Be it ordained by the People of the City and County of San Francisco:

Section 1. The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public

1 Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the
2 Board of Supervisors in File No. 170467 and is incorporated herein by reference. The Board
3 affirms this determination.

4 Section 2. Background.

5 (a) California Government Code Sections 8698 through 8698.2 authorize the
6 governing body of a political subdivision, including the Board of Supervisors, to declare the
7 existence of a shelter crisis upon a finding by the governing body that a significant number of
8 persons within the jurisdiction are without the ability to obtain shelter, and that the situation
9 has resulted in a threat to the health and safety of those persons. These Government Code
10 provisions authorize the City to suspend state or local statutes, ordinances, and regulations
11 setting housing, health, or safety standards for new public facilities opened to homeless
12 persons in response to the shelter crisis, to the extent that strict compliance would prevent,
13 hinder, or delay the mitigation of the shelter crisis, and allow the City to enact its own
14 standards for the shelters that ensure basic public health and safety.

15 (b) In Ordinance No. 57-16, enacted on April 22, 2016, the Board of Supervisors
16 found that a significant number of persons within the City are without the ability to obtain
17 shelter, and that the situation has resulted in a threat to the health and safety of those
18 persons. For that reason, and based on factual findings set forth in that ordinance, the Board
19 of Supervisors declared the existence of a shelter crisis in the City and County of San
20 Francisco in accordance with California Government Code Sections 8698 through 8698.2.

21 (c) LMC San Francisco I Holdings, LLC, an affiliate of Lennar Multifamily
22 Communities ("Lennar") owns the improved property located at 1515 South Van Ness Avenue
23 (the "Property"). The Property currently contains a one-story warehouse building, which
24 Lennar intends to demolish and replace with a new project on the Property, including a mix of
25 residential housing and commercial shops. Lennar intends to begin demolition and

1 construction on or around January 15, 2018. Lennar has offered as a gift, subject to the terms
2 of the gift agreement described in Section 3 of this Ordinance, to allow the City to use the
3 Property temporarily to provide temporary housing for homeless persons before Lennar
4 begins construction work on its new project.

5 (d) In light of the ongoing shelter crisis, the tent encampment crisis in the Mission,
6 the encampment directly outside the Property, and the need of people living on the street for
7 safe and sanitary temporary shelter and services from the City, and the short-term availability
8 of the Property for use by the City to provide temporary housing, the Board finds that the City
9 must expeditiously award contracts to complete repairs or improvements to the Property and
10 to allow its use for temporary housing as described in this ordinance.

11 Section 3. Agreement to Use Property.

12 (a) Lennar and the City have entered an agreement (the "Agreement") for the City
13 to make repairs and improvements and operate a facility to provide temporary housing and
14 services to homeless persons. Under the Agreement, construction work will be performed by
15 the City or its contractors, at no cost to Lennar, and the City will indemnify Lennar for any
16 losses relating to the City's use of the Property. A copy of the Agreement is on file with the
17 Clerk of the Board of Supervisors in File No. 170467.

18 (b) The Board approves the Agreement in substantially the form contained in File
19 No. 170467, and authorizes the Department of Homelessness and Supportive Housing, City
20 Administrator, Department of Public Works, and Director of Real Estate to enter into any
21 amendments or modifications to the Agreement that those departments determine, in
22 consultation with the City Attorney, are in the best interest of the City, do not otherwise
23 materially increase the obligations or liabilities of the City, are necessary or advisable to
24 effectuate the purposes of the Agreement, and are in compliance with all applicable laws.
25

1 (c) Within 30 days of the Agreement being fully executed by all parties, the
2 Department of Homelessness and Supportive Housing shall submit to the Clerk of the Board
3 of Supervisors a completely executed copy for inclusion in File No. 170467.

