

DDA EXHIBIT A7
Other City Requirements

The Municipal Code (available at www.sfgov.org) and City and Port policies described in this Exhibit are incorporated by reference as though fully set forth in the DDA (collectively, the “**Other City Requirements**”). Developer is charged with full knowledge of and compliance with each applicable ordinance and policy and any related implementing regulations as amended, subject to **DA § 5.3** (Changes to Existing City Laws and Standards).

By Section 7 of Ordinance No. XXXX , the Board of Supervisors waived the application to the 28-Acre Site Project of the following provisions of the Administrative Code (collectively, the “**DA Waivers**”):

1. Chapter 6 (Public Works Contracting Policies and Procedures) other than the payment of prevailing wages as required in Chapter 6;
2. to the extent inconsistent with Developer’s approved Workforce Development Plan (“**WDP**”), Chapter 14B (Local Business Enterprise Utilization and Non-Discrimination in Contracting); and
3. contract termination, liquidated damages, and debarment remedies under Section 4.9-1(c) (Nutritional Standards and Guidelines), Section 12Q.5(f) (Health Care Accountability), and Section 2T (Criminal History in Hiring and Employment) of the Administrative Code.

The descriptions below are not comprehensive but are provided for notice purposes only. Developer understands that its failure to comply with any applicable provision of the Other City Requirements will give rise to the specific remedies described in the applicable Other City Requirements (which may include penalties) and in certain cases give rise to a default under the DDA, which could result in a default under the DA as well. References to Developer in the Other City Requirements will apply to DDA Parties and their successors under the DDA and DA Successors under the DA.

All statutory references in this Exhibit are to the Municipal Code as in effect on the Reference Date unless specified otherwise. Initially capitalized or highlighted terms used in this Exhibit and not defined in the Appendix have the meanings ascribed to them in the cited ordinance.

Contracting, Hiring, and Construction

1. Nondiscrimination in Contracts and Property Contracts.
(Admin. Code ch. 12B, ch. 12C)

(a) Covered Contracts. All provisions in this Section regarding the Nondiscrimination in Contracts and Property Contracts ordinance apply to “subcontracts to contracts” and “property contracts” as defined in Administrative Code sections 12B.2 and 12C.2.

(b) Covenant Not to Discriminate. In its development of the FC Project Area, Developer covenants and agrees not to discriminate against or segregate any person or group of persons on any basis listed in section 12955 of the California Fair Employment and Housing Act (Cal. Gov. Code §§ 12900-12996), or on the basis of the fact or perception of a person’s race,

color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability, AIDS/HIV status, weight, height, association with members of protected classes, or in retaliation for opposition to any forbidden practices against any employee of, any City employee working with, or applicant for employment with Developer, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in the business, social, or other establishment or organization operated by Developer.

(c) Requirement to Include. Developer must: (i) include a nondiscrimination clause in substantially the form of **Subsection (a)** (Covenant Not to Discriminate); and (ii) incorporate by reference Administrative Code sections 12B.2(a), 12B.2(c)-(k), and 12C.3(a) in all contracts, subcontracts, and subleases and require all contractors, subcontractors, and subtenants to comply with those provisions.

(d) Nondiscrimination in Benefits. Developer agrees not to discriminate between employees with domestic partners and employees with spouses, or between the domestic partners and spouses of employees, where the domestic partnership has been registered with any governmental entity under state or local law authorizing registration, subject to the conditions set forth in Administrative Code section 12B.2. Developer's agreement relates to bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits, and travel benefits (collectively "**Core Benefits**"), as well as other employee benefits described in section 12B.1(b), during the term of each applicable Transaction Document.

(e) Form. On or before the Reference Date, Developer must complete, execute, deliver to, and obtain approval of its completed *Nondiscrimination in Contracts and Benefits* form CMD-12B-101 from CMD. The form is available on CMD's website.

