# ARTICLE 2 APPROPRIATION AND CERTIFICATION OF GRANT FUNDS; LIMITATIONS ON CITY'S OBLIGATIONS

2.1 Risk of Non-Appropriation of Grant Funds. This Agreement is subject to the budget and fiscal provisions of the Charter. City shall have no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements or for other MOHCD expenditures. Grantee acknowledges that MOHCD's obligation to make Subsidy Payments under this Agreement is expressly conditioned on the (a) appropriation of sufficient funds to HSH for Subsidy Payments and transfer of such funds from HSH to MOHCD (or as MOHCD may direct such funds to be transferred directly by HSH to Grantee), which appropriation and transfer is subject to HSH's annual operating budget, or (b) appropriation of sufficient funds for Subsidy Payments to MOHCD's annual operating budget. If the funds appropriated for Program subsidy payments in a given year will be insufficient to fund the total Program subsidy payments MOHCD intended to make in such year, MOHCD shall have the right to reduce the amount of Program subsidy payments and to select the qualifying projects subject to such reduced payments.

Notwithstanding the foregoing, however, qualifying projects that are not financed with State Department of Housing and Community Development Multifamily Housing Program Supportive Housing Component funds ("**HCD Funds**") will be subject to such Program subsidy payment reductions before any such reductions are made to qualifying projects financed with HCD Funds.

If MOHCD determines that Subsidy Payments for any given period must be reduced due to a shortfall in appropriated Program funds (a "Non-Appropriation Event"), MOHCD shall notify Grantee that a Non-Appropriation Event has occurred. City's obligation to make any Subsidy Payments in excess of those for which sufficient funds have been appropriated shall automatically terminate as of such Non-Appropriation Event, except as may be required pursuant to <a href="Section 2.5">Section 2.5</a> below. Grantee acknowledges that HSH's and MOHCD's annual operating budgets are each subject to the discretion of City's Mayor and Board of Supervisors and a Non-Appropriation Event may occur during the Term and, accordingly, that Subsidy Payments may subsequently not be made in the amounts projected pursuant to this Agreement. Grantee's assumption of such risks is part of the consideration for this Agreement.

- **2.2** Certification of Controller; Guaranteed Maximum Costs. No funds shall be available under this Agreement until prior written authorization certified by the Controller. In addition, as set forth in Section 21.10-1 of the San Francisco Administrative Code:
- (a) City's obligations hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification, the current Controller certification for Grant Funds is only for the First Subsidy Payment, and Controller certification will be a condition precedent for all other Subsidy Payments to the extent that Project Transition Reserve Account funds are not available to fund such Subsidy Payments.

- (b) Except as may be provided by City ordinances governing emergency conditions, City and its employees and officers are not authorized to request Grantee to perform services or to provide materials, equipment and supplies that would result in Grantee performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies specified in this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City is not required to pay Grantee for services, materials, equipment or supplies provided by Grantee if they are beyond the scope of the services, materials, equipment and supplies agreed upon herein and were not approved by a written amendment to this Agreement lawfully executed by City.
- (c) City and its employees and officers are not authorized to offer or promise to Grantee additional funding for this Agreement that would exceed the maximum amount of funding provided for herein. Additional funding for this Agreement in excess of the maximum provided herein shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding that exceeds the maximum provided in this Agreement, which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained.
- (d) The Controller is not authorized to make payments on any agreement for which funds have not been certified as available for such purposes in the budget of HSH or MOHCD or by supplemental appropriation.
- **2.3 Automatic Termination for Nonappropriation or Nontransfer of Funds**. This Agreement shall automatically terminate, without penalty, liability or expense of any kind to City, at the end of the period of the City's Business Year that a Non-Appropriation Event occurs, except as otherwise set forth in Section 2.5.
- **2.4 SUPERSEDURE OF CONFLICTING PROVISIONS.** IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS <u>ARTICLE 2</u> AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS <u>ARTICLE 2</u> SHALL GOVERN.
- 2.5 Program Transition Reserve Account. All LOSP subsidy payments, including the Subsidy Payments, are conditioned on the appropriation of sufficient funds therefor and the transfer of such funds to MOHCD's annual budget. MOHCD intends to establish a reserve account, as MOHCD deems appropriate and in its sole discretion, to fund all or a portion of selected LOSP subsidy payments in the event sufficient funds are not so appropriated or transferred (the "Program Transition Reserve Account"). If there is a Non-Appropriation Event, City shall use Program Transition Reserve Account funds to disburse such Subsidy Payments to the extent there are sufficient Program Transition Reserve Account funds for such disbursements.

If there is a Non-Appropriation Event, and City fully funds the following year's Subsidy Payment in the amount shown on Exhibit A (whether with Program Transition Reserve Account funds or otherwise), this Agreement shall remain in effect through the last day of the period for which such Subsidy Payment is made. In the event City continues to fully fund subsequent Subsidy Payments, this Agreement shall remain in effect through the last day of the period for which each such subsequent Subsidy Payment is made.

City shall have no obligation to replenish or supplement the Program Transition Reserve Account. City shall have the right to, at MOHCD's discretion, use Program Transition Reserve Account funds to make subsidy payments to LOSP grantees other than Grantee. The Program Transition Reserve Account shall remain the City's property at all times and any interest that accrues thereon shall remain the sole property of City and will be deemed part of the Program Transition Reserve Account. If any funds remain in the

Program Transition Reserve Account at the expiration of the Term or earlier termination of this Agreement, such funds shall remain with City and Grantee shall have no rights thereto.

Grantee agrees that it shall not make any distributions or payments of Residual Receipts, as defined in the MOHCD Loan Agreement, until City has approved the distribution or payment of such Residual Receipts.

### ARTICLE 3 TERM

The term of this Agreement (the "**Term**") shall commence on the Effective Date and shall terminate on the fifteenth (15<sup>th</sup>) anniversary of the Effective Date, unless earlier terminated in accordance with the terms herein.

The period of time between a Termination Notice Date and the corresponding Additional Leasing Date shall be referred to as a "Vacancy Period". After the Initial Leasing Date, an Assisted Unit may remain vacant during any Vacancy Period applicable to such Assisted Unit. If City fails to timely deliver the required Referrals at any time, until City delivers such Referrals, Grantee can submit a request to City to use a qualified candidate identified by Grantee that satisfies the requirements of Exhibit D, and such request shall not be unreasonably denied.

- (b) Grantee shall give preference in occupying all Project residential units first to Certificate of Preference Holders in accordance with the Operational Rules and the Preferences Ordinance; provided that such applicants satisfy all other applicable eligibility requirements under the City Loan Documents and the Senior Loan Documents.

Each Tenant lease shall provide for termination of such lease and such Tenant's consent to immediate eviction if the Tenant has made any material misrepresentation in the initial income certification made by Tenant to City or in any later income certification made by Tenant to Grantee. The lease agreement for each Assisted Unit must also contain the applicable Lease Addendum, which can be found in the **LOSP Policies and Procedures Manual**.
- (h) Grantee shall obtain each Tenant's recertification of his/her household income on an annual basis. Such income certifications shall be prepared pursuant to low income housing tax credit guidelines for household income and shall be maintained on file at Grantee's principal office for no less than five (5) years following the date of such certification, and Grantee must file or cause to be filed copies thereof with MOHCD promptly upon MOHCD's request therefor.
- (i) Security deposits may be required of Tenants only in accordance with applicable federal regulations, state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an account held in trust for the benefit of the Tenants and other tenants of the Project and disbursed in accordance with California law. The balance in such security deposit account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits or interest thereon returned to Tenants or any other tenants of the Project.

- (b) With the written approval of DSHH, the Gross Rent charged to a Tenant may be increased as a result of a determination by HSH that such Tenant is no longer eligible under the Program, so long as the Gross Rent charged does not exceed the Underlying Restricted Rent. Notwithstanding the forgoing, Tenants deemed no longer eligible by HSH who remain occupants of the Project shall still be considered a LOSP Client and the Tenant's Unit shall still constitute an Assisted Unit for purposes of compliance with the requirements of this Agreement.
- (c) Grantee must provide MOHCD at least annually a report showing actual household income level and Gross Rent for each Tenant.
- **4.3 Operating Reserve Account; Subsidy Reserve Account.** Grantee shall comply with all of its requirements for the Operating Reserve Account under the MOHCD Loan Agreement. In addition, if the Subsidy Payment made to Grantee for a Business Year exceeds the Approved Shortfall for such Business Year, as determined pursuant to the reports delivered under Section 6.1, Grantee shall deposit such excess amount in the Subsidy Reserve Account. Grantee shall not use Subsidy Reserve Account funds, or any interest earned thereon, for any purpose other than as provided in this Agreement. The only funds that shall be held in the Subsidy Reserve Account shall be the moneys deposited therein pursuant to this Section and the interest earned thereon.

