FILE NO. 171104

[Mills Act Historical Property Contract - 973 Market Street]

Resolution approving an historical property contract between Raintree 973 Market Newco LLC, the owners of 973 Market Street, and the City and County of San Francisco, under Administrative Code, Chapter 71; and authorizing the Planning Director and the Assessor-Recorder to execute the historical property contract.

RESOLUTION NO.

WHEREAS, The California Mills Act (Government Code, Section 50280 et seq.) authorizes local governments to enter into a contract with the owners of a qualified historical property who agree to rehabilitate, restore, preserve, and maintain the property in return for property tax reductions under the California Revenue and Taxation Code; and

WHEREAS, The Planning Department has determined that the actions contemplated in this Resolution comply with the California Environmental Quality Act (California Public Resources Code, Sections 21000 et seq.).; and

WHEREAS, Said determination is on file with the Clerk of the Board of Supervisors in File No. 171104, is incorporated herein by reference, and the Board herein affirms it; and

WHEREAS, San Francisco contains many historic buildings that add to its character and international reputation and that have not been adequately maintained, may be structurally deficient, or may need rehabilitation, and the costs of properly rehabilitating, restoring, and preserving these historic buildings may be prohibitive for property owners; and

WHEREAS, Administrative Code, Chapter 71 was adopted to implement the provisions of the Mills Act and to preserve these historic buildings; and

WHEREAS, 973 Market Street is designated as a Contributor to the Market Street Theater and Loft National Register Historic District under Article 10 of the Planning Code and thus qualifies as an historical property as defined in Administrative Code, Section 71.2; and

Historic Preservation Commission BOARD OF SUPERVISORS WHEREAS, A Mills Act application for an historical property contract has been submitted by Raintree 973 Market Newco LLC, the owners of 973 Market Street, detailing rehabilitation work and proposing a maintenance plan for the property; and

WHEREAS, As required by Administrative Code, Section 71.4(a), the application for the historical property contract for 973 Market Street was reviewed by the Assessor's Office and the Historic Preservation Commission; and

WHEREAS, The Assessor-Recorder has reviewed the historical property contract and has provided the Board of Supervisors with an estimate of the property tax calculations and the difference in property tax assessments under the different valuation methods permitted by the Mills Act in its report transmitted to the Board of Supervisors on October 11, 2017, which report is on file with the Clerk of the Board of Supervisors in File No. 171104 and is hereby declared to be a part of this Resolution as if set forth fully herein; and

WHEREAS, The Historic Preservation Commission recommended approval of the historical property contract in its Resolution No. 907, including approval of the Rehabilitation Program and Maintenance Plan, attached to said Resolution, which is on file with the Clerk of the Board of Supervisors in File No 171104 and is hereby declared to be a part of this resolution as if set forth fully herein; and

WHEREAS, The draft historical property contract between Raintree 973 Market Newco LLC, the owners of 973 Market Street, and the City and County of San Francisco is on file with the Clerk of the Board of Supervisors in File No. 171104 and is hereby declared to be a part of this resolution as if set forth fully herein; and

WHEREAS, The Board of Supervisors has conducted a public hearing pursuant to Administrative Code, Section 71.4(d) to review the Historic Preservation Commission's recommendation and the information provided by the Assessor's Office in order to determine whether the City should execute the historical property contract for 973 Market Street; and

Historic Preservation Commission BOARD OF SUPERVISORS

1

WHEREAS, The Board of Supervisors has balanced the benefits of the Mills Act to the owner of 973 Market Street with the cost to the City of providing the property tax reductions authorized by the Mills Act, as well as the historical value of 973 Market Street and the resultant property tax reductions, and has determined that it is in the public interest to enter into a historical property contract with the applicants; now, therefore, be it

RESOLVED, That the Board of Supervisors hereby approves the historical property contract between Raintree 973 Market Newco LLC, the owners of 973 Market Street, and the City and County of San Francisco; and, be it

FURTHER RESOLVED, That the Board of Supervisors hereby authorizes the Planning Director and the Assessor-Recorder to execute the historical property contract.

Good morning, Chair Kim and members of the GAO committee.

This message serves to confirm that the response forwarded in Mr. Frye's message below is now on file for the two Mills Act contract resolutions on today's GAO agenda. This is for agenda item numbers four and five to be heard today.

For your convenience in the Chamber, I have linked them within the Legislative Research Center. This document is also available below, and the individual pieces are attached to this message:

Planning Presentation Materials - December 6, 2017

I invite you to review the entire matter on our Legislative Research Center by following the link below:

Supervisor Kim and Mr Carroll -

We've attached updated information in anticipation of the Government Audit and Oversight Committee on 12/6/17, which includes the following:

- Planning Department memo to GAO dated 12/6/17 2
- N Planning Department memo to GAO dated 11/08/17
- 2017 Estimated Property Tax savings for pending 2017 Mills Act Applications
- -Table of current Mills Act contracts and associated savings for all active Mills Act properties.
- A Parcel map identifying the various lots on the 55 Laguna site. ы

Please let me know if you require anything else.

Best,

Tim

SAN FRANCISCO PLANNING DEPARTMENT

DATE:	December 6, 2017	1650 Mission SI Suite 400
TO:	Chair Kim and Members of the Government Audit and Oversight Committee	San Francisco, CA 94103-2479
FROM:	Tim Frye, Historic Preservation Officer, (415) 575-6822	Reception: 415.558.6378
RE:	Update regarding Mills Act Contract applications for 215 and 229 Haight Street (formerly 55 Laguna) and 973 Market Street	Fax: 415.558.6409
		Planning Information: 415.558.6377

The Planning Department is providing the following information regarding pending Mills Act Contract applications agendized for the Government Audit and Oversight Committee of the Board of Supervisors on December 6, 2017.

215 and 219 Haight Street (formerly 55 Laguna Street): Alta Laguna LLC has applied for a Mills Act contract for Woods Hall (215 Haight Street) and Woods Hall Annex (229 Haight Street). Both buildings are located on a portion of Block/Lots: 0857/002, 005 (see attached parcel map). On June 27, 2017, Case No. 2017-008046ENF was opened for 155 Laguna Street, Unit 59 for illegal office use in the residential unit. Alta Laguna LLC owns 155 Laguna Street, a contemporary building also located on a portion of Block/Lot: 0857/002, 005.

• The case was investigated and the tenant responsible has vacated Unit 59; no fines were imposed. The case was abated and closed on December 1, 2017.

Richardson Hall, located at 35-65 Laguna (Block/Lot: 0857/006), is owned by a separate property owner, Mercy Housing. An enforcement case was opened on October 23, 2017 regarding a temporary construction gate attached to the northeast corner of the building. The gate is associated with a new 79 unit residential senior center building that is currently under construction to the north of Richardson Hall on Block 0857 Lot 007.

• The Department has contacted the property owner about removing the gate and reinstalling it so that it is not attached to the building.

973 Market Street: Raintree 973 Market Newco LLC ("Raintree") has applied for a Mills Act contract for 973 Market Street. In October 2015, the Office of Short-Term Rentals (OSTR) imposed a penalty of \$191,664.00 on Raintree as property owner of 973 Market St., in Case No. 2015-008127ENF, for illegally offering nine short-term rental units at the property. Raintree filed two lawsuits challenging the penalty in San Francisco Superior Court. After some delay, the City and Raintree litigated those cases and recently reached a tentative agreement to settle those cases for a total of \$135,000. This settlement agreement has not been approved by the Board.

Instead, on November 29, 2017, Raintree paid the full penalty imposed by OSTR. That same day, OSTR cleared the violation and closed its enforcement case. On November 29, 2017, Raintree also filed requests to dismiss with prejudice its two lawsuits against the City. On November 29 and 30, 2017, the

www.sfplanning.org

Memo to Government Audit and Oversight Committee – Pending Mills Act Contracts December 6, 2017

San Francisco Superior Court dismissed with prejudice both lawsuits, which means that Raintree cannot bring those legal claims again.

• Thus, there is no outstanding OSTR violation or penalty against Raintree, and Raintree has dismissed its legal actions challenging the penalty.

Performance Measures

As noted in the memo date November 8, 2017 (attached for reference), the Department has revised its application procedures to produce high quality information packets for the Committee and to maintain an ongoing line of communication. 2018 application procedures will include the following:

First Business Day in May - Applications Submitted to Planning Department

<u>Within 15 days of Application Receipt</u> – District Supervisors will be notified of applications received in their respective districts

Last Business Day in May - All enforcement, complaints and Ellis Act cases will be noted. (This milestone may be revised pending HPC and Board action regarding Mills Act qualifications for 2018)

<u>First Business Day in June</u> - District Supervisors will be notified of applications that are forwarded to the Assessor-Recorder as well as any application not transmitted due to enforcement issues, incomplete information, etc.

<u>Mid-September</u> - District Supervisors and Government Audit and Oversight Committee Chair will be notified of valuation and the advance HPC hearing date

First Wednesday in October - HPC Hearing on pending Mills Act Applications

<u>First Friday in October</u> - District Supervisors and Government Audit and Oversight Committee Chair will be notified of HPC hearing results and date of transmittal of Mills Act application to the Clerk of the Board of Supervisors.

<u>Two Weeks Prior to Government Audit and Oversight Committee Hearing</u> – Department will schedule any Supervisor briefings, if requested

SAN FRANCISCO PLANNING DEPAR

November 8, 2017	
Chair Kim and Members of the Government Audit and Oversight Committee	1650 Mission S Suite 400 San Francisco, CA 94103-2479

	Chair Kim and Members of the Government Audit and Oversight Committee Tim Frye, Historic Preservation Officer, (415) 575-6822 Follow-up regarding pending Mills Act Contract applications and

The Planning Department is providing the following information at the request of the Government Audit and Oversight Committee of the Board of Supervisors. The request was made at its November 1, 2017 committee hearing regarding pending Mills Act Contract applications currently under review by the City and County of San Francisco.

St. 79

Planning Information: 415.558.6377

Planning staff also provided the HPC with an overview of the comments and concerns raised by the GAO Committee at its November 1, 2017 HPC hearing. In response, President Andrew Wolfram directed Planning Staff to schedule a hearing to discuss how the program can better align with the Committee's intent for the program. We will notify the Committee when the hearing is scheduled. It's

To prevent a reoccurrence of the quality of the Committee's 2017 information packet and to maintain an ongoing line of communication with the Board of Supervisors, the Department has revised its application procedures to include the following:

anticipated it will be scheduled in early 2018 to allow for improvements to the program to be

First Business Day in May - Applications Submitted to Planning Department

incorporated into the 2018 application cycle.

Within 15 days of Application Receipt - District Supervisors will be notified of applications received in their respective districts

Last Business Day in May - All enforcement, complaints and Ellis Act cases will be noted. (This milestone may be revised pending HPC and Board action regarding Mills Act qualifications for 2018)

First Business Day in June - District Supervisors will be notified of applications that are forwarded to the Assessor-Recorder as well as any application not transmitted due to enforcement issues, incomplete information, etc.

Mid-September - District Supervisors and Government Audit and Oversight Committee Chair will be notified of valuation and the advance HPC hearing date

First Wednesday in October - HPC Hearing on pending Mills Act Applications

Fist Friday in October - District Supervisors and Government Audit and Oversight Committee Chair will be notified of HPC hearing results and date of transmittal of Mills Act application to the Clerk of the Board of Supervisors.

Two Weeks Prior to Government Audit and Oversight Committee Hearing - Department will schedule any Supervisor briefings, if requested

Pending Mills Act Contracts:

215 and 219 Haight Street: The pending Mills Act application for Woods Hall and Woods Hall Annex are under the same ownership as the remainder of the San Francisco Teacher's College site. There is an

www.sfplanning.org

Memo to Government Audit and Oversight Committee – Pending Mills Act Contracts November 8, 2017

outstanding enforcement, Case No. 2017-008046ENF, opened on June 27, 2017 for 155 Laguna St, Unit 59 for illegal office use and is under review. The building at 155 Laguna is a contemporary building located on the site. It appears, however, another recent enforcement case was opened on October 23, 2017 regarding a 4x4 piece of wood bolted to the northeast corner of Richardson Hall. The Department is also investigating this current complaint.

56 Potomac Street: The subject property currently has a Mills Act Contract granted by the Board of Supervisors in 2013, File No. 13159. The applicant proposes to amend the 2013 Mills Act Contract to complete a remodel of the interior and construct additions. As part of the new contract the property owner proposes to restore the front façade. At the November 1, 2017 hearing Supervisor Peskin suggested the pending Certificate of Appropriateness be resolved before considering the new contract. Based on the proposed scope of work, the pending Certificate of Appropriateness cannot be approved by the Historic Preservation Commission as the work to the rear façade is in conflict with the rehabilitation outlined in the current contract.

60-62 Carmelita Street: According to Rent Board documentation, the tenants in 60 Carmelita and 62 Carmelita applied for protected status on August 7, 2015. Documentation shows a declaration of landlord buyout on November 24, 2015 for 62 Carmelita Street; however, the Rent Board does not have the paperwork on file. An owner move-in was filed on December 31, 2015. The Department has made another request to the Rent Board for more information. We will forward the information once received.

973 Market Street: While the proposed application was not before the committee, Planning staff stated that the open enforcement action on the property was to be closed by November 3, 2017. Based on updated information from the City Attorney's Office, the property owners' attorney has expressed strong interest in resolving the violation by paying the full penalty amount including accrued any interest. The City Attorney's Office is in negotiations with the property owners' attorney, and if successful, believes the enforcement action and the pending actions against the City challenging the penalty can be resolved by the end of November.

