Dear Ms. Gibson:

On September 12, 2017, Supervisor Peskin submitted a substitute ordinance:

Ordinance amending the Police Code to prohibit the Department of Public Works and the Department of Building Inspection from granting special permits to exceed ambient noise levels during night time construction unless certain written findings are made, and to prohibit the Department of Public Works from issuing such permits for projects in certain residential areas (outside the area bounded by Pine, Taylor, Market, 8th, Folsom, Fremont, and Front Streets) covered by the Holiday Moratorium on issuance of daytime special traffic permits; and affirming the Planning Department's determination under the California Environmental Quality Act.

This legislation is being transmitted to you for environmental review.
