3. The grantee agrees that the STATE shall have the right to inspect and make copies of any books, records or reports pertaining to this agreement or matters related thereto during regular office hours. The grantee shall maintain and make available for

8. Any real property acquired or developed with grant monies (including any portion of it or any interest in it) may not be used as security for any debt or mitigation, without the written approval of the STATE, provided that such approval shall not be unreasonably withheld as long as the purposes for which the grant monies were awarded are maintained. Any such permission that is granted does not make the STATE a guarantor or a surety for any debt or mitigation, nor does it waive the STATE's rights to enforce performance under this agreement.
9. All real property or rights thereto, acquired with grant monies shall be subject to an appropriate form of restrictive title, rights, or covenants required and approved by the STATE. If the project property is taken by use of eminent domain, grantee shall reimburse the STATE an amount at least equal to the amount of grant monies received from the STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
10. If eminent domain proceedings are initiated against grantee, grantee shall notify the STATE within 10 days of receiving the complaint.

2. The grantee shall not discriminate against any person on the basis of residence, and shall not apply differences in admission or other fees on the basis of residence. Fees shall be reasonable and not unduly prevent use by economically disadvantaged members of the public.

K. Severability

If any provision of this agreement or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the agreement which can be given effect without the invalid provision or application, and to this end the provisions of this contract are severable.

L. Liability

STATE assumes no responsibility for assuring the safety of construction, site improvements or programs related to the GRANT SCOPE. The STATE's rights under this agreement to review, inspect, and approve the GRANT SCOPE and any final plans of

implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.

M. Assignability

Without the written consent of the STATE, the grantee's interest in and responsibilities under this agreement shall not be assignable by the grantee either in whole or in part.

N. Section Headings

The headings and captions of the various sections of this agreement have been inserted only for the purpose of convenience and are not a part of this agreement and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this agreement.