If the Approved Shortfall for a Business Year exceeds the Subsidy Payment made to Grantee for such Business Year, Grantee shall first use Subsidy Reserve Account funds, to the extent available, to pay the Assisted Units Operating Costs that comprise such excess shortfall. If the Subsidy Reserve Account plus Subsidy Payment funds are insufficient to pay all of the Assisted Units Operating Costs in any given Business Year, Grantee shall use Operating Reserve Account funds, if any, to pay the remaining Assisted Units Operating Costs, subject to any approval Grantee must obtain from any lender under the Senior Loan Documents or Grantee's tax credit limited partner to so use the Operating Reserve Account funds.

### 5.2 Subsidy Payment Amounts and Adjustments.

- (a) The 15-Year Cash Flow is the Parties' current expectations of Operating Costs and Projected Shortfalls during the Term. The Parties anticipate that the amount of the First Subsidy Payment and each subsequent Subsidy Payment shall be as shown on **Exhibit A**. The First Subsidy Payment amount reflects the Projected Shortfall for the period starting on the Effective Date. Notwithstanding the foregoing initial calculations of the 15-Year Cash Flow and the Subsidy Payment amounts, however, each Subsidy Payment (including the First Subsidy Payment) is subject to further adjustment pursuant to this Section and City's annual review and approval of the applicable Annual Operating Budget. The City shall reduce the subsequent Subsidy Payments by the amount of any funds held in the Subsidy Reserve Account.
- (b) The total amount of all Subsidy Payments made hereunder shall not exceed the Grant Amount. If the total amount of all Subsidy Payments made hereunder equals the Grant Amount at any time prior to the expiration of the Term, no further Subsidy Payments shall be made hereunder. If any Subsidy Payment would, if made, cause the total amount of all Subsidy Payments made hereunder to exceed the Grant Amount, such Subsidy Payment shall be accordingly reduced so the total amount of Subsidy Payments made hereunder equals the Grant Amount.
- **5.3 Use of Grant Funds**. Grantee shall use the Grant Funds only for Assisted Units Operating Costs and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Annual Operating Budget.
- **5.4** Conditions Precedent to Payment of First Subsidy Payment. Grantee shall fully satisfy each of the following conditions prior to delivery of the First Subsidy Payment.
- (a) Grantee must have delivered to the City fully executed (and for documents to be recorded, acknowledged) originals of the following documents, in form and substance satisfactory to the City: (i) this Agreement (in triplicate); (ii) the Opinion; and (iii) the Authorizing Resolutions.
  - (b) Grantee must have delivered its Charter Documents to the City.
- (c) Grantee shall be in compliance with all of its obligations under City Loan Documents and the Senior Loan Documents.
- (d) Tenant Services Contractor shall be in compliance with all of its obligations under the Services Agreement, and no default, or event that with notice or the passage of time or both could constitute a default, shall exist and remain uncured under the Services Agreement; provided however that disbursement of the First Subsidy Payment shall not be withheld due to an uncured default under the Services Agreement if at the time of expected disbursement, Grantee provides City with sufficient evidence that it is cooperating in good faith with the City and HSH to diligently pursue a cure of said default, which may or may not include Grantee directly providing the required services under the Services Agreement.

- (e) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, shall exist and remain uncured as of the date of the Initial Subsidy Payment is to be disbursed hereunder.
- **5.5** Conditions Precedent to Payment of Subsequent Subsidy Payments. Grantee shall fully satisfy each of the following conditions prior to delivery of any Subsequent Subsidy Payment:
- (a) Grantee shall be in compliance with all of its obligations under the City Loan Documents and the Senior Loan Documents.
- (b) Tenant Services Contractor shall be in compliance with all of its obligations under the Services Agreement, and no default, or event that with notice or the passage of time or both could constitute a default, shall exist and remain uncured under the Services Agreement; provided however that disbursement of any Subsequent Subsidy Payment shall not be withheld due to an uncured default under the Services Agreement if at the time of expected disbursement, Grantee provides City with sufficient evidence that it is cooperating in good faith with the City and DPH to diligently pursue a cure of said default, which may or may not include Grantee directly providing the required services under the Services Agreement.
- (c) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, shall exist and remain uncured as of the date of such Subsidy Payment is to be disbursed hereunder.
- 5.6 Allocation of Grant Funds and Calculation of Assisted Unit Operating Costs. For the purposes of determining the Subsidy Payment and the Projected Shortfall, City and Grantee have agreed that the parties shall allocate twenty-two percent (22%) of the total Operating Costs to the Assisted Units ("Assisted Units Operating Costs") and seventy-eight percent (78%) of the total Operating Costs to the non-Assisted Units. For most budget line items, LOSP units are assigned a prorated share of the total project operating cost. There are some line items where alternative portions of the line item may be proposed. Exhibit B depicts the allocation of Operating Costs between the Assisted and non-Assisted Units, including and budget line items for which alternative portions have been allocated to the Assisted/non-Assisted units.

- (b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.
- (c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

- **8.2** Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15.
- **8.3** No Misstatements. - **8.4** Conflict of Interest. Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify MOHCD if it becomes aware of any such fact during the term of this Agreement.

Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct or gross negligence of the Indemnified Party. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

- 9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party shares in liability with respect thereto.
- **9.3 Incidental and Consequential Damages**. Losses covered under this <u>Article 9</u> shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- **12.3 Financial Projections**. Pursuant to San Francisco Administrative Code Section 67.32, Grantee has on or before the date hereof provided to City financial projections, including profit and loss figures, for the Project. The Grantee acknowledges and agrees that the financial projections and audited financial statements required under this Agreement shall be public records subject to disclosure upon request.

### ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

**13.1** No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of

law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement. Notwithstanding any provision of this Agreement to the contrary, this Section 13.1 shall not prevent transfers that are expressly permitted under the City Loan Documents.

- **13.2 Agreement Made in Violation of this Article**. Any agreement made in violation of <u>Section 13.1</u> shall confer no rights on any person or entity and shall automatically be null and void.
- **13.3 Subcontracting.** Grantee shall not subcontract or assign any portion of this Agreement to any other party without the prior written consent of City; notwithstanding the foregoing, Grantee may subcontract for property management and maintenance without the consent of the City.
- **13.4** Grantee Retains Responsibility. Grantee shall in all events remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

### ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

- **14.1 Nature of Agreement.** Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.
- **14.2 Direction**. Any terms in this Agreement referring to direction or instruction from MOHCD or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

#### **14.3** Consequences of Recharacterization.

- (a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.
- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

### ARTICLE 16 COMPLIANCE

#### 16.1 Reserved.

#### **16.2** Nondiscrimination; Penalties.

(a) **Grantee Shall Not Discriminate**. In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

- (b) **Subcontracts**. Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (c) **Non-Discrimination in Benefits**. Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.
- (d) **Condition to Contract**. As a condition to this Agreement, Grantee shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.
- (e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.
- **16.3** MacBride Principles--Northern Ireland. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this Section.
- **16.4** Tropical Hardwood and Virgin Redwood Ban. Pursuant to Section 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- **16.5 Drug-Free Workplace Policy**. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.
- **16.6 Resource Conservation; Liquidated Damages**. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.

**16.7** Compliance with ADA. Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate against any person protected under the ADA in connection with its activities hereunder and shall comply at all times with the provisions of the ADA.

### 16.8 Requiring Minimum Compensation for Employees.

- a. Grantee agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Grantee's obligations under the MCO is set forth in this Section. Grantee is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.
- b. The MCO requires Grantee to pay Grantee's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Grantee is obligated to keep informed of the thencurrent requirements. Any subcontract entered into by Grantee shall require the subgrantee to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Grantee's obligation to ensure that any subgrantees of any tier under this Agreement comply with the requirements of the MCO. If any subgrantee under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Grantee.
- c. Grantee shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.
- d. Grantee shall maintain employee and payroll records as required by the MCO. If Grantee fails to do so, it shall be presumed that the Grantee paid no more than the minimum wage required under State law.
- e. The City is authorized to inspect Grantee's job sites and conduct interviews with employees and conduct audits of Grantee
- f. Grantee's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Grantee fails to comply with these requirements. Grantee agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Grantee's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.
- g. Grantee understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Grantee fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Grantee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to

completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

- h. Grantee represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- i. If Grantee is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Grantee later enters into an agreement or agreements that cause Grantee to exceed that amount in a fiscal year, Grantee shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Grantee and this department to exceed \$25,000 in the fiscal year.
- **16.9** Limitations on Contributions. Through execution of this Agreement, Grantee acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Grantee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Grantee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Grantee; any subgrantee listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. Additionally, Grantee acknowledges that Grantee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

### 16.10 First Source Hiring Program.

- a. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.
- **b. First Source Hiring Agreement.** As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the First Source Hiring Administrator ("**FSHA**"), the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:
- (1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs.

Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.

- (2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.
- (3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.
- (4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.
- (5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.
  - (6) Set the term of the requirements.
  - (7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.
- (8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.
- (9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

- **c. Hiring Decisions.** Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.
- **d. Exceptions.** Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

#### e. Liquidated Damages. Contractor agrees:

- (1) To be liable to the City for liquidated damages as provided in this section;
- (2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;
- (3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.
- (4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;
- (5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:
- A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and
- B. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;

therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

- **f. Subcontracts.** Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.
- 16.11 Prohibition on Political Activity with City Funds. In accordance with S. F. Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity"). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this Section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this Section. In the event Grantee violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee and City, (ii) prohibit Grantee from bidding on or receiving any new City contract for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.
- 16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.
- 16.13 **16.** Supervision of Minors. Grantee, and any subgrantees, shall comply with California Penal Code section 11105.3 and request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in Welfare and Institution Code section 15660(a) of any person who applies for employment or volunteer position with Grantee, or any subgrantee, in which he or she would have supervisory or disciplinary power over a minor under his or her care.

If Grantee, or any subgrantee, is providing services at a City park, playground, recreational center or beach (separately and collectively, "Recreational Site"), Grantee shall not hire, and shall prevent its subgrantees from hiring, any person for employment or volunteer position to provide those services if that

person has been convicted of any offense that was listed in former Penal Code section 11105.3 (h)(1) or 11105.3(h)(3).

If Grantee, or any of its subgrantees, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code section 11105.3(c), then Grantee shall comply, and cause its subgrantees to comply with that section and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Grantee shall provide, or cause its subgrantees to provide City with a copy of any such notice at the same time that it provides notice to any parent or guardian.

Grantee shall expressly require any of its subgrantees with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subgrantee.

Grantee acknowledges and agrees that failure by Grantee or any of its subgrantees to comply with any provision of this section of the Agreement shall constitute an Event of Default.

- 16.14 **Protection of Private Information.** Grantee agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code ("Protection of Private Information"), including the remedies provided. The provisions of Chapter 12M are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12M. Consistent with the requirements of Chapter 12M, Grantee agrees to all of the following:
- (a) Neither Grantee nor any of its subgrantees shall disclose Private Information obtained from the City in the performance of this Agreement to any other subgrantee, person, or other entity, unless one of the following is true:
  - (1) The disclosure is authorized by this Agreement;
- (2) The Grantee received advance written approval from the Contracting Department to disclose the information; or
  - (3) The disclosure is expressly required by a judicial order.
- (b) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.
- (c) "**Private Information**" shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.
- (d) Any failure of Grantee to comply with Chapter 12M shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar Grantee, or bring a false claim action against Grantee.
- **16.15 Public Access to Meetings and Records**. If the Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, the Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Grantee agrees to open its

meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. The Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. The Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

**16.16 Graffiti Removal.** Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Grantee shall remove all graffiti from any real property owned or leased by Grantee in the City and County of San Francisco within forty eight (48) hours of the earlier of Grantee's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require a Grantee to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Sections 101 *et seq.*).

Any failure of Grantee to comply with this Section shall constitute an Event of Default of this Agreement.

16.17 Food Service Waste Reduction Requirements. Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for subsequent breaches in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

### 16.18 Slavery Era Disclosure.

- (a) Grantee acknowledges that this Agreement shall not be binding upon the City until the Director receives the affidavit required by the San Francisco Administrative Code's Chapter 12Y, "San Francisco Slavery Era Disclosure Ordinance."
- (b) In the event the Director finds that Grantee has failed to file an affidavit as required by Section 12Y.4(a) and this Agreement, or has willfully filed a false affidavit, the Grantee shall be liable for liquidated damages in an amount equal to the Grantee's net profit on the Agreement, 10 percent of the total amount of the Agreement, or \$1,000, whichever is greatest as determined by the Director. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the Grantee from any Agreement with the City.
  - (c) Grantee shall maintain records necessary for monitoring their compliance with this provision.
- **16.19 Compliance with Other Laws**. Without limiting the scope of any of the preceding sections of this Article 16, Grantee shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

### ARTICLE 17 MISCELLANEOUS

- 17.1 No Waiver. No waiver by MOHCD or City of any default or breach of this Agreement shall be implied from any failure by MOHCD or City to take action on account of such default if such default persists or is repeated. No express waiver by MOHCD or City shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by City or MOHCD of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by MOHCD or City of any action requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.
- **17.2 Modification**. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.
- **17.3** Administrative Remedy for Agreement Interpretation. Should any question arise as to the meaning or intent of this Agreement, the question shall, prior to any other action or resort to any other legal remedy, be referred to the director or president, as the case may be, of MOHCD who shall decide the true meaning and intent of the Agreement. Such decision shall be final and conclusive.
- **17.4 Governing Law; Venue**. The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California, without regard to its conflict of laws principles. - **17.6** Entire Agreement. This Agreement and the Application Documents set forth the entire Agreement between the parties, and supersede all other oral or written provisions. If there is any conflict between the terms of this Agreement and the Application Documents, the terms of this Agreement shall govern. - **17.8** Severability. Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.
- **17.9** Successors; No Third-Party Beneficiaries. Subject to the terms of Article 13, the terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their successors and assigns. #### IV. FAIR HOUSING & EQUAL OPPORTUNITY STATEMENTS

It is the policy of TNDC to comply fully with Title VI of the Civil Rights Act of 1964, Title VIII and Section 3 of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974), Executive Order 11063, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Fair Housing Amendments of 1988, the California Fair Employment and Housing Act, the California Unruh Civil Rights Act and any legislation protecting the individual rights of residents, applicants, or staff. Federal Law prohibits discrimination against any person or group of persons because of race, color, religion, sex, handicap, familial status or national origin.

The California Fair Employment and Housing Act prohibits discrimination because of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, mental and physical disability, medical condition, age, pregnancy, denial of medical and family care leave, or pregnancy disability leave (Government Code sections 12940, 12945, 12945.2) and/or retaliation for protesting illegal discrimination related to one of these categories, or for reporting patient abuse in tax supported institutions. In addition, TNDC must comply with local fair housing and civil rights laws.

#### TNDC shall not:

- Discriminate on the basis of race, color, ancestry, national origin, sex, sexual orientation, familial status, religion, age, marital status, disability, HIV/AIDS status, source of income, or place of residence in the leasing, rental, or other disposition of housing or related facilities;
- Deny to any household the opportunity to apply for housing, nor deny to any eligible applicant the opportunity to lease housing suitable to its needs;
- Provide housing which is different than that provided to others;
- Subject a person to segregation or unequal or different treatment;
- Restrict a person's access to any benefit enjoyed by others in connection with the housing program;
- Deny a person the opportunity to participate in a planning or advisory group which is an integral part of the housing program.
- Automatically deny admission to a particular group or category of otherwise eligible applicants;
   i.e., single heads of households with children, elderly pet owners, or households whose head or spouse is a student). Each applicant in a particular group or category will be treated on an individual basis in the processing routine.

TNDC will seek to identify and eliminate situations or procedures which create a barrier to equal housing opportunity for all. In accordance with Section 504, TNDC will make physical or procedural changes to permit individuals with disabilities to have full advantage of the housing program. See Section IX - Reasonable Accommodation or Modifications below.

#### V. ACCESSIBLE UNITS

The property may contain units that are fully accessible, including features for persons with mobility, visual, and/or hearing impairments. See Exhibit A – Project Description for more details.

In the event that an accessible unit designed to meet the special needs of persons with mobility impairments becomes available, preference will be given to a current tenant in the building who requires and has requested an accessible unit. Tenants or applicants may also request a modification to any unit in the building to accommodate special needs as a result of a disability.

In the event that no tenant is available for transfer, TNDC will market to individuals with mobility impairment before offering the unit to an individual who does not require its accessible features. If all marketing efforts do not result in finding such an applicant, the unit will be offered to the next eligible applicant. Should the unit be offered to an applicant or tenant who does not require its modifications, s/he will be required to sign an agreement to transfer to a comparable non-accessible unit within the building should a tenant or applicant require an accessible unit in the future. Failure to transfer as agreed shall be deemed non-compliance with the Lease and be cause for termination of the Lease.

