Rules Committee
San Francisco Board of Supervisors
1 Dr. Carlton B Goodlett Pl., Room 244
San Francisco, CA 94102

Dear Members of the San Francisco Board of Supervisors Rules Committee:

I am writing in support of Commissioner Ann Caen's reappointment to the San Francisco Public Utilities Commission (SFPUC).

Ms. Caen has been on the Commission for 19 years. As Commissioner, she prioritized the rebuild of our City's core water and wastewater infrastructure. Through our Water System Improvement Program (WSIP), we have rebuilt our dams, our major pipelines and other key infrastructure points to help ensure we can continue to deliver water after a major seismic event. As Commissioner, Ann approved the master plan and funding program for these projects. She then held staff accountable to make sure ratepayers were getting value for their investments. Thanks to the work of Commissioner Caen, SFPUC staff and many others, the WSIP is more than 90% complete and has become a model for infrastructure improvement.

With the WSIP winding down, the SFPUC has launched its Sewer System Improvement Program (SSIP) to rebuild and upgrade our City's aging sewer infrastructure. With her experience from the "birth" of WSIP through its near completion, Commissioner Caen is uniquely qualified to help ensure the SFPUC delivers the SSIP in a manner that meets the needs of the City's residents and businesses.

This may seem like a small thing, but Commissioner Caen actually reads the packets of information sent to her so that she can be an active participant in Commission meetings. She often asks questions about items based on the reading and her understanding of the history and her grasp of the issues involved. As a former General Manager of the SFPUC, I know that I benefited greatly from Ann's experience and sage advice. I highly recommend her for reappointment to the San Francisco Public Utilities Commission.

Sincerely,

Ed Harrington
Former General Manager, SFPUC

**Statement by Nicole Sandkulla, Chief Executive Officer of the
Bay Area Water Supply and Conservation Agency at the Hearing
for Ann Caen to be Reappointed as a Member of the
San Francisco Public Utilities Commission**

September 8, 2016

My name is Nicole Sandkulla and I am the Chief Executive Officer of the Bay Area Water Supply and Conservation Agency. I support enthusiastically the confirmation of Ann Caen for a fifth term as a member of the San Francisco Public Utilities Commission.

I have worked with Ann Caen during her extraordinary four terms as a member of the Commission and the four times she has been its President. She is a strategic executive with the intellect to define issues, the executive ability to sort through details of the water business, and the determination to make prompt decisions, talents that benefit all water users who depend on the San Francisco Regional (Hetch Hetchy) Water System.

Currently, she is designated as the Commission member with special knowledge of finance. This is especially important with the Commission's billion-dollar construction projects, which are paid for by water customers of the System. She is fair, intellectually honest, and open-minded.

Ms. Caen's responsibility is first and foremost to the Commission, of course. But she understands the concept of customer satisfaction and demonstrates a real interest in satisfying the needs of 1.7 million residents and 30,000 customers outside of San Francisco who use two thirds of the System's water and pay two thirds of the cost.

BAWSCA and its 26 member agencies in Alameda, San Mateo, and Santa Clara counties appreciate her interest in their water needs, which was highlighted by her recent participation in a regular BAWSCA Board meeting in Foster City, and interaction with its members.

Above all, Ms. Caen's personal integrity and wide experience in community affairs reassure BAWSCA that she will support its objectives of a reliable supply of high quality water at a fair price.

It is a great pleasure to urge her reappointment to the Public Utilities Commission.

City and County of San Francisco Board of Supervisors
San Francisco City Hall
1 Dr. Carlton B. Goodlett Place

Subject: Recommendation for Ann Caen to be reappointed as a member of the San Francisco Public Utilities Commission

Dear Supervisor Breed,

As the former Chief Executive Officer of the Bay Area Water Supply and Conservation Agency, I am writing to support the confirmation of Ann Caen for another term as a member of the San Francisco Public Utilities Commission.

I have had the pleasure of working with Ms. Caen since she was first appointed to the Commission in 1997. Ms. Caen consistently displays the characteristics of an effective public official. She considers matters thoughtfully, listens intently to public testimony, demands staff provide the information necessary to make sound decisions, and truly enjoys the role of commissioner in providing reliable utility service.

As a four-time president, Ms. Caen has led the Commission through major decisions during critical periods. She was president in 2002 when the Commission adopted the first capital improvement program, now called the Water System Improvement Program, for rebuilding the earthquake-prone Regional Water System.

While deeply loyal to the City and County of San Francisco, Ms. Caen demonstrates a genuine interest in the well-being of the entire region. The 26 cities, water districts and water companies that purchase water from the Regional Water System benefit from Ms. Caen's continued determination to see the Water System Improvement Program completed.

I urge the Rules Committee and the Board of Supervisors to confirm her appointment to the Public Utilities Commission.

Sincerely,

Arthur R. Jensen
Former Chief Executive Officer