(f) Penalties. Developer understands that under Administrative Code section 12B.2(h), the City may assess against Developer or deduct from any payments due Developer a penalty of \$50 for each person for each calendar day during which Developer or its subcontractor, property contractor, or other contractor discriminated against a protected person in violation of this Section. Violation of this Section also will be a Material Breach of the DDA and a cross-default under *DA* § 5.7(b) (*Cross-Defaults*).

2. Health Care Accountability Ordinance. (Admin. Code ch. 12Q)

(a) Developer agrees to comply fully with and be bound by the Health Care Accountability Ordinance ("**HCAO**"), as set forth in Administrative Code chapter 12Q, unless exempt.

(b) Covered Employees. For each Covered Employee, Developer must provide the appropriate health benefit set forth in HCAO section 12Q.3, unless it is exempt as a small business under HCAO section 12Q.3(e).

(c) Notice and Opportunity to Cure. If Developer fails to cure a violation of the HCAO after receiving notice of a violation and an opportunity to cure the violation, the City will have the remedies set forth in HCAO section 12Q.5(f), subject to the DA Waivers, which the City may exercise individually or in combination with any of its other rights and remedies.

(d) Covered Contracts. Any Contract, Subcontract, or Sublease, as defined in Chapter 12Q, that Developer enters into for public works, public improvements, or for services that the City will pay directly or reimburse Developer for must require the Contractor, Subtenant, or Subcontractor, as applicable, to comply with the applicable provisions of the HCAO and must contain contractual obligations substantially the same as those set forth in the HCAO. Developer agrees to notify the Contracting Department promptly of any Subcontractors performing services covered by Chapter 12Q and certify to the Contracting Department that Developer has notified the Subcontractors of their HCAO obligations under this Chapter.

(e) Noncompliance. Developer will be responsible for monitoring compliance with the HCAO by each Subcontractor, Subtenant, and Contractor performing services on the FC Project Area. But the City agrees that Developer will not be liable for the noncompliance of its Subcontractors, Subtenants, or Contractors. The City's remedies for Developer's noncompliance with the HCAO are subject to the DA Waivers.

(f) Retaliation Prohibited. Developer must not discharge, reduce in compensation, or otherwise discriminate against any Employee for notifying the City of any issue regarding noncompliance or anticipated noncompliance with the HCAO, for opposing any practice proscribed by the HCAO, for participating in any proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(g) Representation and Warranty. Developer represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(h) Reporting. Upon request, Developer must provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO.

(i) Records. After receiving a written request from the City to inspect pertinent payroll records and after at least 10 days to respond have elapsed, Developer agrees to provide the City with access to pertinent payroll records relating to the number of employees employed and terms of medical coverage. In addition, the City and its Agents, in consultation with the Department of Public Health, may conduct audits of Contracting Parties, although such audits shall be conducted through an examination of records at a mutually agreed upon time and location within 10 days after written notice. Developer agrees to cooperate with the City in connection with these audits.

(j) Threshold. If a Subcontractor, Subtenant, or Contractor is exempt from the HCAO because the amount payable to the Subcontractor, Subtenant, or Contractor under all of its contracts with the City or relating to City-owned property is less than \$25,000 (or \$50,000 for nonprofits) in that City Fiscal Year, but the Subcontractor, Subtenant, or Contractor later enters into one or more agreements with the City or relating to City-owned property that cause the payments to the Subcontractor, Subtenant, or Contractor to equal or exceed \$75,000 in that City Fiscal Year, then all of the Contractor's, Subtenant's, or Subcontractor's contracts with the City and relating to City-owned property will become subject to the HCAO from the date on which the later agreement is executed.

3. Prevailing Wages and Working Conditions in Construction Contracts.

(Calif. Labor Code §§ 1720 *et seq.*; Admin. Code § 6.22(e))

(a) Labor Code Provisions. Certain contracts for work at the FC Project Area may be public works contracts if paid for in whole or part out of public funds, as the terms "**public**

work” and “paid for in whole or part out of public funds” are defined in and subject to exclusions and further conditions under California Labor Code sections 1720-1720.6.

