1           WHEREAS, The Board of Supervisors will hold a public hearing on September 20,  
2 2016, to consider public testimony on the proposed modifications to the Management District  
3 Plan and Engineer's Report, which would clarify that the limit on Consumer Price Index  
4 increases does not prohibit the City from updating the assessments under the previously-  
5 approved assessment formula to reflect changes to parcels after they were first assessed in  
6 2013, and to conduct assessment ballot proceedings for affected property owners to approve  
7 or disapprove the modifications; and

8           WHEREAS, At the September 20, 2016, public hearing the Board may receive public  
9 testimony both in favor of and against the proposed modifications, and the Department of  
10 Elections will tabulate the assessment ballots submitted by the owners of affected properties  
11 to determine if there is a majority protest; and

12           WHEREAS, The affected property owners or their authorized representatives may  
13 submit, withdraw, or change assessment ballots for their properties prior to the close of public  
14 testimony at the public hearing; and

15           WHEREAS, The Board of Supervisors is authorized to cast assessment ballots for  
16 those parcels owned by the City, to either approve or disapprove the proposed modifications,  
17 and may authorize a representative to submit the assessment ballots for those parcels on the  
18 City's behalf; and

19           WHEREAS, It is appropriate for the Board of Supervisors to authorize a representative  
20 to submit assessment ballots for the City-owned parcels within the District on the City's behalf,  
21 to avoid confusion on the Board's dual role as both the legislative body that may approve the  
22 proposed modifications, and as the decision-making body for the City as the owner of property  
23 subject to assessments; now, therefore, be it

24           RESOLVED, That the Mayor is hereby authorized to submit any and all assessment  
25 ballots in the affirmative for the above-listed parcels of real property in the District, which are

1 all owned by the City and County of San Francisco and which are subject to assessment; and,  
2 be it

3 FURTHER RESOLVED, That the Clerk of the Board of Supervisors shall cause copies  
4 of this Resolution to be delivered to the Office of Economic and Workforce Development, the  
5 Director of Elections, and the Central Market Community Benefit District owners association,  
6 and placed in the Board of Supervisors file for the Resolution to modify the Management  
7 District Plan and Engineer's Report for the District.