All Pending Mill Act Contract Applications: Should the Chair decide to hear any of the pending items at its last Committee hearing in December, the Department will work with the Clerk and all parties to schedule accordingly.

Mills Act Contracts are accepted by the Department on the first business day in May each year and complete applications are forwarded to the Office of the Assessor-Recorder the first business day of June each year. This provides the Assessor-Recorder's Office, the Planning Department, and the public with a predictable schedule for ensuring all decision-making bodies have time to review the pending applications within the calendar year. If the pending applications are not heard before the end of the calendar year, they may be reconsidered by the Board of Supervisors at a future hearing, outside of the standard May – June application cycle, provided the Assessor-Recorder has had an opportunity to revise its analysis.

 Table of all current Mills Act Contracts to date: Please see attached table prepared by the Planning

 Department and the Assessor-Recorder's Office

SAN FRANCISCO PLANNING DEPARTMENT

DATE:	November 8, 2017	
то:	Chair Kim and Members of the Government Audit and Oversight Committee	1650 Mission St. Suite 400 San Francisco, CA 94103-2479
FROM:	Tim Frye, Historic Preservation Officer, (415) 575-6822	Reception:
RE:	Follow-up regarding pending Mills Act Contract applications and	415.558.6378
	Government Audit and Oversight Committee comments and questions.	Fax: 415.558.6409

415.558.6409 Planning

The Planning Department is providing the following information at the request of the Government Audit and Oversight Committee of the Board of Supervisors. The request was made at its November 1, 2017 committee hearing regarding pending Mills Act Contract applications currently under review by the City and County of San Francisco.

Planning Information: **415.558.6377**

Planning staff also provided the HPC with an overview of the comments and concerns raised by the GAO Committee at its November 1, 2017 HPC hearing. In response, President Andrew Wolfram directed Planning Staff to schedule a hearing to discuss how the program can better align with the Committee's intent for the program. We will notify the Committee when the hearing is scheduled. It's anticipated it will be scheduled in early 2018 to allow for improvements to the program to be incorporated into the 2018 application cycle.

To prevent a reoccurrence of the quality of the Committee's 2017 information packet and to maintain an ongoing line of communication with the Board of Supervisors, the Department has revised its application procedures to include the following:

First Business Day in May - Applications Submitted to Planning Department

<u>Within 15 days of Application Receipt</u> – District Supervisors will be notified of applications received in their respective districts

<u>Last Business Day in May</u> - All enforcement, complaints and Ellis Act cases will be noted. (This milestone may be revised pending HPC and Board action regarding Mills Act qualifications for 2018)

<u>First Business Day in June</u> - District Supervisors will be notified of applications that are forwarded to the Assessor-Recorder as well as any application not transmitted due to enforcement issues, incomplete information, etc.

<u>Mid-September</u> - District Supervisors and Government Audit and Oversight Committee Chair will be notified of valuation and the advance HPC hearing date

First Wednesday in October - HPC Hearing on pending Mills Act Applications

Fist Friday in October - District Supervisors and Government Audit and Oversight Committee Chair will be notified of HPC hearing results and date of transmittal of Mills Act application to the Clerk of the Board of Supervisors.

Two Weeks Prior to Government Audit and Oversight Committee Hearing – Department will schedule any Supervisor briefings, if requested

Pending Mills Act Contracts:

215 and 219 Haight Street: The pending Mills Act application for Woods Hall and Woods Hall Annex are under the same ownership as the remainder of the San Francisco Teacher's College site. There is an

www.sfplanning.org

Memo to Government Audit and Oversight Committee – Pending Mills Act Contracts November 8, 2017

outstanding enforcement, Case No. 2017-008046ENF, opened on June 27, 2017 for 155 Laguna St, Unit 59 for illegal office use and is under review. The building at 155 Laguna is a contemporary building located on the site. It appears, however, another recent enforcement case was opened on October 23, 2017 regarding a 4x4 piece of wood bolted to the northeast corner of Richardson Hall. The Department is also investigating this current complaint.

56 Potomac Street: The subject property currently has a Mills Act Contract granted by the Board of Supervisors in 2013, File No. 13159. The applicant proposes to amend the 2013 Mills Act Contract to complete a remodel of the interior and construct additions. As part of the new contract the property owner proposes to restore the front façade. At the November 1, 2017 hearing Supervisor Peskin suggested the pending Certificate of Appropriateness be resolved before considering the new contract. Based on the proposed scope of work, the pending Certificate of Appropriateness cannot be approved by the Historic Preservation Commission as the work to the rear façade is in conflict with the rehabilitation outlined in the current contract.

60-62 Carmelita Street: According to Rent Board documentation, the tenants in 60 Carmelita and 62 Carmelita applied for protected status on August 7, 2015. Documentation shows a declaration of landlord buyout on November 24, 2015 for 62 Carmelita Street; however, the Rent Board does not have the paperwork on file. An owner move-in was filed on December 31, 2015. The Department has made another request to the Rent Board for more information. We will forward the information once received.

973 Market Street: While the proposed application was not before the committee, Planning staff stated that the open enforcement action on the property was to be closed by November 3, 2017. Based on updated information from the City Attorney's Office, the property owners' attorney has expressed strong interest in resolving the violation by paying the full penalty amount including accrued any interest. The City Attorney's Office is in negotiations with the property owners' attorney, and if successful, believes the enforcement action and the pending actions against the City challenging the penalty can be resolved by the end of November.

All Pending Mill Act Contract Applications: Should the Chair decide to hear any of the pending items at its last Committee hearing in December, the Department will work with the Clerk and all parties to schedule accordingly.

Mills Act Contracts are accepted by the Department on the first business day in May each year and complete applications are forwarded to the Office of the Assessor-Recorder the first business day of June each year. This provides the Assessor-Recorder's Office, the Planning Department, and the public with a predictable schedule for ensuring all decision-making bodies have time to review the pending applications within the calendar year. If the pending applications are not heard before the end of the calendar year, they may be reconsidered by the Board of Supervisors at a future hearing, outside of the standard May – June application cycle, provided the Assessor-Recorder has had an opportunity to revise its analysis.

Table of all current Mills Act Contracts to date: Please see attached table prepared by the Planning Department and the Assessor-Recorder's Office

4

O Remarks: (a) 2017 property tax rate will not be established until late September 2017.

(b) Historical contract must be recorded by December 31, 2017

('c) Mills Act valuation becomes effective as of January 1, 2018 for the Fiscal year July 1, 2018 to June 30, 2019

OFFICE OF THE A ESSOR-RECORDER MILLS ACT - PROPERTY TAX SAVINGS

To calculate the property tax savings, the Assessor-Recorder will perform a three-way value comparison as required by State law. The lowest of the three values will determine the taxable value for the year.

> The examples below is if you purchased your property for \$1 million on January 1, 2012. The Factored Base Year Value on January 1, 2017 would be \$1,082,260.

1. FACTORED BASE YEAR VALUE

2. MARKET APPROACH

State law (Prop 13) established 1975-76 as the "base year" for property assessments. This base year value is the starting point that is used to calculate annual. assessments. The Base Year Value is adjusted annually for inflation, with the annual increase limited to not more than 2%.

Factored Base Year Value	\$1,082,260
Multiple by Tax Rate (assumes 2016 rate)	x 1.1792%
Equals Property Tax Owed	=\$12,762

valuation guidance from the Board of Equalization.

Market Approach includes comparable sales information. The concept is fairly straightforward to apply, as the idea is to compare your property to similar properties that have sold in your area. See example below.

As of 1/1/2017:	
Property A.	\$1,250,000
Property B.	\$1,325,000
Property C.	\$1,150,000
Your Property	\$1,200,000

Equals Property 1 ax Owea

3. INCOME APPROACH

The income approach calculates a market value of your property by:

Determining your total annual gross rent and subtracting real estate expenses such as utilities, cleaning and maintenance, insurance, water & garbage, and losses due to vacancy to determine your Net Operating Income (NOI). NOI is divided by a capitalization rate to give you the fair market value based on the income approach.

Capitalization Rate is based on: **Risk Rate** Interest Rate Property Rate Depreciation Rate

Vacancy Loss: 5% (\$4,000) Effective Income: \$76,000

Operating Expenses: \$11,400 (15% x utilities, insurance, maintenance, etc.)

NOI: \$76,000 - \$11,400 = \$64,600

Cap Rate: ÷\$64,600 ÷0.08% = \$807,500 (Cap Rate is determined by the Board of Equalization)

Equals Property Tax Owed

= \$9.522

825

Equals Property Tax Owed

REMINDERS

Act property or not.

Top Line Rent: \$80,000

2) Local law, via the San Francisco Board of Supervisors, determines whether the property will become a Mills

3) The Office of the Assessor-Recorder assesses every Mills Act property on January 1 of each year,

4) The 2016-2017 Tax Rate is 1.1792%. Therefore, in order to determine your property tax amount, multiple the assessed value by the tax rate.

1) Mills Act calculation is regulated by the State of California. The Office of the Assessor-Recorder receives

PROPERTY DESCRIPTIONS

- a. <u>215 and 229 Haight Street (formerly 55 Laguna Street)</u>: The subject property is located on the northwest corner of Haight and Buchanan streets, Assessor's Parcel 0857/002. The subject property is within a NC-3 Neighborhood Commercial, Moderate Scale and RM-3 Residential Mixed, Medium Density; P Public zoning district and 85-X and 50-X Height and Bulk district. The property is designated as San Francisco Landmark Nos. 257 and 258. The Spanish style Woods Hall and Woods Hall Annex were built in 1926 and 1935, respectively, for the San Francisco State Teacher's College (San Francisco Normal School) for use as a science building. Completed in phases as Works Progress Administration (WPA) funds became available, Woods Hall Annex also contains a WPA mural by Rueben Kadish known as "A Dissertation on Alchemy," which is located at the top of the stairwell at the east end of Woods Hall Annex. The property was rehabilitated in 2015-2016 as multiple-family housing.
- b. <u>56 Potomac Street</u>: The subject property is located on the east side of Potomac Street between Waller Street and Duboce Park, Assessor's Parcel 0866/012. The subject property is located within a RH-2 (Residential-House-Two Family) zoning district and a 40-X Height and Bulk district. The property is a contributing building to the Duboce Park Historic District. It is a two-story plus basement, wood frame, single-family dwelling originally designed in the Shingle style and built in 1899 by builder George H. Moore and altered with smooth stucco cladding at the primary façade at an unknown date.
- c. <u>60-62 Carmelita Street</u>: The subject property is located on the east side of Carmelita Street between Waller Street and Duboce Park, Assessor's Parcel 0864/014. The subject property is located within a RH-2 (Residential-House-Two Family) zoning district and a 40-X Height and Bulk district. The property is a contributing building to the Duboce Park Historic District. It is a two-story plus basement, wood frame, multiple-family dwelling originally designed in the Edwardian style and built in 1899 and altered with smooth stucco cladding at the primary façade at an unknown date.
- d. <u>101 Vallejo Street</u>: The subject property is located on the southwest corner of Vallejo and Front streets, Assessor's Parcel 0141/013. The subject property is located within a C-2 (Community Business) zoning and a 65-X Height and Bulk district. The property is designated as San Francisco

Landmark No. 91 (Gibb-Sanborn Warehouses), is a contributor to the Northeast Waterfront Historic District, and is individually listed on the National Register of Historic Places. It is a twostory plus basement, heavy timber and brick warehouse building designed in the Commercial Style and built in 1855 for merchant Daniel Gibb who also built the subject property's twin at the northwest corner of Vallejo and Front streets. Both buildings appear to be the oldest surviving warehouses in San Francisco.

e. <u>627 Waller Street</u>: The subject property is located on the south side of Waller Street between Carmelita and Pierce streets, Assessor's Parcel 0864/022. The subject property is located within a RTO (Residential Transit Oriented District) zoning district and a 40-X Height and Bulk district. The property is a contributing building to the Duboce Park Historic District. It is a two-and-halfstory plus basement, wood-frame, single-family dwelling designed in the Queen Anne style and built in 1899.

f. <u>940 Grove Street</u>: The subject property is located on the northwest corner of Grove and Steiner streets, Assessors' Parcel 0798/058. The subject property is located within a RH-3 (Residential-House, Three Family) zoning district and a 40-X Height and Bulk district. The property is a contributing building to the Alamo Square Historic District. It is a two-and-half-story plus basement, wood frame, single-family dwelling designed in the Queen Anne style by master architect Albert Pissis and built in 1895.

g. <u>973 Market Street</u>: The subject property is located on the south side of Market Street between 5th and 6th streets, Assessor's Parcel 3704/069. The subject property is located within a C-3-G (Downtown-General) zoning district and a 120-X Height and Bulk district. The property, known as the Wilson Building is a contributing building to the Market Street Theater and Loft National Register Historic District. The seven story plus basement steel frame building was designed by master architect Willis Polk in 1900 and the Byzantine terra cotta façade survived the 1906 earthquake.

h. <u>1338 Filbert Street:</u> The subject property is located on the north side of Filbert Street between Polk and Larkin streets. Assessor's Parcels 0524/031, 0524/032, 0524/033, 0524/034. The subject property is located within a RH-2 (Residential – House, Two Family) and a 40-X Height and Bulk District. The property is San Francisco Landmark No. 232, 1338 Filbert Cottages. It consists of four, two-story, wood frame, single family dwellings designed in a vernacular post-earthquake period style with craftsman references and built in 1907 with a 1943 addition.

PROJECT DESCRIPTION

This project is a Mills Act Historical Property Contract application.