(b) Requirement. Developer must comply with the prevailing wage requirements in *WDP § II.C.6 (Prevailing Wages)* that apply to construction work on all Prevailing Wage Covered Projects by Developer, all Vertical Developers and Construction Contractors (and their subcontractors regardless of tier) (as defined in the WDP).

(c) Penalties. The Port has designated OLSE as the agency responsible for ensuring that prevailing wages are paid and other payroll requirements are met in accordance with the WDP, subject to the DA Waivers.

4. Other Prevailing Wage Rate Requirements.

(Admin. Code §§ 21C.3, 21C.4)

(a) Under Administrative Code section 21C.4, individuals engaged in theatrical or technical services related to the presentation of a Show at the FC Project Area, including rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services, are entitled to be paid not less than the Prevailing Rate of Wages (including fringe benefits or matching equivalents) fixed by the Board of Supervisors, unless the Show is free and open to the public or meets any of the other exemptions in Administrative Code section 21C.4(b)(1).

(b) Individuals employed in the following activities at the FC Project Area are also entitled to the Prevailing Rate of Wages: (i) a Public Off-Street Parking Lot, Garage or Automobile Storage Facility under Administrative Code section 21C.3; (ii) a Special Event under Administrative Code section 21C.8; and (iii) Broadcast Services under Administrative Code section 21C.9.

(c) Agreement. Developer agrees to comply with the obligations in Administrative Code chapter 21C and to require its tenants, contractors, and any subcontractors to comply with the obligations in chapter 21C. In addition, if Developer or its tenant, contractor, or any subcontractor fails to comply with these obligations, the City will have all available remedies against Developer to secure compliance and seek redress for workers who provided the services as described in section 21C.7, together with the remedies set forth in the DDA.

(d) Payroll Records. Developer will: (i) comply with Administrative Code section 21C.7(c)(4) as to any Covered Contract on the FC Project Area as defined in Administrative Code section 21C.7(b); and (ii) provide to the City for inspection, after receipt of a Violation Notice (as defined in section 21C.7(c)(4)), payroll records and other documentary evidence necessary to establish that the noticed violation has been cured.

(e) OLSE. For current Prevailing Wage rates, see the OLSE website or call the OLSE at 415-554-6235.

5. First Source Hiring Program.

(San Francisco Administrative Code Sections 83.1 et seq.)

Developer’s obligations to comply with the First Source Hiring Program are set forth in *WDP §§ II.C.3 (First Source Hiring Program for Construction Work)* and *II.D2 (First Source Hiring Program for Operations)*.

6. Criminal History In Hiring And Employment Decisions.

(Admin. Code ch. 12T)

(a) Agreement to Comply. Administrative Code Chapter 12T (“**Chapter 12T**”) will only apply to a Contractor’s, Subcontractor’s, or subtenant’s operations to the extent those operations are in furtherance of performing a Contract or Property Contract with the City subject to Chapter 12T. If applicable, Developer will comply with and be bound by Chapter 12T, including the remedies and implementing regulations, with respect to applicants to and employees of Developer who would be or are performing work at the FC Project Area under the DDA.

(b) Breach. Developer must incorporate Chapter 12T by reference in all contracts related to be performed in furtherance of a Contract or Property Contract with the City, as defined in Administrative Code section 12T.1. Developer will be responsible for monitoring compliance by its Subcontractors, Contractors, and subtenants, but the City agrees that Developer will not be liable for their noncompliance.

(c) Prohibited Activities. Developer and its Subcontractors, Contractors, and subtenants must not inquire about, require disclosure of, or if the information is received, base an Adverse Action on an applicant’s or potential applicant’s or employee’s: (i) Arrest not leading to a Conviction, except under circumstances identified in Chapter 12T as an Unresolved Arrest; (ii) participation in or completion of a diversion or a deferral of judgment program; (iii) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (iv) a Conviction or any other adjudication in the juvenile justice system, or information regarding a matter considered in or processed through the juvenile justice system; (v) a Conviction that is more than seven years old, based on the date of sentencing; or (vi) information pertaining to an offense other than a felony or misdemeanor, such as an infraction, except that a Contractor, Subcontractor, or subtenant may inquire about, require disclosure of, base an Adverse Action on, or otherwise consider an infraction or infractions contained in an applicant or employee’s driving record if driving is more than a de minimis element of the employment in question.