#### VI. AFFIRMATIVE FAIR HOUSING MARKETING PLAN (AFHMP), MARKETING, & OUTREACH

- 1. Duration The property shall review and update the AFHMP at least every five years, or more frequently if relevant demographics change, or as otherwise needed in order to ensure compliance with applicable law and TNDC's AFHMP guidelines, as may be amended from time to time (or any successor guidelines or directives).
- **2. Contents** TNDC shall prepare the following materials which shall comprise an AFHMP:

- 1. **Approval** The Subsidizing or Funding Agency(ies) must approve the AFHMP before the marketing and application process commences.
- 2. **Applicability** Aside from the advertising component of the AFHMP, which applies to all units, the AFHMP shall be applied to affordable units upon availability for the term of affordability and must consist of actions that provide information, maximum opportunity, and otherwise attract eligible persons protected under state and federal civil rights laws that are less likely to apply.
- Criminal Backgrounds Criminal background checks are not required under these AFHMP guidelines. However, if criminal inquiries and checks will be utilized after the initial application process, the use of such inquiries and checks are subject to the approval of the Subsidizing and

Funding Agency. Criminal background screening shall not be conducted as a precondition for applicant participation in the lottery.

- 4. **Outreach and Marketing** Marketing should attract the community by extending to the regional statistical area as well as the state and must meet the following requirements:
  - Advertisements Notices should be sent to local fair housing commissions, non-profit housing corporations, other low-income housing advocacy organizations serving low-income individuals, disabled adults, and others likely to be eligible for housing units, area churches, local and regional housing agencies, local housing authorities, civic groups, lending institutions, social service agencies, community-oriented radio, internet, and other non-profit organizations;
  - Advertising content will indicate San Francisco's Police Code Article 49 (Fair Chance Ordinance); and TNDC will consider qualified applicants with criminal histories please see the Fair Chance Ordinance Notice and screening and eligibility information below.
  - Announcements will be posted at TNDC's Property Management office located at 215 Taylor Street, and at other buildings managed by TNDC.
  - Marketing should also be included in non-English publications based on the prevalence of particular language groups in the regional area. To determine prevalence of a particular language by geographical area, see <a href="http://www.lep.gov/demog\_data/demog\_data.html">http://www.lep.gov/demog\_data/demog\_data.html</a>;
  - All marketing should be comparable in terms of the description of the opportunity available, regardless of the marketing type e.g., local newspaper vs. minority newspaper). The size of the advertisements, including the content of the advertisement, as well as the dates of the advertising unless affirmative advertising occurs first, should be comparable across regional, local, and minority newspapers;
  - All advertising and marketing materials should indicate resident selection by lottery or other random selection procedure, where applicable;
  - All advertising should offer reasonable accommodations in the application process;
  - Pursuant to fair housing laws,<sup>1</sup> advertising/marketing must not indicate any preference or limitation, or otherwise discriminate based on race, color, disability, religion, sex, familial status, sexual orientation, gender identity, national origin, genetic information, ancestry, children, marital status, or public assistance recipient. The prohibition includes phrases such as "active adult community" and "empty nesters". Exceptions may apply if the preference or limitation is pursuant to a lawful eligibility requirement.
  - The Fair Housing Logo ( and slogan ("Equal Housing Opportunity") should be included in all marketing materials. The logo may be obtained at HUD's website: <a href="http://portal.hud.gov/hudportal/HUD?src=/library/bookshelf11/hudgraphics/fheologo">http://portal.hud.gov/hudportal/HUD?src=/library/bookshelf11/hudgraphics/fheologo</a>
  - TNDC will also seek special marketing efforts throughout the East Bay looking to return from displacement and partner with Bethel AME in efforts to reach Certificate of Preference (COP) holders.

- 5. **Availability of Applications** Advertising and outreach efforts shall identify locations where the application can be obtained. Applications shall be available at public, wheelchair accessible locations, including one that has some night hours; usually a public library will meet this need. The advertisements and other marketing materials shall include a telephone number, as well as the TTY/TTD telephone number, that persons can call to request an application by mail. Advertisement and other marketing materials cannot indicate that applicants must appear in person in order to receive or submit applications or those will have an advantage over applicants who do not appear in person.
- 6. Informational Meeting At the time of initial marketing, the lottery administrator must offer one or more informational meetings for potential applicants to educate them about the lottery process and the housing development. These meetings may include local officials, developers, and local bankers. The date, time, and location of these meetings shall be published in ads and flyers that publicize the availability of lottery applications. The workshops shall be held in a municipal building, school, library, public meeting room, or other accessible space. Meetings shall be held in the evening or on weekend's days in order to reach as many potential applicants as possible. However, attendance at a meeting shall not be mandatory for participation in a lottery. The purpose of the meeting is to answer questions that are commonly asked by lottery applicants. Usually a municipal official will welcome the participants and describe the municipality's role in the affordable housing development. The lottery administrator will then explain the information requested on the application and answer questions about the lottery drawing process. TNDC should be present to descript the development and to answer specific questions about the affordable units. At the meeting, the lottery administrator should provide complete application materials to potential applicants.
- 7. *Marketing Records* The property shall maintain records of its activities in implementing the affirmative marketing plan, including records of advertisement and other community outreach efforts. Racial and ethnic characteristics of applicants and tenants will be maintained at the management office and will be updated annually. TNDC complies with the marketing requirements of the regulatory funders of the project.

#### VII. REASONABLE ACCOMMODATIONS OR MODIFICATIONS

TNDC will apply the same screening criteria to all applicants. However, TNDC is obligated to offer qualified applicants with disabilities additional consideration in the application of rules, policies, and practices, or services and structural alterations, if it will enable an otherwise eligible applicant or tenant with a disability an equal opportunity to access and enjoy the housing program.

In reaching a reasonable accommodation with, or performing structural modifications for, otherwise qualified individuals with handicaps, TNDC is not required to:

- Make structural alterations that require the removal or alteration of a load-bearing structure element;
- Provide an elevator in any multi-family housing development solely for the purpose of locating accessible units above or below the grade level;
- Provide support services that are not already part of its housing program;
- Take any action that would result in a fundamental alteration in the nature of the program or service; or
- Take any action that would result in an undue financial and administrative burden on TNDC.

#### TNDC will:

- Require reliable third- party verification of the disability and the needed accommodation.
- Make all efforts to comply with a requested accommodation.
  - If TNDC finds that the accommodation requested is not reasonable, TNDC will make all efforts to identify an accommodation that is both effective and reasonable.

Reasonable accommodation for persons with disabilities will be provided at all stages of the application, interview, selection, and residency process. If an applicant knows before submitting a rental application to TNDC that he/she will not meet TNDC's Resident Selection Criteria and believes his/her inability to meet TNDC's Resident Selection Criteria is due to a disability, the applicant may request a reasonable accommodation upon submitting the rental application.

All reasonable accommodation and/or modification requests and request for an appeal or grievance will be forwarded to the Section 504 Coordinator who is TNDC's designated Fair Housing Coordinator to oversee its Fair Housing Compliance throughout TNDC's portfolio.

You may request a copy of TNDC's Fair Housing Policies at the Property or TNDC's Management Office at <u>215 Taylor Street; San Francisco, CA 94102</u>. Documents may be examined from Monday through Friday between the hours of <u>8:30</u> AM and <u>5:00</u> PM. You must phone to make arrangements to examine this document. #### VIII. PREFERENCES

At TNDC, many of our properties are specially funded and therefore adopt special eligibility criteria and additional requirements in order for applicants to be accepted. TNDC will inform all applicants of available preferences, and give all applicants the opportunity to show that they qualify any preference(s). Please see Exhibit D – Property Preferences for this Property's Preferences, if any.

1. Listed below are preferences that apply across TNDC's entire housing portfolio, unless otherwise stated in Exhibit D – Property Preferences, below in order:

## • HUD 221(d)(3) Statutory Preference (HUD 221)

(Federal or Presidential Disasters)

Preference will be given to applicants who have been displaced from units by government action or a presidentially-declared disaster. This will be verified through the displacing agency or by reviewing documentation provided by government agency as necessary.

## Certificate of Preference Program (COP)

(City & County of San Francisco)

Preference will be given to Certificate of Preference holders who were displaced in the 1960's and early 1970's by the San Francisco Redevelopment Agency. City & County of San Francisco's Mayor's Office of Housing & Community Development administers this program and TNDC will verify such Certificate of Preference holders.

