Existing Law

Most blocks and lots in the neighborhood of Midtown Terrace - generally bounded by Twin Peaks Boulevard to the east, Twin Peaks Reservoir and the lands of Sutro Tower to the north, Clarendon Avenue, Laguna Honda Hospital and the Juvenile Detention Center to the west, and Portola Avenue to the south - are currently zoned Residential, House District: One-Family (RH-1). Block 2643B lot 8 is zoned Public, but is occupied by a single family, detached home.

Amendments to Current Law

This ordinance rezones the Midtown Terrace neighborhood from RH-1 to Residential, House District, One-Family (Detached Dwelling) (RH-1(D)). Lot 8 in Block 2643B is rezoned from Public to RH-1(D).

Background Information

The homes in Midtown Terrace are detached homes with side yards on lots of greater than 25 feet in width. As built, the Midtown Terrace neighborhood conforms to the definition of Residential, House: One-Family (Detached Dwellings) (RH-1(D)) in Planning Code section 209.1. Most parcels in the neighborhood are currently zoned as RH-1, a zoning designation that does not require side yards. This ordinance rezones the neighborhood such that its zoning conforms to the definitions in the Planning Code.
