MANDATE STATEMENT

City Charter Section 9.118(c) states that any sale of real property owned by the City and County of San Francisco is subject to Board of Supervisors approval.

BACKGROUND

The City and County of San Francisco, under the jurisdiction of the San Francisco Public Utilities Commission (SFPUC)'s Water Enterprise, currently owns 3.18 acres of vacant property located at 401 and 403 Old Bernal Avenue in Pleasanton, California (hereafter referred to as "401 and 403 Old Bernal Avenue"). The City and County of San Francisco acquired the property in 1930 as part of a larger acquisition of the Spring Valley Water Works. The property was used to pump groundwater for sale, but has not been used for that purpose by SFPUC since 1949.

Decision to Sell 401 and 403 Old Bernal Avenue

According to Ms. Rosana Russell, SFPUC Real Estate Director, the Water Enterprise's policy is to keep most unused land in case of future needs, such as staging of pipeline projects. As 401 and 403 Old Bernal Avenue are in Alameda County, the SFPUC has been paying property taxes to Alameda County, as well as maintenance costs. Because the Water Enterprise was facing large budget deficits in 2015 as the drought and subsequent drought-related water-use restrictions had decreased revenue, the SFPUC decided to sell certain underutilized property in order to (a) eliminate property tax and maintenance costs, (b) provide a source of revenue to the Water Enterprise operations, and (c) take advantage of the current high value of the property market by selling six properties,¹ one of which is 401 and 403 Bernal Avenue. In a written statement dated December 18, 2015, the Assistant General Managers for each of the Water, Wastewater and Power Enterprises declared that 401 and 403 Old Bernal Avenue are not essential to the SFPUC's utility needs.

According to Ms. Russell, the SFPUC determined after consultation with senior management and the Public Utilities Commission to sell the property "as is" in order to expedite the sale.

The Associated Right of Way Services, Inc., an independent appraiser, in an appraisal report dated May 6, 2016 valued the property at \$4,158,000. In accordance with the Administrative Code, Chapter 23.2, CBRE, Inc. reviewed and confirmed the appraisal valuation on January 12, 2017.

Selection of Real Estate Brokers

On the SFPUC's behalf, the City's Real Estate Division selected Colliers International (Colliers) in 2015, based on a competitive process, to serve as broker for the sale of the six SFPUC properties.

¹ According to Ms. Russell, only one of the properties the SFPUC has decided to sell currently has a Purchase and Sale Agreement. That property is known as the Helen Drive lots in Millbrae, and a sale price has been negotiated for \$2,340,000 (File 17-0053 of this report).

Offering of 401 and 403 Old Bernal Avenue

In the first half of 2016, the Real Estate Division issued the required statutory notices to public entities² to offer to sell 401 and 403 Old Bernal Avenue, and at the same time, Colliers also advertised the properties to potential purchasers. Colliers solicited bids from prospective property buyers for two weeks, between October 12 and October 27, 2016. The SFPUC received bids from the City of Pleasanton, KFS Design, and Charter Properties. The bids were evaluated based on the (1) purchase price, (2) deposit amount, and (3) proof of funds, and (4) substantial adherence to the terms and conditions of the draft Purchase and Sale Agreement attached to the bid requests. Table 1 below shows a summary of the bids based on these metrics.

Table 1: Summary of Bids on 401 and 403 Old Bernal Avenue

Bidder	Purchase price	Deposit amount	Proof of funds	Request for additional terms and conditions
City of Pleasanton	\$4,200,000	\$100,000	Yes	Ability to request environmental report, grant deed instead of quit claim deed, and receive title insurance option
KFS Design	\$4,200,000	\$84,000	Partial*	The right to two extensions for due diligence phase to inspect property for 180 days total
Charter Properties	\$3,400,000	\$50,000	No	Initial deposit amount only after removal of contingencies

* KFS Design was able to show funds from the Bank of China, which still needed to be converted to US dollars.

While two of the bids (City of Pleasanton and KFS Design International) both bid \$4,200,000, KFS Design's bid had a lower deposit amount, the proof of funds was not provided in United States currency, and contained a request for an extended due diligence phase. Therefore, the SFPUC deemed the City of Pleasanton was the highest responsible bidder at \$4,200,000 and entered into negotiations.

On November 7, 2016, the SFPUC notified the City of Pleasanton that it was the selected bidder. Colliers, SFPUC Real Estate Services, and the City Attorney's Office worked with the City of Pleasanton and its counsel to finalize the Purchase and Sale Agreement, which requires a

² According to Ms. Russell, the Real Estate Division issued notices to public entities (as defined by California Government Code § 54222 and 50079) and housing sponsors (as defined by California Government Code § 5422(a) and 50074) who requested to be notified, both in accordance with the California Surplus Land Act.

quitclaim deed, rather than the requested grant deed for sale of this property.³ The Pleasanton City Council approved the Purchase and Sale Agreement on December 20, 2016.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the Purchase and Sale Agreement between the SFPUC and the City of Pleasanton for the City of Pleasanton to purchase 401 and 403 Old Bernal Avenue for \$4,200,000. Additionally, the proposed resolution:

1. Finds that the sale of 401 and 403 Old Bernal Avenue is not a project under California Environmental Quality Act (CEQA) Guidelines, Sections 15060(c) and 15378, and is consistent with the City's General Plan, and the eight priority policies of Planning Code, Section 101.1,
2. Approves the terms and conditions of the Purchase and Sale Agreement for the sale of 401 and 403 Old Bernal Avenue to the City of Pleasanton, and authorizes the SFPUC to take any and all steps to execute the Purchase and Sale Agreement in substantially the form presented to the Board,
3. Authorizes the SFPUC to enter into any amendments or modifications to the Purchase and Sale agreement and enter into ancillary agreements,
4. Authorizes the SFPUC to take any and all steps to ensure the transfer of 401 and 403 Old Bernal Avenue pursuant to the Purchase and Sale Agreement, and
5. Requires that the Director of Property to provide the Clerk of the Board of Supervisors a fully executed copy of the Purchase and Sale agreement within thirty (30) days of the Director providing his signature to the agreement.

CEQA Guidelines and City's General Plan

According to the CEQA Guidelines, Section 15378, only a project by the governmental agency is subject to CEQA. The SFPUC determined that the sale of the property does not result in a direct physical change in the environment, and therefore does not fall within the definition of a project. According to Ms. Russell, the City of Pleasanton will still have to undergo CEQA if they decide to alter the property in any way.

The proposed resolution would find that the sale of the 401 and 403 Old Bernal Avenue is consistent with the City's General Plan and eight priority policies of Planning Code, Section 101.1. According to the General Plan Referral, the proceeds from the proposed sale would further the objective of the SFPUC by contributing to miscellaneous revenue for the Water Enterprise. In addition, 401 and 403 Old Bernal Avenue are located outside of the City of San

Francisco and are currently vacant. The sale would therefore not have an impact on the eight priority policies.⁴

Terms and Conditions of the Purchase and Sale Agreement:

The SFPUC will sell 401 and 403 Old Bernal Avenue “as is,” meaning that the City of Pleasanton is relying solely on its independent investigation of the property and not on any representations or warranties of any kind from the City of San Francisco. The City and County of San Francisco does not guarantee the conditions of the property, nor does it assume any responsibility for the compliance of the property with any statute, ordinance or regulation. The City of Pleasanton, as part of its agreement to purchase 401 and 403 Old Bernal Avenue “as is,” waives any right to sue the City and County of San Francisco for damages.

The City of Pleasanton will have a contingency period until the earlier of either (a) ten business days after the Effective Date, or (b) sixty days after the agreement date (January 13, 2017) to review and approve the terms and conditions. The closing date of the sale will either be (a) the later of fifteen days after the expiration of the contingency period or the Effective Date, or (b) such earlier date upon which the City of Pleasanton and the City and County of San Francisco mutually agree.

FISCAL IMPACT

Net proceeds to the SFPUC from the sale of the property to the City of Pleasanton are \$4,095,100, as shown in Table 2 below.

Table2: Net Sale Proceeds to SFPUC for 401 and 403 Old Bernal Avenue

Proposed Sale Price	\$4,200,000
Independent Consideration ^a	100
Less Broker Commission ^b	(105,000)
Total Net Proceeds to City	\$4,095,100

^a The Purchase and Sale Agreement requires the City of Pleasanton to pay \$100 to SFPUC for independent consideration.

^b The agreement between the City and Colliers provides for Colliers to receive a 2.5 percent commission for real estate brokerage services.

As noted above, the SFPUC pays both property taxes and maintenance costs on 401 and 403 Old Bernal Avenue, resulting in savings to SFPUC from the sale of 401 and 403 Old Bernal Avenue of approximately \$5,184 per year after the sale.

The City’s Financial Policies, approved by the Board of Supervisors in 2011 and later codified in Administrative Code, Section 10.61, restrict the use of one-time revenues from the sale of land;

⁴ The eight priorities look for impacts on retail uses, resident employment, San Francisco’s housing stock or neighborhood character, public transit service, industrial or service sectors, earthquake preparedness, historical buildings, or parks and open spaces.

such revenues may only be used for one-time uses. According to Mr. Carlos Jacobo, SFPUC Budget Director, the sale proceeds of \$4,095,100 will be used to support revenue-funded capital programs. For 2017 to 2018, the SFPUC has planned to spend \$27,800,000 of water revenues for capital programs.

RECOMMENDATION

Title to the Property shall be subject to (a) liens of local real estate taxes and assessments, (b) all existing exceptions and encumbrances, whether or not disclosed by a current preliminary title report or the public records or any other documents reviewed by Buyer pursuant to Section 5.1 below, and any other exceptions to title that would be disclosed by an accurate and thorough investigation, survey, or inspection of the Property, and (c) all items of which Buyer has actual or constructive notice or knowledge. All of the foregoing exceptions to title shall be referred to collectively as the "**Conditions of Title**." Without limiting the foregoing, Buyer acknowledges receipt of a preliminary report issued by the Title Company under Order No. FWAC-TO16001017-JM, dated September 26, 2016 covering the Property and approves all of the exceptions contained in such preliminary report.