4 Section 4. Repairs or Improvements for Temporary Shelter at 1515 South Van Ness
5 Avenue.

6 In response to the shelter crisis declared in Ordinance No. 57-16, City departments,
7 including the City Administrator, Department of Public Works, Department of Homelessness
8 and Supportive Housing, and Department of Building Inspection, shall exercise the authority
9 granted by California Government Code Sections 8698 through 8698.2, and shall take any
10 necessary or appropriate steps to repair or improve the Property to provide temporary housing
11 for homeless persons, subject to the following limitations:

12 (a) The City may only perform repairs or improvements after the City and Lennar
13 execute an agreement allowing the City to use the Property;

14 (b) The Fire Marshal and the Directors of the Department of Public Works,
15 Department of Homelessness and Supportive Housing, and Department of Building Inspection
16 shall each make a written determination, before the City commences work, that the proposed
17 repairs or improvements will satisfy basic public health and safety standards to allow for
18 human occupancy;

19 (c) The repairs or improvements shall comply with the Americans with Disabilities
20 Act and other federal health and safety requirements, and shall otherwise comply with the
21 requirements of the Agreement; and

22 (d) The City shall initiate the repairs or improvements on or before June 1, 2017.

23 Section 5. Contracting Authority.

24 (a) Notwithstanding any provision of the Municipal Code, the Department of Public
25 Works, the Department of Public Health, and the Department of Homelessness and

1 Supportive Housing may enter into contracts to provide professional and/or construction
2 services to assist the City in the repair or improvement of the Property, and contracts to
3 provide professional services or to procure goods or materials to assist in the operation of the
4 temporary housing facility at the Property, without adherence to the requirements of
5 Administrative Code Chapters 6, 12B, 14B, and 21.

6 (b) Within 30 days of any contract authorized by this Section 5 being fully executed
7 by all parties, the Department of Homelessness and Supportive Housing, Department of
8 Public Health, or the Department of Public Works shall submit to the Clerk of the Board a
9 completely executed copy for inclusion in File No. 170467.

10
11 Section 6. Effective Date; Retroactive Operation.

12 (a) This ordinance shall become effective 30 days after enactment. Enactment
13 occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or
14 does not sign the ordinance within ten days of receiving it, or the Board of Supervisors
15 overrides the Mayor's veto of the ordinance.

16 (b) The ordinance shall apply to any work performed at the Property and any
17 agreements entered by the City on or after April 25, 2017.

LEGISLATIVE DIGEST

[Temporary Housing for Homeless People During Shelter Crisis - LMC San Francisco I Holdings, LLC - 1515 South Van Ness Avenue]

Ordinance approving an agreement between the City and LMC San Francisco I Holdings, LLC, to allow the City to use the property at 1515 South Van Ness Avenue to utilize and operate a facility to provide temporary housing and services to homeless persons; directing the City Administrator, Public Works, Department of Homelessness and Supportive Housing, Department of Building Inspection, and other City departments to make repairs or improvements, consistent with health and safety standards, to use the property for temporary housing to address encampments in the Mission District; authorizing Public Works, Department of Homelessness and Supportive Housing, and Department of Public Health to enter into contracts without adhering to competitive bidding and other requirements for construction work, procurement, and personal services at the facility; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

California law authorizes the Board of Supervisors to declare the existence of a shelter crisis based on a finding that a significant number of people in the City are without the ability to obtain shelter, and that the situation has resulted in a threat to the health and safety of those people. The law authorizes the City to suspend state or local laws setting housing, health, or safety standards for new homeless shelter facilities in response to the shelter crisis, to the extent that strict compliance would prevent, hinder, or delay the mitigation of the shelter crisis. In Ordinance No. 57-16, enacted on April 22, 2016, the Board of Supervisors declared the existence of a shelter crisis in the City and County of San Francisco, permitting the City to take necessary steps to facilitate temporary homeless housing without strict compliance with housing, health or safety laws.

Local law requires the Board of Supervisors to approve most gifts worth \$10,000 or more, and generally requires City departments to use a competitive bidding process and follow other contracting requirements for personal services, procurement, and construction contracts, subject to exceptions.

