7

8 WHEREAS, California's beaches are a significant public asset to be safeguarded and
9 maintained, with 77% of Californians visiting a California beach at least once a year if not
10 much more; and

11 WHEREAS, California's coastline and the waters adjacent are an ecological haven for
12 a diversity of wildlife, including arthropods, fish, mammals and over 50 unique species of
13 birds; and

14 WHEREAS, Sea level rise poses a significant threat to San Francisco and all of
15 California's coastal communities, with sea levels at the Golden Gate Bridge rising more than
16 seven inches since 1900 and projected to rise much more in the future; and

17 WHEREAS, In recognition of the serious threat of sea level rise, the City of San
18 Francisco released the "San Francisco Sea Level Rise Action Plan" in 2016 and has formed a
19 regional task force to analyze armoring, mitigation and reinforcement recommendations; and

20 WHEREAS, Coastal armoring structures can temporarily protect property from sea
21 level rise, but over time they will eventually fail, destroying sand and beach sediment and
22 adversely inhibiting the natural coastal process; and

23 WHEREAS, Nature-based alternatives to armoring like wetland restoration and beach
24 nourishment that utilize natural landscape features to protect property have been shown to
25 cost less than armoring; and

1 WHEREAS, Defending our beaches from unnecessary seawalls will protect, restore and
2 enhance the natural character of the coast and ensure California's beaches remain open to
3 the public, now and in the future; and

4 WHEREAS, California Assembly Member Mark Stone has introduced AB 1129, the
5 Coastal Access and Protection Act of 2017, which will help prepare our coast for the impacts
6 of climate change and preserve public access to the beach and other natural areas by
7 clarifying the California Coastal Commission's authority to limit shoreline armoring; and

8 WHEREAS, AB 1129 will provide clear direction to the California Coastal Commission
9 to minimize the use of armoring due to its adverse impacts on the coastal ecosystems and
10 public access; and

11 WHEREAS, San Francisco Public Utilities Commission staff are working with Assembly
12 Member Stone to ensure existing infrastructure at Ocean Beach will not be adversely
13 impacted, consistent with past California Coastal Commission permit precedent; now,
14 therefore, be it

15 RESOLVED, That the Board of Supervisors of the City and County of San Francisco
16 urges the State Legislature to support and pass AB 1129; and, be it

17 FURTHER RESOLVED, That the Board of Supervisors of the City and County of San
18 Francisco directs the Clerk of the Board to transmit this resolution to the respective offices of
19 the City Lobbyist, the California Coastal Commission and the members of the State