MILLS ACT REVIEW PROCESS

Once a Mills Act application is received, the matter is referred to the Historic Preservation Commission (HPC) for review. The HPC shall conduct a public hearing on the Mills Act application, historical

SAN FRANCISCO PLANNING DEPARTMENT

property contract, and proposed rehabilitation and maintenance plan, and make a recommendation for approval or disapproval to the Board of Supervisors.

The Board of Supervisors will hold a public hearing to review and approve or disapprove the Mills Act application and contract. The Board of Supervisors shall conduct a public hearing to review the Historic Preservation Commission recommendation, information provided by the Assessor's Office, and any other information the Board requires in order to determine whether the City should execute a historical property contract for the subject property.

The Board of Supervisors shall have full discretion to determine whether it is in the public interest to enter into a Mills Act contract and may approve, disapprove, or modify and approve the terms of the contract. Upon approval, the Board of Supervisors shall authorize the Director of Planning and the Assessor-Recorder's Office to execute the historical property contract.

MILLS ACT REVIEW PROCEDURES

The Historic Preservation Commission is requested to review and make recommendations on the following:

- The draft Mills Act Historical Property Contract between the property owner and the City and County of San Francisco.
- The proposed rehabilitation and maintenance plan.

The Historic Preservation Commission may also comment in making a determination as to whether the public benefit gained through restoration, continued maintenance and preservation of the property is sufficient to outweigh the subsequent loss of property taxes to the City.

APPLICABLE PRESERVATION STANDARDS

Ordinance No. 191-96 amended the San Francisco Administrative Code by adding Chapter 71 to implement the California Mills Act, California Government Code Sections 50280 *et seq*. The Mills Act authorizes local governments to enter into contracts with private property owners who will rehabilitate, restore, preserve, and maintain a "qualified historical property." In return, the property owner enjoys a reduction in property taxes for a given period. The property tax reductions must be made in accordance with Article 1.9 (commencing with Section 439) of Chapter 3 of Part 2 of Division 1 of the California Revenue and Taxation Code.

TERM

Mills Act contracts must be made for a minimum term of ten years. The ten-year period is automatically renewed by one year annually to create a rolling ten-year term. One year is added automatically to the initial term of the contract on the anniversary date of the contract, unless notice of nonrenewal is given or the contract is terminated. If the City issues a notice of nonrenewal, then one year will no longer be added to the term of the contract on its anniversary date and the contract will only remain in effect for the remainder of its term. The City must monitor the provisions of the contract until its expiration and may terminate the Mills Act contract at any time if it determines that the owner is not complying with the

terms of the contract or the legislation. Termination due to default immediately ends the contract term. Mills Act contracts remain in force when a property is sold.

ELIGIBILITY

San Francisco Administrative Code Chapter 71, Section 71.2, defines a "qualified historic property" as one that is not exempt from property taxation and that is one of the following:

- (a) Individually listed in the National Register of Historic Places;
- (b) Listed as a contributor to an historic district included on the National Register of Historic Places;
- (c) Designated as a City landmark pursuant to San Francisco Planning Code Article 10;
- (d) Designated as contributory to a landmark district designated pursuant to San Francisco Planning Code Article 10; or
- (e) Designated as significant (Categories I or II) or contributory (Categories III or IV) to a conservation district designated pursuant to San Francisco Planning Code Article 11.

All properties that are eligible under the criteria listed above must also meet a tax assessment value to be eligible for a Mills Act Contract. The tax assessment limits are listed below:

Residential Buildings

Eligibility is limited to a property tax assessment value of not more than \$3,000,000.

Commercial, Industrial or Mixed Use Buildings

Eligibility is limited to a property tax assessment value of not more than \$5,000,000.

Properties may be exempt from the tax assessment values if it meets any one of the following criteria:

- The qualified historic property is an exceptional example of architectural style or represents a work of a master architect or is associated with the lives of persons important to local or national history; or
- Granting the exemption will assist in the preservation and rehabilitation of a historic structure (including unusual and/or excessive maintenance requirements) that would otherwise be in danger of demolition, deterioration, or abandonment;

Properties applying for a valuation exemption must provide evidence that it meets the exemption criteria, including a historic structure report to substantiate the exceptional circumstances for granting the exemption. The Historic Preservation Commission shall make specific findings in determining whether to recommend to the Board of Supervisors that the valuation exemption should be approved. Final approval of this exemption is under the purview of the Board of Supervisors.

PUBLIC/NEIGHBORHOOD INPUT

The Department has not received any public comment regarding the Mills Act Historical Property Contract.

STAFF ANAYLSIS

The Department received eight Mills Act applications by the May 1, 2017 filing date. The Project Sponsors, Planning Department Staff, and the Office of the City Attorney have negotiated the eight attached draft historical property contracts, which include a draft rehabilitation and maintenance plan for the historic building. Department Staff believes the draft historical property contracts and plans are adequate, with the exception of 60-62 Carmelita Street. Please see below for complete analysis.

a. <u>215 and 229 Haight Street (formerly 55 Laguna Street)</u>: As detailed in the Mills Act application, the applicant proposes to rehabilitate and maintain the historic property. Staff determined that the proposed work, detailed in the attachments, is consistent with the Secretary of Interior's Standards for Rehabilitation.

The subject property is currently valued by the Assessor's Office at over \$3,000,000 (see attached Market Analysis and Income Approach reports). The subject property qualifies for an exemption as it is designated as San Francisco Landmark Nos. No. 257 and 259, Woods Hall and Woods Hall Annex. A Historic Structure Report was required in order to demonstrate that granting the exemption would assist in the preservation of a property that might otherwise be in danger of demolition or substantial alterations.

The applicant completed substantial rehabilitation of the building in 2016, including the roof, roof drainage system, exterior wall repair and painting, wood window repair and in-kind replacement, metal window repair and replacement, repair and in-kind replacement of exterior light fixtures, and moving of the Sacred Palm. Work to interior character-defining features in the lobby, corridor, and stairs was also completed in 2016. The proposed Rehabilitation Plan includes stabilizations and repair of the Ruben Kadish Mural by a conservator.

The proposed Maintenance Plan includes annual inspection of the exterior walls, roof drainage system, exterior lightwells, windows, roof and care of the Sacred Palm. Inspections and painting of the walls, roof drainage system, windows, will occur every ten years. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the applicant mitigate these expenditures and will induce the applicant to maintain the property in excellent condition in the future.

2017-005434MLS; 2017-005884MLS; 2017-004959MLS; 2017-005396MLS; 2017-005880MLS; 2017-005887MLS; 2017-005419MLS; 2017-006300MLS

55 Laguna Street; 56 Potomac Street; 60-62 Carmelita Street; 101 Vallejo Street; 627 Waller Street; 940 Grove Street; 973 Market Street; 1338 Filbert Street

b. <u>56 Potomac Street</u>: The applicant proposes to amend the 2013 Mills Act Contract in whole. The property owners applied for a Mills Act Contract in 2013. The Historic Preservation Commission recommended approval of the Mills Act Contract on December 4, 2013 and the Mills Act Contract was adopted by the Board of Supervisors on December 17, 2013. Said determination is on file with the Clerk of the Board of Supervisors in File No. 131159. The 2013 Rehabilitation Plan included replacement of front stairs, repainting and replacement of windows on the front and rear facades. The applicant proposes to amend the 2013 Mills Act Contract in whole to complete remodel of the interior and exterior rear façade.

As detailed in the 2017 Mills Act application, the applicant proposes to restore the front façade and maintain the historic property. Staff determined that the proposed work, detailed in the attachments, is consistent with the Secretary of Interior's Standards for Rehabilitation and Restoration.

The subject property is currently valued by the Assessor's Office as under \$3,000,000 (see attached Market Analysis and Income Approach reports) and did not require a Historic Structure Report. The subject property qualifies for an exemption as a contributor the Duboce Park Historic District.

The proposed Rehabilitation Plan includes work to the front façade including, exploratory demolition of the stuccoed front facade to determine if any historic cladding remains and restoration of the façade based on documentary evidence; seismic evaluation and seismic upgrade as necessary; in kind roof replacement with asphalt shingles; retention and repair of historic front door; replacement of front stairs with compatible design and materials; and in-kind repair or replacement of fixed and double-hung wood windows.

The proposed Maintenance Plan includes annual inspection of primarily front façade including the foundation, front stairs and porch, siding, windows, attic and roof with in-kind repair of any deteriorated elements as necessary. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the applicant mitigate these expenditures and will induce the applicant to maintain the property in excellent condition in the future.

c. <u>60-62 Carmelita Street:</u> As detailed in the Mills Act application, the applicant proposes to rehabilitate and maintain the historic property. Staff determined that the proposed work, detailed in the attachments, is consistent with the Secretary of Interior's Standards for Rehabilitation and Preservation with the exception of Rehabilitation Plan Scope #4, installation of a garage.

The subject property is currently valued by the Assessor's Office as under \$3,000,000 (see attached Market Analysis and Income Approach reports) and did not require a Historic Structure Report. The subject property qualifies for an exemption as a contributor to the Duboce Park Historic District.

SAN FRANCISCO

2017-005434MLS; 2017-005884MLS; 2017-004959MLS; 2017-005396MLS; 2017-005880MLS; 2017-005887MLS; 2017-005419MLS; 2017-006300MLS

55 Laguna Street; 56 Potomac Street; 60-62 Carmelita Street; 101 Vallejo Street; 627 Waller Street; 940 Grove Street; 973 Market Street; 1338 Filbert Street

The applicant completed rehabilitation work to the building in 2016, including seismic upgrade to the foundation, exterior painting, and repair and reglazing of terrazzo front steps. The proposed Rehabilitation Plan includes installation of garage and roof replacement.

Department Recommendation: The Department recommends revisions to the Rehabilitation and Maintenance plans, specifically: Scope #4, Installation of garage. While the work was approved by the Historic Preservation Commission through Motion No. 0298 on January 18, 2017, the proposed scope of work does not conform to the overall purpose and intent of the Mills Act Program. Installing a garage is not necessary to rehabilitate and preserve the building. The Department recommends this scope of work be removed in order to forward a positive recommendation to the Board of Supervisors.

The proposed Maintenance Plan includes inspection of windows every five years, and inspection of the roof, gutters, downspouts, siding, and paint every two years. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the applicant mitigate these expenditures and will induce the applicant to maintain the property in excellent condition in the future.

d. <u>101 Vallejo Street:</u> As detailed in the Mills Act application, the applicant proposes to rehabilitate and maintain the historic property. Staff determined that the proposed work, detailed in the attachments, is consistent with the Secretary of Interior's Standards for Rehabilitation and Preservation.

The subject property is currently valued by the Assessor's Office as over \$3,000,000 (see attached Market ¹Analysis and Income Approach reports). The subject property qualifies for an exemption as it is designated as Landmark No. 91 (Gibb-Sanborn Warehouses) under Article 10 of the Planning Code, a contributor to the Northeast Waterfront Historic District, and individually listed on the National Register of Historic Places. A Historic Structure Report was required in order to demonstrate that granting the exemption would assist in the preservation of a property that might otherwise be in danger of demolition or substantial alterations.

The proposed Rehabilitation Plan includes structural upgrade, roof replacement, repair to skylights, foundation, watertable, brick façade, metal windows entryways, parapet bracing, and repair to character defining interior features such as the heavy timber framing.

The proposed Maintenance Plan includes annual inspection of the roof, skylights, parapet bracing, roof drainage system, foundation, watertable, windows and entryways. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the applicant mitigate these expenditures and will induce the applicant to maintain the property in excellent condition in the future.

e. <u>627 Waller Street</u>: As detailed in the Mills Act application, the applicant proposes to rehabilitate and maintain the historic property. Staff determined that the proposed work, detailed in the attachments, is consistent with the Secretary of Interior's Standards for Rehabilitation and Preservation.

The subject property is currently valued by the Assessor's Office as over \$3,000,000. The subject property qualifies for an exemption as a contributor to the Duboce Park Historic District. A Historic Structure Report was required in order to demonstrate that granting the exemption would assist in the preservation of a property that might otherwise be in danger of demolition or substantial alterations.

The applicant has already completed a rehabilitation work to the property, including repair of a leak at the rear of the house. The proposed Rehabilitation Plan includes further repair of the leak at the rear of the house, replacement of the skylight, front stairway, concrete driveway with permeable paving, front windows with double hung wood windows with ogee lugs, roof and repainting of the house.

The proposed Maintenance Plan includes annual inspection all elevations, front stairs, and windows; and inspection of the roof every five years. Any needed repairs resulting from inspection will be made in kind and will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the applicant mitigate these expenditures and will induce the applicant to maintain the property in excellent condition in the future.

f. <u>940 Grove Street</u>: As detailed in the Mills Act application, the applicant proposes to rehabilitate and maintain the historic property. Staff determined that the proposed work, detailed in the attachments, is consistent with the Secretary of Interior's Standards for Rehabilitation and Preservation.

The subject property is currently valued by the Assessor's Office as over \$3,000,000 (all four parcels; see attached Market Analysis and Income Approach reports). The subject property qualifies for an exemption as it is a contributor to the Alamo Square Historic District. A Historic Structure Report was required in order to demonstrate that granting the exemption would assist in the preservation of a property that might otherwise be in danger of demolition or substantial alterations.

The applicant has already completed a substantial rehabilitation work to the property in 2015, including seismic improvements, entrance portico rehabilitation, exterior wood siding

rehabilitation and repair, and retaining wall rehabilitation. The proposed Rehabilitation Plan includes exterior repainting, repair to concrete retaining wall and steps, and roof replacement.