Terms of the Proposed Ordinance

The proposed ordinance would approve an agreement between the City and LMC San Francisco I Holdings, LLC, an affiliate of Lennar Multifamily Communities ("Lennar"). The agreement would allow the City to use the property at 1515 South Van Ness temporarily to operate a facility to provide temporary housing and services to homeless people. Lennar owns the property and plans to develop it beginning around January 15, 2018. Lennar has offered a gift that would allow the City to use the property before Lennar begins construction

work on its new project. The ordinance would approve that gift and the agreement between Lennar and the City.

The ordinance would direct City departments—including the City Administrator, Department of Public Works, Department of Homelessness and Supportive Housing, and Department of Building Inspection—to take necessary and appropriate steps to repair or improve the property to provide temporary housing for homeless persons. The ordinance would not allow the City to commence work until the Fire Marshal and the directors of the Department of Public Works, Department of Homelessness and Supportive Housing, and Department of Building Inspection all make written determinations that the proposed repairs or improvements will satisfy basic public health and safety standards.

The ordinance would allow the Department of Public Works, Department of Public Health and Department of Homelessness and Supportive Housing to enter into contracts to prepare and manage the facility during the City's temporary use of the property.

In Ordinance No. 57-16, enacted on April 22, 2016, the Board of Supervisors found that a significant number of persons within the City are without the ability to obtain shelter, and that the situation has resulted in a threat to the health and safety of those persons. For that reason, and based on factual findings set forth in that ordinance, the Board of Supervisors declared the existence of a shelter crisis in the City and County of San Francisco for the purposes of California Government Code Sections 8698 through 8698.2.

D. [*add reference to Board action on this*]

E. In response to the shelter crisis, the City wishes to construct and operate a temporary navigation center on the Property to provide temporary housing for homeless persons and to provide services to such persons, generally consistent with City navigation centers at 1950 Mission Street, at the Civic Center Hotel, and at 25th and Michigan Streets.

F. City and Owner desire to enter into this Agreement to allow City to create and operate the temporary navigator center on the terms set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing covenants, promises and undertakings set forth herein, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, City and Owner agree as follows:

1. PERMITTED USES

(a) City may enter and use the Property for the sole purpose of constructing and operating a navigation center to serve homeless persons. The Work shall include portable bathroom and shower facilities, but no cooking or kitchen facilities, as more particularly described in Exhibit B. Any material change from the form of management agreement attached as Exhibit C shall be subject to Owner's prior written approval.

(c) City shall use, and shall cause its contractors and agents to use, due care at all times to avoid any damage or harm to the Property. City shall not perform any excavation work or perform any construction except as described in the approved Work. City shall not dump or dispose of refuse or other unsightly materials on, in, under or about the Property. City shall take appropriate action in good faith to address any reasonable neighborhood concerns and complaints relating to the City's use of the Property, consistent with City's actions with respect to navigations centers in other parts of the City.

(d) City shall not cause, nor shall City allow any of its contractors or agents to cause, any Hazardous Material (as defined below) to be brought upon, kept, used, stored, generated or disposed of in or about the Property. City shall promptly notify Owner when City learns of, or has reason to believe that, a release of Hazardous Material has occurred in, on or about the Property. City shall further comply with all laws requiring notice of such releases or threatened releases to governmental agencies, and shall take all action necessary to mitigate the release or minimize the spread of contamination. If City or its contractors or agents cause a release of Hazardous Material, City shall, without cost to Owner and in accordance with all laws and regulations, promptly return the Property to the condition immediately prior to the release. For purposes hereof, "Hazardous Material" means material that, because of its quantity, concentration or physical or chemical characteristics, is at any time now or hereafter deemed by any federal, state or local governmental authority to pose a present or potential hazard to public health, welfare or the environment. Hazardous Material includes, without limitation, any material or substance defined as a "hazardous substance, pollutant or contaminant" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Sections 9601 et seq., or pursuant to Section 25316 of the California Health & Safety Code; a "hazardous waste" listed pursuant to Section 25140 of the California Health & Safety Code; any asbestos and asbestos containing materials whether or not such materials are part of the Property or are naturally occurring substances in the Property, and any petroleum, including, without limitation, crude oil or any fraction thereof, natural gas or natural gas liquids. The term "release" or "threatened release" when used with respect to Hazardous Material shall include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing in, on, under or about the Property.