3.2 Buyer's Responsibility for Title Insurance

Buyer understands and agrees that at and after Closing, the right, title and interest in the Property shall not exceed that vested in City, and City is under no obligation to furnish any policy of title insurance in connection with this transaction. Buyer recognizes that any fences or other physical monument of the Property's boundary lines may not correspond to the legal description of the Property. City shall not be responsible for any discrepancies in the parcel area or location of the property lines or any other matters that an accurate survey or inspection might reveal. It is Buyer's sole responsibility to obtain a survey from an independent surveyor and a policy of title insurance from a title company, if desired.

4. "AS-IS" PURCHASE; RELEASE OF CITY

4.1 Due Diligence and Time for Satisfaction of Conditions

Buyer has been given or will be given before the end of the Contingency Period (as defined in Section 5.2), a full opportunity to investigate the Property, either independently or through agents of Buyer's own choosing, including, without limitation, the opportunity to conduct such appraisals, inspections, tests, audits, verifications, inventories, investigations and other due diligence regarding the economic, physical, environmental, title and legal conditions of the Property as Buyer deems fit, as well as the suitability of the Property for Buyer's intended uses. Buyer and its Agents may commence due diligence investigations on the Property on or after the date Buyer and City enter into a permit to enter relating to the Property in form and substance satisfactory to City.

4.2 Buyer's Independent Investigation

Buyer represents and warrants to City that Buyer has performed, or will perform during the Contingency Period, a diligent and thorough inspection and investigation of each and every aspect of the Property, either independently or through agents of Buyer's choosing, including, without limitation, the following matters (collectively, the "Property Conditions"):

(a) All matters relating to title including, without limitation, the existence, quality, nature and adequacy of City's interest in the Property and the existence of physically open and legally sufficient access to the Property.

(b) The zoning and other legal status of the Property, including, without limitation, the compliance of the Property or its operation with any applicable codes, laws, regulations, statutes, ordinances and private or public covenants, conditions and restrictions, and all governmental and other legal requirements such as taxes, assessments, use permit requirements and building and fire codes.

(c) The quality, nature, adequacy and physical condition of the Property, including, but not limited to, landscaping, and any electrical, mechanical, plumbing, sewage and utility systems, facilities and appliance, the presence or absence of any physical encroachments placed on, under, or across the Property, and all other physical and functional aspects of the Property.

(d) The quality, nature, adequacy, and physical, geological and environmental condition of the Property (including soils and any groundwater), and the presence or absence of any Hazardous Materials in, on, under or about the Property or any other real property in the vicinity of the Property. As used in this Agreement, "Hazardous Material" shall mean any material that, because of its quantity, concentration or physical or chemical characteristics, is now or hereafter deemed by any federal, state or local governmental authority to pose a present or potential hazard to human health or safety or to the environment.

(e) The suitability of the Property for Buyer's intended uses.

(f) The economics and development potential, if any, of the Property.

(g) All other matters of material significance affecting the Property.

4.3 Property Disclosures

California law requires sellers to disclose to buyers the presence or potential presence of certain Hazardous Materials. Accordingly, Buyer is hereby advised that occupation of the Property may lead to exposure to Hazardous Materials such as, but not limited to, gasoline,

diesel and other vehicle fluids, vehicle exhaust, office maintenance fluids, tobacco smoke, methane and building materials containing chemicals, such as formaldehyde. By execution of this Agreement, Buyer acknowledges that the notices and warnings set forth above satisfy the requirements of California Health and Safety Code Section 25359.7 and related statutes.

4.4 Entry and Indemnity

Within five (5) business days after the Agreement Date, City shall provide Buyer, without representation or warranty of any kind whatsoever, with any reports, studies and other related information in its possession that are known to Rosanna Russell, Director of Real Estate Services Division of the SFPUC, and that reasonably relate to the Property, but excluding any of City's internal memoranda or reports, any privileged or confidential information, and City's appraisals of the Property. During the Contingency Period, Buyer may conduct such due diligence activities, inspections, and studies of the Property as it deems necessary or appropriate, and examine and investigate to its full satisfaction all facts, circumstances, and matters relating to the Property. In connection with any entry by Buyer or its Agents (as defined in Section 10.8 below) onto the Property, Buyer shall give City reasonable advance written notice of such entry and shall conduct such entry and any inspections so as to minimize, to the extent possible, interference with uses being made of the Property and otherwise in a manner and on terms and conditions acceptable to City. All entries by Buyer or its Agents onto the Property to perform any testing or other investigations that could affect the physical condition of the Property (including, without limitation, soil borings) or the use of the Property will be made only pursuant to the terms and conditions of a permit to enter in form and substance satisfactory to City. Without limiting the foregoing, prior to any entry to perform any on-site testing, Buyer shall give City written notice of such proposed entry, including the identity of the company or persons who will perform such testing, the precise time and location of the testing, and the proposed scope of the testing. City may approve, disapprove, or condition and limit the proposed testing, at City's sole discretion, within ten (10) business days after receipt of such notice. If Buyer or its Agents, employees or contractors take any sample from the Property in connection with any approved testing, Buyer shall provide to City a portion of such sample being tested to allow City, if it so chooses, to perform its own testing. City or its representative may be present to observe any testing or other inspection performed on the Property. Buyer shall promptly deliver to City copies of any reports relating to any testing or other inspection of the Property performed by Buyer or its Agents, employees or contractors, but shall not deliver copies of any such reports to any other person or entity without City's prior written approval, unless required by law. Buyer shall keep all test results and information strictly confidential, unless required by law. In connection with any entry onto or testing of the Property, Buyer shall comply with all applicable laws, ordinances, rules, regulations, orders and the like issued or promulgated by any local, state, or federal governmental agency.

