ADOPTING FINDINGS RELATED TO THE CERTIFICATION OF A FINAL ENVIRONMENTAL IMPACT REPORT FOR A PROPOSED MIXED USE PROJECT WITH 310 RESIDENTIAL UNITS, APPROXIMATELY 4,025 GROSS SQUARE FEET OF COMMERCIAL SPACE, AND IMPROVEMENTS TO PORTIONS OF THE ADJACENT OAK STREET AND VAN NESS AVENUE PUBLIC RIGHTS-OF-WAY CREATING AN APPROXIMATELY 14,000-GROSS SQUARE FOOT PUBLIC PLAZA. THE PROJECT WOULD INCLUDE PRIVATE VEHICULAR PARKING IN AN ON-SITE GARAGE AND BICYCLE PARKING IN THE BUILDING MEZZANINE AND ALONG PUBLIC SIDEWALKS. A NEW ENCLOSURE WOULD BE PROVIDED AROUND THE EXISTING STREET-LEVEL ELEVATOR THAT PROVIDES ACCESS TO THE MUNI METRO-VAN NESS STATION CONCOURSE. WIND CANOPIES WOULD BE INSTALLED IN THE PLAZA AND ON SIDEWALKS TO ENSURE ACCEPTABLE WIND CONDITIONS IN PUBLIC AREAS ADJACENT THE PROJECT SITE.

MOVED, that the San Francisco Planning Commission (hereinafter "Commission") hereby CERTIFIES the final Environmental Impact Report identified as Case No. 2009.0159E, the "One Oak Project" at 1500 -- 1540 Market Street and various other parcels, above (hereinafter 'Project'), based upon the following findings:

1. The City and County of San Francisco, acting through the Planning Department (hereinafter "Department") fulfilled all procedural requirements of the California Environmental Quality Act (Cal. Pub. Res. Code Section 21000 *et seq.*, hereinafter "CEQA"), the State CEQA Guidelines (Cal. Admin. Code Title 14, Section 15000 *et seq.*, hereinafter "CEQA Guidelines") and Chapter 31 of the San Francisco Administrative Code (hereinafter "Chapter 31").
 - A. The Department determined that an Environmental Impact Report (hereinafter "EIR") was required and provided public notice of that determination by publication in a newspaper of general circulation on June 17, 2015.

- B. The Department published the Draft Environmental Impact Report (hereinafter "DEIR") and provided public notice of the availability of the DEIR for public review and comment and of the date and time of the Planning Commission public hearing on the DEIR in a newspaper of general circulation on November 16, 2016. Notice was mailed to the Department's list of persons requesting such notice and to property owners and occupants within a 300-foot radius of the site on November 18, 2016.
 - C. The Department posted notices of availability of the DEIR and of the date and time of the public hearing near the project site by Department staff on November 18, 2016.
 - D. The Department mailed or otherwise delivered copies of the DEIR to a list of persons requesting it, to those noted on the distribution list in the DEIR, to adjacent property owners, and to government agencies, the latter both directly and through the State Clearinghouse on November 16, 2016.
 - E. The Department filed Notice of Completion with the State Secretary of Resources via the State Clearinghouse on November 17, 2016.
2. The Commission held a duly advertised public hearing on said DEIR on Thursday, January 5, 2017 at which opportunity for public comment was given, and public comment was received on the DEIR. The period for acceptance of written comments ended on January 10, 2017.
 3. The Department prepared responses to comments on environmental issues received at the public hearing and in writing during the 55-day public review period for the DEIR, prepared revisions to the text of the DEIR in response to comments received or based on additional information that became available during the public review period, and corrected errors in the DEIR. This material was presented in a Comments and Responses document, published on June 1, 2017, distributed to the Commission and all parties who commented on the DEIR, and made available to others upon request at the Department.
 4. The Department has prepared a Final Environmental Impact Report (hereinafter "FEIR") consisting of the DEIR, any consultations and comments received during the review process, any additional information that became available, and the Comments and Responses document all as required by law.
 5. The Department has made available project EIR files for review by the Commission and the public. These files are available for public review at the Department at 1650 Mission Street, Suite 400, and are part of the record before the Commission.
 6. On June 15, 2017, the Commission reviewed and considered the information contained in the FEIR and hereby does find that the contents of said report and the procedures through which the FEIR was prepared, publicized, and reviewed comply with the provisions of CEQA, the CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code.
 7. The project sponsor has indicated that the presently preferred alternative is the Revised Project, analyzed in Chapter 2 of the Comments and Responses document, and as further refined as described

in the various proposed approvals for the One Oak Street project, as detailed in revisions to the DEIR and other staff reports.

8. The Planning Commission hereby does find that the FEIR concerning File No. 2009.0159E reflects the independent judgment and analysis of the City and County of San Francisco, is adequate, accurate and objective, and that the Comments and Responses document contains no significant revisions to the DEIR, and hereby does CERTIFY THE COMPLETION of said FEIR in compliance with CEQA and the CEQA Guidelines.

The Commission, in certifying the completion of said FEIR, hereby does find that the project described in the EIR, in combination with past, present, and reasonably foreseeable future development in the project vicinity would contribute considerably to cumulative construction-related transportation impacts, denoted in the DEIR as Impact C-TR-7. Despite implementing Mitigation Measure M-C-TR-7 the project may not feasibly reduce effects to a less-than-significant level.

9. The Planning Commission reviewed and considered the information contained in the FEIR prior to approving the Project.

I hereby certify that the foregoing Motion was ADOPTED by the Planning Commission at its regular meeting of June 15, 2017.

Jonas Ionin
Commission Secretary
