Subject: Resolutions approving four Technology Marketplace contract amendments

The Office of Contract Administration is submitting the enclosed resolutions that will authorize the Office of Contract Administration to execute three Tier 1A and one Tier 1B Technology Marketplace contract amendments, pursuant to Charter Section 9.118(b). The proposed not-to-exceed ("NTE") values for the four contracts are as follows:

- \$58,000,000 for ComputerLand of Silicon Valley
- \$77,000,000 for En Pointe Technology Sales, Inc.
- \$94,000,000 for Xtech JV
- \$30,000,000 for InterVision Systems Technologies, Inc.

The proposed NTEs factor in recent procurements made in 2016 to facilitate investments at the Airport and facilitate the smooth transition of ancillary software systems to the City's new financial system. The proposed amendments also assume that the contracts will be extended by one year and terminate on 30 September, 2018.

If you have any questions, please contact Rob Henning (415-554-6212) or Shawn Peeters (415-554-7030). Thank you for your consideration.
