RE: BOS File No. 161109 [Planning Code, Zoning Map - Establishment of Geary-Masonic Special Use District]

Dear Ms. Calvillo,

The Small Business Commission will not hear this item. However, the Commission believes it would be helpful if the Planning Department encourages the developers to reach out to small businesses in the surrounding area (minimum 300 ft. radius) to discuss potential challenges and project timelines to mitigate impacts that will arise due to construction. The Office of Small Business is also available to help developers understand impacts on small businesses in the area.

Thank you.

Sincerely,
