### **Parking Authority Property Ownership Transfer Recommendation**

The San Francisco Municipal Transportation Agency (SFMTA) proposes to recommend that the Board of Supervisors approve an ordinance to transfer all properties and improvements owned by the Parking Authority of the City and County of San Francisco (Parking Authority) to the SFMTA. Upon transfer, those properties would come under the jurisdiction of the SFMTA, and SFMTA would have the authority to develop those properties for non-parking uses.

Not a “project” pursuant to CEQA as defined in CEQA Guidelines Sections 15060(c) and 15378(b) because the action would not result in a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment.

A handwritten signature in black ink, appearing to read 'D. Sheeter', is written over a horizontal line.
