Application Statement Beverly Melugin

My qualifications for serving on the Child Care Planning and Advisory Council are a combination of my rich life experiences and education. They include a Bachelor of Science degree in Education from Northeastern State University, Tahlequah, OK, a Master of Science degree in Community Service and Public Affairs with a focus in Public Administration from the University of OR, Eugene, a citizen of the Cherokee Nation, the mother of a child born with a severe disability leading to a short life, and a female administrator in the early 1970's.

I have a passion for learning and a clear vision of how optimal learning and development takes place. For the past 12 years, I have been applying my leadership and organizational skills as Executive Director of C5 Children's School in San Francisco serving 120 children 6 weeks to 6 years old. We provide a comprehensive, high quality program inspired by the Preprimary Schools of Reggio Emilia, Italy, the WestEd Program for Infant Toddler Care (PITC), Resources for Infant Educators (RIE), and other world-wide best practices. My initial mandate from the Board of Directors was to convert C5's child care program into a rich, comprehensive, high quality, early care and education program. We have succeeded in creating an exemplary program with our now highly competent staff and professionals on the Board of Directors.

Other Work Experiences: Classroom teacher and food services director in an inner-city junior/senior high school in Kansas City, Kansas; and, later, co-directed the first Head Start Program in Kansas City for 500 children. From Norman, Oklahoma, for four years, was the Community Action Agency Director and administered a number of programs for two counties, including Head Start.

Taught High School in Springfield, Oregon for two years and was Director of the Lane County Head Start Program for three years. While completing my Master's, I worked on a project at the University of Oregon involving several parent groups of children with disabilities throughout the state and completed a thesis titled, "Politically Active Parents of Handicapped Children." Later I did training for school districts in the state on, the then, new federal Individuals with Disabilities Act giving children with disabilities the right to a public education. I also taught a course at the University of Oregon on special rights for young children with disabilities for four years.

Continued my work in education as an administrator for six years with the Eugene Public Schools as a curriculum and instructional materials specialist. My responsibilities included addressing issues of racial, ethnic, and gender stereotyping in the curriculum and instructional materials and serving as the district's Title IX Officer. She worked for three years as Vice President of EPIE Institute providing training in instructional materials selection for many of the largest school districts in the U.S. Later, worked for seven years as General Manager of Crystal Barkley Corporation, a career and life design organization based in New York City.

Worked for the Seattle, Washington School District as a Grants and Development Specialist for three years and for seven years as a consultant to early childhood education programs, primarily Head Start, in the Pacific Northwest. She participated in 30 Head Start program reviews in California, Oregon

I believe that with my diverse experience with Head Start, public education, and C5, I can offer a unique perspective to CPAC that encompasses a broad and future view for early care and education for all young children. Some specific contributions would include: advocating for preschool for all children including infants, identifying initiatives to involve and gain support of city businesses, ways for engaging upper middle income parents to advocate for early learning, in-depth knowledge of effective approaches to early learning, and insights into how economic inequality impacts young children.

CPAC's mission is to create and drive the child care and early education agenda to meet the needs of children birth to age 12 and their families in San Francisco.

**REQUEST FOR NOMINATION TO THE
SAN FRANCISCO CHILD CARE PLANNING AND ADVISORY COUNCIL**

The San Francisco Child Care Planning and Advisory Council (CPAC) is seeking individuals who are interested in applying for appointment. For additional information, call Tony Tyson, CPAC Coordinator at (415) 355-3673.

Child Care Planning and Advisory Council (CPAC) Purpose:

The purpose of the San Francisco Child Care Planning and Advisory Council (CPAC) is to advise the Board of Supervisors, the Mayor, the San Francisco First 5 Children and Families Commission and, with their consent, the Board of Education and the Superintendent of Schools about early care and education (ECE) and out of school time (OST) issues. CPAC is legislatively mandated to serve as a representative advisory and planning body to maintain, expand and improve local ECE and OST services for 0 – 12 year olds; and the council provides links between government and the community to work to maximize the amount and impact of local, state, federal and private resources and funding for ECE and OST provision in San Francisco.

Child Care Planning and Advisory Council (CPAC) Powers and Duties:

Upon approval of the Board of Supervisors and the County Superintendent of Schools, to submit to the California Department of Education – Early Education and Support Division (CDE-EESD) changes in local priorities for the allocation of state child care and development funds. CPAC duties include conducting a Needs Assessment of ECE and OST needs every 5 years and comply with all guidelines issued by CDE-EESD. In addition, CPAC is responsible for reviewing ECE and OST policy issues; conducting research and analysis; making recommendations regarding CDE-EESD funding; and coordinating county-wide projects to assist the development and improvement of early education and OST services for ages 0-12.

