1	[Administrative Code - Tenant Assistance Fund for Hazardous Housing]
2	
3	Ordinance amending the Administrative Code to establish the Tenant Assistance Fund
4	for Hazardous Housing and to allow certain eligible tenants displaced due to
5	administrative orders to vacate issued by the Department of Building Inspection or the
6	Fire Department to receive financial assistance from the Fund for up to two years.

11	
12	Be it ordained by the People of the City and County of San Francisco:
13	
14	Section 1. Findings.
15	(a) The City and County of San Francisco is committed to promoting the life safety of
16	all residents, and access to secure and affordable housing for all.
17	(b) Enforcement of State law and the City's Building and Fire Codes is essential to
18	ensure that the City's housing stock meets health and safety standards. These laws charge
19	the Fire Department and Department of Building Inspection, among other City agencies, with
20	inspecting properties for hazardous conditions, citing code violations, conducting
21	administrative hearings, and ordering abatement. The City aims in a number of ways to assist
22	building owners and others responsible for building safety with bringing housing up to code.
23	Code enforcement agencies often conduct series of inspections and administrative hearings,

at which property owners and other interested parties may avail themselves of an opportunity

to be heard, and to convey plans for abatement. The Mayor's Nuisance Abatement Revolving

24

- Loan Fund, established in Section 10.100-118 of the Administrative Code, provides loans to building owners to help defray the cost of repairs and improvements needed to abate code violations.
 - (c) Where responsible parties fail to abate hazards to health or life safety, State and local laws place upon City code enforcement agencies the responsibility to order evacuation to remove tenants from harm's way until the hazards have been addressed.
 - (d) The State recognizes the hardships associated with displacement stemming from such orders. The California Health and Safety Code, Sections 17975 et seq., provides a Tenant Relocation Assistance program that entitles tenants who are subject to such orders through no fault of their own and otherwise deemed eligible by a local code enforcement agency, to a sum equal to two months of the fair market rent for the area plus an amount sufficient for utility service deposits, as well as return of any security deposit, all payable by the building owner or designated agent within 10 days from posting of the order to vacate. Where there are fewer than 10 days between posting and the vacation date, payment is due within 24 hours of the order's posting. Building owners or designated agents are entitled to an appeals process to challenge such eligibility determinations. In addition, the State program contemplates that the remedy it offers is cumulative of and in addition to others that may be made available under state, federal, or local law.
 - (e) Housing in San Francisco is both scarce and expensive, and San Francisco faces a housing shortage among the most acute in the State and the country. Further, some of San Francisco's most vulnerable residents live in conditions that are deplorable, dangerous, and life-threatening. In San Francisco, two months' worth of assistance at the owner's expense for tenants displaced as a result of code enforcement that is necessary to ensure life safety is inadequate to counter the cost of displacement.

(f) Thus a local remedy in addition to the State program, as provided for in this
ordinance, would better enable the City to address the unique challenges of tackling unsafe
housing in San Francisco. The City must not turn a blind eye to hazardous housing conditions,
and therefore must rigorously enforce code provisions designed to ensure life safety in
housing. But it must also seek to mitigate the collateral impact of upholding housing safety on
its most vulnerable residents through code enforcement efforts that result in their
displacement. To do so, such residents must have access to immediate assistance, as well as
continued assistance for the time it takes to help them achieve greater housing security given
San Francisco's unique conditions. The City therefore has an interest in holding accountable
building owners, their designees, and other parties who are responsible for the City's housing
stock and for the unlawful conditions that endanger tenants and at times necessitate their
displacement.

Section 2. The Administrative Code is hereby amended by adding Section 10.100-343, to read as follows:

SEC. 10.100-343. TENANT ASSISTANCE FUND FOR HAZARDOUS HOUSING.

(a) Establishment of Fund. The Tenant Assistance Fund for Hazardous Housing (the "Fund") is established as a category six fund to receive any monies appropriated or donated for the purpose of assisting tenants displaced from their residences by administrative orders to vacate by the Department of Building Inspection and/or the Fire Department ("City code enforcement agency"), as set forth in this Section 10.100-343. Donations to the Fund are deemed approved for acceptance and expenditure without further approval by the Board of Supervisors.

(b) Use of Fund. The Fund shall be used exclusively by the Executive Director or his or her designee ("Director") of the Human Services Agency or any successor agency ("HSA") to provide assistance to tenants who are vacating or have vacated their residences to comply with an

1	administrative order to vacate issued within the past seven days by a City code enforcement agency as
2	a result of Building and/or Fire Code violations. The Director may utilize the Fund to assist tenants, or
3	households thereof, so qualified, earning up to 100% of the Area Median Income as determined by the
4	Controller, and otherwise deemed eligible in accordance with this subsection (b) ("Eligible Tenants").
5	Disbursements from the Fund are entirely in the Director's lawful discretion and there is in no
6	circumstance a right to any payment under this Section.
7	(1) The Director shall authorize disbursements to Eligible Tenants on a case-by-case
8	basis in accordance with HSA policy as adopted pursuant to subsection (c). In administering this
9	Section, the Director shall seek the input of code enforcement agencies and other City authorities as the
10	Director deems appropriate. The Director may revise these case-by-case decisions as necessary or
11	appropriate to take into account evolving circumstances.
12	(2) For an Eligible Tenant of a residential rental unit that has been occupied by the
13	tenant for at least 32 continuous days including the day an applicable order to vacate is issued, the
14	Director may provide a rental assistance payment of up to 100% of the current established fair market
15	rent for the area, as determined by the Department of Housing and Urban Development pursuant to
16	Section 1437f of Title 42 of the United States Code, as that Section may be amended in the future, plus
17	an amount that the Director determines is sufficient for utility service deposits. The Director may make
18	rental assistance payments from the Fund on a per residential unit basis for up to either (A)two years
19	$\underline{per\ unit,\ or\ (B)\ the\ time\ when\ all\ department(s)\ that\ ordered\ the\ unit\ vacated\ have\ deemed\ it\ habitable,}$
20	whichever occurs first. The Director shall authorize disbursements to an Eligible Tenant for an initial
21	duration not to exceed six months. At the conclusion of the initial duration for authorized
22	disbursements, whether it is six months or less, the circumstances of the Eligible Tenant shall be
23	reassessed, and continued assistance may be authorized, subject to the durational limits set forth in this
24	subsection (b)(2).

