CITY AND COUNTY OF SAN FRANCISCO HUMAN SERVICES AGENCY REQUEST FOR PROPOSALS #765

The Office of Contract Administration (OCA) of the City and County of San Francisco with the San Francisco Human Services Agency (HSA) is requesting proposals from qualified organizations that have the ability to provide heavy cleaning and pest control services as defined in this RFP.

The purpose of this contract is to reduce the risk of eviction of Adult Protective Services (APS) clients who are in violation of San Francisco Health or Building Codes. These violations are typically brought about by conditions of severe hoarding and/or filth within the client's residence, which may be compounded by infestations of bedbugs, roaches, fleas, rodents, and/or other pests. The services required for this contract include, but are not limited to, property preparation (prior to pest control treatment), heavy cleaning, and pest control management.

The RFP establishes minimum mandatory requirements and qualifications that proposers must meet in order to be eligible for consideration of award. Information to be included in a proposal is also specified in the RFP.

Any contract made as a result

of this RFP shall have an original term of two (2) years and will become effective on the date that the contract is certified and funds are encumbered by the Controller. In addition, the City shall have three (3) options to extend the term for a period of one (1) year each, for a total of five (5) years, subject to annual availability of funds, annual satisfactory contractor performance, and need. The City has sole, absolute discretion to exercise this option, and reserves the right to enter into contracts of a shorter duration.

Multiple awards may be made for any or all Services to multiple contractors to ensure adequate levels of uninterrupted service. Contractors will be notified by written contract acceptances. Purchaser reserves the right to request service not readily available from any source other than an awarded vendor if said Purchaser deems it is in the public interest to take such action.

Payment for all services provided in accordance with provisions under any resulting contract shall be contingent upon the availability of funds. The City shall not be required to provide any definite units of services nor does the City guarantee any minimum amount of funding for these services. Annual funding is estimated to be \$110,000.

An RFP packet may be picked up at SFHSA, Office of Contract Management, 1650 Mission Street, Suite 300, on or after June 30, 2017. RFP packets are available on the Internet at <http://mission.sfgov.org/OCABidPublication/>. Select "Consultants and Professional Services" from the Category Drop Down Menu and look for RFP #765.

NOTICE IS HEREBY GIVEN THAT THE Public Safety and Neighborhood Services Committee will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard: File No. 170442. Ordinance amending the Public Works Code to modify the exceptions to the Surface-Mounted Facility Site Permit requirement; to allow a permittee to choose to pay an "in-lieu" fee instead of installing a street tree; to allow a permittee to choose to pay an "in-lieu" fee instead of permitting the installation of a mural on its Surface-Mounted Facility; to repeal the requirements that a permittee install landscaping or pay

an "in-lieu" fee and maintain the required landscaping; to repeal the requirement that an applicant for a Surface-Mounted Facility Site Permit make reasonable efforts to locate the facility on private property before submitting an application; and to amend the requirement that a permittee maintain any required street tree. Under Public Works Code, Article 27, any person installing a Surface-Mounted Facility in the public right of way must apply for a Surface-Mounted Facility Site Permit from Public Works. If the legislation passes, the in-lieu fee for installation of a street tree would be revised in Public Works Code, Section 27.10, so that an applicant who elects to pay the in-lieu fee shall notify Public Works by a "Notice of Intent" required under Public Works, Article 27, Section 27.12. The in-lieu fee shall be equal to the City's cost to plant and water the tree for three years, with the minimum fee amount being \$1,489. The in-lieu fee shall be imposed by the Public Works Director for the installation of one tree and shall be paid into the "Public Works Adopt-A-Tree Fund." Beginning FY2007-2008, this fee shall be reviewed and adjusted each year in accordance with the procedures set forth in Public Works Code, Section 27.1.2. Under Public Works Code, Section 27.11, a new in-lieu fee shall be established to allow an applicant for a Surface-Mounted Facility Site Permit to elect to pay an in-lieu fee instead of permitting the installation of a mural on its Surface-Mounted Facility. The Applicant shall notify the Department of its election in the Notice of Intent required under Public Works Code, Section 27.12, Article 27. The in-lieu fee shall be in the amount of \$2,000 and paid into the "Public Works Evacuation Fund." The in-lieu fee may be adjusted to reflect the changes in the relevant Consumer Price Index. In accordance with San Francisco Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments to the City prior to the time the hearing begins. These comments will be made a part of the official public record in this matter, and shall be brought to the attention of the members of the Committee. NOTICE OF AVAILABILITY

DRAFT ENVIRONMENTAL IMPACT REPORT for the DRAFT 2035 GENERAL PLAN, DRAFT BELMONT VILLAGE SPECIFIC PLAN/VILLAGE ZONING, PHASE I ZONING REGULATIONS AND DRAFT 2035 CLIMATE ACTION PLAN for the CITY OF BELMONT