(d) Employment Applications. Developer and its Subcontractors, Contractors, and subtenants must not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any Conviction History or unresolved arrest until either after the first live interview with the person, or after a conditional offer of employment in accordance with section 12T.4(c).

(e) Disclosure. Developer and its Subcontractors, Contractors, and subtenants must state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Developer or its Subcontractors, Contractors, and subtenants at the FC Project Area that the DDA and all Contracts and Property Contracts will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Posting. Developer and its Subcontractors, Contractors, and subtenants must post the notice prepared by the OLSE, available on OLSE’s website, in a conspicuous place at the FC Project Area and at other workplaces, job sites, or other locations under the Subcontractor’s, Contractor’s, or subtenant’s control at which work is being done or will be done in furtherance of performing a Contract or Property Contract under the DDA with the City. The notice will be

posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the FC Project Area or other workplace at which it is posted.

(g) Penalties. Developer and its Subcontractors, Contractors, and subtenants understand and agree that upon any failure to comply with Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T, subject to **Subsection (b)** (Breach) and the DA Waivers, including a penalty of \$50 for each employee, applicant or other person as to whom the violation occurred or continued, and thereafter, for subsequent violations, the penalty may increase to no more than \$100, for each employee or applicant whose rights were, or continue to be, violated.

(h) Inquiries. If Developer has any questions about the applicability of Chapter 12T, it may contact the Port for additional information. The Port will consult with the Director of the City's Office of Contract Administration, who has authority to grant a waiver under the circumstances set forth in section 12T.8 of Chapter 12T.

7. Employee Signature Authorization Ordinance.
(S.F. Admin Code §§ 23.50-23.56)

The City has adopted an Employee Signature Authorization Ordinance, which requires employers of employees in hotel or restaurant projects on public property with 50 or more full-time or part-time employees to enter into a "card check" agreement with a labor union regarding the preference of employees to be represented by a labor union to act as their exclusive bargaining representative. Developer agrees to comply with the requirements of the ordinance, if applicable, including any requirements applicable to its successors, as specified in Administrative Code section 23.54.

Use Of City Property

8. Tobacco Products and Alcoholic Beverages.
(Admin. Code § 4.20; Health Code art. 19K)

(a) Definitions. For purposes of this Section: (i) "**alcoholic beverage**" is defined in California Business and Professions Code section 23004 and excludes cleaning solutions, medical supplies, and other products and substances not intended for drinking; and (ii) "**tobacco product**" is defined in Health Code section 1010(b).

(b) Advertising Ban. New general advertising signs that are visible to the public are prohibited on the exterior of any City-owned building under Administrative Code section 4.20-1.

(d) Alcoholic Beverage Advertising. Port property used for operation of a restaurant, concert or sports venue, or other facility or event where the sale, production, or consumption of alcoholic beverages is permitted, will be exempt from the alcoholic beverage advertising prohibition in Administrative Code section 4.20(a)-(c).

9. Integrated Pest Management Program.

(Env. Code ch. 3)

(a) IPM Plan. Chapter 3 of the Environment Code (the “**IPM Ordinance**”) describes an integrated pest management policy (“**IPM Policy**”) to be implemented by all City departments. Except for the permitted uses of pesticides provided in IPM Ordinance section 303, Developer must not use or apply during the DDA term, and must not contract with any party to provide pest abatement or control services to the FC Project Area, except in compliance with the Port’s integrated pest management plan (“**IPM Plan**”).