The proposed Maintenance Plan includes annual inspection of the condition of the paint, windows and doors, site grading and drainage. Inspection of the siding and trim and roof will occur every five years. Any needed repairs resulting from inspection will be made in kind and will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the applicant mitigate these expenditures and will induce the applicant to maintain the property in excellent condition in the future.

g. <u>973 Market Street:</u> As detailed in the Mills Act application, the applicant proposes to rehabilitate and maintain the historic property. Staff determined that the proposed work, detailed in the attachments, is consistent with the Secretary of Interior's Standards for Rehabilitation, Preservation and Restoration.

The subject property is currently valued by the Assessor's Office as over \$3,000,000 (all four parcels; see attached Market Analysis and Income Approach reports). The subject property qualifies for an exemption as it is a contributor to the Market Street Theater and Loft National Register Historic District. A Historic Structure Report was required in order to demonstrate that granting the exemption would assist in the preservation of a property that might otherwise be in danger of demolition or substantial alterations

The applicant has already completed a substantial rehabilitation work to the property, including seismic upgrade, terra cotta repair, window replacement, storefront system replacement, masonry and fire escape repair, and roof replacement. The proposed Rehabilitation Plan includes replacement of windows and storefronts to more closely match the historic and roof replacement.

The proposed Maintenance Plan includes annual inspection of the foundation, terra cotta, windows, storefront system, masonry, fire escape and roof on a five to ten year cycle. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the applicant mitigate these expenditures and will induce the applicant to maintain the property in excellent condition in the future.

h. <u>1338 Filbert Street</u>: The applicant is reapplying for a Mills Act Contract. The property owners applied for a Mills Act Contract in 2016. The Historic Preservation Commission recommended approval of the Mills Act Contract on October 5, 2016 through Resolution No. 793. It was tabled by the Board of Supervisors on November 3, 2016.

As detailed in the Mills Act application, the applicant proposes to rehabilitate and maintain the historic property. Staff determined that the proposed work, detailed in the attachments, is consistent with the Secretary of Interior's Standards for Rehabilitation, Preservation and Restoration.

The subject property is currently valued by the Assessor's Office as over \$3,000,000 (all four parcels; see attached Market Analysis and Income Approach reports). The subject property qualifies for an exemption as it is designated San Francisco Landmark No. 232, 1338 Filbert Cottages. A Historic Structure Report was required in order to demonstrate that granting the exemption would assist in the preservation of a property that might otherwise be in danger of demolition or substantial alterations

The applicant has already completed a substantial rehabilitation work to the property, including historic resource protection during construction; seismic upgrade; in-kind roof replacement; and in-kind gutter replacement. The proposed Rehabilitation Plan includes retention and in-kind replacement of siding; structural reframing; retention and in-kind replacement of doors and windows; exterior painting; and restoration of the garden.

The proposed Maintenance Plan includes annual inspection of the garden, downspouts, gutters and drainage; inspection of doors and windows, millwork every two years; inspection of wood siding and trim every three years; selected repainting every four years; and inspection of the roof every five years with in-kind repair of any deteriorated elements as necessary. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the applicant mitigate these expenditures and will induce the applicant to maintain the property in excellent condition in the future.

ASSESSOR-RECORDER INFORMATION

Based on information received from the Assessor-Recorder, the following properties will receive an estimated first year reduction as a result of the Mills Act Contract:

a. 215 and 229 Haight Street: (formerly 55 Laguna Street): 21.33%

b. 56 Potomac Street: 26.51%

PLANNING DEPARTMENT RECOMMENDATION

The Planning Department recommends that the Historic Preservation Commission adopt a resolution recommending approval of the Mills Act Historical Property Contracts and Rehabilitation and Maintenance Plans to the Board of Supervisors for the following properties:

- 215 and 229 Haight Street (formerly 55 Laguna Street),
- 2. 56 Potomac Street,
- 3. 101 Vallejo Street,
- 4. 627 Waller Street,
- 5. 940 Grove Street,
- 6. 973 Market Street
- 7. 1338 Filbert Street
- The Planning Department recommends that the Historic Preservation Commission adopt a resolution recommending approval with conditions of the Mills Act Historical Property Contract and Rehabilitation and Maintenance Plans for 60-62 Carmelita Street. Conditions of approval include:
 - 1. Revisions to the Rehabilitation and Maintenance Plans for 60-62 Carmelita Street, specifically removing Scope #4, Installation of garage. While the work was approved by the Historic Preservation Commission through Motion No. 0298 on January 18, 2017, the proposed scope of work does not conform to the overall purpose and intent of the Mills Act Program. Installing a garage is not necessary to rehabilitate and preserve the building. The Department recommends this scope of work be removed in order to forward a positive recommendation to the Board of Supervisors.

13

ISSUES AND OTHER CONSIDERATIONS

Mills Act Contract property owners are required to submit an annual affidavit demonstrating compliance with Rehabilitation and Maintenance Plans.

ADOPTING FINDINGS RECOMMENDING TO THE BOARD OF SUPERVISORS APPROVAL OF THE MILLS ACT HISTORICAL PROPERTY CONTRACT, REHABILITATION PROGRAM, AND MAINTENANCE PLAN FOR 973 MARKET STREET:

WHEREAS, The Mills Act, California Government Code Sections 50280 et seq. ("the Mills Act") authorizes local governments to enter into contracts with owners of private historical property who assure the rehabilitation, restoration, preservation and maintenance of a qualified historical property; and

WHEREAS, In accordance with Article 1.9 (commencing with Section 439) of Chapter 3 of Part 2 of Division 1 of the California Revenue and Taxation Code, the City and County of San Francisco may provide certain property tax reductions, such as those provided for in the Mills Act; and

WHEREAS, Ordinance No. 191-96 amended the San Francisco Administrative Code by adding Chapter 71, to implement Mills Act locally; and

WHEREAS, The Planning Department has determined that the actions contemplated in this Resolution are categorically exempt from with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.) under section 15331; and

WHEREAS, The existing building located at 973 Market Street is listed under Article 10 of the San Francisco Planning Code Planning Code as a Contributor to the Alamo Square Historic District and thus qualifies as a historic property; and

www.sfplanning.org

Resolution No. 907 October 4, 2017

CASE NO. 2017-005419MLS 973 Market Street

2

WHEREAS, The Planning Department has reviewed the Mills Act Application, Historical Property Contract, Historical Property Contract, Rehabilitation Program, and Maintenance Plan for 973 Market Street, which are located in Case Docket No. 2017-005419MLS. The Planning Department recommends approval of the Mills Act historical property contract, rehabilitation program, and maintenance plan; and

WHEREAS, The Historic Preservation Commission (HPC) recognizes the historic building at 973 Market Street as an historical resource and believes the Rehabilitation Program and Maintenance Plan are appropriate for the property; and

WHEREAS, At a duly noticed public hearing held on October 4, 2017, the Historic Preservation Commission reviewed documents, correspondence and heard oral testimony on the Mills Act Application, Historical Property Contract, Rehabilitation Program, and Maintenance Plan for 973 Market Street, which are located in Case Docket No. 2017-005419MLS.

THEREFORE BE IT RESOLVED that the Historic Preservation Commission hereby recommends that the Board of Supervisors approve the Mills Act Historical Property Contract, including the Rehabilitation Program, and Maintenance Plan for the historic building located at 973 Market Street, attached herein as Exhibits A and B, and fully incorporated by this reference.

BE IT FURTHER RESOLVED That the Historic Preservation Commission hereby directs its Commission Secretary to transmit this Resolution, the Mills Act Historical Property Contract, including the Rehabilitation Program, and Maintenance Plan for 973 Market Street, and other pertinent materials in the case file 2017-005419MLS to the Board of Supervisors.

I hereby certify that the foregoing Resolution was ADOPTED by the Historic Preservation Commission on October 4, 2017.

CALIFORNIA MILLS ACT HISTORIC PROPERTY AGREEMENT 973 MARKET STREET SAN FRANCISCO, CALIFORNIA

THIS AGREEMENT is entered into by and between the City and County of San Francisco, a California municipal corporation ("City") and Raintree 973 Market Newco LLC ("Owners").

RECITALS

Owners are the owners of the property located at 973 Market Street, in San Francisco, California (Block 0141, Lot 013). The building located at 973 Market Street is designated as a Contributor to the Market Street Theater and Loft National Register Historic District pursuant to Article 10 of the Planning Code, and is also known as the "Historic Property". The Historic Property is a Qualified Historic Property, as defined under California Government Code Section 50280.1.

Owners desire to execute a rehabilitation and ongoing maintenance project for the Historic Property. Owners' application calls for the rehabilitation and restoration of the Historic Property according to established preservation standards, which it estimates will cost one million, four hundred fifty thousand dollars (\$1,450,000.00). (See Rehabilitation Plan, Exhibit A.) Owners' application calls for the maintenance of the Historic Property according to established preservation standards, which is estimated will cost approximately zero dollars (\$00.00) annually (See Maintenance Plan, Exhibit B).

The State of California has adopted the "Mills Act" (California Government Code Sections 50280-50290, and California Revenue & Taxation Code, Article 1.9 [Section 439 et seq.]) authorizing local governments to enter into agreements with property Owners to reduce their property taxes, or to prevent increases in their property taxes, in return for improvement to and maintenance of historic properties. The City has adopted enabling legislation, San Francisco Administrative Code Chapter 71, authorizing it to participate in the Mills Act program.

Owners desire to enter into a Mills Act Agreement (also referred to as a "Historic Property Agreement") with the City to help mitigate anticipated expenditures to restore and maintain the Historic Property. The City is willing to enter into such Agreement to mitigate these expenditures and to induce Owners to restore and maintain the Historic Property in excellent condition in the future.

NOW, THEREFORE, in consideration of the mutual obligations, covenants, and conditions contained herein, the parties hereto do agree as follows:

1. <u>Application of Mills Act.</u> The benefits, privileges, restrictions and obligations provided for in the Mills Act shall be applied to the Historic Property during the time that this Agreement is in effect commencing from the date of recordation of this Agreement.

Rehabilitation of the Historic Property. Owners shall undertake and complete the work 2. set forth in Exhibit A ("Rehabilitation Plan") attached hereto according to certain standards and requirements. Such standards and requirements shall include, but not be limited to: the Secretary of the Interior's Standards for the Treatment of Historic Properties ("Secretary's Standards"); the rules and regulations of the Office of Historic Preservation of the California Department of Parks and Recreation ("OHP Rules and Regulations"); the State Historical Building Code as determined applicable by the City; all applicable building safety standards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not limited to any Certificates of Appropriateness approved under Planning Code Article 10. The Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits within no more than six (6) months after recordation of this Agreement, shall commence the work within six (6) months of receipt of necessary permits, and shall complete the work within three (3) years from the date of receipt of permits. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth in this paragraph. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. Work shall be deemed complete when the Director of Planning determines that the Historic Property has been rehabilitated in accordance with the standards set forth in this Paragraph. Failure to timely complete the work shall result in cancellation of this Agreement as set forth in Paragraphs 12 and 13 herein.

3. <u>Maintenance</u>. Owners shall maintain the Historic Property during the time this Agreement is in effect in accordance with the standards for maintenance set forth in Exhibit B ("Maintenance Plan"), the Secretary's Standards; the OHP Rules and Regulations; the State Historical Building Code as determined applicable by the City; all applicable building safety standards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not limited to any Certificates of Appropriateness approved under Planning Code Article 10.

Damage. Should the Historic Property incur damage from any cause whatsoever, which 4. damages fifty percent (50%) or less of the Historic Property, Owners shall replace and repair the damaged area(s) of the Historic Property. For repairs that do not require a permit, Owners shall commence the repair work within thirty (30) days of incurring the damage and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Where specialized services are required due to the nature of the work and the historic character of the features damaged, "commence the repair work" within the meaning of this paragraph may include contracting for repair services. For repairs that require a permit(s), Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits within no more than sixty (60) days after the damage has been incurred, commence the repair work within one hundred twenty (120) days of receipt of the required permit(s), and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth in this paragraph. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. All repair work shall comply with the design and standards established for the Historic Property in Exhibits A and B attached hereto and Paragraph 3 herein. In the case of damage to twenty percent (20%) or more of the Historic Property due to a catastrophic event, such as an earthquake, or in the case of damage from any cause whatsoever that destroys more than fifty percent (50%) of the Historic Property, the City and Owners may mutually agree to terminate this Agreement. Upon such termination, Owners shall not be obligated to pay the cancellation fee set forth in Paragraph 13 of this Agreement. Upon such termination, the City shall assess the full value of the Historic Property without regard to any restriction imposed upon the Historic Property by this Agreement and Owners shall

2

pay property taxes to the City based upon the valuation of the Historic Property as of the date of termination.

5. <u>Insurance</u>. Owners shall secure adequate property insurance to meet Owners' repair and replacement obligations under this Agreement and shall submit evidence of such insurance to the City upon request.

6. <u>Inspections and Compliance Monitoring.</u> Prior to entering into this Agreement and every five years thereafter, and upon seventy-two (72) hours advance notice, Owners shall permit any representative of the City, the Office of Historic Preservation of the California Department of Parks and Recreation, or the State Board of Equalization, to inspect of the interior and exterior of the Historic Property, to determine Owners' compliance with this Agreement. Throughout the duration of this Agreement, Owners shall provide all reasonable information and documentation about the Historic Property demonstrating compliance with this Agreement, as requested by any of the above-referenced representatives.