Child Care Planning and Advisory Council (CPAC) Membership:

CPAC membership is comprised of 25 members from varied backgrounds who have demonstrated expertise and experience in early care and education and out of school time. Members are appointed by the Board of Supervisors and Board of Education. The Board of Supervisors and the Board of Education each appoint 12 members, and the President of the Board of Supervisors appoints one additional member for a total of 25 voting members.

Education Code Section 8499.3 mandates that membership composition is equal divided following five categories:

1. **Child Care Consumers:** parents or persons who receive or who have received ECE or out of school time services within the past 36 months (subsidized or unsubsidized; subsidies may be any tuition assistance, whether public or private, on an income-assistance basis);
2. **Child Care Providers:** persons who provide ECE or OST services or represent persons who provide child care services;
3. **Public Agency Representatives:** persons who represent a city, a county, city and county or local education agency;
4. **Community Representatives:** persons who represent an agency or business that provides private funding for ECE or out of school time services or who **advocate** for these services through participation in civic or community based organizations, but are not providers and do not represent agencies that contract with CDE-EESD to provide child care and development services;
5. **Members at discretion of Board or Superintendent:** persons from any of the above categories or outside of these categories at the discretion of the appointing agencies.

Along with these categories, San Francisco CPAC has specified that we nominate a diverse population within categories as well, specifying that we represent many types of providers, consumers, etc. (family and private child care, subsidized and unsubsidized parents, etc.) We also are always seeking to represent the San Francisco's spectrum of races, ethnicities, and sexual orientations.

The application process is as follows:

1. Applicants must submit the reverse side with an **application statement** to: Tony Tyson, CPAC Coordinator
Office of Early Care and Education, 1650 Mission Street, Suite 312, San Francisco, CA 94103 or Anthony.Tyson@sfgov.org
2. The Membership Committee will forward selected candidates to the Executive Committee for review.
3. If selected, member applications will be forwarded to Board of Supervisors or County Superintendent of Schools.
(Applications forwarded to appointing agencies do not guarantee appointment to CPAC).
4. New CPAC members will be invited to participate in an upcoming Child Care Planning and Advisory Council meeting as soon as their appointment is confirmed. (CPAC meetings are always open to the public and attendance is encouraged prior to appointment.)

All applicants will be informed of their status at each step of this process.

London Breed
Board of Supervisor President
Dr. Carlton B. Goodlett Place
San Francisco CA 94102

July 27, 2016

Dear Supervisor Breed,

The San Francisco Child Care Planning and Advisory Council (CPAC) is a State mandated policy and planning body appointed by the Board of Supervisors and the Board of Education to advise the City on early care and education issues.

Michele Rutherford, Deputy Director at the Office of Early Care and Education (OECE) is currently seated as a Public Agency Representative, appointed by Board of Supervisor President David Chiu. Michele has been a tremendous asset to CPAC and taken a variety of leadership roles for the Council over her many years of service. Unfortunately, Michele has elected not to pursue reappointment for a second term. Under CPAC's by laws, Council membership must be comprised equally of 20% consumers, child care providers, public agency representatives, community representatives and discretionary appointees. Twelve members are seated by the Board of Education and 12 members are seated by the Board of Supervisors; including 1 additional member appointed by the Board of Supervisors President to comprise the 25 member council. With the loss of Michele to the Council the CPAC Executive Committee is in full agreement that having a Public Agency Representative from the Office of Early Care and Education is critical to the future work of CPAC. Therefore, the Executive Committee has selected Graham Dobson as the ideal candidate to take over Michele's seat on the Council.

Graham is the Senior Policy Analyst at the Office of Early Care and Education. Graham brings with him over 30 years of experience in early care and education, 22 of which were in San Francisco. He has been a classroom teacher, program administrator, advocate, and as an administrative analyst of public policy has examined the issues impacting young children and their families in San Francisco. Graham's skill set and passion for early childhood has been clearly demonstrated to CPAC Members. He has been involvement in several Sub-Committees most notably the Needs Assessment Committee; which helps inform the Board of Education and Board of Supervisors of the needs of the Early Education Community so they can best serve San Francisco's children and families. I have enclosed a copy of his application and qualifications for your review. We hope you agree with the CPAC Executive Committee that Graham's long-term involvement and expertise in early care and education field would be of invaluable benefit to CPAC, and choose to appoint him to the Council.

CPAC strongly recommends Graham Dobson to help set and drive the child care agenda in San Francisco. Graham is happy to meet at your earliest convenience to discuss his qualifications and desire to become a seated member of CPAC, in the Public Agency Representative category. Please feel free to contact me with any questions you may have regarding CPAC, our work, or our appointment and outreach process.

Sincerely,

Tony Tyson