Applicants will be required to indicate on their application if they believe they qualify for a preference, and must submit documented proof along with their application submission. Failure to provide proof may result in the preference not being granted. MOHCD staff will confirm all Certificate of Preference or Displaced Tenant Housing Preference holders. See the MOHCD Housing Preferences and Lottery Procedures Manual for Operational Rules for information about housing preferences.

2. Listed below are leasing priorities/Program Units:

#### Accessible Units

Should a unit become available that includes special accessibility features, applicants needing these features will be given preference over applicants who do not indicate a need. These needs will be verified via third-party with a licensed medical professional following TNDC's Reasonable Accommodation & Modification Policies & Procedures.

# • Physical Rehabilitation Preference

Should a unit within TNDC's portfolio require significant physical rehabilitation, TNDC may give transfer preference to households within its portfolio, with its funder's approval.

- 3. Avoiding Potential Discriminatory Effects at property with direct Federal Funding:
  - The local selection preferences must not disproportionately delay or otherwise deny admission of non-local residents that are protected under state and federal civil rights laws. The AFHMP should demonstrate what efforts will be taken to prevent a disparate impact or discriminatory effect. For example, the community may move minority applicants into the local selection pool to ensure it reflects the racial/ethnic balance of the HUD defined Metropolitan Statistical Area as described below<sup>1</sup>. However, such a protective measure may not be sufficient as it is race/ethnicity specific; the AFHMP must address other classes of persons protected under fair housing laws who may be negatively affected by the local preference.
  - To avoid discriminatory effects in violation of applicable fair housing laws, the following
    procedure should be followed unless an alternative method for avoiding disparate impact (such
    as lowering the original percentage for local preference as needed to reflect demographic
    statistics of the MSA) is approved by the Subsidizing Agency. If the project receives HUD
    financing, HUD standards must be followed.

<sup>&</sup>lt;sup>1</sup> Note: This protective measure may not be dispositive with respect to discriminatory effects. For example, the non-local applicant pool may contain a disproportionately large percentage of minorities, and therefore adjusting the local preference pool to reflect demographics of the regional area may not sufficiently address the discriminatory effect that the local preference has on minority applicants. Therefore, characteristics of the non-local applicant pool should continually be evaluated.

#### IX. ELIGIBILITY

## **A. General Eligibility** (See Section XIV-10 for more information)

- The applicant(s) must be able to demonstrate that his/her conduct in present or in prior
  housing has been such that the admission to the property would not negatively affect the
  health, safety, or welfare of other residents, or the physical environment, or financial
  stability of the property.

#### B. Income and Rent Eligibility

In order for an applicant to be eligible for a unit, their gross annual income cannot exceed the maximum applicable income limits for the property or program unit, as determined by the property's funding sources. For details regarding this properties Income & Rent requirements, please see Exhibit C – Income & Rent Restrictions.

For all units with a flat monthly rent (where rent is not determined by household income), TNDC's minimum income policy excludes applicants whose rent burden would exceed 50% of the household's gross monthly income (except where otherwise noted on site-specific sheet). No minimum income will be required for households receiving Section 8 (or similar) assistance where the rent is 30% of the resident's adjusted income.

Management will first prescreen all applications to ensure that applicants meet all program eligibility requirements, as they relate to housing history and income restrictions. Management will provide applicants with a copy of the Fair Chance Ordinance and process criminal background screening after successful prescreening (housing and income).

TNDC's obligations to funders who have financed the property (the 'Funders') may require that certain housing units be filled only by applicants who meet special eligibility criteria, or who are referred from a particular source. This Property may contain units from one or more special "set-asides" and potentially overlapping guidelines of several programs at the same time. Such requirements are described in Exhibit B – Eligibility for Housing Units.

Regardless of referral source or special program participation, all applicants must pass a tenant selection screening and have their income and assets third-party certified in order to move in to any unit.

#### X. OCCUPANCY GUIDELINES

TNDC is required to establish reasonable occupancy standards that will assist as many people as possible (without overcrowding) and minimize vacancies.

TNDC must comply with all reasonable state and local health and safety restrictions regarding the maximum number of persons permitted to occupy a unit. In the absence of such restrictions, 'overcrowding' is deemed to occur when the total number of persons in the unit exceeds two persons per habitable sleeping room. A habitable sleeping room is any room except the following: kitchen, bathroom, hallway, or dining room.

TNDC will take into consideration the composition of the household when determining the appropriately-sized unit. Persons of different generations, opposite gender, and unrelated adults will not be required to share a bedroom.

Below is TNDC's adopted Occupancy Guidelines, please note that program requirements may require more restrictive occupancy minimums and maximums at this Property – See Exhibit B Eligibility for Housing Units.

	Minimum #	Maximum #
Unit Type	of Occupants	of Occupants
SRO – Single Room Occupancy	1 Person	1 Person
Studio Units/0 Bedroom Units	1 Person	2 Persons
1 Bedroom Units	1 Person	3 Persons
2 Bedroom Units	3 Persons	5 Persons
3 Bedroom Units	4 Persons	7 Persons
4 Bedroom Units	5 Persons	9 Persons

#### XI. WAITLIST PROCESSES

**For TNDC's New Developments initial rent-up** (partially or fully)-funded by City & County of San Francisco's Mayor's Office of Housing, please see Exhibit F – Special Program Processes for more details.

#### Below outline This Property's stabilized operations waitlist management procedures:

TNDC administers its Waiting Lists as required by HUD or other Regulatory Agencies' handbooks and regulations. Accepting an applicant from a lower waiting list position before one in a higher position violates this policy and may be regarded as being discriminatory.

#### 1. Opening/Closing the Property Waiting Lists

In order to maintain a balanced application pool, TNDC may, at its discretion, restrict application intake, suspend application intake, or open/close waiting lists either in whole or in part. Any waitlist opening will require a new lottery for new applicants. TNDC will also update the waiting list by removing the names of those who are no longer interested in, unable to be reached, respond, or no longer qualify for housing.

Decisions about opening/closing the waiting lists will be based on the number unit turnovers the property processes annually, applications available for a particular size and type of unit, number of applicants who qualify for a Property Preference, and the ability of TNDC to house an applicant in an appropriate unit within a reasonable period of time.

Opening/Closing the waiting lists or restricting intake(s) will be announced publicly in the same manner in which TNDC advertises for rent and described in the Marketing & Community Outreach Section. During the period when the waiting list is closed, TNDC will not maintain a list of individuals who wish to be notified when the waiting list is reopened, unless required by a Funder.

COP and DTHP applicants can apply at any time regardless of whether a waiting list is closed to other applicants. If the COP or DTHP certificate holder is found eligible for an Affordable Housing Unit in the building, they shall be placed at the top of the waitlist list, immediately after any other COP and DTHP Certificate Holders already on the waiting list.

#### 2. Updating the Property Waiting List

TNDC shall update the waiting list, no less than twice annually, to determine if applicants are still interested and eligible to remain on the waiting list. TNDC shall, at the time of each annual update, obtain current applicant information on a least the following:

- Household characteristics (i.e. number of members, composition, or preference); and
- Household income and assets.

The updated information will be obtained from the applicant in writing and certified by the applicant's dated signature that the information provided is true and correct. TNDC will notify

each applicant by mail requesting the above information and confirmation of continued interest in remaining on the waiting list. TNDC must specify a reasonable time frame in which the applicant is to respond, generally ten-fifteen (10-15) business days.

If the applicant replies affirmatively, its application will maintain its position on the waiting list. If the reply is negative (or the applicant fails to respond), the applicant will be removed from the waiting list. A final letter will be sent, to the last known address, stating the applicant's standing in waiting list, general within five (5) business days.

#### 3. Removal of Applicants from the Property Waiting List

TNDC will not remove an applicant from the waiting list unless:

- The applicant requests to be removed;
- The applicant was clearly advised of the requirement to tell TNDC of his/her continued interest in housing by a particular time and failed to do so;
- TNDC made a reasonable effort (at least three phone attempts and two written correspondence within fourteen (14) calendar days) to contact the applicant to determine if there is continued interest in housing but has been unsuccessful; or
- TNDC notified the applicant of the intention to remove the applicant's name because the applicant no longer qualifies for assisted housing.

## 4. Contacting & Selecting Applicants on the Waiting List

Applicants will be contacted when vacancies become available. The initial contact will be attempted by telephone a maximum of three (3) times within a 48-hour period; **and** will be followed by correspondence sent via US Postal Mail stating such attempts and availability of a unit.