7. <u>Term.</u> This Agreement shall be effective upon the date of its recordation and shall be in effect for a term of ten years from such date ("Term"). As provided in Government Code section 50282, one year shall be added automatically to the Term, on each anniversary date of this Agreement, unless notice of nonrenewal is given as set forth in Paragraph 9 herein.

8. <u>Valuation</u>. Pursuant to Section 439.4 of the California Revenue and Taxation Code, as amended from time to time, this Agreement must have been signed, accepted and recorded on or before the lien date (January 1) for a fiscal year (the following July 1-June 30) for the Historic Property to be valued under the taxation provisions of the Mills Act for that fiscal year.

9. Notice of Nonrenewal. If in any year of this Agreement either the Owners or the City desire not to renew this Agreement, that party shall serve written notice on the other party in advance of the annual renewal date. Unless the Owners serves written notice to the Ĉity at least ninety (90) days prior to the date of renewal or the City serves written notice to the Owners sixty (60) days prior to the date of renewal, one year shall be automatically added to the Term of the Agreement. The Board of Supervisors shall make the City's determination that this Agreement shall not be renewed and shall send a notice of nonrenewal to the Owners. Upon receipt by the Owners of a notice of nonrenewal from the City, Owners may make a written protest. At any time prior to the renewal date, City may withdraw its notice of nonrenewal. If either party serves notice of nonrenewal of this Agreement, this Agreement shall remain in effect for the balance of the period remaining since the original execution or the last renewal of the Agreement, as the case may be. Thereafter, the Owners shall pay property taxes to the City without regard to any restriction imposed on the Historic Property by this Agreement, and based upon the Assessor's determination of the fair market value of the Historic Property as of expiration of this Agreement.

10. <u>Payment of Fees.</u> As provided for in Government Code Section 50281.1 and San Francisco Administrative Code Section 71.6, upon filing an application to enter into a Mills Act Agreement with the City, Owners shall pay the City the reasonable costs related to the preparation and approval of the Agreement. In addition, Owners shall pay the City for the actual costs of inspecting the Historic Property, as set forth in Paragraph 6 herein.

11. Default. An event of default under this Agreement may be any one of the following:

(a) Owners' failure to timely complete the rehabilitation work set forth in Exhibit A, in accordance with the standards set forth in Paragraph 2 herein;

(b) Owners' failure to maintain the Historic Property as set forth in Exhibit B, in accordance with the requirements of Paragraph 3 herein;

-3

(c) Owners' failure to repair any damage to the Historic Property in a timely manner, as provided in Paragraph 4 herein;

(d) Owners' failure to allow any inspections or requests for information, as provided in Paragraph 6 herein;

(e) Owners' failure to pay any fees requested by the City as provided in Paragraph 10 herein;

(f) Owners' failure to maintain adequate insurance for the replacement cost of the Historic Property, as required by Paragraph 5 herein; or

(g) Owners' failure to comply with any other provision of this Agreement.

An event of default shall result in Cancellation of this Agreement as set forth in Paragraphs 12 and 13 herein, and payment of the Cancellation Fee and all property taxes due upon the Assessor's determination of the full value of the Historic Property as set forth in Paragraph 13 herein. In order to determine whether an event of default has occurred, the Board of Supervisors shall conduct a public hearing as set forth in Paragraph 12 herein prior to cancellation of this Agreement.

12. <u>Cancellation</u>. As provided for in Government Code Section 50284, City may initiate proceedings to cancel this Agreement if it makes a reasonable determination that Owners have breached any condition or covenant contained in this Agreement, has defaulted as provided in Paragraph 11 herein, or has allowed the Historic Property to deteriorate such that the safety and integrity of the Historic Property is threatened or it would no longer meet the standards for a Qualified Historic Property. In order to cancel this Agreement, City shall provide notice to the Owners and to the public and conduct a public hearing before the Board of Supervisors as provided for in Government Code Section 50285. The Board of Supervisors shall determine whether this Agreement should be cancelled.

13. <u>Cancellation Fee</u>. If the City cancels this Agreement as set forth in Paragraph 12 above, and as required by Government Code Section 50286, Owners shall pay a Cancellation Fee of twelve and one-half percent (12.5%) of the fair market value of the Historic Property at the time of cancellation. The City Assessor shall determine fair market value of the Historic Property without regard to any restriction imposed on the Historic Property by this Agreement. The Cancellation Fee shall be paid to the City Tax Collector at such time and in such manner as the City shall prescribe. As of the date of cancellation, the Owners shall pay property taxes to the City without regard to any restriction imposed on the Historic Property by this Agreement and based upon the Assessor's determination of the fair market value of the Historic Property as of the date of cancellation.

14. <u>Enforcement of Agreement.</u> In lieu of the above provision to cancel the Agreement, the City may bring an action to specifically enforce or to enjoin any breach of any condition or covenant of this Agreement. Should the City determine that the Owners has breached this Agreement, the City shall give the Owners written notice by registered or certified mail setting forth the grounds for the breach. If the Owners do not correct the breach, or do not undertake and diligently pursue corrective action to the reasonable satisfaction of the City within thirty (30) days from the date of receipt of the notice, then the City may, without further notice, initiate default procedures under this Agreement as set forth in Paragraph 12 and bring any action necessary to enforce the obligations of the Owners if it does not enforce or cancel this Agreement.

15. <u>Indemnification</u>. The Owners shall indemnify, defend, and hold harmless the City and all of its boards, commissions, departments, agencies, agents and employees (individually and collectively, the "City") from and against any and all liabilities, losses, costs, claims, judgments, settlements, damages, liens, fines, penalties and expenses incurred in connection with or arising in whole or in part from: (a) any accident, injury to or death of a person, loss of or damage to

property occurring in or about the Historic Property; (b) the use or occupancy of the Historic Property by the Owners, their Agents or Invitees; (c) the condition of the Historic Property; (d) any construction or other work undertaken by Owners on the Historic Property; or (e) any claims by unit or interval Owners for property tax reductions in excess those provided for under this Agreement. This indemnification shall include, without limitation, reasonable fees for attorneys, consultants, and experts and related costs that may be incurred by the City and all indemnified parties specified in this Paragraph and the City's cost of investigating any claim. In addition to Owners' obligation to indemnify City, Owners specifically acknowledge and agree that they have an immediate and independent obligation to defend City from any claim that actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false, or fraudulent, which obligation arises at the time such claim is tendered to Owners by City, and continues at all times thereafter. The Owners' obligations under this Paragraph shall survive termination of this Agreement.

16. <u>Eminent Domain</u>. In the event that a public agency acquires the Historic Property in whole or part by eminent domain or other similar action, this Agreement shall be cancelled and no cancellation fee imposed as provided by Government Code Section 50288.

17. <u>Binding on Successors and Assigns.</u> The covenants, benefits, restrictions, and obligations contained in this Agreement shall run with the land and shall be binding upon and inure to the benefit of all successors in interest and assigns of the Owners. Successors in interest and assigns shall have the same rights and obligations under this Agreement as the original Owners who entered into the Agreement.

18. Legal Fees. In the event that either the City or the Owners fail to perform any of their obligations under this Agreement or in the event a dispute arises concerning the meaning or interpretation of any provision of this Agreement, the prevailing party may recover all costs and expenses incurred in enforcing or establishing its rights hereunder, including reasonable attorneys' fees, in addition to court costs and any other relief ordered by a court of competent jurisdiction. Reasonable attorneys' fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

19. <u>Governing Law.</u> This Agreement shall be construed and enforced in accordance with the laws of the State of California.

20. <u>Recordation</u>. Within 20 days from the date of execution of this Agreement, the parties shall cause this Agreement to be recorded with the Office of the Recorder of the City and County of San Francisco. From and after the time of the recordation, this recorded Agreement shall impart notice to all persons of the parties' rights and obligations under the Agreement, as is afforded by the recording laws of this state.

21. <u>Amendments.</u> This Agreement may be amended in whole or in part only by a written recorded instrument executed by the parties hereto in the same manner as this Agreement.

22. <u>No Implied Waiver</u>. No failure by the City to insist on the strict performance of any obligation of the Owners under this Agreement or to exercise any right, power, or remedy arising out of a breach hereof shall constitute a waiver of such breach or of the City's right to demand strict compliance with any terms of this Agreement.

23. <u>Authority.</u> If the Owners sign as a corporation or a partnership, each of the persons executing this Agreement on behalf of the Owners does hereby covenant and warrant that such entity is a duly authorized and existing entity, that such entity has and is qualified to do business

in California, that the Owner has full right and authority to enter into this Agreement, and that each and all of the persons signing on behalf of the Owners are authorized to do so.

24. <u>Severability</u>. If any provision of this Agreement is determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each other provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

25. <u>Tropical Hardwood Ban.</u> The City urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood or tropical hardwood product.

26. <u>Charter Provisions.</u> This Agreement is governed by and subject to the provisions of the Charter of the City.

27. <u>Signatures.</u> This Agreement may be signed and dated in parts

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as follows:

#1	Building Feature: Seis	mic and Structural	
Rehab/Restoration	Maintenance	Completed 🛛	Proposed
Contract Year for Work	Completion: 2014	•	· ·
Total Cost (rounded to t	he nearest dollar): \$3,75	1,211	
Description of Work		The second second	

The building was updated to meet structural and seismic code requirements. This included work to the building's foundation, construction of concrete sheer walls, and completing floor plate and ceiling work left unfinished by the previous owner. Additional shear walls were constructed, generally with several twelve-inch E-W walls complemented by eight-inch shear walls at the center east.

Contract Year for Work Completion: 2014

Total Cost (rounded to the nearest dollar): \$756,045

Description of Work

As part of the 2014 rehabilitation, the modern signs at the ground floor were removed. A wood clad commercial storefront system was installed and recessed to expose the columns at the entry. Storefront bulkhead with a 12 inch cast stone base was installed. Columns were inspected and cleaned as appropriate. Fresh air louver was installed over the entry door; louver was painted to match and was flush with the door face.

Contract Year for	Work Comp	letion: Est. 20	040			

Total Cost (rounded to the nearest dollar): \$420,000 in 2017 (est. \$1.03M in 2040 assuming 4% annual cost inflation.) Price excludes 4 months of lost revenue on impacted units while windows are being replaced which is estimated at \$177,000 in 2017.

Description of Work

Once the property is no longer subject to the five-year recapture period for the Federal Historic Tax Credit and the installed windows reach the end of their useful life, the property owner proposes to install new windows. These windows would more closely match the historic configuration with a tripartite design, center fixed windows, single pane pivot windows on either side and a transom. Proposed windows would also have a heavier mullion design, as shown in historic documentation of the building. The windows have a useful life of 30 years, it will be replaced when necessary.

Description of Work

Routine inspection of the terra cotta will include, but not limited to, looking for signs of crazing and spalling.

Should routine inspections reveal the need for maintenance and/or repairs to the decorative terra cotta façade, work will be performed in accordance with Preservation Brief #7, "The

Preservation of Historic Glazed Architectural Terra Cotta." The successful cleaning of glazed architectural terra-cotta removes excessive soil from the glazed surface without damaging the masonry unit itself. Of the many cleaning materials available, the most widely recommended are water, detergent, and a natural or nylon bristle brush. More stubborn pollution or fire-related dirt or bird droppings can be cleaned with steam or weak solutions of muriatic or oxalic acid. Should any water-related damage be identified, the problem will be mitigated before repairs are made to the affected area.

PRE-INSPECTION

☑ Application fee paid

☑ Record of calls or e-mails to applicant to schedule pre-contract inspection

5/10/17: Email property owner to schedule site inspection

5/11/17: Email to confirm site inspection for Tuesday, May 16 at 3pm. Property owner and historic preservation consultant will attend.

5/17/17: follow up email summarizing Rehab/Maintenance plans discussion on site.

Mills Act Pre-Approval Inspection Report May 17, 2017

Case Number 2017-005419MLS 973 Market Street

INSPECTION OVERVIEW

Date and time of inspection: Tuesday, May 16 at 3:00pm

Parties present: Jason Check (property owner), Tricia Lipton (historic preservation consultant), Shannon Ferguson, Ali Kirby (SF Planning)

☑ Provide applicant with business cards

☑ Inform applicant of contract cancellation policy

Inform applicant of monitoring process

Inspect property. If multi-family or commercial building, inspection included a:

□ Thorough sample of units/spaces

☑ Representative

🗖 Limited

Z Review any recently completed and in progress work to confirm compliance with Contract.

☑ Review areas of proposed work to ensure compliance with Contract.

Z Review proposed maintenance work to ensure compliance with Contract.

□ Identify and photograph any existing, non-compliant features to be returned to original condition during contract period. n/a

☑ Yes	🗖 No	Does the application and documentation accurately reflect the property's existing condition? If no, items/issues noted:
🗹 Yes	🗖 No	Does the proposed scope of work appear to meet the Secretary of the Interior's Standards? If no, items/issues noted:
🛙 Yes	□ No	Does the property meet the exemption criteria, including architectural style, work of a master architect, important persons or danger of deterioration or demolition without rehabilitation? If no, items/issues noted:
🗹 Yes	🗖 No	Conditions for approval? If yes, see below.

Conditions for approval? If yes, see below.

Case Number 2017-005419MLS 973 Market Street

NOTES AND RECOMMENDATIONS

Historic Preservation Consultant

Tricia Lipton, Heritage Consulting Group, 503.228.0272, tlipton@heritage-consulting.com

<u>High Property Value Exemption</u>: Explain why this is building is a significant resource, exceptional architectural style, and associated with important events. Also must address question #2.