Buyer shall maintain, and shall require that its Agents maintain, public liability and property damage insurance in amounts and in form and substance adequate to insure against all liability of Buyer and its Agents arising out of any entry or inspection of the Property in connection with the transaction contemplated by this Agreement, and Buyer shall provide City with evidence of such insurance coverage upon City's request.

To the fullest extent permitted under law, Buyer shall indemnify, defend and hold harmless City, its Agents, and each of them, from and against any liabilities, costs, damages, losses, liens, claims and expenses (including, without limitation, reasonable fees of attorneys, experts and consultants and related costs) (collectively, "**Claims**") arising out of or relating to any entry on, under or about the Property by Buyer, its Agents, contractors and subcontractors in performing the inspections, testings or inquiries provided for in this Agreement, whether prior to the date of this Agreement or during its term, including, without limitation, any injuries or deaths to any persons (including, without limitation, Buyer's Agents) and damage to any property, from any cause whatsoever. The foregoing indemnity shall survive beyond the Closing, or, if the sale is not consummated, beyond the termination of this Agreement.

4.5 "As-Is" Purchase

BUYER SPECIFICALLY ACKNOWLEDGES AND AGREES THAT CITY IS SELLING AND BUYER IS PURCHASING CITY'S INTEREST IN THE PROPERTY ON AN "AS-IS WITH ALL FAULTS" BASIS. BUYER IS RELYING SOLELY ON ITS INDEPENDENT INVESTIGATION AND NOT ON ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, FROM CITY OR ITS AGENTS AS TO ANY MATTERS CONCERNING THE PROPERTY, ITS SUITABILITY FOR BUYER'S INTENDED USES OR ANY OF THE PROPERTY CONDITIONS. CITY DOES NOT GUARANTEE THE LEGAL, PHYSICAL, GEOLOGICAL, ENVIRONMENTAL OR OTHER CONDITIONS OF THE PROPERTY, NOR DOES IT ASSUME ANY RESPONSIBILITY FOR THE COMPLIANCE OF THE PROPERTY OR ITS USE WITH ANY STATUTE, ORDINANCE OR REGULATION. IT IS BUYER'S SOLE RESPONSIBILITY TO DETERMINE ALL BUILDING, PLANNING, ZONING AND OTHER REGULATIONS RELATING TO THE PROPERTY AND THE USES TO WHICH IT MAY BE PUT.

4.6 Release of City

As part of its agreement to purchase the Property in its "As-Is With All Faults" condition, Buyer, on behalf of itself and its successors and assigns, waives any right to recover from, and forever releases and discharges, City, its officers, employees, agents, contractors and representatives, and their respective heirs, successors, legal representatives and assigns, from any and all demands, claims, legal or administrative proceedings, losses, liabilities, damages, penalties, fines, liens, judgments, costs or expenses whatsoever (including, without limitation, attorneys' fees and costs), whether direct or indirect, known or unknown, foreseen or unforeseen, that may arise on account of or in any way be connected with (a) Buyer's and its Agents and customer's past, present and future use of the Property, (b) the physical, geological or environmental condition of the Property, including, without limitation, any Hazardous Material in, on, under, above or about the Property, and (c) any federal, state, local or administrative law, rule, regulation, order or requirement applicable to the Property or the transactions contemplated by this Agreement, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA", also commonly known as the "Superfund" law), as amended by Superfund Amendments and Reauthorization Act of 1986 ("SARA") (42 U.S.C. Sections 9601-9657), the Resource Conservation and Recovery Act of 1976, as amended by the Solid Waste and Disposal Act of 1984 (collectively, "RCRA") (42 U.S.C. Sections 6901-6987), the Federal Water Pollution Control Act, as amended by the Clean Water Act of 1977 (collectively the "Clean Water Act") (33 U.S.C. Section 1251 et seq.), the Toxic Substances Control Act ("TSCA") (15 U.S.C. Sections 2601-2629), Hazardous Materials Transportation Act (49 U.S.C. Section 1801 et seq.), the Carpenter-Presley-Tanner Hazardous Substance Account Law (commonly known as the "California Superfund" law) (California Health and Safety Code Sections 25300-25395), Hazardous Waste Control Act (California Health and Safety Code Section 25100 et seq.), Hazardous Materials Release Response Plans and Inventory Law (commonly known as the "Business Plan Law") (California Health and Safety Code Section 25500 et seq.), Porter-Cologne Water Quality Control Act (California Water Code Section 13000 et seq.), and the Safe Drinking Water and Toxic Enforcement Act of 1986 (commonly known as "Proposition 65") (California Health and Safety Code Section 25249.5 et seq.).

In connection with the foregoing release, Buyer expressly waives the benefits of Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN TO HIM OR HER MUST

**HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT
WITH THE DEBTOR.**

BY PLACING ITS INITIALS BELOW, BUYER SPECIFICALLY ACKNOWLEDGES AND CONFIRMS THE VALIDITY OF THE RELEASES MADE ABOVE AND THE FACT THAT BUYER WAS REPRESENTED BY COUNSEL WHO EXPLAINED, AT THE TIME THIS AGREEMENT WAS MADE, THE CONSEQUENCES OF THE ABOVE RELEASES.