2. AS-IS; NO REPRESENTATIONS OR WARRANTIES

(a) City accepts the Property strictly in its "AS IS" condition, without representation or warranty of any kind by Owner, its officers, agents or employees, including, without limitation, the suitability, safety, or duration of availability of the Property or any facilities on the Property for City's use. Without limiting the foregoing, this Agreement is made subject to all applicable laws, rules and ordinances governing the use of the Property, and to any and all covenants, conditions, restrictions, easements, encumbrances, claims of title and other title matters affecting the Property, whether foreseen or unforeseen, and whether such matters are of record or would be disclosed by an accurate inspection or survey. It is City's sole obligation to conduct an independent investigation of the Property and all matters relating to its use of the Property hereunder, including, without limitation, the suitability of the Property for such uses. City, at its own expense, shall obtain such permission or other approvals from any third parties with existing rights as may be necessary for City to make use of the Property in the manner contemplated hereby.

(b) Under California Civil Code Section 1938, to the extent applicable to this Agreement, City is hereby advised that the Property has not undergone inspection by a Certified Access Specialist to determine whether it meets all applicable construction-related accessibility requirements. City shall be solely responsible for maintaining all facilities placed in or on the Property pursuant hereto in good and safe condition, and Owner shall have no duty whatsoever for any maintenance of the Property or any such facilities therein.

3. COVENANT TO MAINTAIN; REPAIR OF DAMAGE

City shall at all times, at no cost to Owner, maintain the Property in a good, clean, safe, secure, sanitary and sightly condition in so far as the Property may be affected by City's activities hereunder. If any portion of Property is damaged by any of the activities of City or its contractors or agents, City shall, at no cost to Owner, repair such damage as required to continue to operate the navigation center.

4. TERM OF AGREEMENT

(a) The term of this Agreement is temporary only and shall start on the date of execution, and shall continue until _____, 2018; provided (1) if the Property is damaged or destroyed by casualty, and City elects not to make such repairs as needed to continue to operate the Property as a navigation center, City shall have the right to terminate this Agreement by delivery of notice to Owner, and (2) Owner shall have the right to terminate this Agreement for a City default as set forth in section (b) below.

(b) If City fails to comply with any material covenant, condition or term of this Agreement and such failure continues for fifteen (15) days after the date of written notice by Owner to City, City shall be in default under this Agreement; provided that if such default is not capable of cure within 15 days, City shall have a reasonable period to complete such cure if City undertakes prompt action to cure the default within the fifteen (15)-day period and thereafter diligently prosecutes the same to completion. Owner shall have the right to terminate this Agreement by delivery of written notice of termination if City fails to cure the default within the time period set forth above.

5. NO AGREEMENT FEE

There shall be no fee charged in connection with City's use of the Property under this Agreement.

6. COMPLIANCE WITH LAWS

City shall, at no cost to Owner, conduct and cause to be conducted all activities on the Property allowed hereunder in a safe and prudent manner and in compliance with all laws, regulations, codes, ordinances and orders of any governmental or other regulatory entity (including, without limitation, the Americans with Disabilities Act and any other disability access laws), whether presently in effect or subsequently adopted and whether or not in the contemplation of the parties. City shall, at no cost to Owner, procure and maintain in force at all times during its use of the Property any and all licenses or approvals necessary to conduct the activities allowed hereunder.

