## Funding for Home Delivered Meals

## Funding Needed to Expand Home Delivered Meal Program

## Recommendations

☐ Review the cost effectiveness of the current contracts for home-delivered meals to determine whether opportunities exist to provide meals at a standardized, lower unit cost.

Determine ways to meet congregate meal needs across the City's districts, including the possible expansion of the CHAMPSS program.

## Conclusion

Thank you to the management and staff of the Department of Aging and Adult Services and the Human Services Agency.