5. CONDITIONS PRECEDENT

5.1 Buyer's Conditions Precedent

Buyer's obligation to purchase the Property is conditioned upon the following:

- (a) At or before the Closing, Title Company shall have issued or shall have committed to issue to Buyer its standard form CLTA Owner's Policy of Title Insurance or at Buyer's option an ALTA Owner's Policy of Title Insurance showing fee title to the Property vested in Buyer subject to the Conditions of Title, with any endorsements reasonably requested by Buyer ("**Title Policy**"). The Title Policy shall be issued with liability in an amount equal to the Purchase Price. Buyer shall pay for the expense of the Title Policy.
- (b) Buyer's review and approval of the physical condition of the Property on or before expiration of the Contingency Period.
- (c) Buyer's review and approval of all zoning, land use, building, environmental and other statutes, rules, or regulations applicable to the Property on or before expiration of the Contingency Period.
- (d) Buyer's review and approval of soils reports and other documents of significance to the Property in City's possession on or before expiration of the Contingency Period.
- (e) Buyer's review and approval of environmental studies related to the Property, including without limitation any Phase I or Phase II environmental reports on or before expiration of the Contingency Period.
- (f) Buyer shall have obtained a resolution of the Pleasanton City Council authorizing and approving the transactions contemplated by this Agreement on or before January 31, 2017.

5.2 Contingency Period

Buyer shall have until 5:00 p.m. San Francisco Time on the date that is the earlier to occur of (i) ten (10) business days after the Effective Date, or (ii) sixty (60) days after the Agreement Date (the "**Contingency Period**") to review and approve or waive Buyer's Conditions set forth in Section 5.1(b) through (e) above. If Buyer elects to proceed with the purchase of the Property, then Buyer shall, before the expiration of the Contingency Period, notify City in writing that Buyer has approved all such matters. If before the end of the Contingency Period Buyer fails to give City such written notice and fails to object to any of Buyer's Conditions, then Buyer shall be deemed to have waived Buyer's Conditions. Notwithstanding the foregoing, if Buyer objects to any of the matters contained within Section 5.1 within the Contingency Period, then City may, but shall have no obligation to remove or remedy any objectionable matter. If City agrees to remove or remedy the objectionable matter, it shall notify Buyer within ten (10) days following Buyer's notice of objection, and the Closing Date (as defined in Section 6.2 below) shall be delayed for so long as City diligently pursues such removal or remedy. If and when City elects not to remove or remedy the objectionable matter, which City may do at any time including following an initial election to pursue remedial or corrective actions, this Agreement shall automatically terminate, the Deposit (excluding the Initial Deposit) shall be returned to Buyer, and neither Party shall

have any further rights or obligations hereunder except as provided in Sections 4.4 [Entry and Indemnity], 8.2 [Brokers], or 10.4 [Authority of Buyer] or as otherwise expressly provided in this Agreement.

5.3 City's Condition Precedent

The following are conditions precedent to City's obligation to sell the Property to Buyer ("City's Conditions Precedent"):

(a) Buyer shall have performed all of its obligations arising under this Agreement and all of Buyer's representations and warranties shall be true and correct.

(b) A resolution or ordinance approving and authorizing the transactions contemplated by this Agreement and finding that the public interest or necessity demands, or will not be inconvenienced by the sale of the Property, shall have been adopted or enacted by City's Board of Supervisors and Mayor, at their respective sole and absolute discretion. In the event such resolution or ordinance is not duly adopted or enacted on or before June 30, 2017, the City may terminate this Agreement without penalty in its sole discretion.

(c) A resolution approving and authorizing the transactions contemplated hereby shall have been adopted by the SFPUC.

5.4 Failure of City's Conditions Precedent

Each of City's Conditions Precedent are intended solely for the benefit of City. If any of City's Conditions Precedent are not satisfied as provided above, at its option, City may terminate this Agreement. Upon termination by City due to a failure of City's Conditions Precedent set forth in Section 5.3(a), the Deposit shall be retained by City and neither Party shall have any further rights or obligations under this Agreement except as provided in Sections 4.4 [Entry and Indemnity], 8.2 [Brokers], or 10.4 [Authority of Buyer] or as otherwise expressly provided in this Agreement. Upon termination by City due to a failure of City's Conditions Precedent set forth in Section 5.3(b) or 5.3(c), the Deposit (excluding the Initial Deposit) shall be returned to Buyer, and neither Party shall have any further rights or obligations hereunder except as provided in Sections 4.4 [Entry and Indemnity], 8.2 [Brokers], or 10.4 [Authority of Buyer] or as otherwise expressly provided in this Agreement.

6. ESCROW AND CLOSING

6.1 Escrow

Within three (3) days after the Effective Date, Buyer and City shall deposit an executed counterpart of this Agreement with the Title Company, and this instrument shall serve as the instructions to the Title Company as the escrow holder for consummation of the purchase and sale transaction contemplated by this Agreement. City and Buyer shall execute such supplementary escrow instructions as may be appropriate to enable the Title Company to comply with the terms of this Agreement; provided, however, in the event of any conflict between the provisions of this Agreement and any supplementary escrow instructions, the terms of this Agreement shall control.

