**Subject: Pacific Rod & Gun Club Remediation Project
Release of Reserve, \$2,400,000**

I would like to request your assistance to calendar the release of \$2,400,000 from the Pacific Rod & Gun Remediation Project 10015216.

In February 2015, the Board of Supervisors approved a \$9,500,000 supplemental appropriation for remediation work at Lake Merced. The \$9,500,000 was placed on reserve pending receipt of bids. On April 15, 2015, at the request from PUC, the Budget and Finance Committee released \$3,210,989; the balance \$6,289,011 remains on reserve.

The \$2,400,000 is needed to pay for the preparation of the CEQA document to facilitate site reuse as well as cleanup of residual contamination.

Sincerely,

A handwritten signature in black ink that reads "Harlan L. Kelly, Jr.".
