[Sidewalk Width Change - 30th Avenue in the Richmond District]

Ordinance amending Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," to change the official sidewalk width along a portion of the easterly side of 30th Avenue between Clement Street to the north, and Geary Boulevard to the south; adopting the Planning Department's determination under the California Environmental Quality Act; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

Existing Law

Board of Supervisors' Ordinance No. 1061 established the official sidewalk widths throughout San Francisco. Ordinance No. 1061 is uncodified, but can be located in the Clerk of the Board of Supervisors Book of General Ordinances, in effect May 11, 1910, which is on file with the Clerk of the Board of Supervisors. Currently, the sidewalk width along the easterly side of 30th Avenue, between Clement Street to the north and Geary Boulevard to the south, is 15 feet.

Amendments to Current Law

This legislation would amend Ordinance No. 1061 to change the official sidewalk width along a portion of the easterly side of 30th Avenue, between Clement Street to the north and Geary Boulevard to the south, from 15 feet to 10 feet. The Ordinance would adopt the Planning Department's findings and make additional findings under the California Environmental Quality Act, and make findings of conformity with the General Plan and eight priority policies of Planning Code Section 101.1. This legislation would also require the San Francisco Unified School District to make arrangements for any necessary relocation and/or modification of the facilities affected by the sidewalk width change.