6.2 Closing Date

The Closing shall be held, and delivery of all items to be made at the Closing under the terms of this Agreement shall be made, at the offices of the Title Company on (a) the date that is fifteen (15) days after the later of the expiration of the Contingency Period and the Effective Date, or if such date is not a business day, then upon the next ensuing business day, before 1:00 p.m. San Francisco time or (b) such earlier date and time as Buyer and City may mutually

agree upon in writing (the "**Closing Date**"). Such date and time may not be extended without the prior written approval of both City and Buyer.

6.3 Deposit of Documents

(a) At or before the Closing, City shall deposit into escrow the duly executed and acknowledged Deed conveying the Property to Buyer subject to the Conditions of Title.

(b) At or before the Closing, Buyer shall deposit into escrow the all funds necessary to close this transaction.

(c) City and Buyer shall each deposit such other instruments as are reasonably required by the Title Company or otherwise required to close the escrow and consummate the purchase of the Property in accordance with the terms of this Agreement.

6.4 Prorations

Any real property taxes and assessments; water, sewer and utility charges; amounts payable under any service contracts; annual permits and/or inspection fees (calculated on the basis of the period covered); and any other expenses normal to the operation and maintenance of the Property, shall all be prorated as of 12:01 a.m. on the date the Deed is recorded, on the basis of a three hundred sixty-five (365)-day year. The Purchase Price shall be increased by the amount of any utility deposits paid by City with respect to the Property. If any of the above described prorations cannot be calculated accurately on the Closing Date, then the same shall be calculated as soon as reasonably practicable after the Closing Date and either Party owing the other Party a sum of money based on such subsequent proration(s) shall promptly pay such sum to the other Party.

7. RISK OF LOSS

7.1 Loss

(a) Condemnation.

City shall give Buyer notice of any commencement of condemnation proceedings affecting the Property. In the event that all or any portion of the Property is condemned, then Buyer may, at its option to be exercised within ten (10) days of City's notice of the commencement of condemnation proceedings, either terminate this Agreement or consummate the purchase for the full Purchase Price as required by the terms hereof. If Buyer elects to terminate this Agreement or fails to give City notice within such ten (10)-day period that Buyer will proceed with the purchase, then this Agreement shall terminate at the end of such ten (10)-day period, the Title Company shall return the Deposit (excluding the Initial Deposit) to Buyer, and neither party shall have any further rights or obligations hereunder except as provided in Sections 4.4 [Entry and Indemnity], 8.2 [Brokers], or otherwise expressly provided herein. If Buyer elects to proceed with the purchase of the Property, then upon the Closing, Buyer shall receive a credit against the Purchase Price payable hereunder equal to the amount of any condemnation awards actually collected by City as a result of any such condemnation. If the awards have not been collected as of the Closing, then City shall assign such awards to Buyer, and Buyer shall not receive any credit against the Purchase Price with respect to such awards.

(b) Damage or Destruction

In the event that all or any portion of the Property is destroyed or damaged by fire or other casualty prior to the Closing, then this Agreement shall not terminate and Buyer shall consummate the purchase for the full Purchase Price. In such event, then upon the Closing,

Buyer shall receive a credit against the Purchase Price payable hereunder equal to the amount of any insurance proceeds actually collected by City as a result of any such damage or destruction, plus the amount of any insurance deductible, less any sums expended by City toward the restoration or repair of the Property. If the proceeds have not been collected as of the Closing, then City shall assign such proceeds to Buyer, except to the extent needed to reimburse City for sums expended to repair or restore the Property, and Buyer shall not receive any credit against the Purchase Price with respect to such proceeds.

7.2 Self-Insurance

Notwithstanding anything to the contrary above, Buyer acknowledges that City self-insures and shall not be obligated to purchase any third-party commercial liability insurance or property insurance.

8. EXPENSES

8.1 Expenses

Buyer shall pay any transfer taxes applicable to the sale, personal property taxes, escrow fees and recording charges and any other costs and charges of the escrow for the sale.

8.2 Brokers

Except as identified below, neither Party has had any contact or dealings regarding the sale of the Property, or any communication in connection with the sale of the Property, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with this Agreement. Accordingly, any such commission or finder's fee, if due, shall be paid pursuant to a separate written agreement between such broker or other person and the Party through which such broker or other person contracted. If any other broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings, or communication, the Party through whom the broker or finder makes a claim shall be responsible for such commission or fee and shall indemnify and hold harmless the other Party from any and all Claims incurred by the indemnified Party in defending against the same. The provisions of this Section shall survive any termination of this Agreement.

(a) City acknowledges that: (i) prior to the Effective Date, it entered into a written agreement with Colliers International CA, Inc. that provides for real estate brokerage services in connection with the marketing and sale of the Property and (ii) City shall be solely responsible for any compensation, commission, or finder's fee payable to Colliers International CA, Inc. in connection with the purchase transaction contemplated by this Agreement.

(b) Buyer acknowledges that: (i) prior to the Effective Date, it entered into a written agreement with Mark Sweeney of Newmark & Company Real Estate, Inc. that provides for real estate brokerage services in connection with Buyer's proposed acquisition of the Property and (ii) Buyer shall be solely responsible for any compensation, commission, or finder's fee payable to Mark Sweeney of Newmark & Company Real Estate, Inc. in connection with the purchase transaction contemplated by this Agreement.