<u>HSR</u> is missing alterations, list of character defining features, conditions assessment, brief treatment recommendations, and a bibliography. *Preservation Brief* 43: *The Preparation and Use of Historic Structure Reports* should serve as a guide to writing the HSR.

<u>Rehabilitation and maintenance plans</u>: Interior work must be removed from Rehabilitation and maintenance plans, including lobby, common areas, tenant spaces, rental units etc. Structural work can be included.

Windows and roof must be included in the maintenance plan

Be specific about where masonry and terra cotta maintenance will occur

Additional long term rehabilitation work recommended, including replacing windows with new compatible windows at Market Street façade and storefront restoration.

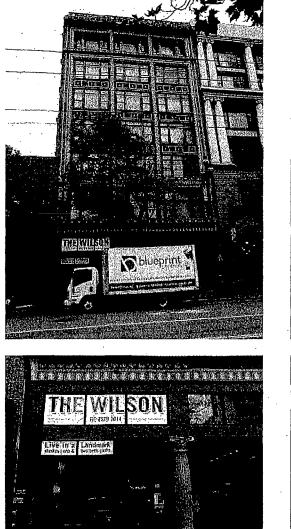

CONDITIONS FOR APPROVAL

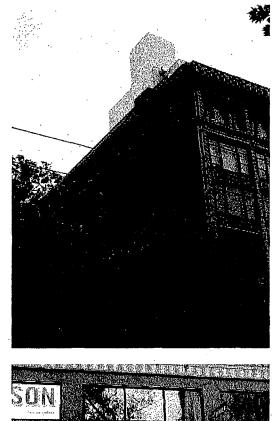

None

3. Property Value Eligibility.

Choose one of the following options:

The property is a Residential Building valued at less than \$3,000,000.

YES D NO D

The property is a Commercial/Industrial Building valued at less than \$5,000,000. YES D NO K *If the property value exceeds these options, please complete the following: Application of Exemption.

Application for Exemption from Property Tax Valuation

If answered "no" to either question above please explain on a separate sheet of paper, how the property meets the following two criteria and why it should be exempt from the property tax valuations. See attached.

- 1. The sile, building, or object, or structure is a particularly significant resource and represents an exceptional example of an architectural style, the work of a master, or is associated with the lives of significant persons or events important to local or natural history; or
- Granting the exemption will assist in the preservation of a site, building, or object, or structure that would otherwise be in danger of demolition, substantial alteration, or disrepair. (A Historic Structures Report, completed by a qualified historic preservation consultant, must be submitted in order to meet this requirement.)

4. Property Tax Bill

All property owners are required to attach a copy of their recent property tax bill.

2. HIGH PROPERTY VALUE EXEMPTION FORM & HISTORIC STRUCTURES REPORT

The Wilson Building is a Commercial/Industrial Building valued at more than \$5,000,000. The building is a particularly significance resource and represents an example of an architectural style and is associated with significant events in San Francisco's history. The Wilson Building has been identified as a contributing resource within the Market Street Theatre and Loft District.

The Historic Structures report was completed by Heritage Consulting Group. Based in Portland, Heritage is a national leader in the historic preservation field. Since forming in 1982, the company has completed over 350 National Register nominations and completed historic tax credit projects totaling more than \$3 billion in construction. Current projects include Macy's Herald Square Store in Manhattan, the IBM Building in Chicago, and Union Station in Denver. The firm has been involved in several rehabilitation projects in the Bay Areas and in San Francisco, including the Haslett Warehouse.

DESCRIPTION OF THE BUILDING

The Wilson Building is located on Lot 069 of Block 3704 in the City of San Francisco, San Francisco County, California. Market Street is the primary arterial through downtown San Francisco, running diagonally along a SW-NE axis with two lanes of traffic that also accommodates bus and trolley service. Market Street separates the SoMa neighborhood, where blocks and streets run parallel and perpendicular to Market from Downtown San Francisco, where blocks and streets have a truer north orientation. The property is more or less centered in the City Center on Market; Powell Street is located two blocks to the northeast; Civic Center/UN Plaza is located to two blocks to the southwest.

Wilson Building, 973 Market Street

Wilson Building: Mills Act Application Prepared by Heritage Consulting Group

Page 8 May 31, 2017 Setting: The building is located on an interior parcel in a highly urbanized setting. The building sits on the southeast side of Market Street and on the north side of block 3704. That block is bounded by Market Street on the northwest and Stevenson Street on the southeast; Fifth Street on the northeast and Sixth Street on the southwest. While Market, Fifth and Sixth are major traffic streets, Stevenson is a secondary, almost alley-like street that runs only from Fifth Street to the mid-block of Seventh Street. Block 3704 is more or less rectangular and measures 170 feet at the NW-SE axis and 825 feet on the NE-SW axis.

Parcels on Block 3704 are run the length from Market to Stevenson with the façade on Market serving as the "front door" and the façade on Stevenson as the "rear" or "service" side. Buildings are built to the lot lines without landscape features. The street wall along Market is irregular but features a typical commercial form with ground floor retail spaces. At the corner of Fifth and Market, to the northeast, is the six -story, 200,000 square foot, 1912 Hale Brothers Department Store (NR). At the opposite southwest corner of the block, at Sixth and Market, is the sixteen-story Hewes Building, built in 1908 and reclad in 1963. Adjacent to that and adjacent to the Wilson Building is the earlier 1900 seven-story Hales Brothers Department Store. At the center of the street wall, beginning northeast of the Wilson Building, however, are roughly a dozen low-rise buildings of varying heights. Apart from the three buildings mentioned here, the street is marked by vacant and boarded-up buildings. By way of reference, the northeast boundary of the National Register district is the northeast party wall of the Wilson Building.

<u>Site</u>: The site is 8,372 square feet. It is rectangular in form, running 170 feet NW-SE and 49.3 feet NE-SW.

<u>Structure</u>: As originally built, the Wilson Building was seven-story structure with vaulted basement and a partial mezzanine. Although the original structure is unknown, it likely was an unreinforced masonry structure. When rebuilt in 1906, the new structural system was reinforced concrete with concrete columns and decks. The perimeter walls are masonry. The columns divide the floor plate into a grid of three bays SW-NE and ten bays SE-NW. The three bays are 14.5 feet at the center and 17.5 feet flanking. The SE-NW bays are evenly spaced at 17 feet. Floor heights are 18.5 feet at the first floor, 13.5 feet at the second floor, 12 feet at floors three-six, and 16.25 feet at the seventh floor. In 1983, the building was seismically upgraded with the addition of shear walls. In the most recent abandoned attempt to adapt the building into condominiums, a nearly full mezzanine was inserted above the 7th floor; it is held back one bay off the two street facades. Additionally, a full height light well, two bays deep and two bays across, was inserted at the center southwest, while the mezzanine at the first floor was reconfigured. Finally, the entire building upgraded structurally with new shear walls and steel bracing to meet current seismic codes.

Exterior: The building has a single primary façade facing northwest onto Market Street. It has a secondary façade facing southeast onto Stevenson Street. The southwest wall is a masonry party wall. The northeast wall is also a masonry party wall but exposed above the two-story adjacent building.

Wilson Building: Mills Act Application Prepared by Heritage Consulting Group Page 9 May 31, 2017 *Market Street Façade*: The most compelling feature of the Wilson Building is the Market Street façade. It is clad entirely and elaborately in terra cotta. Vertically, the façade is divided into three equal bays. Horizontally, it is organized into multiple elements:

The ground floor originally featured traditional three storefronts with plate glass over wood bulkhead. The bay structure was expressed at the street with the use of heavy fluted columns. Above the storefront was large transom, likely of leaded prism glass. When first built, the storefront level featured a central entry with flanking show windows and a secondary entry at the northeast. At some point, likely in the early 1920s when the Eilar Music House moved, the storefronts were modernized to accommodate multiple retail tenants. A 1944 photograph of the building shows a storefront level that has been modernized and reorganized in a rather chaotic fashion with two full-bay storefronts at the southwest and the remaining bay divided into a building entry and another smaller retail entry. At this point, the transom was either removed or covered as was the terra cotta below the belt course. Each storefront appears to have its own design with its own materials. In the 1990s, the ground floor was modernized with the removal of all elements other than the two central columns. A modern commercial grade anodized aluminum storefront system was then installed recessed behind the street face. During the most recent project, these storefronts were removed and presently the openings are voids.

Above the storefront level, the terra cotta decoration defined several additional elements. At the second floor, each bay has a tripartite window surmounted by a pediment, separated and framed decorative pilasters with lion heads atop brackets; at the outside, these are paired. Floors threesix are grouped with the use of a complex terra cotta frame. Finally, the seventh floor is an attic story with each bay featuring a group of three windows separated by columns. At the roof line is an elaborate terra cotta cornice. Terra cotta panels and belt courses further define floors. In general terms, the decoration tends toward the geometric and is Byzantine in style, balanced by large window openings that emphasize the building's skeleton. All windows have been replaced with wood clad, but many window openings are simply open.

Stevenson Street Façade: The Stevenson Street façade is a secondary façade facing southeast. It is built of utilitarian red brick in natural gray mortar. Vertically, it is divided into three equal bays. The two bays to the south are identical with large window openings featuring tripartite windows. The bay to the north is of similar size but has paired windows separated by a brick pilaster. Horizontally, fenestration divides the façade into seven floors, of which the upper six floors are essentially identical. Each bay on the ground floor has a large single opening; these have been covered with painted plywood. Windows here are replacement wood clad, though many window openings are simply open.

Northeast Party Wall: The northeast party wall is a blank wall built of common red brick with natural gray mortar.

<u>Interior</u>: In general terms, the building is void of interior elements. In the mid-2000s, the building was being adapted for condominiums. This included a seismic upgrade, removal of most interior features and the insertion of a light well at the center. It also included reconfiguring the mezzanine and inserting a floor above the seventh. Floors are concrete; perimeter walls are exposed brick and in many instances retain scarring from the 1906

Wilson Building: Mills Act Application Prepared by Heritage Consulting Group Page 10 May 31, 2017 Earthquake and Fire. In the 1906, the building was built as a reinforced concrete system with distinctive floor pans and column supports. Most of these elements are still visible. Additionally, at the northeast corner is a full height concrete stair with wood and decorative iron railings. This element is also intact.

Alterations:

The Wilson Building underwent a rehabilitation using Federal Historic Tax Credits and work completed is in conformance with the *Secretary of the Interior's Standards for Rehabilitation*. In the mid-2000s, the previous owners embarked on a plan to adapt the building for condominiums. This work involved a seismic upgrade, removal of the storefront, replacement of the windows, painting the terra cotta, inserting a light well, removing interior partitions and initiating an interior build-out for residential use. In 2010, that project was abandoned and in 2012, the property was acquired by the current owners.

Character Defining Features:

As identified in the Market Street Theater and Loft District National Register District, "The Wilson Building is an eight-story loft building described in *Splendid Survivors* as 'a handsome skeletal design with extremely rich decorative terra cotta panels. A three-part vertical composition with Sullivanesque/Byzantine ornamentation." The most prominent character defining feature is the terra cotta on the north elevation. The north elevation also includes a clearly defined fenestration pattern typical of early steel constructed buildings. This window pattern is also on the south elevation.

Conditions Assessment:

At the time the property was purchased by Raintree the building was gutted by the previous owner. On the exterior, the storefronts were removed and the street level area was boarded up. The terra cotta was in good condition. The previous owner removed and replaced the windows with tripartite, Chicago-style window with transoms. When Raintree acquired the building, the interior was largely vacant with exposed masonry walls at the perimeter, concrete floor, concrete ceiling, and concrete columns.

Today the building is in good condition overall. Both the exterior and interior are well maintained and subject to regular inspection (See Rehabilitation and Maintenance Plans).

Treatment Recommendations:

The building ownership understands that there is a necessary level of maintenance that is synonymous with owning a historic building. In addition to regular inspection and maintenance, the ownership will abide to the following guidelines: 1) know the building, 2) do no harm, 3) address problems early, and 4) prepare for disaster.

Know the building – It is essential to have a single person who understands and routinely inspects the buildings. This function is especially important given the substantive work completed on the building, including the new mechanical systems. New systems have a potential for failing, new uses create new stresses, new materials may change how the historic materials perform. While such circumstances are remote, it is important to that one single individual monitor the building's performances and come to understand its idiosyncrasies. Routine

Wilson Building: Mills Act Application Prepared by Heritage Consulting Group Page 11 May 31, 2017 inspections will build that knowledge and ensure the continued integrity of the building and its systems.

Do no harm - It is essential to establish protocols for cyclical maintenance of character defining features, materials and finishes. All too often, fundamental damage is done in the name of maintenance. Through the tax certification process, the historically important elements have been identified. It is equally important to be clear on how they are to be maintained.

Address problems early – It is essential to establish protocols for addressing problems early and effectively. The preservation and use of a building are inherently contradictory. Preservation often conflicts with hotel financial realities. Small problems have a tendency to either be telltales of larger problems or become larger problems themselves. Before problems relating to historic fabric arise, it is valuable to establish the protocols for crafting the solutions. Who needs to be involved in making the decisions? Who needs to be consulted? Who needs to be informed? And who makes the final decision?

Prepare for disaster – It is essential to establish protocols for those unfortunate but all too real situations when emergency repairs are needed. It is similar to the situation above, but time is of a greater ingredient. In responding to emergency situations and unplanned repairs: Who needs to be involved in making decisions? Who needs to be consulted? Who needs to be informed? And who makes the final decision?