7. INDEMNITY

City shall indemnify, defend and hold harmless Owner, its boards, officers, agents, and employees (collectively, "Agents"), and each of them, from and against any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages and liabilities of any kind (collectively, "Losses"), arising in any manner out of (a) any injury to or death of any person occurring in or on the Property during the term of this Agreement; (b) any damage to property occurring in, on or about the Property relating in any manner to City's use of the Property under this Agreement (subject to the surrender provisions of Section 9), (c) any failure by City to faithfully observe or perform any of the terms, covenants or conditions of this Agreement, or (d) any release or discharge of any Hazardous Material caused or allowed by City or its Agency on, in, under or about the Property, except (1) to the extent of Losses resulting directly from the negligence or willful misconduct of Owner or its Agents, and (2) the parties agree to look first to any liability insurance held by Operator to the extent applicable to the Losses, and City's indemnification shall not extend to items to the extent covered by such insurance. The foregoing indemnity shall include, without limitation, reasonable attorneys' and consultants' fees, investigation and remediation costs and all other reasonable costs and expenses incurred by the indemnified parties, including costs to negotiate with any insurer and to pay any deductible. City specifically acknowledges and agrees that it has an obligation to defend Owner from any claim that falls within this indemnity provision even if the allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to City. City's obligations under this section shall survive the expiration or other termination of this Agreement.

8. WAIVER OF CLAIMS; WAIVER OF CONSEQUENTIAL AND INCIDENTAL DAMAGES

(a) Neither Owner nor any of its Agents shall be liable for any damage to the property of City, or its contractors or agents, or for any bodily injury or death to such persons, resulting or arising from the condition of the Property or its use by City.

(b) Owner would not be willing to give this Agreement in the absence of a complete waiver of liability for consequential or incidental damages due to the condition of the Property. Accordingly, City fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action against for consequential and incidental damages, and covenants not to sue Owner, for any loss, cost, liability, claim or damage resulting from the condition of the Property or the City's use of the Property as contemplated by this Agreement.

(c) In connection with the foregoing release, City acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

City acknowledges that the release contained herein includes all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims. City realizes and acknowledges that it has agreed upon this Agreement in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect. The release contained herein shall survive any termination of this Agreement.

9. SURRENDER

Upon the expiration or termination of this Agreement, City shall surrender the Property to Owner in good condition, subject to any damage, destruction, casualty and wear and tear caused by City's use. The parties acknowledge and agree that City shall have the right to remove its property, but City shall not be required to remove the improvements made as part of the Work and that Owner intends to demolish the Building immediately following the end of the Term. Notwithstanding anything to the contrary in this Agreement, City shall not be responsible to repair any damage or destruction to the Building, even any damage caused by City or its contractors or agents, except to the extent that such damage increases Owner's demolition costs for the New Project. Upon any casualty or damage to the Building that City elects not to repair (and instead terminates this Agreement), City and Owner shall meet and confer in good faith for a period of not less than 30 days to reach agreement on the increased cost to Owner, if any, resulting the Building damage. Owner shall consult with its demolition contractor and provide evidence of any increased cost, which evidence will be subject to review by City's Department of Building Inspection. If the parties are not able to reach agreement, either party may submit the matter to binding arbitration as set forth in Exhibit D.

Accordingly, any and all such records, information and materials may be subject to public disclosure in accordance with the City's Sunshine Ordinance and the State Public Records Law. 17. CONFLICT OF INTEREST

Through its execution of this Agreement, Owner acknowledges that it is familiar with the provisions of Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Sections 87100 et seq. and Sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provision, and agrees that if Owner becomes aware of any such fact during the term of this Agreement, Owner shall immediately notify the City.

18. NOTIFICATION OF LIMITATIONS ON CONTRIBUTIONS

Through its execution of this Agreement, Owner acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City whenever such transaction would require the approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (1) the City elective officer, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Owner acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Owner further acknowledges that the prohibition on contributions applies to each Owner; each member of Owner's board of directors, and Owner's chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than twenty percent (20%) in Owner; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Owner. Additionally, Owner acknowledges that Owner must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Owner further agrees to provide to City the names of each person, entity or committee described above.

