**Subject: Richard Guggenhime Appointment to Airport Commission**

Dear Mr Chairman and Members,

It is with great pleasure and without hesitation that I write this endorsement of Richard Guggenhime for appointment to the San Francisco Airport Commission. The Airport Commission is one of the most important economic asset of our city and requires the best citizen oversight.

Mr. Guggenhime has been a talented citizen participant in San Francisco governance ever since he was appointed to the Parking Authority and then the Board of Permit Appeals by Mayor George Moscone. As one of six mayors who have called on him to serve San Francisco on a variety of major city commissions that include the Fire Commission, Recreation and Park, and now the Airport Commission, I trust him completely to serve in this important current post in city government.

In addition to an enormously busy and successful legal practice in our city, Mr. Guggenhime has always made time to raise and contribute millions of dollars for San Francisco General Hospital, Meals on Wheels and a number of non profit organizations that serve elderly poor and needy people.

This hard working, talented, and most generous San Franciscan is most worthy of your vote for reappointment to the SF Airport Commission. I

respectfully ask for your vote today in Committee for the reappointment of  
Richard Guggenhime to the SF Airport Commission.

Sincerely,  
Art Agnos
