Dear Ms. Raphael,

We are pleased to confirm that San Francisco Department of the Environment (SFE) is part of the Association of Bay Area Government's (ABAG) team for BayREN: Integrated Commercial Retrofits (BRICR), a project funded by the United States Department of Energy (USDOE). ABAG is awardee number DE-EE007558 and the grant Award number is 1385-1668. The USDOE contract is effective October 1, 2016 and ends December 31, 2019.

ABAG is acting as the prime recipient and will manage all reporting to the USDOE. The Department of the Environment is the technical and programmatic lead and will hold and manage the subcontracts for the technical partners listed below. The total budget for SFE and its subcontractors is \$447,370, and is broken down as follows:

- \$329,000 SF Department of Environment
- \$10,000 Business Council on Climate Change
- \$30,000 Prospect Silicon Valley
- \$1,000 Joule Assets
- \$1,000 Renew Finance
- \$1,000 Emerald Cities
- \$30,000 East Bay Energy Watch
- \$19,620 Travel Expenses
- \$25,750 Other Expenses

If you have any questions, please do not hesitate to contact me.

Very truly yours,  
Association of Bay Area Governments