- If the applicant fails to respond to TNDC's attempts (within fourteen (14) calendar days), they will be assumed no longer interested, removed from the Property Waiting List and TNDC will move to the next applicant on the waiting list.
- If the applicant responds to TNDC, attends all intake eligibility meetings, and meets all eligibility and program requirements, TNDC will extend a Housing Unit Offer.
  - If the applicant denies the offer or fails to respond within four (4) business days, the offer will be revoked and the unit will be offered to the next qualified applicant on the waiting list.
  - o Should the applicant reject the offer, TNDC may allow the applicant to be given a second offer of a suitable vacancy as soon as one becomes available (assuming they continue to meet all eligibility and program requirements).
  - o If the applicant rejects the second offer, the applicant shall be removed from the waiting list, unless the applicant can verify that a hardship exists or that there are mitigating circumstances.
    - The reasonableness of the rejection will be determined by TNDC Management and documented with the applicant's application for housing.

#### XII. GENERAL OVERVIEW – INTERVIEW AND APPLICATION PROCESS

- 1. **Submit Application:** All prospective tenants shall submit a TNDC rental application titled Application for Housing Form. Providing false, inaccurate, or incomplete information may disqualify a prospective tenant. Intentionally providing false information on any part of the application is considered <u>fraud</u> and may result in failure of the applicant to obtain a TNDC unit. If discovered after an applicant becomes a tenant, this may result in loss of the housing unit. Applications should be completed in entirety to the best knowledge of the applicant; if an Applicant is unaware or chooses to not disclose information, they may provide a response of "N/A" as informed on the Application for Housing. Incomplete Applications will not be excluded from lottery processing; however, may delay eligibility processing after the lottery.
- 2. *Interview:* All applicants must have an in-person interview with TNDC staff, at which TNDC will explain Resident Selection Criteria (also posted on TNDC's Website <a href="www.tndc.org">www.tndc.org</a>). All adults who will live in a unit must attend an interview; and all household members may be asked to sign forms that will be sent out to 3<sup>rd</sup> party verify information given on the application (e.g., income and asset information) prior to any offer to rent a unit.
  - TNDC may offer interviews outside of normal business hours (which is generally Monday through Friday between 8:30 am and 5:00 pm) and upon written request of Applicants. Requests must be in writing and sent to one of the following options:

In writing

*Or In Person:* TNDC Property Management

215 Taylor Street

San Francisco, CA 94102

By E-Mail: propertymanagement@tndc.org

- If the applicant is abusive, blatantly disrespectful, disruptive, or otherwise exhibits behaviors that would indicate the tenant may pose a significant threat/danger to himself or herself, other tenants, or property during the required interview, or such threatening behavior is witnessed by TNDC staff at the property or management office outside of the interview, or the applicant otherwise known to TNDC staff by credible, objective evidence, the applicant will not be accepted. (Credible objective evidence is generally defined as incident reports, witness statements, police reports, video surveillance, etc.)
- 3. **Background Check:** TNDC runs a consumer credit and eviction history report **before** any criminal background processing; and upon successful qualification and completion of initial eligibility, TNDC may run a criminal background check. Applicants will be charged a screening fee of \$30.00 per adult member, at the time of criminal background processing. Applicant screening fees must be collected prior to move-in.
  - Certain programs cover this cost under the program contract, in which case the applicant(s) would not be required to pay. Generally, these programs also provide a

- housing subsidy in addition to any tenant paid rent. Please check with the Property for clarification.
- Lack of a credit history (TNDC does not require a minimum credit score) will not be considered grounds to reject an applicant. The credit report is processed mainly to obtain reported residency information and any owned real estate; this information will be used to ensure that the appropriate counties are checked for the potential criminal background screening.
- 4. Resident Eligibility & Screening Criteria: TNDC may process multiple applicants per vacant unit in order to not delay property vacancies. Applicants will be given the same number of days to provide all documentation in order to verify eligibility.

**For TNDC's New Developments initial rent-up** (partially or fully)-funded by City & County of San Francisco's Mayor's Office of Housing or similar, please see Exhibit F – Special Program Processes for more details.

TRANSFERS DO NOT OCCUR FROM ONE PROPERTY TO ANOTHER WITHIN TNDC'S PORTFOLIO. Each property is considered a separate entity with individual funding requirements; which means that any TNDC resident desiring to live in another TNDC property must follow the same procedures that a new applicant would be required to follow.

## XIV. SPECIAL HOUSING PROGRAM DESCRIPTIONS

The following is a list of different programs within the TNDC portfolio. Please note that this is not an exhaustive list, the following represents programs which either affect who may apply, i.e. by referral only, or if the rent is subsidized in some way. Please refer to Exhibit F—Program Processes for specific details regarding program eligibility and processes at this Property.

PROGRAM	PROGRAM DESCRIPTION
DHSH-DAH	These units will be filled by homeless adults with multiple chronic illnesses who are at risk
	for either acute hospitalization or long-term institutionalization. Applicants will be
	referred to TNDC by the Department of Homelessness and Supportive Housing (DHSH)-
	Direct Access to Housing (DAH) program from the DAH waiting list.
DHSH-DAH	These units are funded by the Mental Health Services Act (Proposition 63). Full Service
Prop. 63/	Partnerships identify and refer applicants to the DAH program. Once verified to meet the
MHSA Units	MHSA definition of "severely mentally ill" and DAH program requirement, applicants will
	be referred to TNDC to begin the certification process.
HOPWA	Housing units financed by the Housing Opportunities for People with AIDS (HOPWA)
	program, administered by the San Francisco Redevelopment Agency, may only be filled
	by applicants who have AIDS or infection with HIV, as supported by a physician's letter.
	Eligible applicants must be referred by the Citywide Housing Wait List. Individuals
	applying for units that combine HOPWA with other special programs must be cross-
	referenced with the HWL to confirm eligibility for a HOPWA unit. TNDC must obtain a
	third-party verification of HIV diagnosis in order to complete certification of HOPWA
	applicants.
	In cases where the referral list has been exhausted for a given property, the owner will
	establish their own list of applicants who have been diagnosed with HIV/AIDS. This list
	will be created by advertising to an approved set of marketing guidelines established with
	the SFRA. Agencies that provide services to persons with HIV/AIDS, and other
	housing/housing referral agencies, will be targeted in the marketing effort.
HUD Funded	HUD properties may take applications from the general public and applicants must be at
Projects	least 62 years of age, or meet HUD criteria for a disabled household and have a disability
	that requires the accessible features of the unit. HUD properties will maintain a waiting
	list of applicants which will be opened and closed over time as vacancies and move-ins
	occurs.
	HUD Income Targeting Requirement
	HUD properties may target families and individuals at extremely low income in
	accordance to the area median income to satisfy that at least forty percent of their units
	are catered to that population. Properties may bypass certain applicants for lower income applicants to satisfy this quota. A preference does not mean you will not receive
	housing, but determines the order you are placed on the waiting list.
	HUD Citizenship/Immigration Status
	Applicants must be United States citizens or legal tenants and show valid proof of
	residency through their social security card and a government issued identification.
	However, if the applicant is not a United States' citizen, they must provide an additional

This form provides evidence of eligible immigration status and may be released to INS. If one or more of the family members chooses not to establish their citizenship they may still be considered for assistance under HUD Restrictions on Assistance to Non-Citizens Guidebook 7465.7G Paragraphs 10-4, 10-5 and Chapter 11.

#### **HUD EIV (Enterprise Income Verification) SYSTEM**

The HUD EIV system is a web-based computer system that contains employment and income information and history to the owner and/or management agent of the property. This information is used to meet HUD's requirement to independently verify employment and/or income during certifications of eligibility and rental assistance. Before accessing the employment or income data contained in the system, a Notice and Consent for the Release of Information (HUD-9887) and Applicant's/Tenant Consent to the Release of Information (HUD-9887-A), must be signed and dated by the head of household, spouse, co-head, regardless of age, and by each family member who is at least 18 years of age, prior to each annual recertification.

The HUD EIV system will be used for the following:

- EIV Existing Tenant Search will be conducted during the initial certification process. If an applicant is found to be currently receiving assistance, this will be discussed with applicant and with the existing landlord. This information will be used to coordinate move-out/move-in dates for ongoing subsidy;
- To determine if you have correctly reported your income;
- Have used a false social security number; or
- Failed to report or under reported the income of a spouse or other household member.

