15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. The Administrative Code is hereby amended by adding to Chapter 2A,
17 Article XXVI, entitled "Cannabis Regulation," consisting of Sections 2A.420-2A.423, to read as
18 follows:

19 **ARTICLE XXVI: CANNABIS REGULATION**

20 **SEC. 2A.420. OFFICE OF CANNABIS.**

21 *There shall be an Office of Cannabis under the direction of the City Administrator to oversee*
22 *the implementation of laws and regulations governing cannabis in San Francisco. The City*
23 *Administrator shall appoint and may remove a Director of the Office of Cannabis. The Office of*
24 *Cannabis shall include such officers and employees as are authorized pursuant to the budgetary and*
25 *fiscal provisions of the Charter. The Director of the Office of Cannabis or his or her designee*
(hereafter referred to in this Article XXVI as "Director") shall issue, deny, condition, suspend, or

1 revoke cannabis-related permits in accordance with applicable laws and regulations. The final decision
2 of the Director regarding a permit may be appealed to the Board of Appeals in the manner prescribed
3 in Article 1 of the Business and Tax Regulations Code.

4
5 **SEC. 2A.421. APPLICATION AND ANNUAL LICENSE FEES.**

6 (a) Following the enactment of an ordinance amending this Section 2A.421 to set the amount of
7 application and license fees, the Office of Cannabis shall charge every applicant for a cannabis-related
8 permit a non-refundable permit application fee. The Office of Cannabis shall also charge every
9 business that receives a cannabis-related permit an annual license fee.

10 (b) The Office of Cannabis shall not collect any application or license fees under this Section
11 2A.421 until the Board of Supervisors enacts an ordinance establishing the amounts of those fees. No
12 later than November 1, 2017, the Director, in consultation with the Controller, shall submit to the
13 Board of Supervisors a proposed ordinance setting a schedule of permit application and annual license
14 fees. The proposed fee schedule shall be calculated to recover but not exceed the City's estimated costs
15 of application-related and licensing-related activities, including but not limited to: administration,
16 public outreach and education, development and maintenance of an online portal and application
17 system, review and processing of applications and permit renewals, complaint resolution, inspections,
18 enforcement activities, adjudication of appeals, and coordination with state agencies and other city
19 departments. In developing this fee schedule, the Director shall estimate the number of permits and
20 licenses to be issued per year, and consider any other information he or she determines appropriate in
21 making the cost estimates referenced above.

22 (c) Beginning with fiscal year 2018-2019, the permit application and annual license fees set
23 pursuant to subsection (b) of this Section 2A.421 may be adjusted each year on July 1, without further
24 action by the Board of Supervisors. Not later than April 1 of each year, the Controller shall determine
25 whether the current fees have produced or are projected to produce revenues sufficient to support the

1 costs of application-related and licensing-related activities, and that the fees will not produce revenue
2 that is significantly more than the costs of providing such services. The Controller shall, if necessary,
3 adjust the fees upward or downward for the upcoming fiscal year as appropriate to ensure that the
4 program recovers the costs of operation without producing revenue that is significantly more than such
5 costs. The adjusted rates shall become operative on July 1.

6
7 **SEC. 2A.422. OTHER CITY PERMITTING AUTHORITIES.**

8 Nothing in this Article XXVI is intended to limit or abridge the authority of the Department of
9 Public Health, the Planning Department, or any other City department, with respect to the regulation
10 of “medical cannabis dispensaries,” as defined in Article 33 of the Health Code. Nor is anything in
11 this Article intended to limit or abridge the permitting, licensing, regulatory, inspection, or enforcement
12 authority of any City department or office over commercial businesses or real property.

13
14 **SEC. 2A.423. UNDERTAKING FOR THE GENERAL WELFARE.**

15 In enacting and implementing this Article XXVI, the City is assuming an undertaking only to
16 promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an
17 obligation for breach of which it is liable in money damages to any person who claims that such breach
18 proximately caused injury.