9. LIQUIDATED DAMAGES

IF THE SALE OF THE PROPERTY IS NOT CONSUMMATED BECAUSE OF THE FAILURE OF ANY CONDITION PRECEDENT OR CITY'S DEFAULT UNDER THIS AGREEMENT AND BUYER IS NOT THEN IN DEFAULT, THEN THE TITLE

COMPANY SHALL RETURN THE DEPOSIT (EXCLUDING THE INITIAL DEPOSIT) TOGETHER WITH ACCRUED INTEREST THEREON TO BUYER. IF THE SALE IS NOT CONSUMMATED BECAUSE OF ANY DEFAULT BY BUYER UNDER THIS AGREEMENT AND CITY IS NOT THEN IN DEFAULT, THEN THE TITLE COMPANY SHALL DELIVER THE DEPOSIT TOGETHER WITH ACCRUED INTEREST THEREON TO CITY, AND CITY SHALL BE ENTITLED TO RETAIN SUCH SUM AS LIQUIDATED DAMAGES. THE PARTIES HAVE AGREED THAT CITY'S ACTUAL DAMAGES, IN THE EVENT OF A FAILURE TO CONSUMMATE THIS SALE AS SPECIFIED IN THE PRECEDING SENTENCE, WOULD BE EXTREMELY DIFFICULT OR IMPRACTICABLE TO DETERMINE. AFTER NEGOTIATION, THE PARTIES HAVE AGREED THAT, CONSIDERING ALL THE CIRCUMSTANCES EXISTING ON THE DATE OF THIS AGREEMENT, THE AMOUNT OF THE DEPOSIT TOGETHER WITH ACCRUED INTEREST THEREON IS A REASONABLE ESTIMATE OF THE DAMAGES THAT CITY WOULD INCUR IN SUCH AN EVENT. BY PLACING THEIR RESPECTIVE INITIALS BELOW, EACH PARTY SPECIFICALLY CONFIRMS THE ACCURACY OF THE STATEMENTS MADE ABOVE AND THE FACT THAT EACH PARTY WAS REPRESENTED BY COUNSEL WHO EXPLAINED, AT THE TIME THIS AGREEMENT WAS MADE, THE CONSEQUENCES OF THIS LIQUIDATED DAMAGES PROVISION.

10.2 Successors and Assigns

This Agreement shall be binding upon, and inure to the benefit of, the Parties and their respective successors, heirs, legal representatives, administrators and assigns. Buyer's rights and obligations under this Agreement shall not be assignable without City's prior written consent; provided, however, even if City approves any such proposed assignment, in no event shall Buyer be released of any of its obligations under this Agreement.

10.3 Amendments

This Agreement may be amended or modified only by a written instrument signed by the Buyer and City.

10.4 Authority of Buyer

Buyer represents and warrants to City that Buyer is a municipal corporation duly organized, validly existing, and in good standing under the laws of the State of California. Buyer further represents and warrants to City that this Agreement and all documents executed by Buyer that are to be delivered to City at Closing: (a) are or at the time of Closing will be duly authorized, executed and delivered by Buyer; (b) are or at the time of Closing will be legal, valid and binding obligations of Buyer; and (c) do not and at the time of Closing will not violate any provision of any agreement or judicial order to which Buyer is a Party or to which Buyer is subject. Notwithstanding anything to the contrary in this Agreement, the foregoing representations and warranties and any and all other representations and warranties of Buyer contained in this Agreement or in other agreements or documents executed by Buyer in connection with the purchase transaction contemplated by this Agreement, shall survive the Closing Date.

10.5 Buyer's Representations and Warranties

Buyer makes the following representations as of the date of this Agreement and at all times throughout this Agreement:

(a) Buyer is a municipal corporation duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. Buyer has duly authorized by all necessary action the execution, delivery and performance of this Agreement.

Buyer has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with its terms.

(b) Buyer represents and warrants to City that it has not been suspended, disciplined or disbarred by, or prohibited from contracting with, any federal, state or local governmental agency. If, prior to Closing Buyer is so suspended, disbarred, disciplined or prohibited from contracting with any governmental agency, it shall immediately notify City of same and the reasons therefore together with any relevant facts or information requested by City. Any such suspension, debarment, discipline or prohibition may result in the termination or suspension of this Agreement.

(c) No document or instrument furnished or to be furnished by the Buyer to City in connection with this Agreement contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained in such documents or instruments not misleading, under the circumstances under which any such statement shall have been made.

10.6 Governing Law

This Agreement shall be governed by, subject to, and construed in accordance with the laws of the State of California and City's Charter and Administrative Code.

10.7 Merger of Prior Agreements

This Agreement, together with its attached exhibits, contain any and all representations, warranties and covenants made by Buyer and City and constitutes the entire understanding between the Parties with respect to the subject matter of this Agreement. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement together with its attached exhibits.

10.8 Parties and Their Agents

The term "Buyer" as used in this Agreement shall include the plural as well as the singular. If Buyer consists of more than one (1) individual or entity, then the obligations under this Agreement imposed on Buyer shall be joint and several. As used in this Agreement, the term "Agents" when used with respect to either Party shall include the agents, employees, officers, contractors and representatives of such Party.