#### **Violence Against Women Act (VAWA)**

In accordance with VAWA, at the time of admission or in the event of a termination or start of an eviction for cause proceeding, the household will be notified that they can complete, sign and return the HUD Certification of Domestic Violence, Dating Violence, or Stalking. The following protections apply and requirements apply and the Landlord may:

- Not consider incidents of domestic violence, dating violence or stalking as serious or repeated violations of the lease or other "good cause" for termination of assistance, tenancy or occupancy rights of the victim of abuse.
- Not consider criminal activity directly relating to abuse, engaged in by a member
  of a tenant's household or any guest or other person under the tenant's control,
  cause for termination of assistance, tenancy, or occupancy rights if the tenant or
  an immediate member of the tenant's family is the victim or threatened victim of
  that abuse.
- Request in writing that the victim, or a family member on the victim's behalf, certify that the individual is a victim of abuse and that the Certification of Domestic Violence, Dating Violence or Stalking, Form HUD-91066, or other documentation as noted on the certification form, be completed and submitted within 14 business days, or an agreed upon extension date, to receive protection

	under the VAWA. Failure to provide the certification or other supporting
	documentation within the specified timeframe may result in eviction.
LOSP	These units are funded by the City and County of San Francisco through a Local Operating
	Subsidy Program (LOSP). TNDC receives referrals from a waiting list maintained by the
	City and County of San Francisco. Applicants from this list are defined as eligible if they

Based	waiting list. Occupancy limits for Section 8 units are as follows: SRO 1, Studio 1-2, One-
Section 8	bedroom 1-4, Two-bedroom 2-6, Three-bedroom 3-8. The Ritz Hotel, however, may
	receive applications for its Section 8 units directly from the general public when the
	building has advertised that it is taking new applications.
Shelter Plus	The San Francisco Human Services Agency (HSA), which administers the Shelter Plus Care
Care	Program and waitlist, will refer applicants who meet program requirements for these
OR	units. Upon being referred to TNDC, applicants will be assessed by Tenant Services for

## **Exhibit F** Program Processes

City & County of San Francisco (CCSF) ◆ Mayor's Office of Hosing & Community Development (MOHCD)

Special Operational Rules for Lotteries and Rental Lease-Up Activities

In order to implement consistent and transparent marketing practices for all affordable housing under the purview of the Mayor's Office of Housing and Community Development (MOHCD), the following policies and procedures apply to this property

## **OUTREACH TO CERTIFICATE HOLDERS**

#### MOHCD shall furnish the following:

 Assistance to qualified tenants in filing COP and DTHP applications or referral to an appropriate housing counseling organization

#### TNDC shall do the following:

 Specifically for COP and DTHP certificate holders, make support services staff available to provide assistance throughout the application process

#### PRE-LOTTERY

TNDC will supply MOHCD the names, addresses, & housing preference certificate numbers (when available) of all applicants including whether or not they indicate they are eligible for COP or DTHP priority status for verification.

#### **LOTTERY**

TNDC will hold a public lottery for Applicants who submit a complete application by the application deadline; Applicants will receive a numbered lottery ticket whose twin ticket is entered into the lottery. Lotteries are held in a public, accessible location. Applicants are invited to attend lotteries, but attendance is not mandatory.

To conduct the lottery, TNDC will pull application tickets from a vessel, order and record the lottery results in rank order by application ticket number.

TNDC will record the order of lottery numbers/names drawn and produce a final ranked lottery list and notify applicants of their position in the lottery by posting by US Postal Service Mail and posting on the TNDC website (www.tndc.org) and San Francisco Housing Portal (https://housing.sfgov.org/)

TNDC will create a waitlist for this property. All applications received by the application deadline will be placed into the lottery. All applications will receive a lottery number and placed on the waitlist.

#### **POST-LOTTERY**

TNDC will contact each applicant in lottery rank order per unit available in order to set up an interview where TNDC will receive supporting documents from the Applicant (i.e income documentation, tax returns, and bank statements).

TNDC will income-qualify each household member based on the supporting documents submitted by the applicant, and in accordance with the funder's regulations. (Income qualification cannot be based solely on what's reported by the applicant on the application and must generally be 3<sup>rd</sup> party verified).

TNDC will not require Applicants to provide social security information in determining the household's income eligibility.

TNDC will comply with San Francisco Police Code Article 49, Sections 4901-4920 (the "Fair Chance Ordinance") and any specific screening requirements set by funder regulations.

TNDC will offer units in ranked order to applicants who meet all qualifications for housing. Unit offers will be made in lottery rank order.

Applicants who have been accepted and notified in writing by TNDC shall have at least ten (10) calendar days thereafter to enter into a lease agreement. If the applicant fails to affirmatively respond, the application will be denied Applicants that are denied housing and granted their appeal, TNDC will offer them the next comparable unit.

If ineligibility is determined, TNDC will notify the applicant and MOHCD in writing.

#### TNDC INTAKE DOCUMENTATION

After you have submitted an application and processed for the lottery, Applicants will be asked to provide documents at that interview to assist determining eligibility for housing. Below is a list of documents you may be asked to provide:

- Valid photo I.D.
- Social Security card
- Recent benefit letters (AFDC, Social security/SSI, Disability, Unemployment).
- Wage stubs for 3 months
- Record of self-employment income (i.e. audited financials, recent tax return forms, etc.).
- Pension or Insurance award documents.
- Bank statements for 6 months for all checking accounts.
- A recent bank statement for all savings accounts.
- Child Support verification, court support orders, divorce decree, etc.
- Information on all other sources of income/assets.
- Current Tax Return including W-2 forms.
- Documentation in support of or explanation for request for mitigating circumstances or reasonable accommodation (e.g., proof of completion of Anger Management therapy).

## **Applicant Referral and Certification Process ◆** Local Operating Subsidy Program (LOSP)

Applicant households who are referred through the Human Services Agency will be required to complete the same eligibility process as non-programmatic applicant households in addition to fulfilling the program specific requirements. During the period in which the City's Local Operating Subsidy Program is in operation and the City provides such subsidy to the Project, twenty units will be targeted to homeless families. H.S.A will coordinate the referral and certification process of potential tenants for the subsidy.

- The Human Services Agency (HSA) provides referrals for the subsidized units.
- Beginning on the date agreed upon by Tenderloin Neighborhood Development Corporation (TNDC) and Human Services Agency, HSA will forward referral packets
- TNDC Property Management staff will receive from HSA a completed referral packet and will attempt to coordinate the interview scheduling with the referring Case Manager/Social Worker and the applicant household.

TNDC Property Management reserves the right to cancel the initial interview if any of the following occur:

- 1. All household members are not present at the scheduled start time of the interview.
- 2. The required documentation is not provided at the scheduled start time of the interview.
- 3. Any of the individuals present for the initial interview behave in a disruptive or disrespectful manner.
- When a referral appears not to qualify, TNDC Property Management staff notifies and discuss with HAS to the reason(s) for denial.
- To minimize any burden on the applicant, Property Management and LSS will interview applicants separately but will coordinate the interviews in close succession—on the same day whenever possible.
- Each applicant will participate in a housing interview with Property Management, the scheduling and outcomes of which will also be communicated to applicants by HSA. Each applicant's case manager may accompany him/her to the Property Management interview, which will, on average, last approximately 30 minutes.

The housing provider may only ask the individual questions that are directly related to the individual's ability to meet tenancy requirements. This includes questions about source of income to pay rent, a history of nonpayment of rent, or a history of evictions for failure to maintain the premises. Housing providers may also ask the individual if s/he has a criminal conviction, but the request should be related to the terms and conditions of tenancy and determining whether the individual can comply with the lease.

- In screening the individual for tenancy, the housing provider should consider whether any conditions described by the applicant that might typically be grounds for denying tenancy (e.g. non-payment of rent, failure to maintain the premises) could be due in part to the circumstances that resulted in the individual being eligible for H.S.A. services. For example, a seriously mentally ill individual may have had difficulty maintaining his/her apartment and may thus have been evicted. Consistent with H.S.A.'s intent, the housing provider will consider whether the services available to the housing unit and/or tenant will enable the prospective tenant to meet the conditions of tenancy.
- Property Management will run applicant background checks as interviews are being scheduled / taking place or as soon as possible thereafter so as not to delay the screening process.
- The final decision of whether to house an applicant rests with the property management team. After completing the interview and collecting/reviewing all necessary documentation, property management will decide each applicant's referral outcome based on the development's own resident selection criteria.
- Once an applicant has been selected for tenancy in a specific unit, the applicant, and applicant's case manager will be notified in writing and provided a specific occupancy date. LSS staff will be available to assist the individual in making arrangements for and completing the move in.

If the individual is not selected for tenancy, the housing provider should notify the applicant, HAS, and applicant's case manager in writing and provide a basis for non-selection. The housing provider should also notify the individual of his/her right to appeal the decision. Each provider should establish and maintain a process for managing such appeals.

