Dear Mr. Rosenfield:

The Budget and Finance Committee, at its regular meeting of October 5, 2017, considered the above file relating to release of funds to the San Francisco Public Utilities Commission (SFPUC).

The Committee reviewed the matter and approved the release of \$2,295,000 to pay for additional environmental review, design, and construction activities associated with cleanup of residual contamination at the Lake Merced site formerly occupied by the Pacific Rod and Gun Club. The SFPUC shall return \$3,994,011 to the Water Enterprise fund balance.

The Controller is, therefore, authorized to release such funds to the SFPUC for the Pacific Rod and Gun Club Remediation Project.