DATE: June 30, 2017
TO: Interested Agencies and Individuals
FROM: Belmont Community Development Department
Copies of the Draft Environmental Impact Report (DEIR) (SCH # 2016082075) for the Draft 2035 General Plan, Draft Belmont Village Specific Plan (BVSP) and its associated zoning regulations, Draft Phase I Zoning Regulations (citywide) and Draft 2035 Climate Action Plan (CAP) are now available for review. Public comment on the DEIR is invited for a review period extending from June 30, 2017 through August 18, 2017. More information is provided below.
The Proposed Project is adoption of four discrete, but interrelated, long-range planning and regulatory documents:
- 2035 General Plan, which proposes a citywide vision guiding future growth, change, preservation, and quality of life in Belmont, and provides policies and actions to achieve that vision. The Draft 2035 General Plan fulfills State requirements for a General Plan under California Government Code Section 65300 et seq. The General Plan addresses all land within Belmont city limits and its Sphere of Influence.
- The Belmont Village Specific Plan (BVSP), a detailed planning document and implementation tool to realize the vision of a vibrant, mixed use town center that is supported in the General Plan, and also includes zoning regulations that

implement the Specific Plan. The BVSP covers an area of approximately 80 acres centered around the Belmont Caltrain Station
- Phase I Zoning Regulations, which provide a zoning framework to ensure new development conforms to the General Plan, serving as a precursor to a comprehensive rewrite ("Phase II") of the City's Zoning Ordinance following General Plan adoption. The Phase I zoning regulations apply to various land use districts and parcels citywide, and also pre-zone the unincorporated Sphere of Influence.
- The 2035 Climate Action Plan (CAP), which is a Qualified Greenhouse Gas Reduction Strategy consistent with AB 32 that provides a plan for addressing Belmont's greenhouse gas (GHG) emissions, and helps to mitigate any GHG/climate change impacts associated with the General Plan and BVSP, as well as future development projects in Belmont. It identifies measures and strategies to achieve the City's goal of reducing community-wide GHG emissions by 15 percent by 2020, and 50 percent by 2035 (relative to the baseline year of 2005). The CAP comprises quantifiable objectives and strategies in the areas of energy, transportation, land use, and solid waste. It applies citywide.
The City and its consultants (Dyett & Bhatia, W-Trans, and ICF) have prepared a Program-level DEIR pursuant to the California Environmental Quality Act (CEQA) to analyze and disclose the potential adverse significant impacts associated with implementation of the four planning documents described above. A Final EIR will be prepared following public review and comment on the DEIR. The City Planning Commission and City Council will consider this information during their deliberations. Following certification of the Final EIR, the City Council will adopt a final General Plan, Belmont Village Specific Plan, Phase I Zoning Regulations, and CAP.
The DEIR identifies the potential for significant effects in the following impact areas: Aesthetics and Visual Resources; Air Quality; Biological Resources; Climate Change, Greenhouse Gas Emissions, and Energy; Cultural Resources; Geology and Soils; Hydrology, Flooding, and Water Quality; Land Use Planning, Population, and Housing; Noise; Public Services and Recreation; Transportation and Circulation; Utilities; Cumulative Impacts; Growth Inducing Impacts; and Significant Irreversible Changes. Two Alternatives are also analyzed and an Environmentally Superior Alternative is identified. The DEIR is now available for public review at the following locations:
- Online at the following web link www.belmont-2035generalplan.com
- In printed form at the public counter of the Belmont Community Development Department-Permit Center at One Twin Pines Lane, Suite 110, Belmont, CA 94002
- In printed form at the Belmont Public Library, 1110 Alameda de las Pulgas, Belmont, CA 94002.

- In electronic form via a USB flash drive; to request a flash drive, please contact Carlos de Melo, Community Development Director at (650) 595-7440 or via email at cdemelo@belmont.gov
You may submit comments on the DEIR during the document review period, which begins Friday, June 30, 2017 and extends through Friday, August 18, 2017. All comments received or postmarked by August 18, 2017 will be accepted. Please direct your comments to: cdemelo@belmont.gov

A meeting to receive comments on the DEIR has been scheduled for August 15, 2017 before the Belmont Planning Commission at 7PM at the City Council Chambers, City Hall, One Twin Pines Lane, Belmont, CA 94002. Additional public meetings and hearings will be announced as they are scheduled. Formation of the property and business improvement district is subject to the approval of the Board of Supervisors after noticed public hearings and a vote by the property

owners who would be subject to the assessments. Following public comment, ballots submitted by the property owners in the proposed Japantown Community Benefit District (CBD) will be counted by the Department of Elections and the results will be announced by the Board of Supervisors. If the ballot election does not result in a majority protest against formation of the proposed district, the Board of Supervisors may vote to establish the Japantown Community Benefit District (CBD).