Future Work:

Inevitably, occasions will arise for substantive work on the building. This work may be planned, perhaps prompted by the periodic inspections, or unplanned, the result of the emergency situations. Any such work must be planned following the *Secretary of Interior's Standards for Rehabilitation*. As the apartment units turn-over, each unit will be inspected, elements will be repaired as necessary and/or replaced in kind.

Within the scope of the next twenty years, the owners anticipate altering the windows and storefronts. The roof will need to be repaired and replaced. For more information see Maintenance Plan.

HISTORY OF THE BUILDING

The Wilson Building has been identified as a contributing resource within the Market Street Theatre and Loft District. The building was built in 1900 for Emily J. Wilson, wife of San Francisco attorney S. M. Wilson, who had died in 1892. Prior to construction, the site along Market was occupied by two three-story wood-framed buildings with ground floor storefronts and lodgings above, while at the opposite side of the parcel, along Stevenson, were two-story wood-framed lodging buildings. Excavation was announced on May 15, 1900 in *Edwards Abstract*. Two months later, on July 7th, a rendering by "G. W. Percy and Willis Polk, Architects" was published in the San Francisco Chronicle. On February 15, 1901, Edwards Abstract noted the building was complete. During construction, in September, Mrs. Wilson had died and the ownership was vested in the Wilson Estate Company. That company retained ownership of the building until 1975.

Although the specific designer is unknown, the architect of the Wilson Building was Percy & Polk, an architectural partnership comprised of George W. Percy and Willis J. Polk. Percy was the elder of the two. Born in Bath, Maine in 1847, Percy apprenticed under Francis H. Fasset in Portland, Maine from 1866 to 1870, after which he worked in Stockton, Chicago and Boston. He arrived in San Francisco in 1876 and subsequently established a partnership with F. F. Hamilton. For a quarter of a century, they developed a strong reputation for public buildings. Major works of Percy & Hamilton include the Academy of Science Building, First Unitarian Church and the Hayward Building, all in San Francisco. In December, 1899, Hamilton died at the age of 46. It was at that time that the 32-year-old Polk joined the 52-year-old Percy to form Percy & Polk.

Willis Jefferson Polk was born in Jacksonville, Illinois in 1867 and grew up in St. Louis, the son of an architect. At the age of 14, Polk apprenticed in the office of Jerome Legg. In the ensuing years, Willis Polk alternately worked for his father and brother Daniel at W. W. Polk and worked with various architects around the country. In 1881, his father moved the family and firm to San Francisco; and over the next decade, Willis continued his pattern of periodically working for his father and for architects across the United States. During this time, Polk designed a number of residences on Russian Hill and later in Presidio Heights. Polk's father retired from the firm in 1896; with Daniel Polk having departed to play banjo in vaudeville, Willis Polk was left heading the firm and struggling to survive. Eventually, he was forced to declare bankruptcy in 1897 and for the next couple of years; Polk worked out of his home.

The partnership of Percy & Polk was short-lived, barely the length of time it took to design and construct the Wilson Building. The firm likely formed after May, 1900, after excavation on the building had begun. But by July, the building's architects were identified as "Percy & Polk". Yet, five months later and prior to completion of the Wilson Building, in December, 1900, Percy died. The following year, Polk left for Chicago to work for Daniel Burnham. At this point, the firm's work was taken over by Henry Meyers. In addition to the Wilson Building, the firm was completing the Hayward Building. Polk returned to San Francisco in 1903 and began to establish his reputation as one of the Bay area's dominant architects until his death in 1924.

The initial tenant for the Wilson Building was the John Breuner Furniture Company. The company was founded by Breuner, a German cabinetmaker, who immigrated to California as a gold prospector but shortly after, gained employment with the Whitney & Company furniture dealer. In 1852, he started his own firm in Sacramento with his brother David. As the business

Wilson Building: Mills Act Application Prepared by Heritage Consulting Group Page 13 May 31, 2017 prospered, Breuner was awarded the contract to furnish legislative desks for the state capital. He also secured a subcontract for design and construction of desks for J. B. Luchsinger of San Francisco. Reportedly the firm manufactured about 15% of its furniture and imported the remaining 85%, focusing more on the finishing and upholstery of frames. By the 1870s, the firm had inventory of \$40-50,000. With extensive contacts in the Bay area, the company expanded to the Wilson Building at the turn of the century. It was the sole occupant of the building with display rooms on the lower floors, storage and manufacturing on the upper.

The 1906 San Francisco Earthquake and Fire however gutted the Wilson Building, leaving only the front façade and shell. The Wilson Estate rebuilt the building for \$12,000. They hired architect Henry Schulze as architect and relied on engineer John B. Leonard to transform it into a reinforced concrete structure. Schulze, who was then 49-years-old, was the son of noted Boston architect Paul Schulze and had begun working in the Bay area architectural field in the mid-1870s. For the most part, he operated a singular practice and while prolific few of his works have survived. One of the largest of his surviving works is the Folger Coffee Company Building, finished in 1905. Leonard was trained as an engineer at Michigan State and the University of Michigan, whereupon he settled in San Francisco and generally operated out of his own civil engineering office. A frequent contributor to *Architect and Engineer of California*, Leonard was an early advocate of concrete construction.

Upon completion, the Wilson Estate leased the entire building to the Eilers Music House. The Eilers Music House, also known as the Eilers Piano Company, was established by Hy Eilers in 1899 in Portland, Oregon. Originally only a retailer, the firm began building good quality pianos, including upright, grand and baby grand, and player pianos with modest success into the 1910s. They also sold pianos and organs. Over time, the firm expanded throughout the west coast with stores in Oakland, Stockton, Reno, Seattle, Tacoma and Spokane. Eilers first opened in San Francisco in 1905 at 514 Market Street, then opening temporarily at 520 Haight Street before moving into the Wilson Building in 1906. As the firm expanded, it became highly leveraged and overextended. By the late 1910s, Eilers was facing financial problems and moved out of the Wilson Building. By 1921, Eilers faced bankruptcy, then embezzlement charges and by 1928 the company was closed entirely.

With the departure of Eilers, city directories suggest that the building was subdivided with multiple tenants with a high turn-over. In 1920, tenants included such diverse enterprises as music, paint, dressmaking and physical culture studios. Five years later, tenants were new; featuring hat manufacturing, theatrical agency, a dentist office and photograph finishing. Through the 1930s, tenants were few and varied. Into the 1940s and beyond, the tenant mix included booking agents, drug distributors, a dentist office, and schools for accounting, chiropractic, and business. Again, tenants appear to only remain for a few years and without much in the way of a cohesive industry cluster. For the most part, the ground floor tenant was not known, but by 1990, the ground floor was occupied by Taco Bell. At that time, a new modern storefront system of anodized aluminum and glass was installed.

By the mid-2000s, new owners embarked on a plan to adapt the building for condominiums. This work involved a seismic upgrade, removal of the storefront, replacement of the windows, painting the terra cotta, inserting a light well, removing interior partitions and initiating an

Wilson Building: Mills Act Application Prepared by Heritage Consulting Group

Page 14 May 31, 2017 interior build-out for residential use. In 2010, that project was abandoned and in 2012, the property was acquired by the current owners.

STATEMENT OF SIGNIFICANCE

The Wilson Building is located in the Market Street Theatre and Loft District. The district was listed on the National Register of Historic Places on April 10, 1986 under Criterion C for Architecture and Criterion A for Events. At the time of listing, the Wilson Building was included in the district as a contributing resource. The Wilson Building is significant primarily under Criterion C for its highly decorative, Sullivanesque/Byzantine inspired, terra cotta façade.¹

The district is located in central San Francisco along Market Street approximately between Sixth and Seventh Streets. On the southwest, the boundary is the Odd Fellows Hall at 6-26 Seventh Street. The southeast boundary runs along Stevenson Street. The northwest boundary is irregular, extending to include portions of McAllister Street, Jones Street, Golden Gate Avenue and Taylor Street. In total, the district includes thirty buildings, of which twenty are contributing.

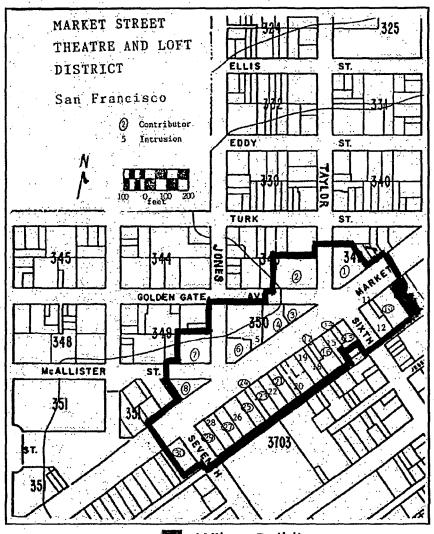

The inspiration of the district and the basis of the nomination lie with the book, *Splendid Survivors*, published in 1979 under the auspices of the Foundation for San Francisco's Architectural Heritage. That survey researched and evaluated 790 buildings within the city's downtown core. Through an elaborate evaluation process, that survey then identified 102 buildings of "highest importance" and 170 buildings of "major importance"; all of these 272 buildings were considered as being individually eligible for the National Register. The Wilson Building is identified as a member of the first group, "highest" importance, described as "a handsome skeletal design with extremely rich decorative terra cotta panels." It further describes the building as a "three part vertical composition with Sullivanesque/Byzantine ornamentation.

The survey also identified eight potential National Register districts. These included the Powell Street Corridor, Retail-Shopping District, Kearny Street District, Financial District, Commercial-Upper Montgomery Street, New Montgomery and Market Street District, Emporium Market Street Block and the Market Street Loft/Theater District. Of these, only the Market Street Loft/Theater District was prepared, submitted and listed on the National Register.

The authors of *Splendid Survivors* described the Market Street Loft/Theater District as "an imposing but unfortunately rundown District that includes three major elements: a group of loft structures on the south side of Market, a collection of theaters, and two fine intersections on the north side of Market." Particular to the Wilson Building, the book notes the simplicity of the skeletal design: "They are among the few downtown San Francisco buildings that reflect the early Modernist ideals of straightforward structural and functional expressiveness." The district boundaries were pushed eastward to mid-block specifically to include the Wilson Building, noting the building's added importance as a pre-earthquake survivor.

6. Draft Mills Act Historical Property Agreement

Mills Act Application

Please complete the following Draft Mills Act Historical Property Agreement and submit with your application. A final Mills Act Historical Property Agreement will be issued by the City Attorney once the Board of Supervisors approves the contract. The contract is not in effect until it is fully executed and recorded with the Office of the Assessor-Recorder.

Any modifications made to this standard City contract by the applicant or if an independently-prepared contract is used. It shall be subject to approval by the City Attorney prior to consideration by the Historic Preservation Commission and the Board of Supervisors. This will result in additional application processing time and the timeline provided in the application will be nullified.

is designated as a Conkibuling Building in the Markal Birael Triaatre and Loit National Register District (e.g. "a City Landmark pursuant to Article 10 of the Planning Code") and is also known as the <u>Wilson Building</u> Historic NAME OF PROPERTY OF ANY

Owners desire to execute a rehabilitation and ongoing maintenance project for the Historic Property. Owners' application calls for the rehabilitation and restoration of the Historic Property according to established preservation standards, which it estimates will cost approximately <u>Soventeen million three hundred and six theusand</u> (\$17,306,000...). See Rehabilitation Plan, Exhibit A.

Owners' application calls for the maintenance of the Historic Property according to established preservation standards, which is estimated will cost approximately Nine hundred sky-four housand two hundred (\$964,200) annually. See Maintenance Plan, Exhibit B.

The State of California has adopted the "Mills Act" (California Government Code Sections 50280-50290, and California Revenue & Taxation Code, Article 1.9 (Section 439 et seq.) authorizing local governments to enter into agreements with property owners to potentially reduce their property taxes in return for improvement to and maintenance of historic properties. The City has adopted enabling legislation, San Francisco Administrative Code Chapter 71, authorizing it to participate in the Mills Act program.

Owners desire to enter into a Mills Act Agreement (also referred to as a "Historic Property Agreement") with the City to help miligate its anticipated expenditores to restore and maintain the Historic Property. The City is willing to enter into such Agreement to miligate these expenditores and to induce Owners to restore and maintain the Historic Property in excellent condition in the future.

NOW, THEREFORE, in consideration of the mutual obligations, covenants, and conditions contained herein, the parties hereto do agree as follows:

Mills Acl Application

AND FRANCISCO PLANISHIC DEPARTUSAT V PL 18.53

1 Application of Mills Act.

The benefits, privileges, restrictions and obligations provided for in the Mills Act shall be applied to the Historic Property during the threathat fills Agreement is in effect commencing from the date of recordation of this Agreement.

Rehabilitation of the Historic Property.

Owners shall undertake and complete the work set forth in Exhibit A ("Rehabilitation Plan") attached hereto according to certain standards and requirements. Such standards and requirements for the Treatment of Historic Properties ("Sccretary's Standards"): the rules and regulations of the Office of Historic Proservation of the California Department of Parks and Recreation ("OFIP Rules and Regulations"); the State Historical Building Code as determined applicable by the City; all applicable building safety slandards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not Himtled to any Certificates of Appropriateness approved under Planning Code Article 10. The Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits not less than six (6) months after recordation of the vork within three (3) years from the date of receipt of permits. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth in this paragraph. Owners may apply for an extension by a letter to the Zoning Administrator, and the Historic Property has been relaxing. Work shall be deemed complete twith the Director of Planning determines that the Historic Property has been relaxing the Administrator as set forth in this paragraph. Owners have relaxing the Administrator, at his or her discretion, may grant an extension of Planning determines that the Historic Property has been relaxing. Work shall be deemed complete twith the Director of Planning determines that the Historic Property has been relaxing the Administrator as set forth in Plangraph. Failure to this determines that the Historic Property has been relaxing the state set forth in Plangraph. Failure to this Agreement as set forth in Plangraph. The Plance Plance

3. Maintenance.

Owners shall maintain the Historic Property during the time this Agreement is in effect in accordance with the standards for maintenance set forth in Exhibit B ("Maintenance Plan"), the Secretary's Standards; the OHP Rules and Regulations; the State Historical Building Code is determined applicable by the City; all applicable building safety standards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not limited to any Certificates of Appropriateness approved under Planning Code Article 10.

