15 Attorney determine on the basis of other evidence that:

16 (1) an amount of tax, interest, or penalty has been overpaid or paid more than

21 may authorize the Controller to refund tax, interest, or penalty payments, without a refund
22 claim having been filed and without review by the City Attorney, if the Tax Collector
23 determines that the amount paid exceeds the tax, penalties, and interest due. The person
24 that made the overpayment may request such a refund from the Tax Collector on a ~~an~~ return,
25 amended return, or request for refund form that is issued by the Tax Collector and that is filed

1 with the Tax Collector within the later of one year of the payment of such amount or the date
2 the return accompanying such payment was due. The Tax Collector may also authorize the
3 Controller to refund the overpaid tax, interest, or penalty payments on its own initiative within this one-

5 under this subsection (g) shall automatically be deemed denied for purposes of subsections
6 (a), (b), and (d) of this Section 6.15-1 if the Tax Collector does not grant or deny the refund
7 request within one year of the date it was filed. Any action by the Tax Collector after a refund
8 request under this subsection (g) has been deemed denied shall not constitute a denial and
9 shall have no effect on the statute of limitations for filing a claim for refund under subsections
10 (a)-(f) of this Section 6.15-1. In lieu of requesting a refund on a return, amended return, or request
11 for refund form, a taxpayer may elect to apply an overpayment of the business registration fee in
12 Article 12, the payroll expense tax in Article 12-A, or the gross receipts tax in Article 12-A-1 (including
13 the tax on administrative office business activities under Section 953.8 of Article 12-A-1) as a credit

21 provided by Section 3287(c) of the California Civil Code, as amended from time to time, and
22 shall be computed from the date of payment to the date of refund.

23 (b) If the Controller offsets overpayments for a period or periods against another
24 liability or liabilities currently owed to the City, or against penalties or interest on the other
25

1 liability or liabilities currently owed to the City, the taxpayer will be credited with interest on the
2 amount so applied at the rate of interest set forth above, computed from the date of payment.

3 (c) If a taxpayer elects to apply all or part of an overpayment of the business registration

6 a credit against the taxpayer's immediately succeeding payment or payments due of any of these three
7 tax types, a refund, inclusive of any interest accrued up to the date of the taxpayer's election, against a

9 applied ~~from the date of the taxpayer's election~~.
