EXECUTIVE SUMMARY

Legislative Objectives

The proposed ordinance appropriates \$300,000 of cigarette litter abatement fees to Public Works to fund a street cleaning program in FY 2017-18.

Key Points

- The Street Environmental Services bureau of the Department of Public Works (Public Works) provides street cleaning services citywide. The department has zones that provide scheduled street sweeping, steam cleaning, manual cleaning, and litter control on pre-determined routes as well as based on service requests. There are six zones in the City; each zone generally covers two supervisor districts, with the exception of District 6, which is its own zone. There are also crews that focus on hot spots, encampments, alleys, and swing and night shift operations.

Fiscal Impact

- The appropriation of \$300,000 would be drawn from the Cigarette Litter Abatement fund, which has a balance of \$4,945,357 as of January 4, 2018.
- The funds would be used for temporary salaries for additional 9916 Public Service Aide – Public Works positions to conduct manual street cleaning throughout the City. The hourly rate for 9916 Public Service Aides, adjusted for mandatory fringe benefits and department overhead, is \$33.41. The appropriation of \$300,000 would fund 8,979 hours of manual street cleaning services on an as needed basis.

Recommendation

- Approve the proposed ordinance.

MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

FISCAL IMPACT