10.9 Interpretation of Agreement

The article, section and other headings of this Agreement and the table of contents are for convenience of reference only and shall not affect the meaning or interpretation of any provision contained in this Agreement. Whenever the context so requires, the use of the singular shall be deemed to include the plural and vice versa, and each gender reference shall be deemed to include the other and the neuter. This Agreement has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Agreement. In addition, each Party has been represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Agreement against the Party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the purposes of the Parties and this Agreement.

10.10 Attorneys' Fees

If either Party fails to perform any of its respective obligations under this Agreement or if any dispute arises between the Parties concerning the meaning or interpretation of any provision of this Agreement, then the defaulting Party or the Party not prevailing in such dispute, as the

case may be, shall pay any and all costs and expenses incurred by the other Party on account of such default or in enforcing or establishing its rights under this Agreement, including, without limitation, court costs and reasonable attorneys' fees and disbursements. For purposes of this Agreement, the reasonable fees of attorneys of the Office of the City Attorney of the City and County of San Francisco and the City Attorney for the City of Pleasanton shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco or the City of Pleasanton, as the case may be, in law firms with approximately the same number of attorneys as employed by the City Attorney's Office.

10.11 Time of Essence

Time is of the essence with respect to the performance of the Parties' respective obligations contained in this Agreement.

10.12 No Merger

The obligations of the Parties pursuant to this Agreement shall not merge with the transfer of title to the Property but shall remain in effect until fulfilled.

10.13 Non-Liability of City Officials, Employees and Agents

Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee or agent of City shall be personally liable to Buyer, its successors and assigns, in the event of any default or breach by City or for any amount that may become due to Buyer, its successors and assigns, or for any obligation of City under this Agreement, and no elective or appointive board, commission, member, officer, employee or agent of Buyer shall be personally liable to City, its successors and assigns, in the event of any default or breach by Buyer or for any amount that may become due to City, its successors and assigns, or for any obligation of Buyer under this Agreement.

10.14 Conflicts of Interest

PROJECT DESCRIPTION

The San Francisco Public Utilities Commission (SFPUC) proposes an as-is sale of a 3.18 acre portion of underutilized land located adjacent at 401 & 403 Old Bernal Avenue in Pleasanton, Alameda County. The site is unpaved, underutilized and vacant. The SFPUC intends to sell the property "as is." The revenue from the sale will support the SFPUC in its pursuit of its core mission "to provide our customers with high quality, efficient and reliable water, power, and sewer services in a manner that is inclusive of environmental and community interests, and that sustains the resources entrusted to our care." Specifically, the revenue from the property sale will be recognized as miscellaneous revenue for the Water Enterprise and will be closed out to Fund Balance at the end of the fiscal year. The Fund Balance supports the Enterprise's core mission and provides reserves required under the debt (bonds) indenture.

The site is not located in the City of County of San Francisco and is not subject to the San Francisco Zoning Code.

The submittal is for a General Plan Referral to recommend whether the Project is in conformity with the General Plan, pursuant to Section 4.105 of the Charter, and Section 2A.52 and 2A.53 of the Administrative Code.

ENVIRONMENTAL REVIEW

On October 4, 2016, it was determined that the sale of land is not a project under CEQA Guidelines Sections 15060(c) and 15378 because there is no direct or indirect physical change in the environment.

Re: **Purchase and Sale Agreement – Sale of 401 and 403 Old Bernal Avenue, Pleasanton, California – City of Pleasanton - \$4,200,000**

Dear Board Members:

The City and County of San Francisco, through its Public Utilities Commission (SFPUC), has jurisdiction over the above-referenced property (Property). This letter describes the SFPUC's efforts to market and solicit bids to sell the Property.

- In a written statement dated December 18, 2015, the Assistant General Managers for each of the Water, Wastewater and Power Enterprises declared that the Property is not essential to the SFPUC's utility needs.
- On the SFPUC's behalf, the City's Real Estate Division (City RED) issued a request for bids from commercial real estate brokers to sell the Property and five other underutilized properties under the SFPUC's jurisdiction. The SFPUC instructed City RED to select Colliers (Broker) as the lowest responsible bidder. City RED negotiated and entered into an agreement with the Broker to market and assist the SFPUC in selling the properties.
- In the first half of 2016, City RED issued the required statutory notices to offer to sell the Property to public entities at fair market value for parks, open space, public housing and schools.
- Concurrently, the Broker marketed the Property for many weeks on commercial real estate platforms, posted signage on the Property, and produced offering memoranda and other marketing materials sent to potential buyers.
- Concurrently, the SFPUC ordered a MAI appraisal to determine the Property's fair market value.
- After statutory notice period expired, the SFPUC, through the Broker, solicited bids from prospective Property buyers between October 12, 2016 and October 27, 2016. The SFPUC received three bids.

- Thereafter, SFPUC staff and Pleasanton staff agreed to the terms and conditions of a Purchase and Sale Agreement (Agreement), subject to the approval of the SFPUC Commission, the Board of Supervisors and Mayor, and Pleasanton's City Council.
- On December 13, 2016, the SFPUC Commission determined that the Property is no longer required for SFPUC operational needs by Resolution 16-0263, dated December 13, 2016.
- On December 20, 2016, Pleasanton's City Council approved the Agreement.