## Notice of Availability of 2016 Annual Monitoring Report Form

(including new audit requirements and wait list submittal)

#### **Announcement of Serious Incident Protocol**

MOHCD is pleased to announce the availability of the Annual Monitoring Report (AMR) forms for Reporting Year 2016 (RY2016). The forms can be downloaded from the <u>Asset Management page</u> of the MOHCD web site. A training on how to complete the AMR will be held at MOHCD on April 13th from 9 a.m. to 12 noon. See below for more information.

New Audit Requirement and Deadline: To provide sufficient time for project sponsors to complete AMRs in accordance with the City's "New Audit Requirements for MOHCD-Funded Projects," the report is now due 5 months after the end of a project's business year. (Previously, it was due 4 months after.) For projects whose business year ended December 31, 2016, the report will be due on May 31, 2017 for the period January 1, 2016, through December 31, 2016. For projects not owned by a single-asset entity and whose financial activity is accounted for and audited with the parent corporation's finances, sponsors may request up to a one-month extension of the deadline to allow for additional time to complete consolidated audited financial statements in accordance with the new audit requirements.

<u>New Waiting List Submittal Requirement</u>: To aid the City in its efforts to ensure that the allocation of MOHCD-financed affordable housing resources is conducted in a consistent, fair, appropriate and inclusive manner, MOHCD is now requiring all sponsors to submit the current version of a project's waiting list with the Annual Monitoring Report.

Submissions for RY2016 and any outstanding reports from prior reporting years will be accepted only in the RY2016 format.

#### **Completion and Submission Instructions**

The Annual Monitoring Report consists of the following 3 parts:

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. *Failure to supply the required explanation will render your submission incomplete.* 

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR\_RY2016.xlsx without MOHCD's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

- II. <u>Owner Compliance Certification Form and Documentation of Insurance</u> The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance <u>and</u> property insurance that are *current as of the date of submittal of the AMR*.
- III. <u>Audited Financial Statements</u> Provide financial statements for the project for Reporting Year 2016. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "New Audit Requirements for MOHCD-Funded Projects" a copy of which is attached and posted on <u>MOHCD's Asset Management web page</u>. If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.
- IV. Waiting List Submit a copy of the project's waiting list that is current as of the date of submittal. The waiting list must include the following information for each person or household who has applied to live at the project and is still waiting to be considered for an available unit: name of head-of-household, contact information, date of application, number of people in the household, stated household income and desired unit size. This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via <u>one email message per project</u> to <u>moh.amr@sfgov.org</u>, or if desired, for multiple projects, via flash drive or compact disc sent to Mike McLoone at MOHCD. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

## **Updates to the Reporting Form**

The RY2016 AMR form has been revised from the form for RY2015, as follows:

- <u>Data for Race/Ethnicity</u> Must now be provided for each tenant household rather than in summary form for the project. Also, race and ethnicity have been split into two, separate demographic categories. For additional information on these changes, see the email notice from MOHCD dated 9/29/16 regarding new requirements for collection of ethnicity and race data.
- Worksheet 1A Most of the demographic questions have been moved to the new worksheet,
   "3B. Demographic Information," and the order of the remaining items has been changed to improve the flow of information.
- Worksheet 2 A new line item titled "Capital Maintenance Repairs/Improvements" has been

added to the expense section to account for capital costs that were paid out of the operating account and may be reimbursed by the Replacement Reserve. The "Reserve Account Details" section has been revised to improve functionality. The section for cash flow "waterfall" (distribution of Surplus Cash) has been simplified and now requires the user to enter the distribution priority as well as the amount of any Residual Receipts loan payment that is due to MOHCD, which previously was auto-calculated.

- Worksheet 3A Has been shortened by moving the data related to female-headed households, elderly households, number of children and disability to worksheet 3B.
- Worksheet 3B New worksheet where ethnicity, race and other demographic information must be entered for each tenant household.
- <u>Worksheet 3C</u> New worksheet where summaries of demographic information for a project are auto-generated, based on data entered on worksheet 3A and 3B.
- Worksheet 6 Has been enhanced so that supportive services that are selected on Worksheet
   1A are auto-filled into Worksheet 6
- Worksheet 4 New section added where reporters must provide the details of miscellaneous administrative and maintenance expenditures that exceed \$10,000
- Worksheet 7 This new worksheet has been added in connection with the City's "New Audit Requirements for MOHCD-Funded Projects." Most fields on this sheet are auto-filled with data that is entered on Worksheet 2. Printouts of this sheet may be used to produce the "Supplementary Information Required by MOHCD" that must now be included in the project's audited financial statements. If the auditor elects to use this sheet for this purpose, some data entry on the sheet is required in the yellow-highlighted cells.

## AMR Training - April 13, 9am-12noon

To facilitate completion of the AMR by project sponsors, MOHCD will conduct a training on April 13 from 9 a.m. to 12 noon in our office at 1 South Van Ness Avenue, 5<sup>th</sup> Floor, Room 5080. We strongly encourage the primary staff person responsible for completion of the report to attend. Space is limited. Please RSVP to Ricky Lam at <a href="ricky.lam@sfqov.org">ricky.lam@sfqov.org</a> or 415-701-5542.

#### **Serious Incident Protocol**

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

The Mayor's Office of Housing and Community Development requests that owners of projects financed by this office notify us immediately if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident

Notice of Availability of 2016 AMR March 16, 2017 Page 4

- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

### **Available Units and Waiting List Openings**

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers must notify MOHCD of this action by completing a Marketing Plan Template and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the <u>Asset Management page</u> of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the wait list on this <u>page of our web site</u>. General information for people seeking affordable housing in San Francisco can also be found on our web site at <u>this location</u>.

#### Tenant Selection Plan Policy - LOSP

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),<sup>1</sup> and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

#### **Application Process**

- **Application Materials**. The housing provider's written and/or electronic application materials should:
  - o outline the screening criteria that the housing provider will use;
  - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
  - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
  - o be written in language that is clear and readily understandable,

• **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units.

• **Second Interview**. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.

- **Confidentiality**. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information shall be retained for 12 months after the final applicant interview.
- **Delays in the Process**. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.
- **Problems with the Referring Agency**. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, HSH.

Η

• <u>Limited English Proficiency Policy.</u> Throughout the application process, the housing provider must comply with City policy for language access requirements for applicants with limited English proficiency.

#### Reasonable Accommodation and Modification Policy

**Reasonable Accommodation**: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

**Reasonable Modification**: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- o a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

**Response to Request**: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- o the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

#### **Notice of Denial and Appeal Process**

- The housing provider shall:
  - o Hold a comparable unit for the household during the entire appeal process.

- o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
  - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
  - explain how the applicant can request an in person appeal to contest the decision;
  - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
  - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
  - provide referral information for local legal services and housing rights organizations;
  - describe the evidence that the applicant can present at the appeal;
- o give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
- o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
- o confine the subject of the appeal to the reason for denial listed in the notice;
- o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
- have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
- within 5 business days of the in person appeal, provide the applicant with a
  written decision that states the reason for the decision and the evidence relied
  upon. A copy of the written decision must be sent (electronically or otherwise) to
  the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

#### Tenant Screening Criteria Policy - LOSP

The City expects that housing providers will use maximum feasible efforts to ensure that those individuals and families who are referred are accepted for occupancy in a timely fashion. To that end, the City has adopted the following screening criteria for applicants with a criminal record. If a problem arises in the application and screening process that may cause unreasonable delay in screening outcome, the housing provider should immediately notify the referring agency and HSH to assist with an expeditious resolution.

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

#### **Screening Criteria**

- Housing providers shall not automatically bar applicants who have a criminal record<sup>2</sup> in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
  - o arrests that did not result in convictions, except for an open arrest warrant;
  - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;<sup>3</sup>
  - o juvenile adjudications.
- Housing providers shall consider:
  - o the individual circumstances of each applicant; and
  - o the relationship between the offense, and
    - (1) the safety and security of other tenants, staff and/or the property; and
    - (2) mitigating circumstances such as those listed below.
  - only those offenses that occurred in the prior 3 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity. As necessary, HSH will assess the justification for a longer look-back period and determine whether an exception is warranted. In these exceptional situations, the housing provider may consider offenses that occurred in the prior 5 years.
  - o mitigating factors, including, but not limited to:

<sup>2</sup> The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

<sup>&</sup>lt;sup>3</sup> The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- (1) the seriousness of the offense;
- (2) the age and/or circumstances of the applicant at the time of the offense;
- (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;
- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.