(b) Application. Although not a City Department, Developer agrees to comply, and must require all of Developer’s contractors to comply, with the Port’s approved IPM Plan and IPM Ordinance sections 300(d), 302, 304, 305(f), 305(g), and 306, as if Developer were a City department. Among other matters, the IPM Ordinance: (i) provides for the use of pesticides only as a last resort; (ii) prohibits the use or application of pesticides on City-owned property except for pesticides granted exemptions under IPM Ordinance section 303 (including pesticides included on the most current Reduced Risk Pesticide List compiled by the Department of the Environment); (iii) imposes certain notice requirements; and (iv) requires Developer to keep certain records and to report to the City all pesticide use by Developer’s staff or contractors.

(c) Prior Review. Before Developer or Developer’s contractor applies pesticides to outdoor areas, Developer must obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation and any such pesticide application must be made only by or under the supervision of a person holding a valid Qualified Applicator certificate or Qualified Applicator license under California law. The City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the Department of the Environment website, <http://sfenvironment.org/ipm>.

10. Resource-Efficient Facilities and Green Building Requirements.

(Env. Code ch. 7)

Developer agrees to comply with all applicable provisions of the Environment Code relating to resource-efficiency and green building design requirements.

11. Tropical Hardwood and Virgin Redwood Ban.

(Env. Code ch. 8)

The City urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product, except as expressly permitted by the application of Environment Code sections 802(b) and 803(b). Developer agrees that, except as permitted by the application of Environment Code sections 802(b) and 803(b), Developer will not use or incorporate any tropical hardwood or virgin redwood in the construction of the Improvements or provide any items to the construction of the Project, or otherwise in the performance of the DDA that are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. If Developer fails to comply in good faith with any of Environment Code chapter 8, Developer will be liable for liquidated damages for each violation in any amount equal to the contractor’s net profit on the contract, or 5% of the total amount of the contract dollars, whichever is greater.

12. Diesel Fuel Measures.

(Env. Code ch. 9)

Consistent with the City's Greenhouse Gas Emissions Reduction Plan (Env. Code § 903) to reduce greenhouse gas emissions in the City, Developer must minimize exhaust emissions from operating equipment and trucks during construction. Developer's compliance with MMRP Mitigation Measure M-AQ-1a will satisfy this requirement.

13. Arsenic-Treated Wood.

(Env. Code ch. 13)

Developer must not purchase preservative-treated wood products containing arsenic on behalf of the City in the performance of the DDA without obtaining an exemption under Environment Code section 1304 from the Department of Environment. Developer may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Developer from purchasing preservative-treated wood containing arsenic for saltwater immersion. In this Section: (a) "**preservative-treated wood containing arsenic**" means wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative; and (b) "**saltwater immersion**" means a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

14. Food Service and Packaging Waste Reduction Ordinance.

(Env. Code ch. 16)

Developer agrees to comply fully with and be bound by section 1604(d) of the Food Service and Packaging Waste Reduction Ordinance (Env. Code ch. 16), including the remedies provided in section 1607 and implementing guidelines and rules. By entering into the DDA and the Development Agreement, Developer agrees that if it breaches this provision, and fails to cure within the cure periods provided herein, the City will suffer actual damages that will be impractical or extremely difficult to determine and that the following amounts of liquidated damage are reasonable estimates of the damage that the City will incur based on any violation, established in light of the circumstances existing on the Reference Date: (a) \$100 for the first breach; (b) \$200 for the second breach in the same year; and (c) \$500 for subsequent breaches in the same year. These liquidated damages will not be considered penalties, but agreed monetary damages sustained by the City because of Developer's noncompliance.

15. Bottled Drinking Water.

(Env. Code ch. 24; Port Reso. No. 12-11)

Developer is subject to all applicable provisions of Environment Code chapter 24 prohibiting the sale or distribution of drinking water in plastic bottles with a capacity of 21 fluid ounces or less at Events held on City Property with attendance of more than 100 people during the DDA Term. Also, Developer must comply with the Port's *Zero Waste Policy for Events and Activities* (Port Reso. No. 12-11) for applicable Events at the FC Project Area during the DDA Term.

