15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. The Administrative Code is hereby amended by adding Chapter 47A,
17 entitled “Affordable Housing Cash-Out Proceeds Restriction,” and consisting of Sections
18 47A.1, 47A.2, and 47A.3, to read as follows:

19

20 **CHAPTER 47A: AFFORDABLE HOUSING CASH-OUT PROCEEDS RESTRICTION**

21 **SEC. 47A.1. FINDINGS.**

22 (a) The creation and preservation of affordable housing in San Francisco has long been a
23 priority of the Board of Supervisors (the “Board”).

24 (b) The Board has directed the investment of hundreds of millions of taxpayer dollars in
25

the creation and preservation of affordable housing within San Francisco by, among other things, providing loans and grants and utilizing other financial tools to offset the costs of development, construction, rehabilitation, and renovation of affordable housing units throughout the City.

~~(e) ___ It has come to the Board’s attention that in connection with the development, construction, and financing of an affordable housing development assisted with taxpayer funds, the owner of the development may receive a developer fee in connection therewith and such fee may be used by the developer for purposes unrelated to the development, construction, or preservation of affordable housing.~~

(d)(c) It has also come to the Board’s attention that in connection with the refinancing of an affordable housing development assisted with taxpayer funds, the owner of the development may choose to refinance the project to provide funds to renovate and rehabilitate the affordable units. Often, in order to refinance the development, an owner will create a new entity formed by the current owner and a new equity tax credit partner and sell the development to the new entity. The current owner will then receive from the purchase price paid by the new entity “Cash-Out Proceeds” (as defined below).

~~(e) — A refinancing scenario may look like this:~~

SOURCE OF FUNDS	ORIGINAL PROJECT COSTS	CURRENT STATUS	REFINANCING
Conventional 1st Mortgage (Bank)	\$1,400,000	\$800,000	\$1,600,000
2nd Mortgage (Bank)	\$500,000	\$500,000	n/a
State Loan	\$2,000,000	\$3,000,000	\$5,000,000
MOHCD/City Loan (interest only)	\$500,000	\$1,000,000	\$1,100,000
Deferred Developer Fee	\$300,000	Paid	\$450,000
Tax Credit Partner Equity	\$5,000,000	Paid	\$4,500,000

1	Other — loan owed to seller in connection with refinancing	n/a	n/a	\$3,000,000
2				
3	TOTAL	\$9,700,000	\$5,300,000	\$15,650,000
4	Rehabilitation Costs			\$1,600,000
5	Cash-Out Proceeds			\$8,750,000

6 (d)(f) It has also come to the Board’s attention that in some circumstances, Cash-Out
7 Proceeds have been used for purposes unrelated to the creation, development, and preservation of
8 affordable housing.

9 (e)(g) The Board intends to ensure that Developer Fees (defined below) are
10 commensurate with industry best practices; and

11 (f)(h) This Board also intends desires to ensure that so long as any funds provided by
12 the Mayor’s Office of Housing and Community Development (“MOHCD”) are outstanding, all
13 Cash-Out Proceeds received by an owner of an affordable housing development supported
14 in whole or in part by taxpayer funds be used only (1) the creation, development, and
15 preservation of affordable housing. may not be expended for participation in, supporting, or
16 attempting to influence a political campaign for any candidate or ballot measure.