4. Damage.

Should the Historic Property incur damage from any cause whatsoever, which damages fifty percent (50%) or less of the Historic Property, Owners shall replace and repair the damaged area(s) of the Historic Property. For repairs that do not require a permit, Owners shall commence the repair work within thirly (30) days of incurring the damage and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Where specialized services are required due to the nature of the work and the historic character of the features damaged, "commence the repair work" within the meaning of this paragraph may include contracting for repair services. For repairs that require a permit(s), Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits not less than sixty (60) days after the damage has been incurred, commence the repair work within one hundred twenty (120) days of receipt of the required permit(s), and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth In this particitation. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. All repair work shall comply with the design and standards established for the Historic Property in Exhibits A and B attached hereto and Paragraph 3 herein. In the case of damage to twenty percent (20%) or more of the Historic Property due to a catastrophic event, such as an earthquake, or in the case of damage from any cause whatsoever that destroys more than fifty percent (50%) of the Historic Property, the City and Owners may mutually agree to terminate this Agreement. Upon such termination, Owners shall not be obligated to pay the cancellation fee set forth in Paragraph 14 of this Agreement. Upon such termination, the City shall assess the full value of the Historic Property without regard to any restriction imposed upon the Historic Property by this Agreement and Owners shall pay property taxes to the City based upon the valuation of the Historic Property as of the date of termination.

5. Insurance.

Owners shall secure adequate property insurance to meet Owners' repair and replacement obligations under this Agreement and shall submit evidence of such insurance to the City upon request.

Mills Act Application

INTERACISCO PLANAIL DEPURTIER TY VE 18.9013

6 inspectious.

Owners shall permit periodic examination of the exterior and Interior of the Historic Property by representatives of the Historic Preservation Commission, the City's Assessor, the Department of Building Inspection, the Planning Department, the Office of Historic Preservation of the California Department of Parks and Recreation, and the State Board of Equalization, upon seventy-two (72) hours advance notice, to monitor Owners' compliance with the terms of this Agreement, Owners shall provide all reasonable information and documentation about the Historic Property demonstrating compliance with this Agreement as requested by any of the above referenced representatives.

7; Telm,

This Agreement shall be effective upon the date of its recordation and shall be in effect for a term of ten years from such date ("Initial Term"). As provided in Government Code section 50282, one year shall be added automatically to the Initial Term, on each anniversary date of this Agreement, unless notice of nonrenewal is given as set forth in Paragraph 10 herein.

8. Valuation.

Prinsmant to Section 439.4 of the California Revenue and Taxation Code, as amended from time to time, this Agreement must have been signed, accepted and recorded on or before the lien date (January 1) for a fiscal year (the following July 1-June 30) for the Historic Property to be valued under the taxation provisions of the Mills Act for that fiscal year.

9. Termination.

In the event Owners terminates this Agreement during the Initial Term, Owners shall pay the Concellation Fee as set forth in Paragraph 15 herein. In addition, the City Assessor-Recorder shall determine the fair market value of the Historic Property without regard to any restriction imposed on the Historic Property by this Agreement and shall reassess the property taxes payable for the fair market value of the Historic Property as of the date of Termination without regard to any restrictions imposed on the Historic Property by this Agreement. Such reassessment of the property bases for the Historic Property shall be effective and payable six (6) months from the date of Termination.

10. Notice of Nonrenewal,

If in any year after the Initial Term of this Agreement has expired either the Owners or the City desires not to renew this Agreement that party shall serve written notice on the other party in advance of the annual renewal date. Unless the Owners serves written notice to the City at least ninety (90) days prior to the date of renewal or the City serves written notice to the Owners sixty (60) days prior to the date of renewal, one year shall be automatically added to the term of the Agreement. The Board of Supervisors shall make the City's determination that this Agreement shall not be renewed and shall send a notice of nonrenewal to the Owners. Upon receipt by the Owners of a notice of nonrenewal from the City, Owners may make a written prolest. At any line prior to the renewal date, City may withdraw its indice of nonrenewal. If in any year after the expiration of the latting Term of the Agreement, either party serves notice of nonrenewal of this Agreement, this Agreement, the Agreement shall remain in effect for the balance of the period remaining since the execution of the last renewal of the Agreement.

11, Payment of Fees

Within one month of the execution of this Agreement, City shall tender to Owners a written accounting of its reasonable costs related to the preparation and approval of the Agreement as provided for in Government Code Section 50281.1 and San Francisco Administrative Code Section 71.6, Owners shall promptly pay the requested amount within forty-five (45) days of receipt.

12. Default.

An event of default under this Agreement may be any one of the following:

- (a) Owners' failure to timely complete the rehabilitation work set forth in Exhibit A in accordance with the standards set forth in Paragraph 2 herein;
- (b) Owners' failure to maintain the Historic Property in accordance with the requirements of Paragraph 3 herein;
- (c) Owners' fullure to repair any damage to the Historic Property in a timely manner as provided in Paragraph 4 herein;
- (d) Owners' failure to allow any inspections as provided in Paragraph 6 herein;

(c) Owners' termination of this Agreement during the Initial Term;

- (f) Owners' failure to pay any fees requested by the City as provided in Paragraph 11 herein;
- (g) Owners' failure to maintain adequate insurance for the replacement cast of the Historic Property; or
- (h) Owners' failure to comply with any other provision of this Agreement.

Mills Act Application

ain ministro rev tena baranteen rea teaste

An event of default shall result in cancellation of this Agreement as set forth in Paragraphs 13 and 14 herein and payment of the cancellation fee and all property taxes due upon the Assessor's determination of the full value of the Historic Property as set forth to Paragraph 14 herein. In order to determine whether an event of default has occurred, the Board of Supervisors shall conduct a public hearing as set forth in Paragraph 13 herein prior to cancellation of this Agreement.

19. Cancellation.

As provided for in Government Code Section 50284, City may initiate proceedings to cancel this Agreement if it makes a reasonable determination that Owners have breached any condition or covenant contained in this Agreement, has defaulted as provided in Paragraph 12 herein, or has allowed the Historic Property to deteriorate such that the safety and integrity of the Historic Property is threatened or it would no longer meet the standards for a Qualified Historic Property. In order to cancel this Agreement, City shall provide notice to the Owners and to the public and conduct a public hearing before the Board of Supervisors as provided for in Government Code Section 50285. The Board of Supervisors shall determine whether this Agreement should be cancelled. The concellation must be provided to the Office of the Assessor-Recorder for recordation.

14, Cancellation Fee:

If the City cancels this Agreement as set forth in Paragraph 13 above, Owners shall pay a cancellation fee of twelve and one-half percent (12.5%) of the fair market value of the Historic Property at the time of cancellation. The City Assessor shall determine fair market value of the Historic Property without regard to any restriction imposed on the Historic Property by this Agreement. The cancellation fee shall be paid to the City Tax Collector at such time and in such manner as the City shall prescribe. As of the date of cancellation, the Owners shall pay property taxes to the City without regard to any restriction imposed on the Historic Property Property by this Agreement and based upon the Assessor's determination of the fair market value of the Historic Property as of the date of cancellation.

15: Enforcement of Agreement,

In fleu of the above provision to cancel the Agreement, the City may bring an action to specifically enforce or to enfold any breach of any condition or covenant of this Agreement, should the City determine that the Owners has breached this Agreement, the City shall give the Owners written notice by registered or certified mail setting forth the grounds for the breach. If the Owners do not correct the breach, or if it does not undertake and diligently pursue corrective action, to the reasonable satisfaction of the City within thirty (30) days from the date of receipt of the notice, then the City may without further notice, initiate default procedures under this Agreement as set forth in Paragraph 13 and bring any action necessary to enforce the obligations of the Owners set forth in this Agreement. The City does not waive any claim of default by the Owners if it does not enforce or cancel this Agreement.

16. Indemnification:

The Owners shall indemnify, defend, and hold harmless the City and all of its boards, commissions, departments, agencies, agents and employees (individually and collectively, the "City") from and against any and all liabilities, losses, costs, claims, judgments, sattlements, damages, lieus, fines, penalties and expenses incurred in connection with or arising in whole or in part from (a) any accident, injury to or death of a person, loss of or damage to property occurring in or about the Historic Property; (b) the use or occupancy of the Historic Property by the Owners, their Agents or Invitees; (c) the condition of the Historic Property; (d) any construction or other work undertaken by Owners on the Historic Property; or (e) any claims by unit or interval Owners for property tax reductions in excess those provided for under this Agreement. This indemnification shall include, without limitation, reasonable fees for attorneys, consultants, and experts and related costs that may be incurred by the City and all indemnified parties specified in this Paragraph and the City's cost of investigating any claim. In addition to Owners' obligation to indemnify City, Owners specifically acknowledge and agree that they have an immediate and independent obligation to defend City from any claim that actually or potentially falls within the indemnification provision, even if the allegations are or may be groundless, false, or fraudulent, which obligation arises at the time such claim is tendered to Owners' obligations in a continues at all times thereafter. The Owners' obligations independent obligations at all times thereafter. The Owners' obligations under this Paragraph shall survive termination of this Agreement.

17. Eminent Domain:

In the event that a public agency acquires the Historic Property in whole or part by eminent domain or other similar action, this Agreement shall be cancelled and no cancellation fee imposed as provided by Government Code Section 50208.

18. Binding on Successors and Assigns.

The covenants, benefits, restrictions, and obligations contained in this Agreement shall be deemed to run with the land and shall be binding upon and inure to the benefit of all successors and assigns in interest of the Owners.

Page 25

19, Legal Fees

In the event that either the City or the Owners fail to perform any of their obligations under this Agreement or in the event a dispute arises concerning the meaning or interpretation of any provision of this Agreement, the prevailing party may recover all costs and expenses incurred in enforcing or establishing its rights bereinder, including reasonable attorneys fees, in addition to court costs and any other relief ordered by a court of competent jurisdiction. Reasonable attorneys fees of the City's Office of the City Attorneys shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience who practice in the City of San Francisco in fave firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

20. Governing Law.

This Agreement shall be construed and enforced in accordance with the laws of the State of California.

21. Recordation

The contract will not be considered final until this agreement has been recorded with the Office of the Assessor Recorder of the City and County of San Francisco.

22. Amendments

This Agreement may be amended in whole or in part only by a written recorded instrument executed by the partles hereto in the same manner as this Agreement.

23, No Implied Walver.

No failure by the City to insist on the strict performance of any obligation of the Owners under this Agreement or to exercise any right, power, or remedy arising out of a breach hereof shall constitute a waiver of such breach or of the City's right to demand strict compliance with any terms of this Agreement,

24: Authority.

If the Owners sign as a corporation or a partnership, each of the persons executing this Agreement on behalt of the Owners does hereby covenant and warrant that such entity is a duly authorized and existing entity, that such entity has and is qualified to do business in California, that the Owner has full right and authority to enter into this Agreement, and that each and all of the persons signing on behalf of the Owners are authorized to do so.

25, Severability,

If any provision of this Agreement is determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each other provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

26. Tropical Hardwood Ban.

The City urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood or iropical hardwood product.

27. Charler Provisions

Mills Aci Application

This Agreement is governed by and subject to the provisions of the Charter of the City.

Historic Preservation Commission Recommendation: Approval

Dear Ms. Calvillo,

On October 4, 2017 the San Francisco Historic Preservation Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Mills Act Historical Property Contract Applications, At the October 4, 2017 hearing, the Commission voted to *approve the proposed Resolutions*.

The Resolutions recommend the Board of Supervisors approve the Mills Act Historical Property Contracts as each property is a historical resource and the proposed Rehabilitation and Maintenance plans are appropriate and conform to the Secretary of the Interior's Standard for the Treatment of Historic Properties. Please refer to the attached exhibits for specific work to be completed for each property.

The Project Sponsors submitted the Mills Act applications on May 1, 2017. As detailed in the Mills Act application, the Project Sponsors have committed to Rehabilitation and Maintenance plans that will include both annual and cyclical scopes of work. The Mills Act Historical Property Contract will help the Project Sponsors mitigate these expenditures and will enable the Project Sponsors to maintain the properties in excellent condition in the future.

The Planning Department will administer an inspection program to monitor the provisions of the contract. This program will involve a yearly affidavit issued by the property owner verifying

www.sfplanning.org

w.r.

compliance with the approved Maintenance and Rehabilitation plans as well as a cyclical 5-year site inspection.

al and

The Mills Act Historical Property Contract is time sensitive. Contracts must be recorded with the Assessor-Recorder by December 30, 2017 to become effective in 2018. Your prompt attention to this matter is appreciated.

If you have any questions or require further information please do not hesitate to contact me.

Sincerely,

Aaron D. Starr

Manager of Legislative Affairs

cc: Erica Major, Office of the Clerk of the Board Andrea Ruiz-Esquide, City Attorney's Office