16. Graffiti Removal and Abatement.

(Pub. Works Code Sec. 23)

(a) Requirement. Developer agrees to remove all graffiti from the FC Project Area, including from the exterior of any structures within the FC Project Area, consistent with the notice and cure provisions of Public Works Code section 23. If the Director of Public Works determines that any property contains graffiti in violation of section 2303, the Director may issue a notice of violation to Developer and any Offending Party. At the time the notice of violation is issued, the Director will take one or more photographs of the alleged graffiti and make copies of the photographs available to Developer and any Offending Party upon request. The photographs will be dated and retained as a part of the file for the violation. The notice will give Developer and any Offending Party 30 days after the date of the notice to either remove the graffiti or request a hearing on the notice of violation and set forth the procedure for requesting the hearing. This Section is not intended to require a tenant to breach any lease or other agreement that it may have concerning its use of the real property.

(b) Application. In this Section, “**graffiti**” means any inscription, word, figure, marking, or design that is affixed, marked, etched, scratched, drawn, or painted on any building, structure, fixture, or other improvement, whether permanent or temporary, including signs, banners, billboards, and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner’s authorized agent, and that is visible from the public right-of-way, but does not include: (i) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the DDA or the Port Building Code; (ii) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (Calif. Civil Code §§ 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 *et seq.*); (iii) any painting or marking that a City department makes in the course of its official duties or as part of a public education campaign; or (iv) any painting or marking required for compliance with any local, state, or federal law.

17. Drug-Free Workplace.

(41 U.S.C. ch. 81; Police Code art. 40)

To the extent applied by a federal grant or contract for the Project, the Drug-Free Workplace Act of 1988 (41 U.S.C. ch. 81) will apply to Developer. Developer agrees to adopt a Drug-Free Workplace Policy and comply with all other applicable requirements of the drug-free workplace laws under Police Code article 40.

18. Nutritional Standards and Guidelines.

(Admin. Code § 4.9-1)

(a) Definitions. For the purpose of this Section: (i) “**meal**” means “**prepared food**” as defined in Environment Code section 1602(l), which means food or beverages prepared within San Francisco for individual customers or consumers in a form commonly understood to be a breakfast, lunch, or dinner; (ii) “**Nutritional Standards Requirements**” means the food and beverage nutritional standards and calorie labeling requirements set forth in Administrative Code section 4.9-1(c); (iii) “**restaurant**” is defined in Health Code section 451(s) and includes any coffee shop, cocktail lounge, sandwich stand, public school cafeteria, in-plant or employee eating establishment, and any other eating establishment that gives or offers for sale food that requires

no further preparation to the public, guests, patrons, or employees for consumption on or off the premises; (iv) "**vending machine**" is defined in Administrative Code section 4.2(a) and means an automated machine dispensing products or services, including food, beverages, tobacco products, newspapers, and periodicals.

(b) Vending Machines. Any permitted vending machine must comply with the Nutritional Standards Requirements in section 4.9-1(c). Developer must incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the FC Project Area or for the supply of food and beverages to that vending machine.

(c) Restaurants. Any restaurant on City property is encouraged to ensure that at least 25% of meals offered on the menu meet the Nutritional Standards Requirements set forth in Administrative Code section 4.9-1(e).

(d) Penalties. Developer's failure to comply with the Nutritional Standards Requirements in section 4.9-1(c) will be considered an Event of Default under the DDA and in addition to its other remedies, which will be subject to the DA Waivers, the City may require the removal of any vending machine on the FC Project Area that is not permitted or that violates the Nutritional Standards Requirements. Developer will be responsible for monitoring compliance with the Nutritional Standards Requirements by each subcontractor, subtenant, and contractor performing services or occupying premises on the FC Project Area. But the City agrees that Developer will not be liable for the noncompliance of its subcontractors, subtenants, or contractors.

