Re: Notice of Pre-Application Meeting about Intention to Apply for Liquor License

11/9/17

Dear Neighbor,

For the past six years we have enjoyed serving the neighborhood as a small restaurant & beer bar, and as participants in community activities. Thus, it is with much excitement that we announce our intent to apply for a Type 87 license to serve alcoholic beverages at our establishment.

Prior to submitting a formal application for that license, we must hold at least one pre-application community meeting to discuss the application with neighbors and members of the community. We must mail this notice to every resident of real property within a 500-foot radius of the premises, neighborhood associations, and the Chief of Police at least 14 calendar days before the community meeting is set to occur, per Section 23826.13 of the Business and Professions Code. We invite you to join us at this community meeting, detailed below.

For more information about the liquor license application process, please contact the San Francisco office of the Department of Alcoholic Beverage Control at (415) 356-6500 or visit [www.abc.ca.gov](http://www.abc.ca.gov).

The below-named applicant intends to apply for a Type 87 license to sell alcoholic beverages:

A Careless Match, LLC  
dba The Dark Horse Inn  
942 Geneva Avenue

The applicant will be holding a pre-application community meeting to discuss the application with neighbors and members of the community as follows:

Friday, November 24, 2017, 5:30pm  
at The Dark Horse Inn  
942 Geneva Avenue, San Francisco, CA 94112

For more information about the meeting, please contact Andrea Ferrucci at 415.469.5508 or [info@darkhorsesf.com](mailto:info@darkhorsesf.com). We thank you for your ongoing support.