16. NON-DISCRIMINATION

In the performance of this Agreement, Owner agrees not to discriminate against any employee of Owner, any City employee working with Owner, or applicant for employment with Owner, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(f) Time is of the essence in all matters relating to this Agreement. (g) This Agreement shall be governed by California law and the City's Charter. (h) If either party commences an action against the other or a dispute arises under this Agreement, the prevailing party shall be entitled to recover from the other reasonable attorneys' fees and costs. For purposes hereof and for purposes of the indemnifications set forth herein, reasonable attorneys' fees of City shall be based on the fees regularly charged by private attorneys in San Francisco with comparable experience notwithstanding the City's use of its own attorneys. (j) Owner is the sole owner of the Property. EXHIBIT D

Binding Arbitration

1. Arbitration. Any dispute involving the City's reimbursement for Owner's increased demolition costs under Section 9 (the "Increased Costs") shall be submitted to arbitration in accordance with this Exhibit D. The arbitration shall take place in the City and County of San Francisco.

2. Appointment. Each party shall appoint one (1) construction manager/construction cost estimator (each, the "Cost Estimator") within twenty (20) days after the notice that the arbitration provisions of this section have been invoked. Upon selection, each party shall promptly notify the other party in writing of the name of the Cost Estimator selected. Each such Cost Estimator shall be competent, qualified by training and experience, and be involved in the business of estimating construction costs for large commercial projects in San Francisco. Each such Cost Estimator may have a prior working relationship with either or both of the parties, provided that such working relationship shall be disclosed to both parties. Without limiting the foregoing, each Cost Estimator shall have at least ten (10) years' experience estimating commercial construction costs in the City and County of San Francisco. If either party fails to appoint its Cost Estimator within such twenty (20)-day period, the Cost Estimator appointed by the other party shall individually determine the Increased Costs.

3. Instruction and Completion. Each Cost Estimator will make an independent determination of the Increased Costs, and prepare a written report with their determination and the justification for the determination (the "Report"). The Cost Estimators may share and have access to objective information in preparing their Report, but they will independently analyze the information in their determination of the Increased Costs. Neither of the Cost Estimators shall have access to the final determination of the other (except for the sharing of objective information) until both Reports are submitted in accordance with the provisions of this Section. Neither party shall communicate with the Cost Estimator appointed by the other party regarding the instructions contained in this section before the Cost Estimators complete their Reports. Each Cost Estimator shall complete, sign and submit its Report setting forth its determination of the Increased Costs to the parties within forty-five (45) days after the appointment of the last of such Cost Estimators. If the higher determination of Increased Costs is not more than one hundred ten percent (110%) of the lower determination of Increased Costs, then the Increased Costs shall be the average of such two (2) figures.

4. Potential Third Cost Estimator. If the higher determination of Increased Costs is more than one hundred ten percent (110%) of the lower determination of Increased Costs, then the first two Cost Estimators shall agree upon and appoint an independent third Cost Estimator meeting the minimum qualifications set forth above. Such third Cost Estimator shall consider the Reports submitted by the first two Cost Estimators as well as any other relevant evidence which the third Cost Estimator may request of either or both of the first two Cost Estimators. Neither party, nor the Cost Estimators they appoint, shall conduct any ex parte communications with the third Cost Estimator regarding the Increased Costs. Within thirty (30) days after his or her appointment, the third Cost Estimator shall select the Increased Costs determination by one or the other of the first two (2) Cost Estimators that is the closer, in the opinion of the third Cost Estimator, to the actual Increased Costs. The determination of the third Cost Estimator shall be limited solely to the issue of deciding which of the determinations of the two Cost Estimators is closest to the actual Increased Costs. The third Cost Estimator shall have no right to propose a middle ground or to modify either of the two Reports, or any provision of this Agreement.

5. Conclusive Determination. Except as provided in California Code of Civil Procedure Section 1286.2 (as the same may be amended from time to time), the determination of the Increased Costs as set forth above shall be conclusive, final and binding on the parties. Neither of the first two (2) Cost Estimators nor the third Cost Estimator shall have any power to modify any of the provisions of this Agreement and must base their decision on the definitions, standards, assumptions, instructions and other provisions contained in this Agreement. Subject to the provisions of this section, the parties will cooperate to provide all appropriate information to the Cost Estimators.

6. Fees and Costs. Each Party shall bear the fees, costs and expenses of the Cost Estimator it selects. The fees, costs and expenses of the third Cost Estimator shall be shared equally by City and Developer.