19. All-Gender Toilet Facilities.

(Admin. Code § 4.1-3)

Developer must include at least one all-gender toilet facility on each floor of any new building on City-owned land or that is constructed by or for the City where toilet facilities are required or provided. Unless not allowed by an existing lease, whenever extensive renovations are made on one or more floors in any building on land that the City owns or in a building that is leased to or by the City, Developer will provide at least one all-gender toilet facility on each floor where the renovations take place and toilet facilities are required or provided. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures. "Extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the required toilet facilities.

20. Indoor Air Quality.

(Env. Code § 711(g))

Developer agrees to comply with section 711(g) of the Environment Code and regulations adopted under Environment Code section 703(b) relating to construction and maintenance protocols to address indoor air quality.

Use Of Port Property

21. Southern Waterfront Community Benefits and Beautification Policy.

(Port Reso. No. 07-77)

(a) Policy Goals. The Port's *Policy for Southern Waterfront Community Benefits and Beautification* identifies beautification and related projects in the Southern Waterfront (from

Mariposa Street in the north to India Basin) that require funding. Under this policy, Developer must provide community benefits and beautification measures in consideration for the use of the Project Site. Examples of desired benefits include: (i) beautification, greening, and maintenance of any outer edges of and entrances to the FC Project Area; (ii) creation and implementation of a Community Outreach and Good Neighbor Policy to guide Developer's interaction with the Port, neighbors, visitors, and users; (iii) use or support of job training and placement organizations serving southeast San Francisco; (iv) commitment to engage in operational practices that are sensitive to the environment and the neighboring community by reducing engine emissions consistent with the City's Clean Air Program, and use of machines at the FC Project Area that are low-emission diesel equipment and use biodiesel or other reduced particulate emission fuels; (v) commitment to use low-impact design and other "green" strategies when installing or replacing stormwater infrastructure; (vi) employment at the FC Project Area of a large percentage of managers and other staff who live in the local neighborhood or community; (vii) use of truckers that are certified as LBEs under Administrative Code chapter 14B; and (viii) use of businesses that are located within the Potrero Hill and Bayview Hunters Point neighborhoods. Developer's performance of the Project Requirements under the DDA will satisfy the requirements under this policy. Developer agrees to provide the Port with documents and records regarding these activities at the Port's request.

(b) Agreement to Use Local Truckers. Except to the extent inconsistent with any pertinent collective bargaining agreement, Developer agrees that, for all directly contracted or service agreement trucking opportunities associated with Developer's operations at the FC Project Area, including hauling materials on, off, and within the Project Site, Developer will make good faith efforts to use Local Truckers first. For purposes of this Section, "**truckers**" means a business that provides trucking services for a profit, and "**Local Truckers**" means truckers that CMD has certified as LBEs.

To the extent that Developer in its sole discretion directly contracts or enters into a service agreement with truckers for trucking opportunities as described in this Section, Developer must use Local Truckers for a minimum of 60% of all contracted or service agreement trucking. Only the actual dollar amount paid to truckers will be counted towards meeting the 60% requirement; equipment rental and disposal fees will not be counted. Developer will not be in default of this provision for not meeting the 60% minimum if Developer offered trucking opportunities to Local Truckers, but the Local Truckers were unavailable or unwilling to perform the work.

During all periods of construction activities at the Project Site, Developer must submit a monthly report to the Port and CMD stating the total cost to Developer of trucking through a contract or service agreement during the preceding month and identifying the total amount paid to Local Truckers. The monthly report must document all truckers who conducted contract or service agreement work for Developer, and identify truckers that are Local Truckers. If Developer fails to meet the 60% minimum in any month, the report must document Developer's good faith outreach efforts to contact Local Truckers and the reasons that the work could not be conducted by Local Truckers. At the Port's or CMD's request, Developer must provide additional documentation required to ensure Developer's compliance with this provision. Developer's failure to comply with this Section will be a Material Breach under the DDA.

Other Public Policies

22. Conflicts of Interest.

(Calif. Gov. Code §§ 87100 *et seq.* & §§ 1090 *et seq.*; Charter § 15.103; Campaign and Gov't Conduct Code art. III, ch. 2)
