**Re: Transmittal of Planning Department Case Number 2015-009850PCA:  
Off-Street Parking and Loading Requirements  
Planning Commission Recommendation: *Approval***

Dear Ms. Calvillo,

On September 8, 2016, the Planning Commission conducted duly noticed public hearings at regularly scheduled meetings to consider the proposed Ordinance that would amend the Planning Code to clarify and consolidate language, delete redundancies and outdate provisions, correct typographical errors and erroneous cross-references and make minor substantive changes to update provisions in various sections that deal with parking and loading requirements. At the hearing the Planning Commission recommended approval.

The proposed amendments are not defined as a project under CEQA Guidelines Section 15060(c) and 15378 because they do not result in a physical change in the environment.

Please find attached documents relating to the actions of the Commission. If you have any questions or require further information please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron Starr", with a long horizontal line extending to the right.

Aaron D. Starr