1	(c) Administration of Fund. Within 60 days of the effective date of the ordinance in Board
2	File No creating the Fund, the Director shall adopt a policy for implementation of this
3	Section 10.100-343, which the Director may modify from time to time as the Director deems necessary
4	or appropriate.
5	(d) Annual Report. The Director shall submit an annual written report to the Mayor, the
6	Board of Supervisors, and the Controller within the first two weeks of July, showing for the prior fiscal
7	year donations received, the nature and amount of such donations, and the disposition thereof, together
8	with a description of the individual payments made from the Fund.
9	
10	Section 3. The Administrative Code is hereby amended by adding Chapter 80A,
11	entitled "Orders to Vacate Due to Hazardous Housing Conditions," consisting of Sections
12	80A.1 through 80A.4, to read as follows:
13	
14	CHAPTER 80A: ORDERS TO VACATE DUE TO HAZARDOUS HOUSING CONDITIONS
15	
16	SEC.80A.1. OWNER'S OBLIGATION TO ABATE NUISANCES AND NOTIFY
17	<u>TENANTS.</u>
18	(a) Nuisance Abatement. Each condition of property in violation of State law or the San
19	Francisco Municipal Code contributing to a hazardous housing condition that leads the Fire
20	Department and/or the Department of Building Inspection ("City code enforcement agency") to issue
21	an order to vacate constitutes a nuisance, which may be summarily abated by the City at the expense of
22	the persons creating, causing, committing, or maintaining the nuisance. Nuisance abatement shall
23	include City activities under either this Chapter 80A or Section 10.100-343 of the Administrative Code,
24	or both, including disbursements from the Tenant Assistance Fund for Hazardous Housing established
25	in Section 10.100-343 (the "Fund"), administration of the Fund, and delivery of services to tenants

1	displaced by hazardous conditions. Each such person who has created, caused, committed, or
2	maintained such a condition shall promptly reimburse the City all costs it incurs under this Chapter
3	80A and Section 10.100-343 upon being notified of such costs. The Director of the Human Services
4	Agency or his or her designee ("Director") shall timely notify the owner of the Director's
5	determination of the owner's responsibility and amounts owed to the City. The Controller shall deposit
6	any funds the City collects or is reimbursed under this Chapter 80A into the Fund.
7	(b) Notification to Tenants. The owner of a building subject to an administrative order to
8	vacate shall, upon issuance of such order, make a good-faith effort to notify each tenant or family
9	thereof verbally and in writing, in the first language of the tenant or family, of (1) the order to vacate's
10	contents and meaning; and (2) the contents of this Chapter 80A and Section 10.100-343.
11	SEC. 80A.2. RECOVERY OF COSTS.
12	Where an owner or other responsible party fails within 15 days of the City's demand to
13	reimburse the City for the nuisance abatement costs specified in Section 80A.1(a), the City Attorney
14	may commence an action to recover such costs, and to pursue other recovery and relief as provided for
15	elsewhere in State and City law. The City may also or in the alternative, pursuant to Administrative
16	Code Section 10.230, impose a nuisance abatement lien to collect abatement and related administrative
17	costs. Money recovered shall be used to cover City expenses, including litigation costs, and any
18	additional funds recovered shall be deposited in the Fund.
19	SEC. 80A.3. PENALTIES.
20	Where an owner is subject to a second Director's determination of responsibility under Section
21	80A.1(a) within two years, for either the same building or a different building, the owner shall owe to
22	the City double its nuisance abatement costs under the Director's second determination. Where the
23	owner is subject to a third Director's determination within two years, the owner shall owe to the City
24	treble its nuisance abatement costs under the Director's third determination. For purposes of this
25	Section 80A.3, an "owner" includes a person or entity responsible for a building, as well as any

person, agent, firm, or corporation holding a 10% or greater legal or beneficial interest in said person
 or entity.

SEC. 80A.4. CITY'S ADDITIONAL OBLIGATIONS.

The Human Services Agency shall provide case management services, including information and/or referrals for accessing housing programs and/or supportive services in the Bay Area, to tenants who have been displaced following an order to vacate as a result of hazardous housing conditions.

Section 4. Undertaking for the General Welfare. In enacting and implementing this ordinance, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

Section 5. Severability. If any section, subsection, sentence, clause, phrase, or word of this ordinance, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions or applications of the ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this ordinance or application thereof would be subsequently declared invalid or unconstitutional.

Section 6. No Conflict with Federal or State Law. Nothing in this ordinance shall be interpreted or applied so as to create any requirement, power, or duty in conflict with any federal or state law.

1	
2	Section 7. Effective Date. This ordinance shall become effective 30 days after
3	enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
4	ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
5	of Supervisors overrides the Mayor's veto of the ordinance.
