sector labor relations experience is a great benefit to the Commission and to the citizens of San Francisco, and aside from his work for Labor and the SFPUC, he has dedicated himself to the all-important task of creating more opportunity for the less privileged youth of San Francisco to access job training and apprenticeship programs, in conjunction with the building and construction trades unions, which will lead to good, stable jobs.

We wholeheartedly recommend your approval of the reappointment of Vince Courtney to the San Francisco Public Utilities Commission.

Sincerely,

Tim Paulson

Re: Reappointment of Vince Courtney to San Francisco Public Utilities Commission

Dear Chair Tang and Supervisors Mar and Cohen:

The San Francisco Building and Construction Trades Council asks you to support the reappointment of Brother Vince Courtney to the San Francisco Public Utilities Commission (SFPUC).

As much as if not more than with any other City agency, the work of the SFPUC intersects with the needs of men and women working in the construction industry – and of aspirants to that work – for wages and benefits that will sustain a family and for healthy working conditions. We in the Building Trades advocate not just for our members, but for all such workers. Brother Courtney understands and supports this advocacy, which has as one of its effects a skilled and efficient workforce that has best served and will best serve the SFPUC's purposes.

To this end, Brother Courtney has made a priority of workforce development and finding ways to well-paying careers for underserved populations of San Francisco through creative avenues to job training and apprenticeship.

In his two terms on the Commission Brother Courtney has understood and worked to address not just the needs of workers in the SFPUC's construction and of underserved communities, but the needs of the environment. He had been an essential supporter of a functional public energy program. He has listened carefully and been respectful to all who have come before the Commission.

Please recommend to the full Board of Supervisors that it approve his reappointment to the Commission.

Respectfully yours,

MICHAEL THERIAULT  
Secretary Treasurer

Re: Request for Rules Committee Approval of Reappointment  
of Vince Courtney to San Francisco Public Utilities Commission

Dear Supervisors,

The California Alliance for Jobs, a Sacramento based partnership between Labor and Management representing more than 2,000 heavy construction companies and 80,000 union construction workers from Kern County to the Oregon border, enthusiastically recommends that Vince Courtney be reappointed to the San Francisco Public Utilities Commission.

Vince Courtney is a member of the Board of Directors of the California Alliance. As such, he shares in directing the goals of the Alliance, which prioritize the creation of jobs and ensuring that our State remain focused on the building and maintenance of our public infrastructure: transportation, roads, water systems and residential as well as commercial real estate among many other things. In this way we can best assure continued economic vitality. We know that the goals of the San Francisco Public Utilities Commission are consistent with ours, and we have the utmost confidence in Vince Courtney's intelligence, dedication and hard work in furtherance of our mutual objectives.

At the California Alliance, Labor and Management work together to find solutions to problems facing the State of California. This cooperative effort is equally important at the local level and Vince Courtney is the kind of person who can determine and advance the common ground. His reappointment will continue to serve the City of San Francisco and its citizens by utilizing the considerable knowledge, experience and personal capabilities that he brings to the Commission.

Fraternally yours,

Michael Quigley  
Executive Director

Dear Supervisor Avalos,

This morning, I learned that Mayor Lee has reappointed me to another term on the San Francisco Public Utilities Commission.

I have been honored to serve for the last two terms on this very important Commission and have focused much of my attention on Community Workforce/Career Pathway Development, the Infrastructure & Construction Industry, Public Sector Labor Relations and Community Benefits Implementation. The work has been extremely rewarding and I have made it my priority to contribute time and effort as generously as possible in service to the citizens of San Francisco.

I would be most appreciative of any opportunity that you may have to meet with me, or discuss with me matters of importance to you, objectives that you have for the Commission, or any concerns you have that I may be able to address.

As always, I am available to call/text, or via cellular telephone (415) 810-4500 at any time.

Sincerely,

Re: Reappointment of Vince Courtney to San  
Francisco Public Utilities Commission

Dear Supervisor Yee,

This morning, I learned that Mayor Lee has reappointed me to another term on the San Francisco Public Utilities Commission.

I have been honored to serve for the last two terms on this very important Commission and have focused much of my attention on Community Workforce/Career Pathway Development, the Infrastructure & Construction Industry, Public Sector Labor Relations and Community Benefits Implementation. The work has been extremely rewarding and I have made it my priority to contribute time and effort as generously as possible in service to the citizens of San Francisco.

I would be most appreciative of any opportunity that you may have to meet with me, or discuss with me matters of importance to you, objectives that you have for the Commission, or any concerns you have that I may be able to address.

As always, I am available to call/text, or via cellular telephone (415) 810-4500 at any time.

Sincerely,

Vince Courtney, Jr.
